HUSKER OFFENSE

Anticipation is high for the debut of Nebraska's new offense, as fans prepare for Scott Frost's fast-paced system. The excitement is understandable given Frost's history that includes being a part of seven top-five scoring offenses in nine seasons as an offensive coach.

Frost's offense led the nation in scoring and ranked fifth in total offense last season at Central Florida. With Frost's reputation and the fact that the entire offensive coaching staff followed Frost to Lincoln, expectations are high for the Husker offense this fall.

While expectations are always welcome at a traditional power like Nebraska, it may take time for the offense to look like fans expect. While UCF ranked in the top five nationally in both scoring and total offense last season, the Knights took time to hit their stride in Frost's first season in 2016. Add in the facts that only 24 offensive players on the NU roster have played in a game and no eligible Husker quarterback has ever taken a snap at the FBS level, and 2018 may prove to be a year of growth.

Still, there are plenty of positives that suggest Nebraska's adaptation to Frost's offense may happen quicker than many think. That optimism largely starts up front, where the Huskers return five players who started multiple games on the offensive line last season (Cole Conrad, Tanner Farmer, Matt Farniok, Jerald Foster and Brenden Jaimes).

At the skill positions, Nebraska returns its top five rushers from 2017 and adds two-time first-team junior college All-American Greg Bell to the fold. At wideout, Nebraska features Stanley Morgan Jr. and JD Spielman, who form one of the most formidable receiving combinations in the country. And despite no returning experience at quarterback, Nebraska features a pair of highly regarded freshmen in California natives Tristan Gebbia and Adrian Martinez.

NEBRASKA OFFENSIVE NOTEBOOK

- Nebraska's returning offensive linemen have combined for 60 career starts, the Huskers' highest total to begin a season since 2013. That year, Nebraska featured four linemen currently playing in the NFL (Spencer Long, Brent Qvale, Jeremiah Sirles and Zach Sterup).
- The Huskers' three senior returning starters on the offensive line - **Jerald Foster**, **Cole Conrad** and **Tanner Farmer** - have combined for 47 starts at Nebraska.
- NU's two other returning starters on the line - sophomores **Matt Farniok** and **Brenden Jaimes** - combined for 13 starts as freshmen in 2017.
- Foster has started 16 consecutive games at left guard, and he was an honorable-mention All-Big Ten selection last season.
- Jaimes, who is expected to move to left tackle this season, started the final nine games at right tackle in 2017. The nine starts were the most by a Nebraska true freshman offensive lineman. Jaimes became the fifth true freshman offensive lineman to start at Nebraska and the four before him combined for only 11 starts, just two more than Jaimes.
- In the backfield, NU is hopeful that junior **Tre Bryant** can make a healthy return. A knee injury limited Bryant to the season's first two games in 2017. In those two games, Bryant rushed for 299 yards and his 149.5 rushing yards per game ranked ninth nationally after two games.

- In addition to Bryant, the Husker backfield will feature seniors **Devine Ozigbo** and **Mikale Wilbon**. Both players have increased their rushing total each of their first three seasons, culminating with Ozigbo rushing for a career-high 493 yards and Wilbon a career-high 379 yards in 2017.
- Jack Stoll** is Nebraska's only returning tight end with game experience. Stoll caught eight passes for 89 yards and two touchdowns last season.
- Stanley Morgan Jr.** returns after setting a Nebraska season record with 986 receiving yards in 2017. Morgan led the Big Ten with 89.6 receiving yards per game and is the first player to return after leading the Big Ten in receiving yards per game since Penn State's Allen Robinson in 2013.
- JD Spielman** led all freshmen with 830 receiving yards en route to freshman All-America honors last season. He set Nebraska freshman records for receptions (55), receiving yards and all-purpose yards (1,572) and had a school-record 200 receiving yards vs. Ohio State.
- Morgan and Spielman combined for 165.1 receiving yards per game in 2017. That ranks as the nation's second-highest returning total.

HUSKER DEFENSE

Nebraska's defense looks to bounce back from a disappointing 2017 season. The Blackshirts will be led this fall by first-year defensive coordinator Erik Chinander, who thrived in a similar situation in 2016 as a first-year coordinator on Scott Frost's Central Florida staff.

Chinander inherited a UCF unit that ranked 113th nationally in total defense and 117th in scoring defense. But in his first year, Chinander's defense allowed 13 fewer points and 94 fewer yards per game as the Knights climbed 74 spots to 39th in total defense and 75 spots to 42nd in scoring defense. Aiding Chinander's efforts for a similar first-year turnaround at Nebraska is the fact his entire UCF defensive staff joined him in Lincoln.

Nebraska is expected to field a defense this fall that includes a mix of proven veterans and promising newcomers. The Blackshirts return 15 players with starting experience, including six Huskers who have spent at least one season in a full-time starting role. Nebraska also added several transfers - both from the FBS and junior college levels - who are expected to compete for immediate playing time.

The defensive line is an experienced unit which is expected to be the strength of the defense. The group includes three-year starter Freedom Akinmoladun and two-year starters Mick Stoltenberg and Carlos Davis. At linebacker, NU returns Dedrick Young II, who has started more games than any other Husker. Junior college All-American Will Honas and Ole Miss transfer Breon Dixon have the potential to make an impact as newcomers.

The secondary lost two key starters to graduation but returns a starter at cornerback and safety in Lamar Jackson and Aaron Williams, respectively. Nebraska also returns two players who have started games at cornerback (Eric Lee Jr. and Dicaprio Bootle) and two more who have started at safety (Antonio Reed and Marquel Dismuke). The Huskers also bolstered the secondary with the addition of two junior college transfers, and Nebraska hopes for the healthy return of JoJo Domann, who played in all 13 games as a true freshman in 2016 before missing last year due to injury.

NEBRASKA DEFENSIVE NOTEBOOK

- Nebraska's returning defensive linemen have combined for 67 career starts, the Huskers' highest position total to begin a season since 2012.
- The Huskers' two seniors on the defensive line - **Freedom Akinmoladun** and **Mick Stoltenberg** - have combined for 50 starts at Nebraska.
- Junior **Carlos Davis** is the only other defensive lineman who has made multiple starts. Davis has started 16 games in his career.
- Akinmoladun has started every game the past two seasons. His streak of 25 consecutive starts is the longest by a Husker defensive lineman since Greg McMullen started the final 26 games of his career, which spanned every game of the 2014 and 2015 seasons.
- Akinmoladun is Nebraska's active leader with 14 career tackles for loss and 9.5 career sacks.
- Sophomore **Ben Stille** led Nebraska with 10 tackles for loss and 3.5 sacks as a redshirt freshman last season. Stille became the first freshman to lead Nebraska in either category, with TFLs being tracked back to 1968 and sacks dating back to 1981.

- At inside linebacker, **Dedrick Young II** owns a team-high 201 career tackles and is the fourth Husker to record 200 tackles before his senior season. Young's 201 tackles are the most by a Husker entering his senior season since his position coach Barrett Ruud had 289 tackles entering his senior season in 2004.
- Young is looking to make history this fall as the first Husker to record at least 60 tackles all four years of his career.
- Nebraska has three outside linebackers with starting experience in **Alex Davis**, **Luke Gifford** and **Sedrick King**, each of whom made their first career starts in 2017 and set career highs in tackles and TFLs.
- In the secondary, sophomore **Lamar Jackson** has started 13 straight games at cornerback. Those 13 consecutive starts are more starts than all other Husker cornerbacks have made in their combined careers (6).
- At safety, **Aaron Williams** has made 134 career tackles and is NU's active leader with 10 career breakups and five interceptions. His five career interceptions are three more than the rest of the roster combined.
- Junior **Caleb Lightbourn** returns for his third season as Nebraska's starting punter. He averaged 42.1 yards per punt last season and pinned the opponent inside the 20-yard line on 36 percent of his punts.

HUSKER POWER: A NATIONAL LEADER

Husker Power is a nationally recognized brand and a source of pride for Nebraska Football.

