# 2016 HUSKER OFFENSE

The 2016 Nebraska offense appears poised for a breakout season in the second year of Mike Riley's tenure as head coach and under the direction of offensive coordinator Danny Langsdorf. Nebraska has a wealth of experience at talent at all skills positions and a young offensive line made great strides during spring practice.

Quarterback Tommy Armstrong Jr. is the engineer of the NU offense and enters his fourth season as the Huskers' starter. He has the ability to hurt defenses both with his strong right arm and his powerful legs. Last season, Armstrong Jr. accumulated 3,430 yards of total offense and accounted for 29 touchdowns.

Armstrong will have the luxury of throwing to the Big Ten's best collection of pass catchers in 2016. Senior Jordan Westerkamp caught 65 passes last season and is poised to become Nebraska's all-time leading receiver. Fellow seniors Brandon Reilly and Alonzo Moore have both been big-play performers throughout their careers. Junior De'Mornay Pierson-El returns to the mix this season and is one of the nation's top punt returners in addition to his receiving skills, while Stanley Morgan Jr. showed star potential in his rookie season. Not to be forgotten, Nebraska returns three senior tight ends, led by Cethan Carter who has shown all-conference skills throughout his Husker career.

In the backfield, senior Terrell Newby ran for nearly 800 yards last season and is also an effective pass catcher. Sophomore Devine Ozigbo flashed his potential as a true freshman, capped by an impressive showing in Nebraska's bowl victory. That duo is joined by several other talented players to give the Huskers numerous options carrying the football.

Center Dylan Utter and tackle Nick Gates were mainstays on the Nebraska offensive line last season, and will be counted on to lead the way for the Husker Pipeline in 2016.

## HIGHLIGHTING THE HUSKER OFFENSE

- Tommy Armstrong Jr. is in position to eclipse several Nebraska career records in 2016. Among the records in his sights are career quarterbacks starts, career passing yards, career completions, career touchdown passes and career total offense. Armstrong already has the most 300-yard passing games in school history.
- Jordan Westerkamp could threaten Nebraska records for most career receptions and receiving yards. Last season, he caught 65 passes, the second-most in Nebraska history.
- I-back Terrell Newby is within striking distance of joining Nebraska's career 2,000-yard rushing club in 2016.
- Junior place-kicker Drew Brown is the first player in Nebraska history to top 100 points in both his freshman and sophomore seasons. Brown made 13 fields of 40 yards or more last season, the most in the nation.

# 2016 HUSKER DEFENSE

The Nebraska Blackshirts expect to be one of the Big Ten's most dominant defenses in the 2016 season. The Huskers return a deep and experienced group of linebackers, along with three returning starters in the secondary.

The front four will feature several new faces in 2016, but there is no lack of talent. Defensive ends Ross Dzuris and Freedom Akinmoladun ranked first and second in tackles for loss for the 2015 Huskers. On the interior, defensive coordinator Mark Banker and first-year defensive line coach John Parrella will look to senior Kevin Maurice to lead a group of talented young tackles this fall.

The Huskers have ample talent and options at linebacker. Seniors Josh Banderas and Michael Rose-Ivey are battle-tested veterans. Juniors Marcus Newby and Chris Weber have both played key roles the past two seasons and should continue to build on those performances this fall. Sophomore Dedrick Young burst onto the scene in his first year with the Huskers and set a Nebraska record for the most tackles by a true freshman with 61.

Senior Nate Gerry moves into his third year as a starting safety and anchors the secondary. Juniors Joshua Kalu and Chris Jones took over the cornerback duties for the second half of the 2015 season and are poised to give NU one of the Big Ten's best coverage tandems over the next two years.

## HIGHLIGHTING THE HUSKER DEFENSE

- Nebraska returns five Blackshirts with at least 10 career starts
- Senior safety Nathan Gerry has earned All-Big Ten honors each of the past two seasons. He is poised to rank second all-time in tackles by a Nebraska defensive back and could challenge the career interceptions record.

- Nebraska ranked ninth nationally in rush defense last season, allowing less than 110 rushing yards per game.

# BLACKSHIRTS

## DEFENSIVE DOMINANCE

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts celebrated their 50th season in 2013, and Head Coach Mike Riley and defensive coordinator Mark Banker have readily embraced the long-standing tradition.

From left to right: Grant Wistrom, Ndamukong Suh, Barrett Ruud and Lavonte David

# BLACKSHIRT DOMINANCE

*"We have a great (defensive) tradition at Nebraska. As a former Blackshirt, it is basically the sense of urgency you play with. That is what it means to be a Blackshirt. It is being able to trust the guy next to you. It is 11 guys getting to the football."*

Trev Alberts, 1993 All-American and Butkus Award Winner

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.
- In Mark Banker's first season as defensive coordinator, Nebraska's Blackshirts ranked ninth nationally in rush defense.

## BLACKSHIRTS IN THE NFL

- Fifteen former Nebraska Blackshirts were on NFL rosters as of June 28, 2016.
- Nebraska has had 19 defensive linemen, 13 linebackers and 20 defensive backs drafted since 1997.
- Twenty-three Blackshirts have been taken in the first four rounds of the NFL Draft since 2000, including 2016 third-round picks Maliek Collins and Vincent Valentine.
- Recent Blackshirts Ndamukong Suh and Lavonte David have earned All-Pro honors during their respective NFL careers.
- Suh was the second overall selection in the 2010 NFL Draft and signed the richest contract ever for a defensive player in March of 2015.

## BANKER DEFENSE

*"To be a part of that Blackshirt unit you have to do things at a certain level to carry that distinction and have that responsibility. As players enter your program they should all aspire to be a part of that excellence and want that responsibility to continue that tradition."*

Mark Banker, Defensive Coordinator

Nebraska defensive coordinator Mark Banker has a history of success at each stop in his coaching career.

- Nebraska's 2015 defense ranked ninth nationally in rushing defense and also ranked in the top 25 nationally in third-down defense.
- The 2007 Beaver defense led the nation in rushing defense, while ranking fourth in sacks and eighth in total defense.
- 19 Oregon State players coached by Banker have been chosen in the NFL Draft since 2004, including five Beaver defenders taken in the 2009 draft.

# FOOTBALL FACILITIES

The University of Nebraska provides its football student-athletes with every resource needed to be successful, including world-class facilities. All of the football facilities are conveniently located inside the Tom and Nancy Osborne Athletic Complex, within steps of Memorial Stadium.

## LOCKER ROOM

Nebraska's locker room is located immediately adjacent to the strength training, athletic medicine and equipment room facilities. The locker room design allows players ample personal space and storage. Each solid maple locker has a unique ventilation system, and a personalized iPad, allowing student-athletes to stay connected while in the locker room.

## HAWKS CHAMPIONSHIP CENTER

Connected to the Osborne Athletic Complex by an indoor skybridge, the 81,200-square foot Hawks Championship Center provides a full-sized indoor practice field with a FieldTurf playing surface identical to Memorial Stadium. The Huskers also have access to a second indoor facility, the Cook Pavilion, located adjacent the outdoor practice fields. The Hawks Championship Center installed a new field in the summer of 2016.

## HISTORICAL DISPLAYS

Nebraska's rich football tradition is on display throughout the Osborne Athletic Complex and Memorial Stadium. Five national championship trophies are prominently displayed in the main lobby of the facility and the Cornhuskers' three Heisman winners and other major award winners are prominently featured.

**ED AND JOYANNE GASS PRACTICE FACILITY**

# HUSKER POWER

The University of Nebraska has long been recognized as being the national leader in the area of strength and conditioning.

Nebraska was the first NCAA school to have a paid strength and conditioning coach, the first to lift weights in-season, the first to hold an official summer conditioning class for student-athletes and the first to offer a degree for strength coaching.

Husker Power is a nationally recognized brand and a source of pride for Nebraska Football.

Nebraska football student-athletes train throughout the year in the Ndamukong Suh Strength and Conditioning Center, one of the nation's finest facilities of its kind. Built in 2006, the facility is one of the largest in the country and is a unique, state-of-the-art complex.

The facility gives Husker student-athletes a technological and strategic advantage by combining state-of-the-art strength training innovation with top-notch coaching and programming. The Ndamukong Suh Strength and Conditioning Center contains a field turf agility track adjacent to the strength training equipment allowing for high impact strength programming on different dynamic surfaces.

The strength and conditioning staff consists of five full-time staff members, led by Head Football Strength Coach Mark Philipp. The staff works with Husker football student-athletes teaching proper strength and conditioning techniques, allowing them to reach their maximum potential.

The latest upgrade to the Ndamukong Suh Strength and Conditioning Center took place in the summer of 2015. The facelift nearly doubled the number of lifting platforms and included new equipment and new apparel. The layout changes allow the strength staff to redesign and implement a program that accommodates each individual athlete with the most beneficial exercises in an efficient period of time.

Components considered in the new weight room layout included accommodating a larger number of athletes per group and the time and space required to enhance performance and reduce the risk of injury.

*"This incredible facility helped me earn all the honors I was so privileged to receive while I was at Nebraska...There is not a better strength and conditioning program in the country."*

Ndamukong Suh, Nebraska All-American (2009)

# ALL-TIME GREATS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American.

For 55 years, Novak was the only NU player to have the distinction of a retired number. In 2004, that finally changed as College and Pro Football Hall of Famer Bob Brown's No. 64 joined Novak's hallowed No. 60 among the only two permanently retired numbers at Nebraska.

All major national award winners at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

Nebraska's group of 17 players with retired jerseys certainly ranks among the best in the nation. Huskers who have earned the distinction of jersey retirement include three Heisman Trophy winners (Johnny Rodgers, Mike Rozier, Eric Crouch), eight Outland Trophy winners with nine awards (Larry Jacobson, Rich Glover, Dave Rimington (2), Dean Steinkuhler, Will Shields, Zach Wiegert, Aaron Taylor, Ndamukong Suh), five Lombardi Award winners (Rich Glover, Dave Rimington, Dean Steinkuhler, Grant Wistrom, Ndamukong Suh), one Johnny Unitas Golden Arm Award winner (Tommie Frazier), one Davey O'Brien Award winner (Eric Crouch), one Butkus Award winner (Trev Alberts), one Rimington Trophy winner (Dominic Raiola), one Bednarik Award Winner (Ndamukong Suh) and one Nagurski trophy winner (Ndamukong Suh). Nebraska football has 17 players who have been honored with the distinction of having their jerseys retired. Those players have combined for 23 All-America awards and 10 are members of the College Football Hall of Fame.

1993 Butkus Award winner Trev Alberts is one of 17 players with their jersey retired at Nebraska. Alberts is the most recent Husker selected to the College Football Hall of Fame and was honored with his on-campus salute in October of 2015.

*"I'll tell you the biggest difference between the state of Nebraska and any other state in football. I think the fan's loyalty, the noise factor that's on the field and the Sea of Red when you look out."*

# GAME DAY ATMOSPHERE

Game days at Nebraska are unlike any in college football. Fans line the streets of Lincoln waiting to enter the "Sea of Red," while the marching band parades up Stadium Drive as thousands of red-clad fans look on. The Huskers emerge from the famous "Tunnel Walk" to the sound of "Sirius" and the fans stay at a frenzied pitch until the final play of the game when they graciously cheer for the opposing players as they exit the field.

The Tunnel Walk, which began in 1994, has become an integral part of Memorial Stadium's game-day experience. It was created as a way for fans to share in the excitement of the team emerging from the locker room, something only a few could do before HuskerVision's cameras and big screens came to Memorial Stadium. The sounds of the Alan Parsons Project's "Sirius," and the roar of 90,000 frenzied fans rock the stadium as the Huskers burst through the locker room doors and into the tunnel on their way to the Memorial Stadium FieldTurf. For as long as anyone can remember, the Huskers have touched a lucky horseshoe on their way from the locker room to the field. The horseshoe hangs above the door as Nebraska leaves the North Stadium.

*"There are no words to describe the feeling of making a Tunnel Walk and winning a game in Memorial Stadium. The Tunnel Walk is the single-most exciting part of our games. The anticipation leading up to a football game and that fire you feel in your belly."*

Kenny Bell, Nebraska's all-time leading receiver

*"There is nothing like playing at Memorial Stadium. I don't care what other people say. Everything combined, the atmosphere, the whole town is here. When you are walking through there, you have tears in your eyes because of the sheer adrenaline rush. You can't control it and your eyes start watering and you start shaking."*

Spencer Long, Nebraska All-American and Academic All-American

# THE BIG RED ON THE ROAD

When the Huskers hit the road, Nebraska's passionate fan base is sure to follow from coast to coast. NU's contingent of loyal fans have provided a "home away from home" and have given the Huskers unmatched support in road environments.

