Monday's Minute with Schnellenberger

Preseason

Training camp has been marred with the normal injuries that teams get at this time of year but has been very fruitful for us. We have made good strides. If those strides are good enough to come out of Nebraska with a win is questionable. It is an opportunity that the kids look forward to, the kids look forward to and hopefully everybody will have a great time watching a great football game.

Camp

The weather has been outstanding. We haven't even had a tropical storm. With the exception of this last weekend it has been a fine time to play football.

Long Schedule

If you go back as far as I do a nine game schedule was the standard of the day, yes it has gotten to be quite long. However, if you coached in the National Football League this is a real shorty compared to that. A 12-game schedule is about right for our players. They are prepared for that and will get ready in a hurry for a 13th game, I assure you.

Memories of Nebraska

The first game that we played in the Orange Bowl back in 1983 I have a lot of memories. The one we played when I was at Oklahoma, I don't have memories hardly at all. Coach Osborne and I go back a long way together, I assume we were, when I was with Coach Bryant. Two games in the Orange Bowl with Nebraska. Since that time we saw each other a lot when we were traveling the CFA circuit. I have a great deal of respect for him as does everybody in the nation. He is one of the fine ambassadors for the game of college football. It was just too

bad both of us couldn't win the '83 game because both teams played well enough to win. It was an exciting day. Us being able to make the two-point play which led to a major dynasty.

At Oklahoma we played Nebraska at the exact wrong time. They were an outstanding football team. As I look back at the score, I didn't remember until I looked it up, I took some hope because they were undefeated and, won the national championship and scored as high as 77 points and were a truly outstanding football team.

This game will feature a team that I'm sure has a goal of winning the national championship and has the talent to make that dream become a reality. We face them in the opening game of the 2009 season which will catch the Nebraska fans at their best. It is going to be a monumental struggle for us, but our players are looking forward to that struggle, just as we did last year and came up very short. We go into their holding out the hope that the situation might develop that we have a chance to be in the ball game late in the game and that something good could happen to us. Obviously, the odds are against that, never the less our football team is going to Nebraska with strength in their heart and with a wide open attitude. I'm hopeful we distinguish ourselves with whatever the final score might be.

At Florida Atlantic

Ten years...ten years in the making. In April of 1998 Howard Schnellenberger was asked to consider a project, weigh the facts, research the possibilities and explore a community's interest in supporting the addition of football to FAU's sports roster.

By 2008 Head Coach Howard Schnellenberger had welcomed the first recruiting class; climbed the ranks of Division I-AA, including a national semi-final appearance; joined a conference and began playing football in the country's highest classification, the Bowl Subdivision; and grabbed a league title and two bowl championships to add to his collection.

When you consider all the "firsts" that Florida Atlantic University's football team has

accomplished, it is hard to believe. What may be even more difficult to comprehend is that legendary Head Coach Howard Schnellenberger accomplished a "first" as well in 2007. When the 74-year-old program builder was named 2007 Sun Belt Coach of the Year, it marked the first time he had earned a conference award. Schnellenberger has resurrected two programs from virtual extinction. Neither was affiliated with a conference.

He joined the FAU staff May 1, 1998, with an unheard-of opportunity: build a collegiate football team from scratch. In January of 1999 the Board of Regents approved FAU adding football. Twenty-five recruits signed in his first FAU class. Since that time each recruiting class has been better than the last, each schedule is more difficult than the last and each milestone is one step closer to Schnellenberger's dream: build the best football team possible in the heart of paradise.

When the team took the field for its first practice, Aug. 12, 2000, 164 players were dressed. FAU played its first scrimmage Sept. 23, 2000, and took to the field Sept. 1, 2001. It only took two games for FAU to have its first upset, defeating the No. 22 ranked team in the country, 31-28. FAU holds the record for the fastest start-up program to earn a Division I-A victory, is the fastest program to reach the Division I-AA playoffs and is the fastest start up program to be invited to bowl game. Proving it wasn't a fluke, the Owls made a repeat appearance in 2008 becoming the only team in the state of Florida to have back-to-back bowl victories in 2007 and 2008. FAU also became the first Sun Belt Conference team to win back-to-back bowl games. What makes the bowl victories more impressive is that FAU became bowl eligible, in its rise to Division I-A status in 2006 therefore the Owls have captured a bowl victory in two of the three seasons that they have been a part of the Bowl Sub Division.