NEBRASKA WAS THE FIRST TO:

- Have a paid strength coach
- Lift weights in-season
- Hold a summer conditioning class
- Offer a degree for strength coaching

Nebraska football student-athletes train throughout the year in the Ndamukong Suh Strength and Conditioning Center, one of the nation's finest facilities of its kind which has seen numerous improvements since it opened in 2006. The facility gives Husker student-athletes a technological and strategic advantage by combining state-of-the-art strength training innovation with top-notch coaching and programming.

A total of four full-time staff members are devoted to working with the football team. The staff works with Husker football student-athletes teaching proper strength and conditioning techniques, allowing them to reach their maximum potential. The football strength staff is led by Zach Duval, the 2017 National Strength & Conditioning Coach of the Year.

RETIRED JERSEYS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts celebrated their 50th season in 2013. As a former Husker with former Blackshirts on his coaching staff, Head Coach Scott Frost is very familiar with the long-standing tradition.

DEFENSIVE DOMINANCE

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.

LETTERWINNERS CLUB

N CLUB MISSION STATEMENT

Provide opportunities to letterwinners from all sports for connection, engagement and involvement through events, special reunions and communication while supporting the athletic, academic and career success of Husker student-athletes.

N CLUB ADVISORY COUNCIL

Letterwinner alumni meet monthly to provide feedback and assistance with upcoming events insuring a commitment to the N Club mission.

N CLUB PROGRAMMING/EVENTS

Memorial Stadium N Club Gameday Lounge – Located in the southeast corner of Memorial Stadium, letterwinner alumni and guests with a gameday ticket can enjoy connecting with fellow Huskers, athletic staff and Student-Athlete Advisory Committee members. Open 90 minutes prior to kickoff through halftime, the lounge features snacks, Pepsi products and flat screens to enjoy other games.

Social Events – The N Club will host several social functions allowing letterwinner alums from all sports the opportunity to come back to campus, see facilities, meet athletic staff and reconnect.

Letterwinner Induction Ceremony – Held once each semester, first-time letterwinners are presented with their Husker letter jacket by their Head Coach and a letterwinner alumni. The banquet features comments from past Husker greets along with a special video tribute.

STUDENT-ATHLETE ENGAGEMENT

Striving to connect the past with the present, letterwinner alumni are invited back to campus to participate in the annual Student-Athlete Career Fair, Networking Night and Inner Circle Leadership group. Additionally, letterwinner alumni serve as email mentors providing life and career insights. Letterwinner alumni will also have an opportunity to volunteer with current student-athlete leaders for various service projects including an annual service abroad trip in May.

INNER CIRCLE

Emerging leaders further develop leadership qualities while being inspired from letterwinner alums and collaborating with other student organizations. Inner Circle also assists with numerous service projects throughout the year.

CHAMPIONSHIP REUNIONS

Championship teams and those finishing at an elite national level are invited back to campus every 10 years from the date of the accomplishment. Last season, the 1997 national championship football team was reunited to celebrate its 20th anniversary.

STUDENT-ATHLETE EXPERIENCE

Nebraska Athletics is one of the few self-sustaining athletic programs in the country. In 2017-18, nine of Nebraska's 10 ticketed sports where attendance is tracked ranked in the top 25 nationally in average attendance and every sport ranked in the top 35. This incredible interest and support enables Nebraska Athletics to invest in the student-athlete experience, as well as the overall game-day experience.

Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

UNMATCHED SUPPORT

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

- All scholarship student-athletes have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered a free Apple MacBook Air laptop computer to enhance their learning opportunities.
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Sports Analytics.
- As part of Nebraska's innovative Post-Eligibility Opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school within the University of Nebraska system.

ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic support staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. New laptops are provided to all student-athletes for use during their academic career at Nebraska.

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 8,000 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies, Make-A-Wish, School is Cool and Husker Heroes.

LEADERSHIP

Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Nebraska Football Road Race, Inner Circle or INVOLVED. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

RECOGNITION

In 2017-18, 49 Husker Football student-athletes were named to both the Tom Osborne and Brook Berringer Citizenship teams for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

POST-ELIGIBILITY OPPORTUNITIES

Since 2015, every student-athlete who letter and graduate will have a three-year window to benefit from one of three post-eligibility opportunities each valued at \$7,500. Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska-Lincoln or the University of Nebraska Medical Center.

DIVERSITY AND INCLUSION

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber (pictured, bottom) and Football Head Athletic Trainer Mark Mayer, the 2018-19 Nebraska athletic medicine staff consists of five physicians, 13 full-time athletic trainers, eight graduate assistant athletic trainers, two full-time in-house athletic psychologists and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment, including two anti-gravity treadmills (pictured, top) to help athletes recondition after injuries. Nebraska's Athletic Medicine Center also features a hydrotherapy area that includes a three-level laned pool, as well as hot and cold plunge tanks (pictured, bottom). The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

THE UNIVERSITY OF NEBRASKA

THE UNIVERSITY OF NEBRASKA

The University of Nebraska was chartered by the Nebraska Legislature in 1869 as the state's public university and land-grant institution. Founded in Lincoln, the University of Nebraska was expanded in 1968 into a state educational system now comprising four campuses under the guidance of a Board of Regents and a central administration. Nebraska, which joined the Big Ten Conference in 2011, is a member of the Big Ten Academic Alliance, a consortium of Big Ten universities and the University of Chicago, which has generated unique opportunities for students and faculty by sharing expertise, leveraging resources and collaborating on programs.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska-Lincoln (UNL) is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The consortium was renamed on June 29, 2016. The BTAA includes all 14 Big Ten Institutions and the University of Chicago. The Big Ten Academic Alliances and the institutions together have annual research expenditures topping \$10.2 billion — more than the Ivy League and the University of California System combined — and they educate a total of nearly 600,000 students with approximately 50,000 full-time faculty members.

Scott Frost's rapid rise up the coaching ranks culminated with the former Husker returning to his alma mater, as Frost was announced as Nebraska's head coach on Dec. 2, 2017. The Huskers have one of the nation's top young coaches in Frost, the 2017 consensus national coach of the year and a proven winner familiar with the Nebraska culture and tradition.

It took Frost just a decade to rise from a first-year FCS assistant to head coach of a Nebraska program that ranks fourth all-time in wins. He was successful at every stop along the way, serving as defensive coordinator for an FCS semifinalist, coaching in two national championship games

Club of Columbus, the Lombardi Award and FCA in addition to winning the Home Depot, Paul "Bear" Bryant and Eddie Robinson coach-of-the-year awards. He was also a semifinalist for the George Munger Coach of the Year Award in each of his two seasons at UCF, making Frost one of three coaches to be a semifinalist for the award in both 2016 and 2017.

Before taking his first head coaching job at UCF, Frost was a highly accomplished assistant who coordinated both a top-10 offense and defense. He came to UCF after spending seven seasons as an offensive assistant at Oregon from 2009 to 2015, including three years as the Ducks' offensive coordinator (2012-15). Frost helped Oregon post a 79-14 record in his seven seasons, during which time the Ducks won four conference titles and twice played for the national championship.

Oregon never ranked lower than eighth nationally in scoring offense during Frost's seven seasons on staff, and the Ducks led the nation in scoring in 2010. Frost was promoted to offensive coordinator in 2013, and Oregon ranked in the top five nationally in both scoring and total offense each of his three seasons calling plays. The Ducks scored 681 points in 2014, the second-highest total in NCAA history. Oregon made it to the College Football Playoff Championship Game that year, when Frost was one of five finalists for the Broyles Award, presented annually to the nation's top assistant.