*"I think Nebraska fans are the greatest fans in college football, no question in my mind. The enthusiasm here is as good as any place, but the integrity here of the fans is the best in America."*

# DEVOTED FANS

*"This is truly a place where everybody is all in, all the time, and very, very loyal to their university. Everybody cares. I think that's my favorite word to describe Nebraska and everybody in it, is that they care. It's a unique place in that everybody cares, and it's really one thing. All the energy pours into Lincoln. That goes to every corner."*

Head Coach Mike Riley

Nebraska fans are perhaps the most loyal in college football. The entire state follows the Huskers, along with a truly national fan base. Cornhusker fans have packed Memorial Stadium for every home game since 1962. In 2009, Nebraska celebrated its 300th consecutive home sellout, a NCAA record streak that stands at 347 games entering the 2016 season.

Nebraska has ranked in the top 10 nationally in home attendance in two of the past three seasons, including a school-record average of 91,249 in 2014. In 2015, Nebraska had season ticket holders from 48 states.

Husker fans bring their show on the road as well. Red-clad Nebraska fans have traveled in the tens of thousands to bowl games and road games for decades. Opposing stadiums throughout the Big Ten began to see the invasion of Big Red fans in 2011.

Every entrance at Memorial Stadium welcomes Nebraska fans with the following phrase: "Through these gates pass the Greatest Fans in College Football."

*"Win or lose, I walk out of that experience being one of the greatest experiences I've ever had at a sporting event because of the Nebraska fans. Honestly, I've never been around 90,000 fans that were louder, smarter and more respectful. They were classy. If we wanted a model of how sports should be, you go to Nebraska and experience that."*

Merril Hoge, ESPN (following Nebraska vs. BYU game, Sept. 2015)

*"No fan base has more passion or dedication. It is ALWAYS about the football at Nebraska. And that's what makes this place a college football Holy Land."*

Tom Dienhart, Big Ten Network

# WALK-ONS

SPENCER LONG

"Loyalty. Motivation. Willingness to Sacrifice."

Tom Osborne, Hall of Fame Coach from 1973 to 1997 and Nebraska's Athletic Director from 2007 to 2012, has used those words to describe Nebraska's walk-on program.

The tradition of the Cornhusker walk-on program is one-of-a-kind in college football. Hundreds of young men from towns in all corners of the state have come to Nebraska with big dreams. Many players have excelled beyond their biggest dreams. Head Coach Mike Riley has embraced the Nebraska walk-on tradition since day one as the Cornhuskers' coach, and he also relied on walk-ons during his tenure at Oregon State.

# FOOTBALL FAMILY

Family. It is a word that is synonymous with Nebraska Football. No one takes more pride in the Nebraska football program than its former players. Head Coach Mike Riley and his staff have connected with Nebraska's former players in their short time leading the Husker program, including the hiring of former Husker Blackshirt and NFL standout John Parrella as NU's defensive line coach in February of 2016. The family atmosphere of Nebraska football brings together players from all across the United States.

## CORNHUSKER FAMILY

- The 2016 Nebraska roster features players from 27 states, plus Canada, including 60 homegrown Huskers. The Husker roster includes at least five players from six additional states.
- Nebraska has signed players from 29 states and Canada in its last five recruiting classes.
- Nebraska's 96 football All-Americans hail from 24 states and the District of Columbia, with homegrown Huskers accounting for 38 All-America awards.
- Nebraska football lettermen have come from 45 states, Washington D.C. and six foreign countries (Australia, Canada, Finland, South Korea, Germany and Mexico).

*"There is no in-state player, no out-of-state player, no walk-on player and no scholarship player. We were all equals when we got here, and we all came here for the same reason – to contribute to something much bigger than all of us. At Nebraska, all lettermen are the same. We're hundreds of guys who paid the price to be part of one of the greatest traditions in all of college football. And the greatest honor any of us ever achieved was being able to say: 'I played for Nebraska!'"*

## LETTERWINNERS CLUB

Husker alums connect with current student-athletes through a variety of N Club activities.

### N CLUB MISSION STATEMENT

### N CLUB ADVISORY COUNCIL

Letterwinner alumni meet monthly to provide feedback and assistance with upcoming events insuring a commitment to the N Club mission. Approximately 15 alumni from various sports and generations volunteer to meet with the N Club Director and additional athletic staff.

### N CLUB PROGRAMMING/EVENTS

Memorial Stadium N Club Gameday Lounge – located in the southeast corner of Memorial Stadium, letterwinner alums and guests with a gameday ticket can enjoy connecting with fellow Huskers, athletic staff and Student-Athlete Advisory Committee members. Open 90 minutes prior to kickoff through halftime, the lounge features snacks, Pepsi products and flat screens to enjoy other games.

Social Events – The N Club will host several social functions allowing letterwinner alums from all sports the opportunity to come back to campus, see facilities, meet athletic staff and reconnect.

Letterwinner Induction Ceremony – held once each semester, first-time letterwinners are presented with their Husker letter jacket by their Head Coach and a letterwinner alumni. The banquet features comments from past Husker greats along with a special video tribute.

### STUDENT-ATHLETE ENGAGEMENT OPPORTUNITIES

Striving to connect the past with the present, letterwinner alumni are invited back to campus to participate in the annual Student-Athlete Career Fair, Networking Night and Inner Circle Leadership group. Additionally, letterwinner alumni serve as email mentors providing life and career insights. Letterwinner alumni will also have an opportunity to volunteer with current student-athlete leaders for various service projects including a service abroad trip in May.

### INNER CIRCLE

Emerging leaders further develop leadership qualities while being inspired from letterwinner alums and collaborating with other student organizations. Inner Circle also assist with numerous service projects throughout the year.

### CHAMPIONSHIP REUNIONS

Championship teams and those finishing at an elite national level are invited back to campus 10 years from the date of the accomplishment. Six teams are scheduled to be honored in 2016 including an event dinner and in-game recognition. The 1997 national championship football team will be honored during the 2017 season.

# HUSKER STUDENT-ATHLETES

Nebraska Athletics is one of the few self-sustaining athletic programs in the country. In 2015-16, Nebraska was one of only two collegiate programs in the nation to attract more than 1.3 million fans across its seven major team sports through the doors of its world-class facilities. This incredible interest and support enables Nebraska Athletics to invest in the student-athlete experience, as well as the overall game-day experience. Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

## ACADEMIC EXPERIENCE

More than 600 student-athletes, including wide receiver Stanley Morgan Jr., benefit not only from Nebraska's full cost of attendance scholarships and the MacBook Air program, but also the amazing facilities and staff support within the Dick and Peg Herman Family Student Life Complex. Nebraska leads the nation in CoSIDA Academic All-America and NCAA Today's Top Ten awards.

## ATHLETIC EXPERIENCE

Nebraska's strength and conditioning has long been at the forefront of college athletics. Under the direction of Boyd Epley, Nebraska has a staff of 12 strength coaches, including football strength coach Mark Philipp, who creates personalized strength and conditioning programs for Husker student-athletes.

## LIFE SKILLS EXPERIENCE

The Husker Life Skills program allows student-athletes to continue their development and impact lives in the community. In 2015-16, Husker student-athletes, including running back Imani Cross pictured above at the Uplifting Athletes Road Race, completed more than 400 outreach activities while volunteering nearly 6,500 hours to impact approximately 25,000 people in Nebraska communities.

# A LIFETIME EXPERIENCE

## SPORTS NUTRITION LEWIS TRAINING TABLE

Husker student-athletes have ample places to dine, as the Lewis Training Table is open extended hours for meals, while the North Stadium and Hendricks Training Complexes have areas for supplements for recovery after workouts or for snacks throughout the day. Nebraska's three full-time sports dietitians work with the Lewis Training Table manager and executive chef to plan and prepare meals to help maximize performance for student-athletes. Nebraska's individual nutritional counseling focuses on performance nutrition strategies, hydration, quality food choices and proper supplementation to help student-athletes reach their full potential.

## ATHLETIC MEDICINE: CARING FOR HUSKERS

Nebraska's Athletic Medicine facilities rank among the nation's best, while one of the most experienced medical staffs in the nation care for all Husker student-athletes. Nebraska's medical team consists of 13 full-time athletic trainers and seven graduate assistant trainers, led by Associate Athletic Director Dr. Lonnie Albers (kneeling far left), Head Athletic Trainer and Physical Therapist Jerry Weber and Head Football Athletic Trainer Mark Mayer. A full staff of orthopaedists is also available to the Huskers, led by Dr. Richard Dugas (pictured back in white). The Husker Athletic Medicine team also includes a full-time, in-house athletic psychologist, and sports psychiatry consultants who work directly with Husker student-athletes.

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

- All scholarship student-athletes across all sports have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered an Apple MacBook Air laptop computer to enhance their learning opportunities (pictured top left).
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Dining Services (Training Table) and Sports Analytics.
- Nebraska created the first-known post-eligibility opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school.

# ACADEMIC SUCCESS

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 325, adding five Huskers in 2015-16. Senior guard Shavon Shields (Olathe, Kan., Biological Sciences) earned his second consecutive first-team Academic All-America award in men's basketball before being named Nebraska's Male Student-Athlete of the Year. Shields (pictured right with Director of Athletics Shawn Eichorst) was also a member of the Allstate NABC Good Works Team for his outstanding community service. He was joined by Nebraska Female Student-Athlete-of-the-Year Mattie Fowler (Tucson, Ariz., Finance) as a first-team Academic All-American in 2015-16. Fowler (pictured below) was the President of the Nebraska Student-Athlete Advisory Board in 2014-15. She and Shields were Nebraska's Big Ten Medal of Honor winners in 2015-16.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with three-time first-team honoree Levi Gipson (Lincoln, Neb., Nutrition, Exercise and Health Science) and fellow first-team award winner Cody Rush (Grand Island, Neb., Nutrition Science). Rush, who earned second-team CoSIDA Academic All-America accolades in 2014, joined baseball outfielder Ryan Boldt (Red Wing, Minn., Nutrition Science) as a two-time honoree. Boldt also earned third-team recognition in 2015.

Graduation is the ultimate achievement, and 109 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2015-16.

A total of 109 Nebraska student-athletes earned their degrees in 2015-16, including 62 in May 2016, 39 in December 2015 and eight in August 2015. Sam Foltz (above left) earned his bachelor's degree in May and will play his senior season as Nebraska's starting punter with degree in hand in 2016. Foltz was the Eddleman-Fields Award winner as the Big Ten's best punter in 2015. He is a candidate for the Ray Guy Award in 2016. Defensive back Byerson Cockrell (above right) earned his degree from Nebraska in December of 2015.

Eight Huskers earned Outstanding Scholar Awards in 2015-16. The seniors with 3.900 GPAs or better were Melanie Blum (Track and Field), Michaela Cunningham (Swimming and Diving), Levi Gipson (Track and Field), Lane Hovey (Football), Ryan Irick (Men's Gymnastics), Katie Kraeutner (Soccer, picture above), Ethan Lottman (Men's Gymnastics) and Cody Rush (Track and Field).

Nebraska student-athletes regularly earn prestigious postgraduate scholarships from the Big Ten and NCAA. That tradition continued in 2015-16, as two-time CoSIDA Academic All-American Cody Rush earned a \$10,000 Wayne Duke Postgraduate Scholarship from the Big Ten before claiming an NCAA Postgraduate Scholarship worth \$7,500. Rush was also an 11-time All-American on the track.

In 2015-16, 109 Huskers earned their college degrees including senior track and field standout Levi Gipson. Gipson became just the second three-time first-team CoSIDA Academic All-American across all sports at Nebraska, while adding a prestigious Big Ten Postgraduate Scholarship worth \$7,500. Gipson was also a seven-time All-American on the track.

Junior outfielder Ryan Boldt earned his second CoSIDA Academic All-America award in 2016, after helping the Nebraska baseball team to the NCAA Tournament. Boldt, who was a member of the Golden Spikes Award Midseason Watch List, was a second-round pick of the Tampa Bay Rays in the 2016 Major League Baseball Draft.