Schnellenberger, the 2003 Sports Network South Coach of the Year, began this ascent by playing the best teams that would schedule the fledgling Owls. The Owls stormed into Hawaii, with a hurricane hitting Florida's coastline at game time, and handed the Warriors their only home field loss in 2004, defeating a bowl participant in just the 36th game of the program's existence. The team then defeated perennial Sun Belt power North

Texas the next week. FAU rattled off five-consecutive road victories to enter the 2004 home schedule 5-0. The Owls finished their first transitional season 9-3, and bid farewell to the senior class with a third-consecutive "Shula Bowl victory over FIU. 2005 was the first full season of Division I-A play, facing Kansas, Oklahoma State at home, and Minnesota and Louisville on the road. The young squad put together several outstanding performances sending Kansas into the locker room with a 9-7 lead, Oklahoma State with a 13-3 margin at the half, and Louisville, who entered the game ranked No. 14 at game time, with a 10-point cushion, 20-10. Florida Atlantic began 2006 picked as the second worst team in the country. With this as motivation, the Owls used what Schnellenberger called advanced training, its non-conference schedule, to finish with a 4-3 Sun Belt record and were in the hunt for the Sun Belt title deep into the season. The team jumped from a preseason eighth place finish to third in the Sun Belt. Both the offense and defense came together with one goal in 2007: win the SBC. From January to December the focus remained constant and the accolades continued to roll in culminating with a bowl game invitation, becoming not only the youngest program to

receive a bowl invitation but to earn a victory. The Owls would enter 2008 as the SBC's favorite in just its eighth season of playing football. The team would struggle early and rally late to prove they were indeed a team on the rise.

For the National Title

Schnellenberger has been part of four collegiate national championships. His 1983 Miami Hurricanes won the school's first title, defeating Nebraska in the 50th Orange Bowl. He was offensive coordinator for Paul "Bear" Bryant at Alabama when the Crimson Tide won championships in 1961, 1964 and 1965.

In the NFL

Schnellenberger has been part of seven NFL playoff teams and was part of two Super Bowl championship staffs. He helped the 1972 Miami Dolphins to the NFL's only undefeated (17-0) season. Schnellenberger has recruited and/or coached former pros Jim Kelly, Bernie Kosar, Vinny Testaverde, Jay Gruden, Browning Nagle, and Jeff Brohm (FAU's quarterback coach), and stars such as Michael Irvin, Brian and Bennie Blades, offensive tackles Bruce Armstrong and Jerry Crafts; fullback Carwell Gardner; wide receiver Earnest Givins; defensive end Joe Johnson, defensive tackle Ted Washington; cornerback Ray Buchanan; and defensive tackle Mike Flores. Three of his former assistants were on the staff of the Dallas Cowboys during their rise to consecutive Super Bowl Titles.

At Miami

Schnellenberger took over a University of Miami program that was nearing extinction in 1979. He installed a pro-style attack with quarterback Jim Kelly and led Miami to an Orange Bowl bid and the national championship four years later. His teams lost only two home games in five years (22-2) while laying the groundwork for a program that went on to win three more national titles in the next seven seasons.

At Louisville

A native of Louisville, Schnellenberger returned in 1985 to build a college football

contender. His top team finished 10-1-1 and defeated Alabama in the Fiesta Bowl, the highlight of the most successful decade in Louisville football history. His teams played a coast-to-coast schedule against the top conferences in the nation and produced victories over such teams as Texas (1), Alabama (1), Michigan State (1), North Carolina (1), Virginia (1), NC State (1), West Virginia (1), Boston College (1), Arizona State (2), and Pittsburgh (4). The Schnellenberger Era also generated support for the University's 42,000-seat, on-campus stadium.