Frost's first full-time coaching job came in the FCS ranks at Northern Iowa, where he spent two seasons on the Panthers' defensive staff. He coached the UNI linebackers in 2007 and helped the Panthers to the No. 1 seed in the FCS playoffs and a quarterfinals appearance. Frost was promoted to co-defensive coordinator the next season, when UNI ranked ninth nationally in scoring defense and advanced to the FCS Semifinals. The Panthers finished with a 24-4 record in Frost's two seasons, winning two Missouri Valley Conference titles and earning a No. 4 ranking both years.

The 43-year-old Frost began his coaching career as a defensive graduate assistant at Kansas State. He also served briefly on NU's staff as a defensive graduate assistant in 2002, coaching the Huskers in the Independence Bowl.

Frost was also an outstanding player. He spent two seasons at Stanford before returning home to Nebraska for the Huskers' 1995 national championship season. He took over as NU's starting quarterback the next season and was the 1996 Big 12 Offensive Newcomer of the Year. In 1997, he was a Johnny Unitas Award finalist and an Academic All-American as Nebraska went 13-0 and captured the program's fifth national title. Frost was then selected in the third round of the 1998 National Football League Draft and played six seasons as an NFL safety.

at Oregon - including as offensive coordinator in the inaugural College Football Playoff final - and calling the plays for Heisman Trophy winner and No. 2 overall NFL Draft pick Marcus Mariota.

After nine years as an assistant, Frost accepted his first head coaching job and promptly guided Central Florida to the nation's most improved record in his first year in 2016. The next season, he was the unanimous choice as the American Athletic Conference Coach of the Year and was named National Coach of the Year after leading the Knights to the first undefeated season (regular and overall) in UCF or AAC history. In two seasons, Frost helped UCF become the first team in FBS history to go from a winless season to an undefeated campaign in only a two-year span.

Frost has been a winner throughout his coaching career, winning seven conference championship teams in his 11 seasons as a full-time coach. In addition to coaching in two national championship games, Frost's teams have won 122 games in his 11 seasons, averaging more than 11 wins per season. Frost's winning reputation dates back to his playing days, when he helped Nebraska to a 36-2 record in his three-year career, including a 24-2 record in two seasons as the Huskers' starting quarterback. He won two national titles at Nebraska, while all other 128 FBS coaches combined to win a total of three national championships as players.

After helping his teams to a 103-18 record in his nine years as an assistant, Frost went 19-7 in two seasons at UCF, helping turn an 0-12 team into a 13-0 squad in just two years' time. In Frost's first season, he took the Knights to a bowl game and finished with a 6-7 record. The turnaround was historic, as Frost became the only first-year coach in FBS history to make a bowl game with a team that was winless the previous season.

UCF led the nation with a six-win improvement in 2016 and exceeded that mark in 2017 with a win over No. 7 Auburn in the Peach Bowl to complete a 13-0 season as the nation's only undefeated team. The Knights put together the first undefeated regular season in UCF and AAC history in 2017, posted the longest winning streak in school history (13 games), achieved the highest in-season ranking in program history (10th), highest final ranking (6th) and set an AAC record with 16 all-conference selections.

UCF was led by its high-powered offense and improved defense under Frost. The Knights led the nation in scoring at 48.2 points per game and were the only FBS team to score at least 30 points in every game. Defensively, UCF improved its scoring defense by 65 spots in Frost's two seasons.

In addition to being the unanimous choice as the 2017 AAC Coach of the Year, Frost was honored as the national coach of the year by the Associated Press, American Football Coaches Association, the Touchdown

HISTORIC TURNAROUND AT UCF

At Central Florida, Frost produced the greatest two-year turnaround in college football history, inheriting an 0-12 team and leading the Knights to a 13-0 record just two years later.

- In his first season in 2016, Frost made history as the only first-time head coach in FBS history to make a bowl game with a team that was winless the previous season.
- UCF tied for the national lead with a six-win improvement from the 2015 to 2016 season. The Knights then ranked third nationally after improving by seven wins from the 2016 to 2017 season.
- The Knights' seven-win improvement from 2016 to 2017 ranked 11th in NCAA history and marked just the second time ever a bowl team improved by more than six wins the next season.
- UCF was the American Athletic Conference and Peach Bowl champions and was the only FBS team to go undefeated in 2017.
- Frost called UCF's plays, orchestrating the greatest two-year offensive turnaround in NCAA history. The Knights' went from last to fifth in total offense, improving their output by more than 260 yards per game. UCF also went from third-to-last to first in scoring offense, improving by nearly 35 points per game.

FROST LED UCF TO 13-0 SEASON

In just his second season as a head coach, Scott Frost guided Central Florida to a 13-0 record in 2017, when the Knights were the nation's only undefeated team.

- Frost became the fourth coach in FBS history to post a 13-0 record or better in either his first or second season as a head coach. Among that quartet, Frost is the only coach who inherited a team that won fewer than five games, as UCF went 0-12 the year before Frost's arrival.
- Frost is one of only six active FBS head coaches who has posted a 13-0 season or better, joining Jimbo Fisher, Gary Patterson, Chris Petersen, Nick Saban and Kyle Whittingham.
- Frost also led Nebraska to a 13-0 record and a national title as the Huskers' starting quarterback in 1997. Frost is the only person in NCAA history to post a 13-0 season as both a player and a head coach.

NATIONAL COACH OF THE YEAR

Scott Frost was the consensus choice as the 2017 national coach of the year, earning the honor from at least eight different organizations.

- Frost won the 2017 Paul "Bear" Bryant Award as the national coach of the year. He joined Chris Petersen (2006 & 2009, Boise State) as the only coaches in the 32-year history of the award to win the honor while coaching a team outside of a Power Five Conference.
- Frost was also the AP Coach of the Year, becoming the sixth coach to win the award in his first or second season as a head coach.

FROST A TOP OFFENSIVE COACH

For each of the last nine years, Scott Frost has either been an offensive assistant, offensive coordinator or head coach who calls the offensive plays. During that time, he has consistently proven to be one of the nation's finest offensive coaches.

- In nine seasons coaching offense, Frost has worked with eight units that finished in the top 10 nationally in scoring, including seven that ranked in the top five.
- Frost has also been a part of seven teams that ranked in the top 10 nationally in total offense the past nine seasons.

FROST A PROVEN WINNER

Scott Frost is a proven winner. In his 11-year full-time coaching career, Frost's teams have combined for a 122-25 record.

- Frost has averaged 11 wins per season and has been a part of seven 12-win teams.
- He has won seven conference titles in 11 years.
- Frost has coached in two national title games and his teams have finished with a top-10 ranking eight times in the past 11 years.
- In two seasons as UCF's head coach, the Knights were the nation's most improved team in 2016 and were the only FBS team to go undefeated in 2017.
- As a Husker quarterback, Frost was a two-time national champion who helped Nebraska to a 36-2 record, including a 24-2 mark as a starter.
- Frost is one of four active head coaches who won a national title as a player and is the only coach who won multiple national titles.

- Frost's quarterbacks have ranked in the top 10 nationally in pass efficiency four of the last five seasons, including first or second in three of the last four years.
- Each of the three main starting quarterbacks to run Frost's system have achieved a No. 1 or No. 2 national ranking in passing efficiency.
- Oregon's Marcus Mariota led the country in passing efficiency en route to winning the 2014 Heisman Trophy. The next year, the Ducks' Vernon Adams Jr. led the nation in his only season at the FBS level. In 2017, UCF's McKenzie Milton ranked second nationally as a sophomore.
- In 2017, Milton became the seventh player in NCAA history to throw for 4,000 yards and rush for 500 yards in the same season.

Erik Chinander joins the Nebraska staff as the Huskers' defensive coordinator after serving in the same role the past two seasons under Scott Frost at Central Florida. Recognized as one of the nation's top assistant coaches with a nomination for the Broyles Award in 2016, Chinander has been on the staff of one FCS (Northern Iowa) and two FBS (Oregon) teams that have played in the national championship game. He has coached with Frost each of the last four seasons and for a total of nine seasons.

