"Helping Families of Children Battling Cancer"

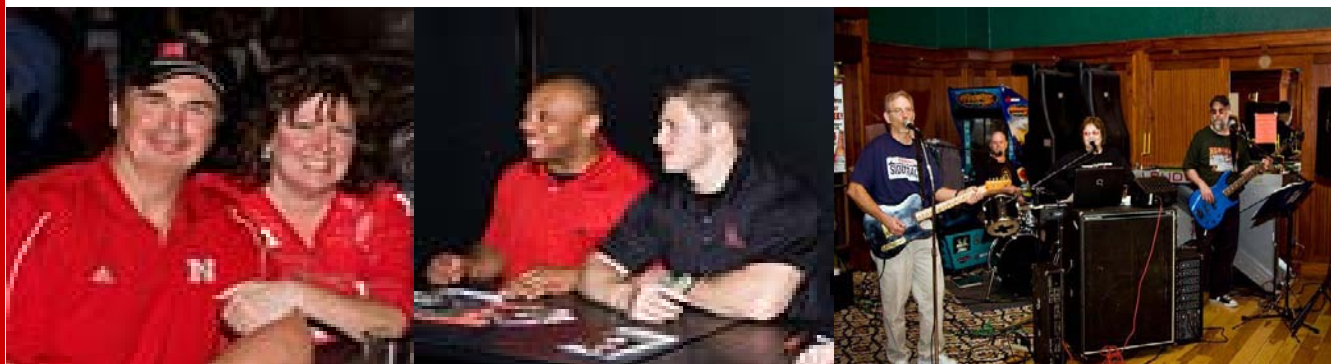

The 2nd Annual Husker Spring Game Pep Rally raised **\$10,153.75** benefiting Angels Among Us, bringing the two year total over **\$20,000.00**. Angels Among Us is a 501c3, nonprofit organization that financially assists families with children battling cancer. The evening included music played by Joyce and Paul with the Sidetracks band, food provided by Famous Dave's and Husker Video's featuring many of the former Husker Legends who were in attendance.

We would like to thank *Kim and Wayne* owners of the *RedEye* West, *Famous Dave's* and former players who donated their time and Husker memories of playing days past. Players in attendance included: **Larry Jacobsen, Aaron Graham, Rob & Jon Zatechka, Erik Wiegert, Chad Kelsay, Pat Engelbert, Terry Connealy, Phil Bland, Mike Stuntz, Joey Robinson, Phillip Dillard, Jacob Hickman, and Matt O'Hanlon.**

Most importantly a special thank you goes to the Husker fans who made this possible with the purchase of tickets and auction items. We really had a great deal of generosity in attendance. Thank you to the many volunteers and board of directors for your hard work in preparation for this great event.

Let's hope for a great 2010 Husker football season and we hope to see everyone back at the 2011 event. Go Big Red.