# THE ACADEMIC EXPERIENCE

*"You definitely get the total package of an experience from athletics, academics, community outreach and campus life. Everybody on staff within the program makes sure that the student-athletes reach their fullest potential and that is why there is no place like Nebraska."*

Rex Burkhead, 2013 NFL draftee

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A) as meeting the standards established by the N4A.

### ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

### TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 120 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

### STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

### MENTORING

Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

### EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

### STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

### PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

### COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. Additionally, each student-athlete is provided a laptop for use throughout their academic career at Nebraska.

# LIFE SKILLS

Regarded as the premier and most comprehensive Life Skills program in college athletics, the Husker program is committed to providing proactive education, resources and support through college and beyond to promote total person development and preparation for life after sports. Led by Senior Associate Athletic Director Keith Zimmer, five full-time staff members coordinate community involvement, career planning, effective communication strategies and much more to benefit Husker student-athletes.

*In May of 2016, 20 Husker student-athlete, a Nebraska letterwinner alum and four staff members participated in a service trip abroad to the Dominican Republic. The Huskers spent time with members of the community of Las Pajas to create a local sports court and create a mural at a community center.*

The annual Nebraska Football Uplifting Athletes Road Race has raised more than \$100,000 for pediatric brain cancer research in its four-year history. Nebraska football has been a national leader in outreach activities for decades.

## PROACTIVE EDUCATION

The Life Skills team organizes several orientations aimed at acclimating student-athletes to college life. Additionally, all incoming student-athletes attend the fall semester Husker Life Seminar. This interactive class promotes responsible decision-making, personal brand, financial literacy, leadership, involvement and service.

## INDIVIDUAL MEETINGS

Every Nebraska student-athlete is assigned a Life Skills Coordinator who will arrange multiple individual meetings throughout the academic year aimed at enhancing personal and career development. The meetings help each student-athlete identify a career focus and implement a plan to increase career marketability.

## CAREER COMMITMENT

Annually, Nebraska Life Skills organizes a Student-Athlete Career, Networking Night (pictured bottom right) and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and Husker Hire Link provide opportunities to explore career opportunities across the country.

## COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 2,500 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies (including the Sportsmanship 4 Life Pep Rally, pictured opposite page, bottom left), Make-A-Wish, NFL Play 60 and Husker Heroes.

## LEADERSHIP

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Uplifting Athletes Chapter or Husker Distinction Council. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

## RECOGNITION

In 2015-16, a record 65 Husker Football student-athletes were named to both the Tom Osborne and Brook Berringer Citizenship teams for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

## POST-ELIGIBILITY OPPORTUNITIES

Effective December 2015 and beyond, student-athletes who letter and graduate will have a three-year window to benefit from one of three post-eligibility opportunities each valued at \$7,500. Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska system.

## DIVERSITY AND INCLUSION

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. The first Diversity and Inclusion Summit occurred in January of 2016 and reached all student-athletes and staff members with a message of acceptance and unity.

# ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Football Head Athletic Trainer Mark Mayer, the 2016-17 Nebraska athletic medicine staff consists of five doctors, 13 full-time athletic trainers, seven graduate assistant athletic trainers, a full-time in-house athletic psychologist and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment to help athletes recondition after injury.

Nebraska's Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

The hot and cold plunge tanks in the Holthus Family Hydrotherapy area help the Huskers recover after workouts and injuries.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

# CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. # NAPL: INTEGRATING SPORT

The Nebraska Athletic Performance Laboratory (NAPL) is recognized as the first performance research center within a collegiate department of athletics. The NAPL features a talented, multidisciplinary team that includes a full-time director and endocrinology lab director, two research post-doctoral fellows and a research analyst.

Located in East Memorial Stadium adjacent to UNL's Center for Brain, Biology and Behavior (CB3), the NAPL collaborates with Nebraska's Strength and Conditioning team, Husker Nutrition staff, Nebraska's Athletic Medicine staff and sports programs to offer the highest level of integration of sport performance technologies and systems.

The NAPL is made up of the Mark and Debra Classen Cardio Area, James and Karen Linder Dynamic Performance Center, Markin Family Collaborative Center, Thayer Family Athletic Research Lab and cutting-edge equipment donated by the Suzanne and Walter Scott Foundation. The main entrance for the research facilities is located in the Janet and Gerard Keating Family Concourse.

Focused on student-athlete health, safety and welfare, the NAPL is a world-leading research and performance facility focusing on the performance enhancement, safety and long-term well-being of student-athletes.

The NAPL includes simulated athletic environments for studying performance, incorporating a camera system to track human movement in 3D, force plates to measure ground reaction forces and state-of-the-art technology to assess physiological biomarkers, investigate exercise cardiovascular capacity and measure body composition.

All 24 Husker athletic programs conduct performance testing at NAPL. Force plates and motion capture videos (3D) are used to measure athletes in their development through testing results to create an athletic performance index for each athlete.

The NAPL uses IDexa as an advanced, accurate and reliable method to analyze and measure body composition.

The focus of the Thayer Family Athletic Research Lab is recovery from competition by measuring salivary biomarkers 24 hours prior to and 24 hours post-competition.

Collaborative research projects are conducted in conjunction with the Center for Brain, Biology and Behavior (CB3), including concussion prevention, treatment and return to play.

# PERFORMANCE, RESEARCH

Researchers in the Thayer Family Athletic Research Lab measure salivary biomarkers to focus on recovery.

Nebraska's Strength and Conditioning team utilizes NAPL facilities and equipment to optimize performance testing across all 24 Husker sports.

Nebraska's Nutrition staff led by Lindsey Remmers utilizes NAPL technology for body composition testing.

Equipment, technology, researchers and student-athletes come together in the Nebraska Athletic Performance Laboratory to put the Huskers on the cutting edge of sport science.

Mike Riley brings a winning pedigree into his second season on the Husker sideline in 2016. The only coach in college football who has won a professional title as a head coach, Riley has also won collegiate national championships as both a player (FBS) and coach (NAIA) before becoming the winningest coach in Oregon State history.

In his first season at Nebraska in 2015, Riley led the Huskers to a 6-7 record that included four losses on the opponent's final offensive play. Nebraska was highly competitive throughout the season, as the Huskers were one of only nine teams nationally to not lose a single game by more than 10 points. Nebraska's six losses came by an average of 4.7 points per game, including four losses by three or fewer points.

Riley's Huskers had plenty of positives to show from his debut season. Riley's Huskers posted four wins over bowl teams in 2015 and defeated an opponent who finished the season with double-digit victories. None of the other 28 first-year head coaches in Nebraska history accomplished either of those feats, which is notable considering six former Husker coaches are enshrined in the College Football Hall of Fame.

Riley also led Nebraska to a 39-38 upset victory over No. 6 Michigan State in November. The sixth-ranked Spartans marked the highest ranked opponent a first-year Nebraska head coach had ever defeated. For Riley, the win over the No. 6 Spartans marked his sixth victory over a top-10 opponent in the past 10 seasons and his 14th win over a ranked foe in the last 11 seasons.

Riley's first season in Lincoln culminated with the Huskers' 37-29 victory over UCLA in the 2015 Foster Farms Bowl. Riley became just the fourth Husker coach to win a bowl game in his debut season, while improving his career bowl record to 7-2. Riley boasts the fifth-highest bowl winning percentage in NCAA history (.778) among coaches with at least eight bowl appearances.

## WHAT FORMER PLAYERS SAY ABOUT COACH RILEY

"Coach Riley was a big influence on me. He helped myself and my teammates develop both as football players and as people. He really cares about his players on and off the field and wants nothing but the best for them."

**BRANDIN COOKS, WIDE RECEIVER**

» 2013 Biletnikoff Award Winner

"Playing for Coach Riley was great. He not only taught me about football and helped me become the football player I am today, but he was someone I looked up to as a person. I am so grateful to have been able to play for him."

**JACQUIZZ RODGERS, RUNNING BACK**

» 2010 Pac-10 Offensive MVP

"Playing for Coach Riley was something that I will never forget. He is the best thing that has happened to me transitioning into the NFL and part of the reason I have had success at this level."

**DEREK ANDERSON, QUARTERBACK**

» 2007 NFL Pro Bowler

*"(Mike Riley) did an amazing job at Oregon State, where he built one of college football's worst programs into a winner. I'm excited to see what he can do at Nebraska with its resources and tradition."*

Those words from ESPN's Sean McDonough exemplify what many football experts collectively think: that Mike Riley and Nebraska are a perfect fit. In Riley, the Huskers have one of the most respected coaches in the profession, the second-most experienced coach in major college football and a coach who has won championships on both the collegiate and professional levels.

Riley leads the Nebraska program with a veteran and consistent presence. Riley enters his 42nd overall season as a coach in 2016, the most combined college and professional coaching experience of any current Football Bowl Subdivision Head Coach except Alabama's Nick Saban. The 2016 season marks Riley's 25th year as a head coach, including his 16th in the collegiate ranks. He also owns nine years as a professional head coach - second among current FBS head coaches - and 13 total seasons coaching professionally.

Riley will collect his 100th college coaching victory with his first Nebraska win this fall, joining a group of 19 active FBS coaches in the century club. Riley will also become just the 10th active FBS head coach with 100 Power Five Conference victories.

Since taking over the Nebraska program, Riley has immersed himself in the Cornhusker football tradition, while working to build the program to a championship level. Signs of progress were evident throughout Riley's debut season on the Husker sideline, particularly during an impressive late-season run.

The Huskers closed the season by winning three of their final four games, including a 39-38 upset of unbeaten and eventual Big Ten champion Michigan State on Nov. 7. The victory was the Huskers' first win over a top-10 opponent in four seasons and marked only the third time in the history of Nebraska football that an unranked Husker team upset a top-10 foe.

For Riley, the win over Michigan State continued a long trend. The win marked his sixth victory over a top-10 opponent in the past 10 seasons and the 15th win over a ranked foe in his 15 seasons as a college head coach.

The Huskers closed out the season in impressive fashion with a Foster Farms Bowl victory over UCLA at Levi's Stadium. With the victory, Riley became just the fourth NU coach to win a bowl game in his debut season, and the only Husker head coach to defeat four bowl teams in his first season. Riley also improved to 7-2 all-time in bowl games, ranking him among the top 10 nationally among active coaches in bowl victories and bowl winning percentage. Riley ranks fifth in NCAA history in bowl winning percentage among coaches who coached in at least eight bowl games.

Despite finishing with a 6-7 record in 2015, Nebraska was competitive in every game. The Huskers did not lose a single game by more than 10 points, a first for the program since 1999. NU was one of only seven teams from a Power Five Conference who didn't lose a single game by more than 10 points in 2015, along with No. 1 Alabama, No. 2 Clemson, No. 3 Stanford, No. 4 Ohio State, No. 13 Baylor and No. 22 Tennessee. Overall, Nebraska was one of only nine FBS teams in 2015 not to lose a game by more than 10 points.

Nebraska's losses were by an average of 4.7 points per game, including four losses where the winning points were scored on the opponent's final offensive play. In his first season in Lincoln, Riley also saw 22 of his student-athletes pick up Academic All-Big Ten honors.

Riley took over the Husker football program following 12 seasons as the head coach at Oregon State, and 14 seasons overall in Corvallis. Riley also had prior experience at the highest level of football, serving as the head coach of the San Diego Chargers for three seasons, while also spending time in the Canadian Football League and the World Football League.

In his time at Oregon State, Riley built the Beaver program into a consistent winner and regular contender in the Pac-12 Conference. Riley had a 93-80 overall record as the Beavers' head coach. Riley began the rejuvenation of the Oregon State program in his two-year stint in 1997 and 1998. He returned to Corvallis and led the Beavers to unprecedented heights over the next 12 years.

Riley owns the most wins ever at Oregon State with 93, while leading the program to eight bowl appearances (6-2 record). Oregon State was ranked in the Associated Press Top 25 for 28 weeks, and Riley coached players who earned 32 All-America honors. Riley had 32 NFL Draft picks at Oregon State, including first-round selections Steven Jackson (2004) and Brandin Cooks (2014).

Before accepting the Nebraska job, Riley was the longest tenured coach in the Pac-12 and had the seventh-longest coaching tenure of any head coach in the FBS ranks. His resume sparkles with coaching achievements.