Chinander came to Lincoln after leading a dramatic defensive turnaround in his two seasons at UCF. Chinander inherited a Knight defense that had allowed 37.7

points per game in 2015 and two years later, UCF lowered that average to 25.3 points per game, allowing nearly two fewer touchdowns per game. Chinander also helped UCF improve its national ranking in scoring defense by 65 spots in his two seasons.

A trademark of Chinander's UCF defense was creating takeaways. The Knights forced 58 turnovers in 26 games in Chinander's two seasons, ranking second nationally in takeaways in 2017 and 18th in 2016. The 58 takeaways over the 2016 and 2017 seasons combined ranked third nationally, and UCF was one of only six teams to force 25 turnovers both seasons and one of just eight teams to rank in the top 20 nationally in takeaways in both 2016 and 2017.

In helping the Knights to a perfect 13-0 season and a conference title in 2017, Chinander's defense played a major role in UCF's 11-0 regular season, the first perfect regular season in school and American Athletic Conference history. UCF led the AAC in defensive touchdowns and ranked third in the AAC in scoring defense and pass efficiency defense.

Individually, six Knights earned all-conference accolades, including a league-high four first-team honorees. Linebacker Shaquem Griffin, who was on the preseason watch list for several national defensive honors including the Butkus Award, was the only player in the conference to be a unanimous All-AAC selection. Cornerback Mike Hughes, a first-year transfer from Garden City Community College, earned second-team All-America honors in 2017, becoming the Knights' first All-American in four seasons.

Hughes (first round), the highest defensive draft pick in school history, and Griffin (fifth round) were also selected in the 2018 NFL Draft. Their selections marked just the second time in school history that UCF had multiple defensive players drafted.

In his first season at UCF, the defense was the key to Central Florida leading the nation with a six-win improvement from the 2015 to 2016 season. The Knights ranked in the top 10 nationally in four defensive categories and in the top 25 in nine categories. UCF was second nationally in red zone defense, third in defensive touchdowns, sixth in third-down defense, ninth in tackles for loss, 12th in pass efficiency defense, 17th in sacks, 18th in turnovers forced, 22nd in interceptions and 24th in fumbles recovered. Griffin was the 2016 American Athletic Conference Defensive Player of the Year after ranking ninth nationally in tackles for loss (20.0) and 11th in sacks (11.5). He was also a first-team all-conference selection as a total of four Knights earned All-American Athletic Conference accolades.

UCF marked Chinander's first defensive coordinator job. Previously, he coached the outside linebackers at Oregon in 2014 and 2015, when Frost was the Ducks' offensive coordinator. Chinander's linebackers helped Oregon

play in the inaugural College Football Playoff National Championship Game in 2014. Chinander also served as a defensive graduate assistant at Oregon in 2011 and 2012, when the Ducks ranked in the top 25 nationally in scoring defense, and as an intern in 2010.

In Chinander's five total seasons on the Duck staff, Oregon posted a 58-10 record, won three conference titles and twice played for the national championship.

In between his two stints at Oregon, Chinander gained NFL experience by serving as the assistant defensive line coach on Chip Kelly's Philadelphia Eagles staff in 2013. With the Eagles, Chinander worked as an assistant to defensive line coach Jerry Azzinaro and helped with game and practice plans, coordinating the scout teams and evaluating current and future personnel. The Eagles won the NFC East that season with a 10-6 record.

Previously, Chinander served as an offensive assistant, coaching the tight ends at Northern Iowa for six seasons from 2004 to 2009, including two seasons when Frost was on the Panther staff (2007 and 2008). In addition to coaching the tight ends, Chinander assisted with the defensive and specialist scout teams. He also made a huge impact in the Panthers' recruiting, helping UNI win three conference titles and make three appearances in the Football Championship Subdivision (FCS) playoffs, including a runner-up finish in 2005 and a semifinal appearance in 2008.

In his first coaching stop in 2003, Chinander was the offensive and defensive line coach for Ellsworth Community College in Iowa Falls, Iowa, where he also coordinated the strength and conditioning programs for football and men's and women's basketball. The Panthers finished second in the region and three of his players garnered first-team, all-region accolades.

As a player, Chinander was a walk-on offensive lineman for the Iowa Hawkeyes from 1998 to 2002. As a senior, Iowa shared the Big Ten title and earned a spot in the Orange Bowl. Chinander received the Hawkeyes' Offensive Team Leader Award that season.

Troy Walters will coordinate Nebraska's offense in 2018 after serving as Scott Frost's offensive coordinator the past two seasons at UCF. One of the nation's top assistants, the 2017 Broyles Award Finalist is in his 10th year as an assistant, including seventh season at a Power Five school.

Walters' offense played a major role in UCF posting the greatest two-year turnaround in modern college football history. The Knights showed dramatic offensive improvement in each of Walters' two seasons and were the nation's most improved offense in 2017. Walters inherited an offense that ranked 125th nationally in scoring offense (13.9 ppg) and

127th in total offense (268.4 ypg). Two years later, UCF led the nation in scoring in 2017 and ranked fifth in total offense. In Walters' two seasons, UCF increased its scoring production by more than 35 points per game and its total offense output by more than 270 yards per game.

In 2017, Walters was one of five finalists for the Broyles Award, presented annually to the nation's top assistant coach. UCF led the country in scoring at 48.2 points per game, and the Knights were the only team to score at least 30 points in every game. UCF also ranked fifth nationally in total offense with an average of 530.5 yards per game. The Knights recorded more than 600 yards of total offense four times, including 727 yards in the American Athletic Conference Championship Game victory over No. 16 Memphis, the ninth-highest yardage total of any team in 2017. UCF also topped the 60-point mark a nation-leading four times, including 62 points in the conference title game and 73 points against Austin Peay, the third-highest point total by an FBS team in 2017.

UCF ranked fifth nationally in completion percentage in 2017 and 10th in passing. In addition to boasting one of the nation's top passing offenses, the Knights averaged 5.2 yards per carry and ranked ninth nationally with 39 rushing touchdowns. UCF demonstrated its balance and explosiveness by ranking in the top 25 nationally in both yards per pass and yards per rush.

Individually, sophomore quarterback McKenzie Milton was the 2017 American Athletic Conference Player of the Year and was one of seven UCF offensive players to earn all-conference honors. Milton ranked second nationally in passing efficiency, was fourth in completion percentage, total offense and touchdown passes and seventh in passing yards.

In addition to his offensive coordinator duties, Walters also coached the Knight wide receivers, and he excelled in that area as well. All-AAC pick Tre'Quan Smith was fourth nationally in receiving touchdowns in 2017 and 12th in receiving yards. Smith declared for the NFL Draft following his junior season and was a third-round selection.

In Walters' first season in 2016, UCF improved 59 spots in scoring offense, averaging 15 more points per game from the 2015 season. The Knights ranked 12th nationally in red zone offense, and Smith totaled 57 catches for 853 yards and five touchdowns.

Walters came to Orlando following a three-year stint as the receivers coach and recruiting coordinator at Colorado. He coached Nelson Spruce for three seasons, helping Spruce set 41 school records, including CU's all-time marks in receptions (294), receiving yards (3,347) and receiving touchdowns (23). Spruce was a two-time All-Pac-12 performer and was one of 10 semifinalists for the Biletnikoff Award in 2014, when he tied a Pac-12 record with 19 receptions against California. In 2015, Spruce ranked 12th nationally in receptions per game and was one of six Colorado receivers with at least 20 catches. In 2014, Spruce set school records with 106 catches and 12 receiving touchdowns. Walters also coached Paul Richardson to first-team all-conference accolades in 2014, when Richardson set a school record with 1,343 receiving yards and was the first Buffalo wide receiver to

earn first-team all-conference honors in nearly 20 years. During his time at Colorado, Walters' receivers posted the top three single-season reception totals in CU history and the top two receiving yard totals.

As recruiting coordinator, Walters played a key role in recruiting players that helped the Buffaloes win 10 games in 2016, play in the Pac-12 Championship Game and finish with a No. 17 final ranking.