Personal

Howard Schnellenberger learned his football tactics as a player for "Bear" Bryant and Blanton Collier at the University of Kentucky. He served as an assistant to Collier at Kentucky and Bryant at Alabama. Schnellenberger then moved on to pro ball as an assistant to George Allen (Rams) and Don Shula (Dolphins). He was head coach of the Baltimore Colts from 1973 to 74. He and his

Summer Notes

- Howard Schnellenberger enters his ninth season as the Owls head coach and his 11th at the University. Schnellenberger, the 1983 National Coach of the Year, is known as a program builder. He resurrected the University of Miami, culminating in UM's first national championship. He pulled the University of Louisville from the Nation's forgotten into a top-10 team. He has built FAU from scratch and is currently listed No. 12, by the NCAA, in victories by active FBS head coaches (148-125-3, .542).
- Rusty Smith will return for his third season as an Owl starter. The senior from Jacksonville, FL holds nearly every FAU passing record. He was the 2007 Sun Belt Player of the Year and the 2008 Preseason player of the year. He guided the Owls to back-to-back bowl victories and earned bowl game MVP honors in both.
- As a start-up program, the Owls soared through the Division I-AA ranks setting records along the way. FAU declared its intent for Bowl Subdivision status in 2003, began the move in 2004 and 2005 and was officially eligible to play for a bowl opportunity in 2006. In the three seasons that FAU has held full Bowl Subdivision status, the Owls have played in two bowl games.
- The state of Florida is arguably the best state in the country for college football, earning the National Championship Title two of the last three seasons. In that time FAU is the only team in the state to win bowl games in both 2007 and 2008. Since 2006 when FAU officially became Bowl Eligible:

UF (35-6, .854)	2-1 bowl games
USF (26-13, .667)	2-1 bowl games
FSU (23-16, .589)	2-1 bowl games
FAU (20-18, .526)	2-0 bowl games
Miami (19-19, 500)	1-1 bowl games
UCF (18-20, .474)	0-1 bowl games
FIU (6-30, .167)	no bowl games
- Florida Atlantic is the only team in Sun Belt Conference history to win back-to-back bowl games.
- Senior Frantz Joseph anchored the 2007 and 2008 FAU defense. Joseph led the SBC in tackles both seasons and concluded his three-year career ranked No. 17 by the NCAA in Career Tackles Per Game at 9.35. FAU will showcase three new linebackers in 2009 with Michael Lockley expecting to step in at MLB.
- The Owls will return three-year starters at both wide receiver positions and at tight end. The receiving corp's careers are parallel with quarterback Rusty Smith as all started on the scout team together in 2005. The group will also welcome the return of tight end Jason Harmon whose explosive ability sparked the 2007 season. Harmon along with the return of 2008 starter Jamari Grant will provide a two-tight end set that will be hard to defend.
- William Rose will return to the backfield as the most dominant fullback in the Sun Belt Conference. Rose averages 5.0 yards per carry and 6.9 yards per reception. He has 11 career scores.
- The offensive line will be anchored by four-year starter David Matlock. Matlock has had knee surgeries each of the last two off seasons but has yet to miss time on the field. Matlock has been part of an offensive line that has provided protection for the prolific passing attack as well as for a program that despite sharing ground duties between three rushers saw its first individual gain 1,000 plus yards in a single-season.
- The defense will look to Josh Savidge for its experienced senior leadership. Savidge drew his first start as a true freshman against Oklahoma State in Land Shark Stadium. He played every game that followed until a knee injury in the fourth game of his junior season forced him to the sideline. He returned in 2008 to play and start in every game. Savidge recorded 28 tackles, including five for a loss of 12 yards.

Off the Field Story Ideas

Alfred Morris: 3.0+ club member 3-of-4 semesters at FAU. Morris is an Exercise Science and Health Promotion major.

Keegan Peterson: Also played in one conference tournament for FAU tennis. Excels in the classroom and has maintained above a 3.0 since joining the team. Intent is dental school.

Jeff Van Camp: His father played football at Louisville, but not while Schnellenberger was there. His father also was a professional wrestler. His name was Lord Humongous

Paul Muse: Transferred from Clemson. In three seasons with the Owls he has not only battled back from injuries but has trained for a new position each year: tight end, offensive lineman and now defensive lineman. Muse was also a little league opponent of FAU quarterback Rusty Smith.

Chris Bonner: Chris' mother attended college on a track scholarship. His sister attended college on a basketball scholarship and he is now attending college through a football scholarship.