Riley was the 2008 American Football Coaches Association (AFCA), Pac-10 Conference and State of Oregon Coach of the Year, and his teams have appeared in the final Associated Press top-25 rankings three times in the past eight seasons. In 2012 he was selected the AFCA Region Coach of the Year.

The 63-year-old Riley posted a 6-2 record in bowl games with the Beavers. Riley built the foundation for Oregon State in his first two years on the campus in 1997 and 1998. Riley took over a program that was mired in a streak of

26 consecutive losing seasons and quickly changed the culture in Corvallis. After Riley departed for the NFL, Oregon State made three postseason appearances.

Riley is the first coach in OSU history to win more than one NCAA-sanctioned bowl game at OSU, capturing the 2003 Las Vegas Bowl, the 2004 Insight Bowl, the 2006 and 2008 Sun Bowls, the 2007 Emerald Bowl and the 2013 Hawaii Bowl titles. He was also the first coach to lead the program to more than one winning conference season since 1969, and Riley accomplished the feat six times.

Riley returned to the Beaver sideline for the second time in 2003 and led the team to the Las Vegas Bowl title over New Mexico. The team set numerous individual and team records, and led the Pac-10 in both offense and defense. Success immediately followed on the recruiting trail, as Oregon State signed the best recruiting class in school history the following February.

The 2004 team played one of the nation's toughest schedules en route to a 7-5 record, capped by a strong finish to the season. OSU defeated Oregon in the annual Civil War matchup and completed the year with a 38-21 win over Notre Dame in the Insight Bowl. The Beavers closed the 2004 campaign by winning six of their final seven games.

After a 5-6 season in 2005, Riley's 2006 team was the second team in school history to win at least 10 games. The Beavers won eight of their final nine games, including a win over No. 3 USC to end the Trojans' 27-game Pac-10 win streak.

OSU also ended a lengthy Aloha Stadium win streak of Hawaii and capped off the year with a thrilling 39-38 victory over Missouri in the Sun Bowl. The Beavers finished third in the Pac-10, just one game behind co-winners USC and California, and ended the year ranked No. 21 in the final AP poll.

Like many of Riley's team, the 2007 squad continued to improve throughout the season, winning seven of the final eight games on the way to a 9-4 mark. The Beavers won at No. 2 California during the season and also posted a win at 18th-ranked Oregon. OSU's defense was first nationally against the run and led the nation in tackles for loss. The Beavers capped the year with a win over Maryland in the Emerald Bowl and finished No. 25 in the Associated Press Poll.

Many expected the 2008 season to be a rebuilding year for Riley and a young Beaver team. However, OSU tied for second in the Pac-10 with a 7-2 record and finished 9-2 overall. The success came despite playing one of the nation's toughest schedules that featured three teams that played in BCS bowls.

*"Coach Riley is a great fit at Nebraska. He is a first-class man who has been one of the most underrated coaches in the country for a number of years."*

» ESPN ANALYST KIRK HERBSTREIT

The highlight of the 2008 season was a 27-21 win over then-No. 1 USC in a Thursday night matchup in Corvallis. Oregon State capped the year with a win over Pittsburgh in the Sun Bowl and finished No. 18 in the AP Poll and 19th in the USA Today Coaches Poll.

In 2009, Riley and his staff had a difficult job of replacing nearly every starter on defense and a total of seven NFL draftees. Not only did the Beavers qualify for a bowl game, but for the second straight year played the season finale with an opportunity to reach the Rose Bowl. A league-high seven Beavers earned first team All-Pac-10 honors.

The 2010 team posted a 5-7 record, but finished the year with a pair of wins over top-25 teams. OSU defensive tackle Stephen Paea (DT) earned the Morris Trophy for the second time, awarded to the conference's top defensive lineman. Jacquizz Rodgers earned first-team Pac-10 honors for the third consecutive season to become just the third Pac-10 running back to earn first-team all-league honors three times.

After a 3-9 season in 2011, Riley's 2012 team was picked to finish last in the Pac-12 North, yet went 6-3 in the league and 9-4 overall. The team was ranked in the Associated Press Poll a school-record 12 consecutive weeks, including as high as No. 7. The Beavers opened the year with victories over No. 13 Wisconsin and No. 19 UCLA, and posted the third-best conference record behind a pair of BCS bowl teams.

In 2013 the Beavers won six straight games and defeated Boise State in the Sheraton Hawaii Bowl to conclude the season with a 7-6 mark. Wide receiver Brandin Cooks became the second Beaver to win the coveted Biletnikoff Award as the nation's most outstanding receiver. Cooks broke the Pac-12 record for single-season receptions (128) and yards (1,760). The season also featured record-breaking quarterback Sean Mannion breaking the league record for passing yards (4,662).

In Riley's final season at Oregon State, the Beavers posted a 5-7 mark. The highlight of the season was a victory over then-No. 7 Arizona State in Corvallis in mid-November. That victory continued Riley's trend of wins over highly ranked opponents, as his OSU teams defeated 13 top-25 teams, including three wins over teams ranked No. 3 or higher.

Riley has a commitment to the total development of student-athletes. His teams have outstanding success in the classroom. In his final six years in Corvallis, Beavers were honored by the league for academic achievements 70 times.

Riley's pro style approach to how he manages the program has paid dividends to players who have gone on to successful professional careers.

More than 20 former Beavers who were coached by Riley were in the NFL in 2015, including quarterbacks Matt Moore (Miami), Derek Anderson (Carolina) and Sean Mannion (Rams), running backs Steven Jackson (New England) and Jacquizz Rodgers (Chicago), receivers Brandin Cooks (New Orleans) and Markus Wheaton (Pittsburgh) and defensive back Brandon Browner (New Orleans). Anderson, Jackson and Browner have each earned Pro Bowl honors.

In his first stint at Oregon State, Riley left following the 1998 season for an opportunity to become the head coach of the National Football League's San Diego Chargers. He spent four years in the NFL, three seasons as the Chargers' head coach and the 2002 campaign as the Assistant Head Coach of the New Orleans Saints.

Riley also had previous professional coaching experience in both the Canadian Football League and World Football League. In 1987, Riley was named the youngest head coach in CFL history, taking over the Winnipeg Blue Bombers at the age of 33. He posted a 40-32 record with the organization and won Grey Cup titles in 1988 and 1990. He was the CFL's Coach of the Year both of those seasons and was inducted into Winnipeg's Hall of Fame in 2007.

In 1991 Riley took over the San Antonio Riders of the World Football League, spending two seasons before the league suspended its North American operations.

He returned to the college ranks in 1993 when then-USC head coach John Robinson offered him the position of offensive coordinator and quarterbacks coach. Riley later became assistant head coach. The Mesa (Ariz.) Tribune named him the league's top assistant coach in 1993 after leading the Trojan offense to record-setting numbers. USC quarterback Rob Johnson set numerous Pac-10 and NCAA records and later became a first-round NFL draft pick.

Riley remained at USC through the 1996 season, helping the Trojans to victories in the Rose, Cotton, and Freedom Bowls. USC won one outright league title, shared another and finished second one time.

Riley had a long history in Corvallis, Ore. He was born in Wallace, Idaho, but Riley grew up with Beaver football, as his father Bud was an assistant coach for the program from 1965 to 1972 and again in 1979. Mike was a standout quarterback at Corvallis High School, leading the Spartans to the 1970 state title.

Riley went on to a successful college career at the University of Alabama, playing for legendary coach Paul "Bear" Bryant. Riley played cornerback from 1971 to 1974, helping the Tide to four Southeastern Conference titles and the 1973 national championship.

Riley immediately moved into coaching following his graduation from Alabama. His first stop was as a defensive graduate assistant coach for Mike White at the University of California in 1975. He helped the Bears to an 8-3 record and a share of the Pacific-8 Conference title.

Riley continued his education and his coaching in 1976 at Whitworth College in Spokane, Wash. He finished his master's degree in physical education in 1977 while working for the popular Pacific Northwest coach and future Canadian Football League legend Hugh Campbell.

Riley's first full-time appointment came at NAIA powerhouse Linfield College in McMinnville, Ore. From 1977 to 1982 he served as the program's defensive coordinator and secondary coach, as well as assistant athletic director. Riley assisted head coach Ad Rutschman's Wildcats to a six-year record of 52-7-1, which included five conference titles and the 1982 undefeated NAIA title team.

An opportunity to coach in the professional ranks presented itself in 1983, and Riley was on his way to the CFL's Winnipeg Blue Bombers as the secondary coach. During his three-years as an assistant, Winnipeg produced a 32-15-1 mark and won the 1984 Grey Cup title.

Riley returned to the college level in 1986 as an assistant coach at the University of Northern Colorado, before returning to the Blue Bombers.

Riley's respect in the profession is evident in the fact he has been the head coach for three postseason all-star games – the Hula Bowl, East-West Shrine Game and Blue-Gray All-Star Classic.

Mike and his wife Dee are the parents of one son, Matthew, and one daughter, Kate. They also have a grandson, Elijah Jo. Matthew is an Oregon State graduate and is currently an employee with the State of Texas. Kate is a 2011 Oregon State graduate and resides in Corvallis.

Mike has two brothers; Edward Riley is a physician and Associate Professor at the Stanford University School of Medicine and Pete Riley is a scientist for the Washington Department of Fish and Wildlife.

Mark Banker is in his second season as Nebraska's defensive coordinator and his 15th consecutive year as a college defensive coordinator, after working with Mike Riley at Oregon State for the previous 12 years. Banker will work directly with the Husker safeties in 2016.

Banker has 36 years of coaching experience, including 19 total years working with Riley. In addition to the 2015 season at Nebraska, Banker spent 14 years on Riley's Oregon State staff, along with three years with the San Diego Chargers and one year as an assistant alongside Riley on the USC coaching staff.

In his first season at Nebraska, Banker's defense was strong against the run, continuing a trait of his defenses. The Huskers were ninth nationally in rushing defense, allowing 109.8 yards per game. The per-game rushing average was the lowest for a Nebraska defense since 2009 and the third-lowest mark since 2000.

Nebraska also ranked third in the Big Ten and in the top 25 nationally in third-down defense, allowing opponents to convert just 34.0 percent of attempts. The defense continued to progress throughout the season despite a rash of injuries. The Blackshirts held each of the final two regular-season opponents to fewer than 260 yards of total offense, while allowing only two touchdown drives of longer than 35 yards in those contests.

Banker served as Oregon State's defensive coordinator from 2003 to 2014, with his defenses regularly ranking among the top units in the Pac-12 Conference during his tenure. Banker had worked strictly as the defensive coordinator since 2012, but also spent time coaching linebackers and safeties during his time in Corvallis. The 2012 Beaver defense ranked in the top three in the Pac-12 in total defense and scoring defense, while finishing sixth nationally in third-down conversion defense.

Banker had three years of NFL experience on Riley's staff with the San Diego Chargers from 1999 to 2001. As the defensive coordinator in 2001, his Charger defense ranked 11th in the league in total defense and first in rushing defense.

Danny Langsdorf is in his second season as Nebraska's offensive coordinator and quarterbacks coach on Mike Riley's coaching staff. Langsdorf has extensive experience working with Riley, serving two stints on the Oregon State coaching staff before joining Riley in Lincoln.

Langsdorf helped the Nebraska offense to impressive numbers in his first season. NU finished in the top three in the Big Ten in passing, scoring, total offense and third-down offense. The Huskers produced their highest passing total since 2008 with 3,470 yards. NU showed good balance, with 3,000 passing yards and 2,000 rushing yards for only the third time in school history and the first time since 2008.

Individually, quarterback Tommy Armstrong Jr. threw for better than 3,000 yards while connecting on 22 touchdown passes. Armstrong Jr. also set Nebraska season records for the most 250-yard passing games and 300-yard total offense games. Jordan Westerkamp set an NU receiver record with 65 receptions, while producing the third-highest yardage total in school history.

In 2014, Langsdorf served as the quarterbacks coach with the New York Giants. Langsdorf worked directly with two-time Super Bowl winning quarterback Eli Manning, who had one of the top seasons of his career.

Before joining the Giants' staff, Langsdorf spent the previous nine seasons as Riley's offensive coordinator and quarterbacks coach at Oregon State. Langsdorf's Oregon State offenses were regularly among the most productive in the Pac-12 Conference, and nine of OSU's top 13 single-season yardage outputs came under Langsdorf. The play of the Beaver offenses helped OSU to six bowl appearances in eight seasons from 2006 to 2013, including four bowl wins.