Before going to Colorado, Walters was the receivers coach at NC State in 2012, where he helped three Wolfpack receivers each post at least 44 catches and 620 receiving yards. Walters coached receivers for the first time in the FBS ranks for two seasons at Texas A&M in 2010 and 2011. With the Aggies, Ryan Swope and Jeff Fuller both set the school record with 72 receptions in 2010, and Fuller set the program record with 1,066 receiving yards. Swope then broke both records with 89 catches and 1,207 yards in 2011.

Walters began his coaching career as Indiana State's offensive coordinator in 2009. He also coached the quarterbacks and receivers with the Sycamores.

As a player, Walters set Stanford all-time records with 244 receptions, 3,986 yards and 19 100-yard receiving games in his four-year career from 1996 to 1999. He also set Stanford season records with 86 catches in 1997 and 1,456 receiving yards in 1999. Walters also ranks second in Cardinal history with 26 career touchdown receptions, and he had a school-record 278 receiving yards against UCLA in 1999. In the Pac-12 record book—which includes bowl statistics—Walters is credited with 4,047 career receiving yards, the most in conference history. He was a consensus All-American, the Pac-10 Offensive Player of the Year and the Biletnikoff Award winner as a senior in 1999, when Stanford won its first conference title since 1971.

Following Stanford, Walters was selected in the fifth round of the 2000 NFL Draft. He played eight seasons in the NFL and totaled 98 catches for 1,135 yards and nine touchdowns with more than 3,800 return yards.

A former Husker offensive guard, Greg Austin returns to his alma mater for his first season on the Nebraska staff in 2018. Austin has spent the last eight seasons coaching in the collegiate and NFL ranks, including the past two seasons as the offensive line coach under Scott Frost at Central Florida. Austin has spent a total of five seasons coaching with Frost.

In 2017, Austin's line paved the way for the culmination of the

Knights' remarkable two-year offensive turnaround. The Knights were the only FBS team to score 30 points in every game, and they led the nation in scoring. UCF averaged 48.2 points per game in 2017, just two seasons after UCF scored the third-fewest points in the country in 2015, averaging just 13.9 points per game.

UCF won the American Athletic Conference title in 2017, putting together the first perfect regular season in school and AAC history en route to a 13-0 record and No. 6 final ranking. The Knights not only led the country in scoring but ranked fifth in total offense, second in passing efficiency and 10th in passing. Austin's offensive line allowed only 13 sacks to rank fifth nationally, and his unit helped the Knights average 5.2 yards per carry and score 39 rushing touchdowns, which ranked ninth nationally. In a testament to his line's versatility, UCF ranked in the top 25 nationally in both yards per pass and yards per rush in 2017. Both offensive tackles and UCF's center were recognized as all-conference performers, while quarterback McKenzie Milton was the AAC Offensive Player of the Year.

Austin's first year at UCF in 2016 marked his first full-time coaching job at the collegiate level. He helped the Knights become the nation's most improved team in 2016, as UCF won six games following a winless season in 2015. Austin's line helped the offense make tremendous strides in Frost's first season, as the Knights moved up 59 spots in the scoring offense national ranking.

Previously, Austin spent three seasons as the assistant offensive line coach from 2013 to 2015 on Chip Kelly's Philadelphia Eagles staff. The Eagles ranked in the top five in the NFL in total offense in both 2013 and 2014. Philadelphia won the NFC East in 2013, when LeSean McCoy led the NFL in rushing. Offensive tackle Jason Peters earned a Pro Bowl selection in each of Austin's three seasons in Philadelphia, while guard Evan Mathis was a Pro Bowler in 2013 and 2014 and center Jason Kelce was a 2014 Pro Bowl selection.

Before coaching in the NFL, Austin coached with Frost for three seasons at Oregon, serving as an intern in 2010 and as the Ducks' offensive graduate assistant in 2011 and 2012. Oregon posted a 36-4 record and finished in the top five in each of Austin's three seasons on staff, winning two conference titles and playing for the 2010 national championship game, when the Ducks led the country in scoring and total offense. Overall, Oregon ranked in the top 10 nationally in both scoring and total offense in each of Austin's three seasons in Eugene.

As a player at Nebraska, Austin battled injuries throughout his career. He made 18 career starts at offensive guard and was an honorable-mention All-Big 12 pick as a senior in 2006, when the Huskers played in the Big 12 Championship Game and the Cotton Bowl. Austin was also a two-time academic All-Big 12 selection in the classroom.

Originally from Cypress, Texas, Austin earned his bachelor's degree in management from Nebraska in 2006. He went on to earn two master's degrees in business management and sports management from UCF, and before entering the coaching ranks, Austin spent time as an event manager at the ESPN Wide World of Sports Complex at Walt Disney World Resort.

LED BY AUSTIN'S OFFENSIVE LINE, UCF WAS THE ONLY TEAM TO RANK IN THE TOP 10 NATIONALLY IN BOTH PASSING & RUSHING TOUCHDOWNS IN 2017.

final season at UCF in 2017, Beckton helped the Knights post the first perfect season in program history and the first undefeated season in AAC history. UCF was the only FBS team to go undefeated in 2017, and the Knights finished with a No. 6 ranking after defeating No. 7 Auburn in the Peach Bowl.

Beckton contributed in a variety of ways to Frost's success in his two seasons at UCF. Beckton's tight ends helped UCF post the nation's most improved offense in 2017, when the Knights led the nation in scoring and ranked fifth nationally in total offense. As UCF's recruiting coordinator, he helped Frost land several of the Knights' standout players. Sophomore quarterback McKenzie Milton was the 2017 American Athletic Conference Offensive Player of the Year and each of the Knights' three leading rushers and four of the top six receivers were either freshmen or sophomores.

As the Knights' tight ends coach, Beckton's group recorded 87 catches for 1,345 yards and seven touchdowns the past two seasons. In 2017, the unit totaled 49 receptions for 818 yards and caught five touchdown passes while averaging 16.7 yards per reception. In 2016, UCF's tight ends combined for 38 catches, 527 receiving yards and a pair of touchdown catches.

Individually, Jordan Akins posted his best two seasons under Beckton's coaching. Akins set career highs with 32 receptions for 515 yards and four touchdowns as a senior in 2017, when he was a first-team all-conference selection and was named to the John Mackey Award preseason watch list. In 2016, Akins caught 23 passes for 347 yards. Following his senior season, Akins was selected in the third-round of the 2018 NFL Draft.

Before Frost's arrival, Beckton coached the UCF wide receivers from 2012 to 2015, his second stint in that role. Working with a young unit in 2015, Tre'Quan Smith finished with 52 catches for 724 yards, both of which set UCF freshman records. The 2015 American Athletic Conference Rookie of the Year, Smith went on to be a first-team All-AAC selection and Biletnikoff Award nominee in 2017. In 2014, four Knights totaled 500 receiving yards for the first time in program history, led by Breshad Perriman's 1,044 yards. Perriman went on to be a first-round pick in the 2015 NFL Draft. In 2013, three wideouts had at least 500 receiving yards to help UCF to a 12-1 record, an AAC title and a Fiesta Bowl win over Baylor. In Beckton's first year coaching the wide receivers in 2012, the Knights totaled more than 3,100 receiving yards and 28 receiving touchdowns.

Beckton coached the wide receivers after leading the UCF defensive backs from 2009 to 2011. The Knights ranked in the top 25 nationally in passing defense in 2011 when cornerback Josh Robinson was a first-team all-conference selection before being selected in the third round of the 2011 NFL Draft. In 2010, UCF won 11 games, a Conference USA title and produced the program's first bowl win and the school's first national

Veteran coach Sean Beckton will be a first-year Husker assistant in 2018 after previously spending his entire coaching career in Florida. A 22-year coaching veteran, Beckton spent 19 seasons coaching at Central Florida, his alma mater, including serving as the Knights' tight ends coach and recruiting coordinator under Scott Frost the past two seasons.

