Record at Camp Randall Stadium:	336-191-23 (.632)

STACKING UP BOWLS

- At 5-2 overall, Wisconsin needs one win to become bowl-eligible for the 13th-consecutive season.
- UW's 12-year bowl streak is the longest active streak in the Big Ten and tied for the seventh-longest streak in the country:

ACTIVE BOWL STREAKS

Team	Streak (Years)
1. Florida State*	32
2. Virginia Tech	21
3. Georgia*	17
Georgia Tech*	17
5. Oklahoma	15
6. LSU*	14
7. Wisconsin	12
Boise State*	12

*Bowl-eligible in 2014

RUNNING AWAY WITH IT

- The Badgers have rushed for 2,369 yards in their first seven games — 678 more than they had through seven games in 2013, when they set the single-season school record of 3,689 yards.
- Wisconsin has run for at least 250 yards in six of its first seven games, including two 400-yard performances, on its way to average 338.4 rushing yards per game. Georgia Tech (326.1) is the only other team from a Power Five conference averaging at least 300 rushing yards.
- Wisconsin is the nation's lone team this season to boast three 100-yard rushers in the same game, with Melvin Gordon (253), Tanner McEvoy (158) and Corey Clement (111) combining to do so vs. Bowling Green. UW achieved the feat three times last season and has done so five times in its last 19 games. Prior to that, UW had a trio of 100-yard rushers in the same game just once, at Indiana on Nov. 8, 2008.
- Between Gordon (4), Clement (1) and McEvoy (1), the Badgers have had a total of six 150-yard rushing performances this season, the most of any FBS team. Georgia, Minnesota and Western Michigan have the second-highest total with five 150-yard games each.
- No team in the country is running the ball more proficiently while also holding opponents in check on the ground as well as the Badgers, who are outgaining their opponents by an average of 231.7 yards per game to boast the nation's largest rushing yardage margin:

RUSHING YARDAGE MARGIN, AVG./GAME

Team	Off.	Def.	Margin
1. Wisconsin	338.4	106.7	+231.7
2. Boston College	277.0	91.4	+185.6
3. Navy	352.3	170.9	+181.4
4. Nebraska	293.4	123.8	+169.6
5. Georgia	265.9	105.1	+160.7

AN EFFICIENT EFFORT

- The Badgers' rushing average of 7.22 yards per carry leads the nation, ahead of second-place Marshall (7.05 ypc) and third-place Indiana (6.36 ypc).
- Nevada, which set the FBS record of 7.39 in 2009, is the only team to average 7.0 yards per carry since the previous record-holder, Nebraska, averaged 7.01 yards per carry in 1995:

FBS RUSHING AVERAGE LEADER, 2008-14

Year	School	YPC
2014	Wisconsin	7.22
2013	Ohio State	6.80
2012	Oregon	5.97
2011	Oregon	6.66
2010	Northern Illinois	6.27
2009	Nevada	7.39
2008	Oregon	6.22

- Last year, Wisconsin shattered its school record (5.52) by rushing for 6.62 yards per attempt, a total that ranked No. 2 nationally behind Ohio State's average of 6.80. Through six games this season, the Badgers are well ahead of that record pace:

WISCONSIN RUSHING AVERAGE, 2008-14

Year	YPC	FBS Rank
2014	7.22	1st
2013	6.62	2nd
2012	5.21	18th
2011	5.42	8th
2010	5.47	T-7th
2009	4.56	35th
2008	4.84	23rd

- Wisconsin leads the country in runs of 20-plus yards (31) and also leads (or is tied for the national lead) in runs of 30-plus (15), 40-plus (13) and of 50-plus (9) yards.
- UW led the nation in 30-plus (23), 40-plus (14) and 50-plus (9) runs last season (13 games).

FALLING INTO LINE

- Not only has Wisconsin's offensive line helped lead the way for a rushing attack that ranks No. 2 nationally, but the Badgers have also boasted one of the nation's top units in terms of pass protection.
- UW has allowed just 6 sacks in 7 games, ranking in a tie for the seventh-fewest in the FBS.
- The Badgers have given up a sack on just 3.8% of their pass attempts this season (6 of 159).