From 2002 to 2004, Langsdorf was on the New Orleans Saints coaching staff. Before New Orleans, he spent three seasons in the Canadian Football League with the Edmonton Eskimos. Langsdorf first worked for Riley at Oregon State in 1997 and 1998, when Langsdorf coached the tight ends.

Bruce Read is in his second season at Nebraska and brings a veteran special teams coach to Mike Riley's staff. Read has 31 years of expertise in coaching special teams, and also worked for Riley at Oregon State and with the San Diego Chargers.

In his first season at Nebraska, Read's specialists produced outstanding results. Punter Sam Foltz averaged better than 44 yards per punt and was the Big Ten Conference Punter of the Year. Place-kicker Drew Brown finished the season by making his final 11 field goals, and his 21 field goals were the second-most in NU history. True freshman long snapper Jordan Ober was nearly flawless in his first season of action. Read's kickoff coverage unit also ranked in the top four in the Big Ten and the top 25 nationally.

Read spent the previous six seasons from 2009 to 2014 at Oregon State, Read's third stint in Corvallis. He also coached the Beaver special teams in 1997 and 1998, and from 2004 to 2006. OSU special teams players achieved numerous school records and accolades under Read's direction.

In 2014, Beaver kickers connected on 19-of-22 field goals and were perfect on PAT attempts. In 2012, Jordan Jenkins earned first-team All-Pac-12 honors as a coverage specialist and OSU led the conference in field goal percentage. Place-kicker Trevor Romaine was one of the nation's most accurate place-kickers that season, connecting on 89 percent of his field goals.

In 2011, return specialist James Rodgers became the school's career all-purpose yardage leader with 6,377 yards, partially fueled by 2,385 career return yards. In the 2011 season, OSU ranked seventh in the NCAA in punt returns, just a year after ranking fourth nationally with a school-record 26.4-yard kickoff return average and sixth nationally in punt return average.

Under Read's direction in 2005, kicker Alexis Serna earned the Lou Groza Award, given to the nation's top kicker.

Read was also on Riley's San Diego staff, helping the Chargers rank among the best in the league in special teams, including leading the NFL in kickoff return average in 1999. Read also worked as an assistant with the New York Giants (2002-03) and Dallas Cowboys (2007-08). He began his coaching career at the University of Montana from 1985 to 1996, working for his father Don Read.

Trent Bray is in his second season as Nebraska's linebackers coach and his fifth season overall on Mike Riley's coaching staff.

Bray earned widespread praise during his first season at Nebraska. He took over a linebacking corps short on numbers and game experience and produced positive results. Bray also had the added hurdle of having several of his players sidelined by injury during the course of the 2015 season. By season's end Nebraska had used five different starting linebackers, including a true freshman and two sophomores.

Despite the injuries, Bray's linebackers combined for nearly 250 tackles and 26 tackles for loss while helping NU rank ninth nationally in rushing defense. Freshman Dedrick Young became the first true freshman linebacker to start a season opener at Nebraska. Young went on to record 61 tackles, a Nebraska record for a true freshman, and earned Big Ten All-Freshman honors.

Bray joined Riley's staff at Oregon State after being one of the top defenders in Beaver history. In Bray's first season on the OSU staff in 2012, the defense ranked second in the Pac-12 in scoring defense and third in total defense, rushing defense and pass defense. The play of the defense helped OSU make the largest turnaround in number of victories in the FBS ranks on its way to a berth in the Alamo Bowl.

Bray also coached linebackers at Arizona State from 2009 to 2011, including two seasons as a full-time coach and one year as a graduate assistant. Bray coached Pac-10 all-conference selections Vontaze Burfict and Colin Parker during his time in Tempe.

Bray was a standout linebacker for the Beavers from 2002 to 2005. In his career he totaled 337 tackles to rank among the top 10 tacklers in Oregon State history. He earned Pac-10 all-conference honors as both a junior and senior, and was the Insight Bowl Defensive MVP in 2004, leading the Beavers to a win over Notre Dame.

Following his college career, Bray signed free-agent contracts with the Miami Dolphins and Houston Texans. He later played in NFL Europe in 2007, before beginning his coaching career with the California Redwoods of the United Football League in 2009.

Mike Cavanaugh is in his second season on the Nebraska coaching staff, serving as the Huskers' offensive line coach. Cavanaugh is in his 12th season with Mike Riley, working for 10 seasons on Riley's Oregon State staff.

Cavanaugh also spent time in the National Football League with the San Diego Chargers and has 28 overall years of coaching experience.

In his first season at Nebraska, Cavanaugh's offensive line helped the Nebraska offense produce excellent results. The Huskers ranked in the top three in the Big Ten in scoring offense, passing offense, total offense and third-down conversion percentage. Nebraska also produced 3,000 passing yards and 2,000 rushing yards for only the third time in school history.

Cavanaugh's unit also protected quarterback Tommy Armstrong Jr. very well. Nebraska allowed just 14 sacks to rank second in the Big Ten and ninth nationally in fewest sacks allowed. Senior tackle Alex Lewis earned second-team All-Big Ten honors, while redshirt freshman tackle Nick Gates was a freshman All-Big Ten pick.

The line put an exclamation point on the season with a dominant bowl effort, as the Huskers rushed for a season-high 326 yards in a victory over UCLA.

The play of Cavanaugh's offensive lines helped the Beavers to record-setting offensive numbers and to bowl appearances in six of his 10 seasons in Corvallis. Behind the play of Cavanaugh's offensive line, quarterback Sean Mannion set single-season and career Pac-12 records for passing yards, completing his career in 2014.

Cavanaugh's players at Oregon State were regularly honored for their efforts. Andy Levitre, Jeremy Perry and Isaac Seumalo each garnered All-America honors under Cavanaugh, while 23 of his players earned all-conference honors. The offensive line play for Oregon State allowed the Beavers to have success both running and passing the football.

Cavanaugh was also a key part in directing some of the nation's top offenses at Hawaii, while tutoring the offensive line from 1999 to 2004.

Cavanaugh served on the San Diego Chargers staff in 1997 and 1998 as an assistant offensive line coach. He had college assistant stops at Ferris State, Sacred Heart, Murray State, Alma College, Wesleyan (Conn.) and Albany.

**BLACKSHIRTS LOOK TO STUFF THE RUN AGAIN IN 2016**

The Nebraska Blackshirt defense enters 2016 with a goal of making big improvements in pass defense and pressuring the quarterback. The Huskers also look to duplicate their 2015 success in stopping the opponent run game.

The Huskers allowed opponents to rush for 109.9 yards per game, a mark that ranked second in the Big Ten and ninth nationally.

Nebraska closed the year by shutting down UCLA's run game in the Foster Farms Bowl, limiting the Bruins to 67 rushing yards. UCLA was the fifth opponent Nebraska held to less than 90 rushing yards in 2015.

- NU was 5-0 in games when opponents rushed for less than 90 yards.
- Nebraska held Southern Miss to 11 rushing yards, its best run defense effort since Michigan had -17 rushing yards in 2013. South Alabama had just 19 rushing yards.
- In Big Ten play, Nebraska limited Minnesota to 65 rushing yards, while Rutgers had just 89 yards on the ground.

**GERRY RETURNS TO LEAD HUSKER SECONDARY**

Nebraska senior safety Nathan Gerry has been a fixture for the Husker defense the past three seasons. Gerry started every game in the secondary in 2014 and 2015 and made his mark as one of the top defensive backs in the Big Ten Conference.

In 2015, Gerry was a third-team All-Big Ten choice by the league media, marking the second straight year he earned all-conference accolades. As a sophomore, Gerry garnered second-team all-conference honors.

- Gerry has led Nebraska in interceptions each of the past two seasons with five in 2014 and four in 2015.
- Gerry has ranked in the top 10 in the Big Ten in interceptions each of the past two seasons. As a sophomore in 2014, he led the league in interceptions in conference games, with all five picks coming in Big Ten play.
- Gerry's nine interceptions rank just outside of the career top 10 at Nebraska, and he is five interceptions from the career record of 14 interceptions.
- Gerry led Nebraska in tackles in 2015 with 79 stops and ranked second in 2014 with 88 tackles.
- Gerry has 199 career tackles to rank 33rd in school history and fifth all-time among NU defensive backs. He is 55 tackles from the top 10 on the NU career list.

Place-kicker Drew Brown will enter the 2016 season as a leading contender for conference and national honors, including the Lou Groza Award. Brown established himself as one of the nation's top kickers as a sophomore and earned second-team All-Big Ten honors last fall.

Brown made 21-of-27 field goals in 2015, including each of his last 11 field goals. Nine of the 11 field goals in his streak were from at least 40 yards, and the streak of 11 straight made field goals is tied for the fourth-longest streak in NU history.

- In Big Ten Conference games, Brown connected on 12-of-14 field goals.
- Brown's 21 field goals in 2015 were second on the Nebraska season list.

Brown jump-started his 2015 season with a record-setting performance against Southern Miss. Brown made five field goals, all in the first half, in the Huskers' 36-28 victory.

- Brown's five field goals in a half tied an NCAA record. He now shares the record with fellow Husker Dale Klein (1985 at Missouri) and New Mexico State's Dat Ly (1988 at Kansas).
- Brown's five field goals were the most ever by a Husker in Lincoln, and tied a Memorial Stadium record held by two opposing kickers.
- The five field goals marked the third time in NU history a kicker had five or more field goals. Klein had an NCAA record seven field goals at Missouri in 1985, and Alex Henery had five field goals at Virginia Tech in 2009.

**FOLTZ BRINGS BIG LEG TO HUSKER PUNTING GAME**

Punter Sam Foltz teams with Drew Brown to give Nebraska one of the strongest tandems of kickers in the nation. Foltz has held down the punting chores for Nebraska for each of the past three seasons. In 2015, he was among the nation's best punters and was named the Eddleman-Fields Big Ten Punter of the Year.

- Foltz has a career average of 42.6 yards per punt, the fifth-best career average in Nebraska history.

## NEBRASKA WINNING ON 'MONEY DOWN'

Coaches regularly preach the importance of winning on third down. Nebraska was effective on the 'money down' on both offense and defense in 2015, and looks to carry that success into this season.

- Nebraska ranked third in the Big Ten in third-down conversions at 44.8 percent. Defensively, the Huskers were fifth in opponent third-down conversions at 34.0 percent.
- The Huskers ranked 24th nationally in both categories. Nebraska joined Clemson, Michigan and Tennessee as the only schools in the nation to rank in the top 25 in both third-down conversions and opponent third-down conversions.

## NU STAFF BRINGS VETERAN PRESENCE TO SIDELINE

Nebraska Head Coach Mike Riley enters his second season in Lincoln in 2016. The upcoming season also marks Riley's 25th season overall as a head coach. Riley is entering his 16th season as a college head coach, including 14 years at Oregon State and two at Nebraska. He also has nine years as a professional head coach, with three years as an NFL head coach.

- Riley's first win of 2016 will mark his 100th victory as a collegiate head coach. Riley won 93 games in 14 seasons at Oregon State, before posting six wins at Nebraska in 2015.
- Riley is in his 42nd overall season in either the college or professional coaching ranks, the second-most of any FBS head coach entering 2016. He trails only Alabama's Nick Saban, who enters his 44th season in coaching in 2016.

## FORMER HUSKER PARRELLA NEW ADDITION TO STAFF

The Nebraska coaching staff has one new full-time face for the 2016 season, but it is a familiar one to Husker fans. Mike Riley hired John Parrella as the Huskers' defensive line coach in February. A former Nebraska and NFL standout, Parrella returned to his alma mater after two seasons on the defensive staff at Northern Michigan.

A native of Grand Island, Neb., Parrella was an All-Big Eight defensive tackle at Nebraska and played 12 seasons in the NFL.

Parrella has made a fast rise in the coaching profession after his long playing career. Prior to his two seasons on the Northern Michigan staff, Parrella served as an assistant coach at Chabot Junior College in Hayward, Calif., in 2013. Parrella first made his mark as a coach at Valley Christian High School in San Jose, Calif. Parrella started the varsity program at the school and guided the Vikings to four straight North Coast Section Division IV playoff appearances.

Parrella was a two-time All-Big Eight selection at Nebraska in 1991 and 1992, and was a team captain in his senior season. Parrella was a part of three Big Eight title teams during his Husker career. Parrella was inducted into the Nebraska Football Hall of Fame in 2001.