At UCF, Beckton was a member of the coaching staff for four of the Knights' five conference titles in program history, including three American Athletic Conference championships the past five seasons. In his

ranking. Two of Beckton's defensive backs were first-team all-conference selections that season. In 2009, he guided Robinson to freshman All-America honors and helped converted quarterback Michael Greco earn an NFL free agent contract after just one year as a safety.

Beckton's first full-time coaching stint at UCF came as the wide receivers coach from 1996 to 2003. During that time he coached a slew of top wideouts, including three who went on to NFL careers. His most high-profile pupil was Brandon Marshall, who caught 74 passes for 1,195 yards in 2005 before being selected in the fourth round of the 2006 NFL Draft. Marshall has played 12 seasons in the NFL and is a six-time Pro Bowler who has amassed more 950 catches and 12,000 receiving yards. Beckton also received his start in the coaching profession as an offensive graduate assistant at UCF in 1992 and 1993.

In addition to his 19 total seasons at UCF, Beckton coached the wide receivers for the Orlando Predators of the American Football League in 2008 and spent three years as an assistant coach at Mainland (Fla.) High School from 1993 to 1996, where he also taught history. He helped Mainland to a pair of state championships and also worked with the basketball team, where he coached future NBA star Vince Carter.

Originally from Daytona Beach, Fla., Beckton was a star wide receiver at UCF from 1987 to 1990. He ended his career as the program's all-time leader with 196 receptions and 2,493 receiving yards and is a member of the UCF Athletics Hall of Fame. Against Texas Southern as a senior, Beckton threw a touchdown pass, ran for a touchdown, caught a touchdown pass and scored on a punt return touchdown.

Mike Dawson followed Scott Frost from Central Florida to Nebraska after spending the past two seasons on the UCF staff. Dawson boasts 19 years of coaching experience, including three seasons in the National Football League.

Dawson helped Frost and defensive coordinator Erik Chinander turn around the UCF defense as the Knights' defensive line coach in 2016 and 2017. Dawson helped the Knights improve by more than 12 points per game in scoring defense. The defense helped out the offense by forcing 58 turnovers and scoring nine defensive touchdowns in two seasons. UCF ranked third nationally in turnovers forced in Dawson's two seasons at the school, and his defensive line played a key role in that area by helping the Knights recover 23 fumbles the past two seasons.

In 2017, Dawson's defensive line helped UCF post the first

perfect season in program history and in the history of the American Athletic Conference when Central Florida finished 13-0 as the nation's only undefeated team. The Knights ranked third in the league in scoring defense and fourth in rushing defense. Two of his three starting defensive linemen earned all-conference accolades, including Jamiyus Pittman, a member of the Outland Trophy watch list who was an All-AAC performer for the second straight season.

In Dawson's first season at UCF in 2016, the Knights ranked in the top 10 nationally in four defensive categories and in the top 25 in nine categories. Dawson's defensive line played a major role in UCF ranking second nationally in red zone defense, sixth in third-down defense, ninth in tackles for loss, 17th in sacks, 18th in turnovers forced and 24th in fumbles recovered. The defense was the key to Central Florida leading the nation with a six-win improvement from the 2015 to 2016 season.

Dawson was hired by Frost at UCF after spending three seasons on Chip Kelly's Philadelphia Eagles staff. Dawson served as a defensive quality control coach in 2013, when the Eagles won the NFC East and ranked third in the NFL with 31 takeaways. He spent the next two seasons as an assistant defensive line coach. In 2014, Dawson helped Philadelphia rank second in the NFL in sacks (49) and fifth in opponent yards per carry (3.7).

Previously, Dawson was Boston College's special teams coach for three seasons from 2009 to 2011. In his first year, kicker Steve Aponavicius set school records for career points, extra points made and field-goal percentage. In his second season with the Eagles, kicker Nate Freese was 22-of-25 on field goals, and he went on to break Aponavicius' career scoring record. Dawson also coached punter Ryan Quigley, who has spent the last five seasons as a starting punter in the National Football League.

In his first full-time job at the FBS level, Dawson coached the Akron linebackers for three seasons from 2006 to 2008. With the Zips he tutored all-conference linebacker Brion Stokes, who ended his career with 38.5 tackles for loss, the second-most in school history.

Dawson came to Akron following a six-year stint at New Hampshire from 2000 to 2005. He held three different positions with the Wildcats, coaching the linebackers in 2000 and 2002-03, the offensive line in 2001 and serving

as defensive coordinator in 2004 and 2005. In his two seasons leading the defense, New Hampshire posted a 21-5 record and reached the 2005 FCS quarterfinals, when the Wildcats led the country with 45 takeaways.

Originally from Pepperell, Mass., Dawson started his coaching career as the defensive line coach in the spring of 1998 for UMass-Lowell before he joined Maine as a defensive assistant for the 1998 season. After spending one season with the Bears, Dawson moved on to Pittsburgh as a graduate assistant in 1999.

As a player, Dawson was a three-year starter at linebacker and defensive end from 1995 to 1997 at UMass-Amherst.

During the Knights' run to a perfect season and conference title in 2017, Dewitt's linebackers helped UCF lead the AAC in defensive touchdowns, while ranking third in scoring defense and pass efficiency defense. Two of Dewitt's four starting linebackers earned all-conference accolades in 2017, when the Knights posted the first perfect season in AAC history and were the only undefeated team in the country. Butkus Award candidate Shaquem Griffin was a first-team all-league selection and was the only player to be a unanimous All-AAC pick. Griffin went on to be a fifth-round selection in the 2018 NFL Draft.

In Dewitt's first season at UCF in 2016, his linebacking corps played a lead role in the Knights ranking in the top 10 nationally in four defensive categories and in the top 25 in nine categories. UCF ranked second nationally in red zone defense, sixth in third-down defense, ninth in tackles for loss, 17th in sacks, 18th in turnovers forced and 24th in fumbles recovered. The defense was the key to Central Florida leading the nation with a six-win improvement from the 2015 to 2016 season. Griffin was named the 2016 American Athletic Conference Defensive Player of the Year after ranking ninth nationally in tackles for loss (20.0) and 11th in sacks (11.5).

Dewitt also made an impact as special teams coordinator. UCF ranked fourth nationally in kickoff returns in 2017 and sixth in punt returns. Individually, Mike Hughes ranked third nationally in kickoff returns and was fourth with two kickoff return touchdowns. Punter Mac Loudermilk pinned the opponent inside the 20-yard line in 45 percent of his punts the past two seasons, while kicker Matthew Wright connected on 17 field goals in 2016 and was named to the 2017 Lou Groza Award watch list.

Before joining Frost's staff in Orlando, Dewitt was the special teams coordinator and linebackers coach at Army West Point in 2014 and 2015. As special teams coordinator, Dewitt helped the Black Knights combine for seven blocked kicks in his two seasons. Dewitt spent the 2012 and

Jovan Dewitt brings a wealth of coaching experience into his first season on the Nebraska staff in 2018. Dewitt has 18 years as a college coach, including nine seasons as a defensive coordinator and four years as a special teams coordinator. Dewitt spent the past two seasons as the associate head coach for Scott Frost at Central Florida, where he worked with the linebackers and served as the special teams coordinator.

At UCF, Dewitt helped Frost and defensive coordinator Erik Chinander turn around the Knight defense. The UCF staff inherited a unit that ranked among the nation's bottom 10 defenses in both scoring and total defense in 2015. But in just two seasons, Dewitt helped the Knights improve their scoring defense ranking by 65 spots, as UCF went from allowing 37.7 points per game in 2015 to 25.3 points per game in 2017. Dewitt's linebackers also played a role in Central Florida ranking third nationally with 58 combined takeaways in the 2016 and 2017 seasons.

2013 seasons at Florida Atlantic, where he coached the linebackers and served as the interim defensive coordinator midway through the 2013 season. The Owls ranked 11th nationally in total defense that season and were second in pass defense and eighth in fewest first downs allowed. FAU also set a school record with 32 sacks in 2013 and cornerback D'Joun Smith was second nationally in passes defended and third in interceptions.