David Matlock: Has had two acl surgeries, one following each of the last two seasons.

Kyle Watkins; surpasses him with a total of six.

Ed Alexander: began his career as a walk-on

and while his work ethic helped secure a spot on the team his attention to detail is what propelled him into the starting line-up. This detail oriented characteristic is also helpful as a mechanical engineering major. Teammate **Brent Harstad** and fellow defensive back is a civil engineering major. And defensive back **Austin Jensen**, an exercise science and health promotion major has earned a 3.0 or better 3-of-4 semesters he as been at FAU. **Rod Huggins** also excels academically with a 3.0+ gpa 3-of-6 semesters.

Wharton School: At any one time 2-of-4 defensive lineman could be from the Wharton School. **Dino Cox**, a Finance major, was the first to see playing time, playing as a true freshman. **Jamere Johnson** began playing in '08 as a redshirt freshman.

Redshirt Freshman **Jordan Sessa** is an Eagle Scout, one of the highest honors you can receive as a boy scout. Sessa is a civil engineering major and through his first year of college maintained above a 3.7 gpa.

Both **Alex Fick** and **Ed Wertepny** are geology majors. Fick has been a member of the 3.0+ honor roll every semester and holds above a 3.5 gpa.

Malik Eugene; will step into the starting role

in '09. He has spent his first three years at FAU working on special teams and has made time to work on a dual major in management and marketing. Eugene is also a regular on the 3.0+ list. **Ryan Wischnefski** is another who will step into a starting job. Wischnefski has earned a 3.0+ 5-of-6 semesters and holds nearly a 3.5 gpa.

Schnellenberger versus opposing coaches:

Howard Schnellenberger is the third oldest Bowl Subdivision Coach. Penn State's **Joe Paterno** (12/21/1926) is the oldest. **Bobby Bowden**, from Florida State (11/8/1929) is the second oldest. FAU's **Schnellenberger** is third (3/16/34). On the flip side, when FAU plays at FIU December 5, 2009 the Owls will play a team led by **Mario Cristobal** who is the third youngest coach. Christobal will be 39 this season (9/24/1970).

Schnellenberger and win totals: FAU Head Coach **Howard Schnellenberger** entered the 2009 season with 148 victories, 12th nationally among active FBS head coaches. Troy's Larry Blakeney entered the 2009 season no. 13 with 143 wins.

Motor City Bowl: Recorded two tackles including half-tackle for a loss of one yard.

2008: Returned from a 2007 mid-season knee surgery stronger, more confident and with a drive that had been unmatched...posted a strong spring and preseason...helped to solidify a line that needed to provide a better pass rush...recorded a tackle in every game played, but one...had a season-high four tackles twice the first at Middle Tennessee, all solo, and the second against ULL...had three at Texas...ended the season...only line-man to start every game.

This is Florida Atlantic University

With comprehensive academic programs and seven campuses along Florida's southeast coastline, Florida Atlantic University has earned its reputation as a center of excellence in higher education.

FAU is home to approximately 27,000 students from the Treasure Coast through Broward County and the alma mater of more than 100,000 proud alumni worldwide.

As a meeting place designed for both traditional and nontraditional students, FAU offers more than 170 bachelor's, master's, specialist's and doctoral degrees through its 10 colleges.

"Regardless if you are an undergrad looking for the full university experience or a researcher seeking the next big discovery, FAU provides an environment that breeds success," says Frank T. Brogan, FAU alumnus and president.

Building on its rich tradition as a teaching university, FAU continues to develop as an active research institution dedicated to seeding Florida's economy with high tech enterprise. FAU's own Harbor Branch Oceanographic Institute as well as collaborations with organizations such as the Scripps Research Institute, the Max Planck Society and Torrey Pines Institute for Molecular Studies offer FAU students and faculty unique research opportunities.

FAU by the Numbers

- A world-class faculty boasting more than 1,000 professors and instructors offers career expertise and personal attention to students
- Hundreds of student organizations, fraternities and sororities enrich life on and off campus
- 18 NCAA Division I athletic teams provide student-athletes with opportunities to excel in class and in sport
- More than \$100 million in financial aid each year for students to learn more about FAU, visit www.fau.edu.