A second-round draft pick of the Buffalo Bills in 1993, Parrella played 12 seasons in the NFL. He played in three Super Bowls, one each with the Bills, Chargers and Raiders. During Parrella's final three seasons with the Chargers from 1999 to 2001, Riley served as San Diego's head coach.

Quarterback Tommy Armstrong Jr. has engineered the Nebraska offense for each of the past three seasons with 33 career starts. The Texas native heads into 2016 hoping to join past Husker quarterbacks Tommie Frazier, Eric Crouch and Taylor Martinez as signal callers who have started games in four consecutive seasons at Nebraska.

The 6-1, 220-pound Armstrong brings a versatile threat to the quarterback position. He has regularly shown the ability to hurt defenses with both his strong right arm and his running ability. In his first season in Mike Riley's offensive system in 2015, Armstrong ranked second in the Big Ten in passing and total offense.

Armstrong is part of a strong nucleus of returning skill position players in 2016, giving Nebraska confidence it can make a big leap in offensive efficiency this season. Individually, Armstrong will be focused on increasing his completion percentage this fall, while taking better care of the football.

Armstrong amassed more than 3,400 yards of total offense for a second consecutive season in 2015 and threw for more than 250 yards in eight of 12 starts. He also accounted for 29 touchdowns - 22 passing TDs and seven on the ground.

Armstrong is poised to threaten several NU career records. He is less than 600 yards from the career passing record and three touchdown passes from a school record in that category. Armstrong is also within striking distance of the career total offense record. He is among the nation's active career leaders in passing yards, passing touchdowns, total offense and total touchdowns.

Armstrong is scheduled to complete his degree in communication studies in December of 2016.

**2015 (JUNIOR)**

Armstrong started 12 games while missing the Purdue game with a foot injury. He completed 222-of-402 passes for 3,030 yards and 22 touchdowns, throwing for at least 250 yards eight times. In the running game, Armstrong had 98 carries for 400 yards and ran for seven touchdowns. His 3,430 yards of total offense ranked as the third-highest total in school history.

Armstrong also ranked highly in the conference and national statistical rankings. Armstrong's 252.5 passing yards per game were second in the Big Ten, and his 285.8 yards of total offense per game was second in the conference and 24th in the nation. Armstrong's 22 touchdown passes ranked third among Big Ten quarterbacks, and he guided Nebraska to top three conference rankings in passing, scoring and total offense.

Armstrong threw for at least two touchdowns in all four non-conference games. He opened the year by completing 24-of-41 passes for 319 yards and three touchdowns against BYU. A week later he hit on 21-of-30 passes for 270 yards and two scores in an easy victory over South Alabama.

Armstrong led a frenetic comeback at Miami, throwing for 309 yards and four touchdowns, while also rushing for 49 yards on 11 carries. Armstrong guided the Huskers to three fourth-quarter touchdown drives to force overtime, throwing for 184 yards and three scores in the fourth quarter alone.

Against Southern Miss, Armstrong produced a career-high 431 yards of total offense, the fifth-highest total in school history. He threw for 368 yards and two scores and rushed seven times for 63 yards and a touchdown. Armstrong's performance earned him Big Ten Offensive Player-of-the-Week honors.

Armstrong had one of his most efficient outings at Minnesota. He completed 18-of-26 passes for 261 yards and three touchdowns, while rushing eight times for 38 yards in a 48-25 win. Armstrong accounted for three touchdowns against Northwestern, passing for 291 yards and a score, while rushing for a pair of TDs.

After sitting out at Purdue, Armstrong engineered a stirring upset of Michigan State. He threw for 320 yards and two touchdowns in the game, including a game-winning 30-yard touchdown to Brandon Reilly with 17 seconds remaining. Armstrong threw for 140 yards in the fourth quarter alone as NU rallied from a 12-point deficit. Armstrong also rushed for a pair of fourth-quarter touchdowns.

Armstrong completed three touchdown passes in a victory at Rutgers, then threw for 296 yards and rushed for 46 more in the regular-season finale against Iowa. Armstrong capped his junior season by earning Offensive MVP honors in a Foster Farms Bowl win over UCLA. Armstrong rushed for 76 yards and a touchdown on 10 carries, helping Nebraska to a season-high 326 rushing yards. He also completed 12-of-19 passes for 174 yards.

**2014 (SOPHOMORE)**

Armstrong started all 13 games and finished with 3,400 yards of total offense. He threw for 22 touchdowns, including seven in the season's final two games. He threw for more than 200 yards eight times in 2014, and had at least one touchdown pass in 11 of 13 games. Armstrong had 705 rushing yards and six rushing touchdowns, while averaging 4.9 yards per carry. He topped 50 rushing yards seven times, including a career-high 131 rushing yards against McNeese State.

Armstrong opened the year with three consecutive 300-yard total offense games. He threw for 271 yards and two touchdowns and rushed for 62 yards and a touchdown against Florida Atlantic, helping NU set a Big Ten modern-era record for total offense with 784 yards. Armstrong posted the 131 rushing yards against McNeese State on just 11 carries, with runs of 42, 24 and 34 yards against the Cowboys. Jordan Westerkamp is set to leave a lasting mark on the Nebraska football program. The Chicago native has been a fan favorite since his freshman season and has been a leader for the Huskers on and off the field. As a senior in 2016, Westerkamp will lead a receiving corps that returns its top five players and is poised to be among the best in the nation.

The 6-0, 200-pound Westerkamp has great hands, allowing him to make the difficult catches look routine throughout his career. He is also a great route runner with excellent mastery of the Nebraska offense.

Westerkamp is coming off one of the most productive receiving seasons in Nebraska history and is poised to make a run at the school's career receiving marks. Westerkamp caught 65 passes for 918 yards in 2015, good for the second and third-highest totals in school history, respectively, in those categories. Westerkamp's effort in 2015 earned him second-team All-Big Ten honors from both the league's coaches and media, and he is strong candidate for first-team accolades this fall.

Westerkamp enters 2016 in position to challenge the Nebraska career records for receptions and receiving yards. He stands 52 catches and 741 receiving yards from the top spot on both charts, records currently held by Westerkamp's former teammate Kenny Bell.

Westerkamp has grabbed headlines throughout his career, first with a game-winning Hail Mary touchdown catch against Northwestern in 2013. He has added several highlight-reel catches since, including a behind-the-back reception against Florida Atlantic in 2014 that earned Westerkamp ESPN's College Football Play of the Year.

Off the field, Westerkamp is a two-time Academic All-Big Ten selection. He is on track to earn his degree in management in December of 2016.

# 52 | JOSH BANDERAS

SENIOR | LINEBACKER

6-3 | 240 | THREE LETTERS

LINCOLN, NEB. | SOUTHWEST HS

Senior Josh Banderas will be counted on to be a leader on and off the field for the 2016 Blackshirt defense. The 6-3, 240-pound Banderas has been a prominent member of the Husker linebacking corps the past three seasons, starting 19 games.

The Lincoln native worked through a nagging injury in 2015 to start nine games at middle linebacker and rank among the team leaders in tackles for the second straight year. Banderas and fellow Nebraska native Chris Weber both have significant playing experience in the middle, making the spot a strength of the Husker defense.

Banderas has shown outstanding versatility during his career. Not only is he capable of playing multiple linebacker positions, but he also is adept at defending both the run and pass. Off the field, Banderas has been named to the Academic All-Big Ten team each of the past two seasons. Despite not redshirting he is on track to graduate with a degree in management in May of 2017. Banderas is a second-generation Husker as his father, Tom, was a three-year letterwinner at tight end in the 1980s.

## 2015 (JUNIOR)

**SENIOR | PUNTER**  
**6-2 | 205 | THREE LETTERS**  
**GREELEY, NEB. | GRAND ISLAND HS**

Sam Foltz has continued Nebraska's recent history of excellent punters, and he is set to finish his career in strong fashion in 2016. Foltz is coming off an outstanding junior year in which he earned first-team all-conference honors and was named the Edelman-Fields Big Ten Punter of the Year.

The 6-2, 205-pound Foltz is a candidate for bigger honors this season, including being one of the nation's top candidates for the Ray Guy Award. He also teams with junior kicker Drew Brown to give Nebraska one of the country's top kicking specialist tandems.

Foltz boasts a strong leg and has excellent athleticism, allowing him to be used in conventional and rugby-style punting formations. In 2015, his 44.2-yard punting average led the Big Ten Conference, and his 45.0-yard average in league games bettered all other conference punters by more than two yards. His effort helped Nebraska rank third in the Big Ten in net punting in 2015.

Foltz has handled the punting duty for each of the past three years and his career average of 42.6 yards per punt ranks fifth in NU history. In addition to his punting chores, Foltz has also served as the Huskers' holder the past two seasons, helping Brown to back-to-back 100-point scoring seasons.

Foltz earned his degree in agronomy in May of 2016.

He was back at full strength for Big Ten play, averaging 46.9 yards per punt at Illinois with three punts inside the 20. His play earned him Big Ten Special Teams Player-of-the-Week selection.

Foltz averaged a season-high 50.7 yards on six punts against Northwestern, and averaged at least 43 yards per punt in six of eight Big Ten Conference games. He placed a season-high four punts inside the 20 in NU's win at Rutgers.

Foltz was named Big Ten Special Teams Player of the Week after his performance against McNeese State. He averaged 51.2 yards per punt and trapped the Cowboys inside their 20-yard line four times. Against Northwestern, all five of Foltz's punts pinned the Wildcats inside their own 20-yard line. Foltz had three punts of more than 50 yards against Purdue, pinning the Boilermakers inside their own 20 three times, and inside the 10 twice.

Foltz ran 14 yards for a first down on a fake punt at Wisconsin and also had a career-long 70-yard punt in the fourth quarter. He averaged 44.7 yards per punt in the Holiday Bowl, including a NU bowl-record 64-yard punt.

I-back Terrell Newby is the most experienced member of the running back corps heading into 2016. Newby started eight games in 2015 and was NU's leading rusher while also being a receiving threat out of the backfield.

The 5-10, 200-pounder will continue to compete with several other players for action at I-back, but his versatility makes Newby an excellent fit in the Husker offense. Newby excelled in the first half of the season before an ankle injury limited his productivity in the final five games.

Newby became the 63rd player in school history to eclipse 1,000 career rushing yards, and he enters the 2016 season in position to join 28 Huskers in the 2,000-yard club. Newby also has contributed as a kickoff returner throughout his NU career. Newby is a sociology major who is on track to graduate in May of 2017.

ALEXANDRIA, VA. | WEST POTOMAC HS

De'Mornay Pierson-El hopes to return to his game-breaking ability as a receiver and punt returner in the 2016 season. Pierson-El was expected to be a major factor in 2015, but a pair of serious injuries limited him to just five games as a sophomore, taking an explosive weapon out of the Husker attack.

The 5-9, 185-pound Pierson-El burst onto the scene as a true freshman in 2014, and was the nation's top punt returner. Pierson-El was named a second-team All-America selection and a freshman All-American by several organizations. He was a second-team Football Writers Association of America honoree, becoming the first Husker freshman to make the FWAA All-America team. Pierson-El also excelled in the passing game late in his freshman season and is an excellent fit in Coach Mike Riley's versatile offense.

Pierson-El missed the first four games of 2015 with a foot injury, before suffering a season-ending knee injury in late October. He is hopeful of returning to full strength by fall camp, and will give Nebraska five returning receivers with extensive game experience.

## 2015 (SOPHOMORE)

Pierson-El played in just five games because of injury and finished the season with 12 receptions for 111 yards and a touchdown. He also had four punt returns for 48 yards.

He saw his first action of the year at Illinois, and caught two passes a week later against Wisconsin. He had 31 yards on three receptions at Minnesota, including a 14-yard touchdown reception, and also had two punt returns for 49 yards, highlighted by a 42-yard first-quarter return. He had a season-high five catches for 31 yards against Northwestern and had one catch at Purdue before his injury.

## 2014 (FRESHMAN)

Pierson-El played in all 13 games, serving as the top punt returner throughout the year, and starting six games at receiver. He ranked second nationally in punt return average at 17.5 yards per return. His 596 total punt return yards topped the nation by nearly 200 yards and ranked third on the Nebraska season charts. Pierson-El tied for the national lead with three punt returns for touchdowns - one shy of the NU record. He also had two of the eight longest punt returns in the nation in 2014 (86 and 80 yards).