Dewitt took over defensive coordinator duties from Frost at Northern Iowa in 2009 and spent three seasons with the Panthers. UNI reached the Football Championship Subdivision (FCS) playoffs twice and posted a 24-11 record in Dewitt's three seasons. He coached linebacker LJ Fort to All-America honors and Fort was the 2011 FCS National Defensive Player of the Year. In Fort's 2012 NFL debut, he became the first player since 1996 to record a sack and an interception in his first career NFL game.

Before moving up to the FCS level, Dewitt was the defensive coordinator at St. Norbert for three seasons (2006-08). He also served as defensive coordinator at Northern Michigan in 2004 and 2005. In 2003, Dewitt was an assistant coach at Fairmont State, and his first full-time coaching job was as an assistant coach at Fort Scott (Kan.) Community College in 2002. Dewitt also served as a graduate assistant at Northern Michigan, his alma mater, in 2000 and 2001, and he was a student assistant with the Wildcats in 1997.

As a player at Northern Michigan, Dewitt was a two-time All-American and the 1996 Midwest Intercollegiate Football Conference Defensive Player of the Year. He played three seasons in the Arena Football League following his college career.

Former NFL cornerback Travis Fisher will spend his first season on the Husker sideline in 2018, where he will coach the defensive backs. Fisher followed Scott Frost to Lincoln after coaching the defensive backs the past two seasons as a member of the staff at Central Florida.

At UCF, he helped Frost and defensive coordinator Erik Chinander turn the UCF defense into one of the top units in the

American Athletic Conference. Fisher's defensive backs were a big reason why the Knights were able to record 58 takeaways and score nine defensive touchdowns the past two seasons. UCF ranked third nationally in takeaways over the 2016 and 2017 seasons combined, and the Knights ranked fifth with 35 interceptions, including 26 from Fisher's defensive backs. In 2017, UCF led the AAC and was second nationally in interceptions.

In 2017, Fisher's unit helped UCF go 13-0 as the nation's only undefeated team while posting the first perfect season in school and American Athletic Conference history. The Knights led the league in interceptions and defensive touchdowns and ranked third in scoring defense and pass efficiency defense. UCF's 20 interceptions not only led the conference but ranked fifth nationally, with 15 of the interceptions by Fisher's defensive backs, two of which were returned for touchdowns.

One of those interceptions was a game-ending pick by Tre Neal in the second overtime of the American Athletic Conference Championship win over No. 16 Memphis. Another was an interception by Antwan Collier with 24 seconds remaining that sealed the Knights' Peach Bowl win over No. 7 Auburn. Cornerback Mike Hughes and safety Kyle Gibson were both first-team all-conference selections and both players ranked in the top 25 nationally in interceptions. Hughes, a first-year junior college transfer, went on to earn second-team All-America honors before being a first-round selection in the 2018 NFL Draft, eclipsing Fisher as the highest-drafted defensive back in Central Florida history.

The production of Fisher's defensive backs in 2017 came after five defensive backs from the 2016 roster signed NFL contracts following the season, including third-round draft pick Shaquill Griffin.

Led by Griffin, Fisher's defensive backs played a big role in UCF's 2016 season, when the Knights were the nation's most-improved team. UCF posted the top pass efficiency defense in the American Athletic Conference and the 12th-best mark nationally, while the defensive backs totaled 12 of the Knights' 15 interceptions – a total that ranked 22nd nationally. The group also returned four interceptions for touchdowns, helping UCF rank third nationally with five defensive touchdowns. Individually, Griffin led the AAC and was fifth nationally with 1.5 passes defended per game, and his 15 pass breakups in 2017 and 36 career breakups were both the second-most in UCF history. Drico Johnson also set a school record by becoming the first UCF player to score two defensive touchdowns in one game, accomplishing the feat against Tulane.

A former Knight cornerback, Fisher also spent the 2015 season at UCF, where he coached the cornerbacks in his first season as an FBS assistant. Fisher began his coaching career as a defensive quality control assistant with UCF in 2013, when the Knights went 12-1 and finished with a No. 10 ranking after defeating Baylor in the Fiesta Bowl. Fisher also spent one season as the cornerbacks coach at Southeast Missouri State in 2014 before returning to Orlando.

As a player, Fisher totaled 130 tackles with the Knights from 1999 to 2001. He was selected in the second round of the 2002 NFL Draft with the 64th overall pick by the St. Louis Rams. Fisher had been the highest drafted defensive back in UCF history before his pupil Hughes was selected win the

first round with the 30th overall pick in the 2018 NFL Draft. Fisher went on to spend nine seasons in the NFL and led the NFL with two interception returns for touchdowns and 205 interception return yards in 2003.

Originally from Tallahassee, Fla., Fisher earned his bachelor's degree from UCF in 2001.

Ryan Held returned to his alma mater in December of 2017, when he was hired on Scott Frost's Husker staff. Held played with Frost for two seasons at Nebraska in 1995 and 1996 and coached with Frost the past two seasons at Central Florida.

A coaching veteran with 12 years of head coaching experience, Held has won a total of four national championships in his career, including two as a player and two as a coach.

At UCF, Held coached the running backs for a program that was the nation's most improved team in 2016 and posted the first perfect season in UCF and American Athletic Conference history in 2017, when the Knights were the only unbeaten team in the country. With help from

A TWO-TIME NATIONAL CHAMPIONSHIP COACH, HELD'S UCF RUNNING BACKS COMBINED FOR 1,823 RUSHING YARDS & 24 TOUCHDOWNS IN 2017.

Held's running backs, the Knights' offense showed dramatic improvement, increasing their scoring production by nearly 35 points per game from 2015 to 2017 and their total offense output by more than 260 yards per game.

Held's running backs helped UCF rush for more than 2,500 yards during its perfect season and run to the American Athletic Conference title in 2017. Adrian Killins Jr. averaged 6.5 yards per carry en route to earning all-conference accolades as a sophomore. Killins added 10 rushing touchdowns, including a 96-yard score in the regular-season matchup with Memphis, the longest rush and longest play from scrimmage in both UCF and AAC history. As a unit, Held's running backs combined for 24 rushing touchdowns in 2017 and turned the ball over only three times in 13 games. As a team, UCF ranked ninth nationally with 39 rushing touchdowns.

In Held's first season at UCF in 2016, the Knights rushed for nearly 2,000 yards, including more than 800 yards from freshmen. Killins averaged 6.5 yards per carry, while senior Dontravious Wilson scored eight rushing touchdowns after scoring only three times in his first three seasons combined.

Before joining Frost at UCF, Held made his name in the coaching community as a junior college, Division II and NAIA head coach. He spent four seasons as a junior college head coach, including two years each at Northeastern Oklahoma A&M (2014-15) and Highland (Kan.) Community College (2012-13). Held coached 22 all-conference selections in his final season at Northeastern Oklahoma A&M and led Highland to the playoffs in 2013 for the first time in the modern era. In his four years as a junior college head coach, Held sent more than 50 players to Division I schools. Held's first stint in the junior college ranks was as the offensive coordinator for Butler (Kan.) Community College in 2011, when the Grizzlies went 11-1 and ranked second nationally in total offense.

Previously, Held spent seven seasons as a Division II head coach. He led the Southwestern Oklahoma State program for four seasons from 2005 to 2008, guiding the team to a conference title in 2007, one year after he was named the division coach of the year. Held coached Oklahoma

Panhandle State from 2002 to 2004, and his first full-time coaching job was as head coach at Peru State in 2001, an NAIA school in Peru, Neb. Upon his hiring by Peru State, Held was the youngest head football coach in the country (age 26), and he led the Bobcats to a second-place league finish in his only season.

Held began his coaching career as a defensive graduate assistant at Tennessee in 1998 and 1999, with the Volunteers winning the 1998 national championship.