He caught 23 passes for 321 yards and four touchdowns, with 17 of his 23 receptions in the final four games, including a Nebraska bowl-record eight catches for 102 yards and a touchdown against USC. He added 10 kickoff returns for 147 yards.

Pierson-El had an eight-yard touchdown catch in his NU debut against Florida Atlantic. He first showed his punt return explosiveness against McNeese State with five returns for 52 yards, including a 25-yarder.

Pierson-El earned Big Ten Special Teams Player-of-the-Week honors at Fresno State when he had five punt returns for 150 yards. He had an 86-yard touchdown return in the second quarter, the third-longest in the nation in 2014, the seventh-longest in NU history and the longest ever for a Husker freshman. He added a 51-yard return later in the quarter.

Pierson-El's second punt return for a touchdown came at Michigan State on a 62-yard fourth-quarter return. Pierson-El had a big night at Northwestern, making three catches for 66 yards, including a season-long 46-yard reception. Pierson-El made his first start at receiver against Rutgers. A week later, he opened the scoring against Purdue with a 17-yard touchdown. He also had a 42-yard punt return in the first quarter against the Boilermakers. Pierson-El caught four passes for a then-career-high 87 yards against Minnesota, including his third receiving touchdown.

Pierson-El helped key Nebraska's comeback at Iowa. He had three punt returns for 134 yards, including an 80-yard touchdown. In the fourth quarter alone, he had two returns for 121 yards, the first setting up a Nebraska touchdown and the 80-yard return giving NU its first lead of the day. Senior Brandon Reilly is part of a veteran receiving corps that should rank among the nation's best in 2016. Reilly is one of five returning receivers with extensive game action.

The 6-2, 200-pound Reilly played in every game in 2015 after battling injuries the previous two seasons. He made the most of the opportunity, finishing second for the Huskers in receptions and receiving yardage, while ranking among the top big-play receivers in the country.

Reilly had eight receptions of at least 30 yards as a junior, highlighted by a 30-yard game-winning touchdown in the final seconds against Michigan State. Reilly's 18.9-yard per catch average ranked sixth in the nation and first in the Big Ten among players with at least 40 receptions. His average was also the third-best in school history among players with 40 catches in a season, trailing only Niles Paul in 2009 and Irving Fryar in 1983.

In addition to being a big-play receiver, Reilly was also a factor in the run game in 2015, and has used his speed to contribute on special teams in his career. A former walk-on, Reilly earned a scholarship before his sophomore season. The Lincoln native is a three-time Academic All-Big Ten selection and is on track to graduate in December with a degree in marketing/management.

**TOM OSBORNE**

HEAD COACH, 1973-97

RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

**BOB DEVANEY**

HEAD COACH, 1962-72

RECORD: 101-20-2 (.829, 12TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 12th on the all-time list, six spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

## NATION-LEADING 17 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities.

The University of Nebraska earned its NCAA-leading 17th Top 10 Award in January of 2014 when women's tennis standout Mary Weatherholt was recognized at the NCAA honors dinner. Weatherholt was the NCAA singles runner-up in 2013. She was Nebraska's first Top 10 honoree since 2008.

The Husker football program has nine of Nebraska's 17 Top 10 Award winners, most recently All-America rush end Grant Wistrom who was a 1998 honoree. Wistrom's selection gave Nebraska nine Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, the only times that a school had more than one student-athlete honored. Nine of Nebraska's Top 10 picks were football players, making the Husker grid program the most decorated in the country.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), two men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Weatherholt-2014) have also claimed the honor.

# VARSITY LETTERMAN LIST

NOTE: The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

## 126 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

W.C. "King" Cole took over the reins after playing football under Fielding Yost at Michigan. Cole coached Nebraska to an 85-0 win over Doane in the last game on the field that preceded the Nebraska Athletic Field. His final season as coach marked NU's first unshared Missouri Valley Conference title. His last game as coach was a 119-0 win over Haskell, which still ranks as the most points a Cornhusker team has ever scored.

**COACH EWALD O. "JUMBO" STIEHM**

(Wisconsin, 1909) 35-2-3 (.913), 1911-15

Under Ewald O. "Jumbo" Stiehm's direction, Nebraska won or tied for the Missouri Valley Conference championship every season. His winning percentage of .913 ranks as the highest in school history. His teams recorded a 34-game unbeaten streak, the longest in school history. Also Nebraska's basketball coach, he was the only coach in Big Eight history to win football and basketball titles in the same academic year. He was the first year-round coach in school history, but he went to Indiana University after NU refused to increase his salary to \$4,250.

**NEBRASKA IN THE POLLS**

The Associated Press poll began in 1936, and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 final national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings are based on regular-season finishes and do not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results.

THE DEVANEY ERA

**COACH BOB DEVANEY****(Alma, 1939) 101-20-2 (.829), 1962-72**

Bob Devaney won back-to-back national titles in 1970 and 1971 and eight Big Eight crowns. He retired in 1973 with a career record of 136-30-7 (.806), which left him as the winningest active coach in the nation. In 1971, he was named coach of the year by the Walter Camp Foundation, the Football Writers of America, Football News and the Washington Touchdown Club. Devaney was inducted into the College Football Hall of Fame in 1981 and into the Orange Bowl Hall of Honor in 1976. His 11-year stint as head football coach is the second longest in school history behind Tom Osborne. He was Nebraska's athletic director from 1967 to 1992 and served as athletic director emeritus for four years, before retiring June 30, 1996. Devaney passed away on May 9, 1997.

**COACH TOM OSBORNE**

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He was the fastest coach in college football history to win 200 games, doing it in just 21 seasons, and the fastest coach to reach 250 wins. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

**COACH FRANK SOLICH**

(Nebraska, 1966) 58-19 (.753),

1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

## UNIVERSITY SYSTEM PRESIDENT

**HANK M.  
BOUNDS, PH.D.**UNIV. OF NEBRASKA PRESIDENT • SECOND YEAR  
SOUTHERN MISSISSIPPI • 1991

On Jan. 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska. Bounds began his tenure as president on April 13, 2015, bringing with him a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

Bounds grew up on a small farm in rural Mississippi, where his family raised hogs and cattle and he hauled hay. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities including research universities, regional universities, an academic health science center, historically black institutions, a law center, a school of veterinary medicine and 200 institutes and centers. Together the system enrolled 85,000 students, employed 26,000 faculty and staff, and operated with a combined annual budget of \$4.5 billion, including \$500 million in research and development.

During every year of Bounds' tenure as commissioner, student enrollment and degrees awarded by the institutions in the Mississippi system increased, by a total of 13.3 percent and 11.4 percent, respectively. He advocated with legislative leadership for improved faculty compensation and providing greater opportunities for students. He also provided oversight for private fundraising in excess of \$250 million per year.

Bounds worked with the Board of Trustees to implement a performance-based allocation model that distributed funds equitably and rewarded universities for operating efficiently and achieving attainment outcomes. He designed an efficiencies plan that saved more than \$90 million, an internal audit function, and a comprehensive diversity initiative that led to increased diversity among Mississippi faculty, staff and students.

Bounds also worked with partners to increase educational attainment in Mississippi, including a Center for Education Innovation focused on improving learning opportunities for disadvantaged children. Bounds created an office to foster relationships among university researchers, business and industry, and economic developers. He was tapped by the business community to chair a major statewide initiative to create an action plan to improve Mississippi's competitive position.

Bounds brings this experience to the University of Nebraska, which he believes can serve as a catalyst for change and growth in the lives of students and people in the state and around the world. He is working to make the University of Nebraska a giant in higher education—for the benefit of the state, the country and the world.

Bounds holds faculty appointments in the College of Education and Human Sciences at the University of Nebraska-Lincoln and in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln, Neb.

## UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at [nebraska.edu/board/](http://nebraska.edu/board/).

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

Shawn Eichorst was recruited and hired by the University of Nebraska in 2012 and quickly displayed an incredible passion for the University and for its student-athletes as well as the State of Nebraska. As the leader of a tradition-rich athletic program with 24 intercollegiate teams, 600-plus student-athletes and more than 325 full-time employees, Eichorst has relied on a strong value system and a student-centered approach to lead the department. Nebraska's primary mission is to provide student-athletes with the resources and support they need to be successful in academics, athletics and life. The health, safety and welfare of student-athletes are priority one and the essence of every decision made at Nebraska. Since Eichorst arrived in Lincoln, resources and services in every student-athlete support unit have been reviewed, improved and enhanced, including academics, athletic medicine, life skills, nutrition, sports psychology, strength and conditioning and performance/research (i.e. Nebraska Athletic Performance Laboratory (NAPL) and the Center for Brain, Biology and Behavior (CB3)).

Eichorst has continued to move Nebraska forward aggressively with several new initiatives to enhance the student-athlete experience. Beginning in the summer of 2015, Nebraska became the first athletic department in the country to offer laptop computers to every student-athlete and created a data analytics department. Husker student-athletes in all sports now receive four-year, full cost of attendance-based scholarships. Nebraska was also the first-known department of athletics to create a post-eligibility opportunity (PEO) program, where every Husker letterwinner who graduates and has exhausted his or her eligibility has an opportunity to pursue either an internship, study abroad or graduate school program valued at \$7,500. Nebraska was also one of the first institutions to create a spring service abroad trip, taking a team of student-athletes and staff to Guatemala in 2015 and to the Dominican Republic in 2016.

Eichorst is in high demand and has made more than 500 public appearances around the state and country and his monthly radio show and "Connecting on Campus" online column provide opportunities to connect and share the incredible activities, initiatives and accomplishments happening at the greater University and in the department. As a member of the Chancellor's Senior Administrative Team, Eichorst maintains a strong connection and collaboration between the University and athletics.

A highly respected national leader, Eichorst was appointed in 2015 to the Division I Football Oversight Committee. Most recently, Eichorst was named co-chair of the NCAA Division I Football Recruiting ad hoc working group. He also serves on the Big Ten Conference Program and Budget Review Committee. Eichorst was the first Director of Athletics from any conference to visit the Big Ten Conference-based Academic Alliance (formerly known as the Committee on Institutional Cooperation) at its Champaign, Ill., headquarters. The Big Ten Academic Alliance is a highly successful academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Nebraska is leading the Big Ten and the Big Ten Academic Alliance in several areas, including Digital Humanities and head injury research.

Under Eichorst, Nebraska extended its nation-leading total of CoSIDA Academic All-Americans to 325 and its nation-leading total of NCAA Top Ten Award winners to 17. More than 700 awards were presented at the 26th Annual Student-Athlete Awards Show—A Night at the Lied. In 2015-16, 109 student-athletes earned undergraduate or graduate degrees and the Big Ten Conference honored 209 Husker student-athletes with Academic All-Big Ten awards. For the first time in school history, all Nebraska teams had an NCAA Academic Progress Rate (APR) of 960 or higher and the overall Graduation Success Rate (GSR) of 86 percent is the highest in program history. In addition, seven Husker teams (women's basketball, golf, gymnastics, softball, tennis and volleyball and men's tennis) had a GSR of 100 percent as reported in the fall of 2015.

During Eichorst's tenure, Nebraska has won three NCAA team Championships, increasing its total to 27. In 2012-13 and in 2014-15, the Nebraska women's bowling team earned the program's fourth and fifth NCAA titles, while the Husker volleyball

team won the 2015 NCAA Championship, the program's fourth national title.

In 2016, the Husker men's track and field team swept the Big Ten Indoor and Outdoor Championships and 14 Nebraska teams competed in NCAA postseason action, including bowling, football, volleyball, women's swimming and diving, wrestling, softball, baseball, men's and women's gymnastics, rifle, and men's and women's indoor and outdoor track and field. In 2015-16, Nebraska produced 41 All-Americans who won 49 national awards, including 21 first-team honorees.

In 2013-14, Nebraska became one of only two NCAA institutions – and the first Big Ten program in history – to qualify for a football bowl game, and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Additionally, Nebraska was the only institution to win a postseason game in six of those seven sports.

Nebraska's fan support continues to be unparalleled in college athletics. In 2015-16, top 15 national rankings for average attendance were reached across 10 sports—football, volleyball, men's and women's basketball, wrestling, soccer, softball, baseball and men's and women's gymnastics. Nebraska is the only school in the country to rank among the top 15 nationally in both football and men's basketball attendance and in volleyball and women's basketball. A tribute to loyal Husker fans, two sports lead the nation with consecutive home sellout streaks. Football has 347 consecutive sellouts and volleyball has 204 consecutive regular-season sellouts.

Under Eichorst's leadership, Nebraska continues to focus on improving its facilities and the game-day experience at all athletic venues. In August of 2015, Hibner Stadium and Barbara Hibner Field for soccer and the Sid and Hazel Dillon Tennis Center were completed. A new center-hung video board and sound system was installed in the Devaney Center in 2015 to improve the game-day experience for volleyball, wrestling and men's and women's gymnastics. In 2014, the largest wireless network system at a college football stadium in history was installed in Memorial Stadium, along with a state-of-the-art sound system. In the summer of 2013, Memorial Stadium expansion added the innovative NAPL inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). That same year, Nebraska's men's and women's basketball teams became the primary tenants at Pinnacle Bank Arena, and the renovated Devaney Center became the home for Husker volleyball, wrestling and the men's and women's gymnastics programs.

Eichorst came to Nebraska after serving as Director of Athletics at Miami in 2011 and 2012. He hired legendary men's basketball coach Jim Larrañaga, who led Miami to the NIT Second Round in his first season and ACC regular-season and tournament titles as well and the NCAA Sweet 16 in his second. The women's basketball program posted its highest national ranking in school history (No. 5) and advanced to the Second Round of the NCAA Tournament. The Miami women's tennis team advanced to the NCAA Elite Eight for the fourth straight season, and the baseball team made its 40th consecutive NCAA appearance. The Hurricane women's soccer team posted its first NCAA Tournament win in school history, and the volleyball team made its third straight NCAA Tournament trip.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin. He was the Chief Operating Officer and oversaw the department's daily operations, as well as the men's basketball program under the direction of Director of Athletics and former Husker Barry Alvarez.

From 2004 to 2006, Eichorst served as the Senior Associate Athletics Director for Administration at South Carolina, overseeing the department's daily operations, as well as the football and baseball programs under legendary coaches Lou Holtz, Steve Spurrier and Ray Tanner, respectively.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10-percent finishes in the NACDA Directors Cup, one NCAA team title and two NCAA runner-up finishes. The program also featured 11 CoSIDA Academic All-America selections.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for the University of Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and in 2015 was awarded the Distinguished Alumni Award for Professional Achievement. He earned a law degree from Marquette Law School in 1995, practiced law in Milwaukee until 1999 and is a past member of the State Bar of Wisconsin Board of Governors. He served as an assistant adjunct professor of law at Marquette, where he taught classes in sports law. He serves on the Marquette University National Sports Law Institute Board of Advisors and in 2006, Marquette awarded Eichorst the Sports Law Alumnus of the Year Award. He is also a graduate of the Sports Management Institute and serves on its Executive Committee.

Shawn and his wife Kristin have three sons: Jack, Joseph and Bennett.

## NEBRASKA MEDIA SERVICES

### COMMUNICATIONS OFFICE

The Nebraska Communications Office is available to assist you with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics, etc., please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Assistant Athletic Director for Communications Keith Mann (kmann@huskers.com), Senior Associate Communications Director Shamus McKnight (smcknight@huskers.com) or Associate Directors Matt Smith (msmith@huskers.com) or Jeremy Foote (jfoote@huskers.com). Below are guidelines for covering NU in-season. Additions or changes to these policies can be found at Huskers.com/media.

### MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-2263 for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers covering for same or next day publication; (2) radio personnel for broadcast originations; (3) sports editors of Nebraska daily newspapers; (4) press and TV working photographers; (5) official school student daily newspaper, one seat and/or sideline only; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

### MEDIA ACCESS

Memorial Stadium access for the media is at the Media Gate entrance on street level on the west side of the stadium. The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff and must show a photo I.D. All credential holders must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium.

### MEDIA PARKING

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to the primary media lot directly south of the stadium later than 90 minutes before kickoff.

Each media outlet will receive one complimentary parking pass. Media outlets will be charged for additional parking passes (\$21/each). See page 226 for specific directions to assigned lots.

### WEEKLY MONDAY MEDIA LUNCHEON

Each Monday during game weeks, Nebraska hosts a media luncheon. Press luncheons will be held on Level 6 of the press facility. A light lunch buffet is served at 11 a.m., followed by Coach Mike Riley's weekly news conference at 11:30 a.m.

Huskers.com/media

Media planning any live coverage of the press conference (television, radio, internet) must first request permission from the Communications Office.

Transcripts and video highlights from the press conference with Coach Riley and players will be available on Huskers.com.

### INTERVIEW POLICY

During the season, Coach Mike Riley is available in person for media interviews at the Monday news conference and on the field after practice on Thursday. Coach Riley is also available each Tuesday on the Big Ten teleconference (11:24 a.m.) beginning on Aug. 30. Please contact the Big Ten office at (847) 696-1010 for details. Any other interviews with Riley must be arranged through the Communications Office at least one day in advance.

Nebraska players are available for interviews in person or by telephone at the Monday press conference or on Tuesday and Wednesday following practice. Player interviews can occasionally be set up for other times with at least one day advance notice to the Communications Office. All requests for player and coach interviews must go through the Communications Office.

Assistant coaches will be available on Tuesday (defensive coaches) and Wednesday (offensive coaches) following practice.

Press conference and post-practice interviews with players and coaches are prohibited from being streamed live online via apps such as Periscope.

No interviews are to be conducted in the locker room, training room, weight room or Nebraska Student Life Complex. As a general rule, freshmen and redshirt freshmen are not available for interviews until they have participated in a game.

### DAILY PRACTICES

During the season, practices are normally conducted either in Memorial Stadium, in the Hawks Championship Center or on the Ed and Joyanne Gass Practice Fields northeast of the stadium, beginning at approximately 3:30 p.m. Practices are generally closed to the media and public. Media wishing to interview Nebraska players or coaches after practice should come to the designated location based on the practice site shortly before the end of practice. Communications staff will escort media to the practice field at the conclusion of practice.

Photographers and videographers should contact Communications regarding days and times to shoot practice. Media are asked to remain on the sideline or behind the fence at Memorial Stadium during this time. When on the Gass practice fields, media may not stand between the two practice fields during this time. No interviews are to be conducted during this time period and these segments may not be aired or streamed live on television or the internet. Live practice reports of any kind are not permitted from the practice site (social media, radio, blogs, etc.). Media will be asked to leave the practice site to use their cell phones or mobile devices.

Contact the Communications Office for the exact time and location of each day's practice.

## POSTGAME INTERVIEWS

Nebraska's locker room is closed after games, both home and away, but Coach Mike Riley and requested players will be available for interviews following a brief cooling-off period. For home games, only coaches, players and staff members will be admitted to the tunnel and locker room after the game, but Coach Riley and requested personnel will be brought to the interview room (Ndamukong Suh Strength Complex). Admittance to the interview area will be by media credential only. Media should access the area via the door on the northeast corner of the Osborne Athletic Complex. For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Media planning to carry the press conference live should request permission from the Nebraska Communications Office before doing so. If media are planning to do live interviews on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Scott Guthrie in HuskerVision (402-472-4645).

## SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo pass, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo pass who will be

shooting still photos or video during the game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The Big Ten sideline control policy: (1) Only those photographers on assignment from a newspaper, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo pass. (2) Only those newspapers with Sunday and/or daily editions are eligible for sideline passes. (Special requests must be submitted to the Communications Director for review). (3) Cutline writers, equipment carriers, and/or other so-called "assistants" will not be allowed on the sideline. (4) Photographers must display their credentials (photo pass and vest) at all times. (5) University personnel are to be deployed on the sideline to ensure that all credentials are properly displayed. Those possessing bench passes (45) must remain inside the team bench area (between the 25-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers are not permitted to congregate in the writers' section of the media facility during halftime, during or after the game.

A photographers work area is available on field level, just off the southeast corner of the playing field.

## FACILITY USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Director of Athletics or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

## TV, RADIO, INTERNET BROADCAST RIGHTS &amp; RESTRICTIONS

Nebraska, its opponent and the respective conference designate the broadcast rights for all games. No pregame coverage shall be permitted for two hours before the game without the express permission of the University of Nebraska, the Big Ten Conference and the broadcast rights holder. Live postgame interviews may not be aired while the television rights holder is still on the air.

Per the Big Ten Conference, a maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the seven days following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, and may not be distributed via the internet, wireless or other forms of media. In addition, live in-game streaming of the contests on social media is prohibited.

Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom a credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big Ten Conference. Nothing in these terms and conditions authorizes or allows bearer to violate any of the trademarks, copyright and other proprietary rights of the Big Ten Conference.

This restriction also includes highlights of games while in progress (live or recorded). Use of video highlights in any other manner or any media distribution platform without the advanced written permission of the Big Ten Conference is expressly prohibited. Any agency wishing to use film or video in any other manner must obtain written permission from the Big Ten Conference.

Local television stations may not originate a pre- or post-game show from inside Memorial Stadium.

Any blogs, tweets, live chats, social media posts, etc. from the game site should not serve as a substitute for, or approximate, play-by-play accounts of a game in any medium.

Non-originating radio stations or internet sites may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour. No pregame coverage from the stadium shall be permitted for two hours before the game without the express permission of the University of Nebraska and the broadcast rights holder.

## INTERNET/TELEPHONE

Media will have use of the Internet in the Memorial Stadium press box. A limited number of Ethernet ports are available in the press seating area and the photographer's area. Contact the Athletics Communications Office before the start of the season for information regarding cost of Ethernet ports at a specific seat. The Memorial Stadium press box is equipped with wireless internet. Media members who plan to use wireless internet should contact the Communications Office in advance of the game for instructions.

Media members using wireless frequencies at Memorial Stadium will be asked to register that equipment in advance. Media will be prompted to complete a frequency coordination form when they fill out their on-line credential application. (Note: This does not apply to those registering for wireless internet access). Nebraska provides telephones for media use in the Memorial Stadium media facility. Any media sources that want to install a telephone in the media facility should contact Nebraska Telecommunications (402) 472-2000 at least two weeks before the game.

Information such as statistics, postgame quotes, play-by-play, etc., will be available online at Huskers.com. If arrangements are made in advance, postgame notes, quotes and game statistics may be e-mailed. Please contact the Nebraska Communications Office during game week to request e-mail service.

## THE BIG TEN CONFERENCE

**James E. Delany**  
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last two years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Committee on Institutional Cooperation (CIC) in 1958. The CIC was formed as an academic consortium of all Big Ten universities and founding conference member Chicago. In 2013, the 15 schools currently constituting the CIC produced over \$10 billion in funded research, \$4 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Commissioner Delany announced the creation of the first conference-owned television network, a 20-year agreement with Fox Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,000 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten Conference on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

In the fall of 2013, the Big Ten opened a new conference headquarters and meeting center in Rosemont, Ill. The newly constructed building is located 10 minutes from O'Hare Airport and has been designed to fully service the needs of more than 350 meetings annually for Big Ten and CIC related committees and coaches groups. The new headquarters also features an interactive digital museum - the Big Ten Experience - which opened to the public on June 7, 2014, and brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to [bigten.org](http://bigten.org).

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Three Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of nearly 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten Conference.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

## COMPLIANCE GUIDELINES

### COMMITMENT TO COMPLIANCE

On behalf of the University of Nebraska student-athletes, coaches and Athletics Department staff, I would like to express my appreciation for your continued support of our entire athletics program.

The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska booster, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletics Department staff members are knowledgeable about NCAA regulations because they receive on-going education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations for boosters. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or [Compliance@Huskers.com](mailto:Compliance@Huskers.com).

Thank you and Go Huskers!

Jamie Vaughn, Senior Associate Athletics Director for Compliance

### THE DEVANEY SOCIETY

Achieving greatness in both the classroom and on the playing field has long been a goal of the University of Nebraska. Our nation-leading 325 CoSIDA Academic All-Americans (as of July 1, 2016) and 27 team national titles reflect the manner in which we strive to achieve to the highest level.

Rising costs have made funding these athletic scholarships increasingly difficult. To help offset the expenses, the University of Nebraska established an athletic scholarship endowment fund to honor Hall of Fame Football Coach Bob Devaney.

Follow in the footsteps of Coach Devaney and commit to the long-term success of Nebraska Athletics. We are sincerely grateful to those who committed to our future stability and established a Devaney Society Scholarship for male and female student-athletes.