Held was a two-time national champion himself as a Husker from 1993 to 1996. Nebraska posted a 47-3 record during Held's career with three conference titles. At Nebraska, Held was a teammate of Frost's during the 1995 and 1996 seasons. Following his playing career, Held was an undergraduate assistant coach for the Huskers in 1997 working with the running backs. That season Frost led Nebraska to a 13-0 record and a national title as NU's starting quarterback.

Barrett Ruud, the all-time leading tackler in Nebraska history, returned to coach his alma mater as a member of Scott Frost's staff. Ruud will serve at Nebraska's inside linebackers coach in 2018.

Following an eight-year career as an NFL linebacker, Ruud got his start in coaching on the Nebraska

staff as a defensive intern in 2014. Ruud then served as a quality control administrator on Frost's staff at Central Florida the past two seasons, helping the Knights to the greatest two-year turnaround in modern college football history, including a 13-0 record in 2017, when UCF was the nation's only unbeaten team and won the American Athletic Conference title and the Peach Bowl.

Ruud was hired as part of Frost's Nebraska staff in early December, but was elevated to an assistant coach role in January, on the first day that FBS football programs were allowed to add a 10th full-time assistant coach.

Ruud boasts extensive knowledge of the linebacker position from his playing days. He totaled a school-record 432 tackles in his Nebraska career, 90 more than any other Husker. He was a freshman All-American, a three-time All-Big 12 selection and a 2004 third-team All-American. Ruud played in the 2002 Rose Bowl, when Nebraska battled Miami for the national championship.

Following his Husker career, Ruud was a second-round pick in the 2005 NFL Draft, when the Tampa Bay Buccaneers selected him with the 36th overall pick. Ruud spent eight seasons in the NFL, recording 658 tackles with six sacks, seven interceptions and six forced fumbles. He played six seasons in Tampa Bay and also played for Tennessee, New Orleans and Houston.

Ruud will be part of a Nebraska defensive staff that includes four other full-time assistants who worked at UCF the past two seasons, led by defensive coordinator Erik Chinander. Together the group, helped UCF make dramatic improvements over the past two seasons. The Knights were also among the top teams in the nation in takeaways, with their 58 takeaways the past two seasons ranking third among FBS schools in that time period.

Milton made great strides under Verduzco in 2017, posting one of the nation's best individual seasons. Milton completed more than 67 percent of his passes and threw for 4,037 yards with a school-record 37 touchdowns. He also ran for 613 yards and averaged 5.8 yards per carry while scoring eight touchdowns. 2018 NEBRASKA SEASON NOTEBOOK

FROST SET FOR FIRST SEASON

Scott Frost will lead his first Nebraska team as head coach this fall. Frost is in his third season overall as a head coach after guiding Central Florida to a 19-7 record the past two seasons.

- Frost was the consensus 2017 national coach of the year after leading UCF to a 13-0 season. The Knights were the only FBS team to go undefeated in 2017.
- In Orlando, Frost led the greatest two-year turnaround in college football history. He inherited an 0-12 team and led the Knights to a bowl game in his first season on the UCF sideline in 2016. That set the stage for Frost to become the first coach in FBS history to turn a winless team into an undefeated team in just two years.
- Frost brought all nine of his UCF assistant coaches with him to Lincoln. Barrett Ruud also followed Frost to Lincoln after serving as a quality control administrator with the Knights. Ruud was promoted to inside linebackers coach in January, when the NCAA permitted schools to add a 10th assistant coach.
- Before becoming UCF's head coach in 2016, Frost spent seven seasons at Oregon (2009-15) and two years at Northern Iowa (2007-08). Included in those stops were stints as the Ducks' offensive coordinator from 2013 to 2015 and as the Panthers' defensive coordinator in 2008.
- Frost has been a proven winner in his coaching career. In 11 seasons as a full-time assistant or head coach, Frost's teams have posted a 122-25 record, averaging more than 11 wins per season. Frost has been a part of seven conference championship teams in his 11 seasons and has twice coached in the national championship game.
- Frost's teams have been ranked in the top 15 in 10 of his 11 seasons, including eight top-10 final rankings and six top-five final rankings.
- A Nebraska native, Frost is the fifth Husker player to return to Nebraska as head coach. His staff also features former Husker players Greg Austin (2003-06), Ryan Held (1993-96) and Barrett Ruud (2001-04).
- Frost will begin his Husker coaching career against the Akron Zips, the same team he faced in the season opener of his senior season at Nebraska. Against Akron on Aug. 30, 1997, Frost led Nebraska to a 59-14 victory by rushing for 123 yards and two touchdowns on 11 carries and completing 7-of-13 passes for 67 yards. Nebraska went on to go 13-0 en route to sharing the national championship.

Scott Frost is the fifth former Husker to return to Nebraska as head coach. Frost's staff features three other former Huskers in Greg Austin (offensive line), Ryan Held (running backs) and Barrett Ruud (inside linebackers).

The fresh faces on staff are seven assistants who are Nebraska newcomers: defensive coordinator Erik Chinander, offensive coordinator Troy Walters, special teams coordinator and outside linebackers coach Jovan Dewitt, tight ends coach Sean Beckton, defensive line coach Mike Dawson, defensive backs coach Travis Fisher and quarterbacks coach Mario Verduzco.

Although all 11 members of the staff will be coaching in the Big Ten for the first time this fall, the staff boasts plenty of big-time experience. The staff owns a collective 25 years of coaching experience at nine different Power Five programs. Austin, Chinander and Dawson also spent a combined five seasons coaching in the National Football League.

Nebraska Head Coach Scott Frost brought a top-notch staff with him from Orlando to Lincoln. In addition to Frost being named the 2017 conference, regional and national coach of the year, both Husker coordinators have been nominees for the Broyles Award - presented to the nation's top assistant coach - in the past two seasons, while Zach Duval was selected as the 2017 National Football Strength & Conditioning Coach of the Year.

- Frost was the consensus choice for 2017 national coach of the year, after he led UCF to a 13-0 record as the nation's only undefeated team. Frost was named the 2017 national coach of the year by the following eight organizations:
 - AFCA Coach of the Year
 - Paul "Bear" Bryant Coach of the Year
 - Associated Press Coach of the Year
 - ESPN Home Depot Coach of the Year
 - Eddie Robinson Coach of the Year
 - Lombardi Award Coach of the Year
 - Touchdown Club of Columbus Coach of the Year
 - Fellowship of Christian Athletes Coach of the Year
- Frost was also a semifinalist for the George Munger Award in 2016 and a finalist in 2017. He joined Alabama's Nick Saban and Wisconsin's Paul Chryst as the only two coaches nationally to be a semifinalist for the Munger Award in both 2016 and 2017.
- Duval was named the 2017 Football Scoop National Strength & Conditioning Coach of the Year.
- Defensive coordinator Erik Chinander was one of 40 nominees for the 2016 Broyles Award, when he helped UCF rank in the top 10 nationally in four defensive categories and in the top 25 in nine categories.
- Offensive coordinator Troy Walters was one of five finalists for the 2017 Broyles Award after helping UCF lead the nation in scoring and rank fifth in total offense.

STAFF FEATURES FAMILIAR & FRESH FACES

All 11 members of Nebraska's 2018 coaching staff are in their first season with the Huskers. None of the 11 had ever been a full-time coach at Nebraska before, but the staff still has plenty of Husker ties.

Head Coach Scott Frost played for Nebraska from 1995 to 1997 and served as a graduate assistant coach during the Huskers' preparations for the 2002 Independence Bowl. Running backs coach Ryan Held also played for Nebraska (1993-96) and was an undergraduate coach on Nebraska's 1997 national championship team. Barrett Ruud (2001-04) and Greg Austin (2003-06) are also former Huskers, although neither had ever coached at Nebraska prior to this season.

NEBRASKA TO FACE TOUGH 2018 SCHEDULE

Nebraska will face one of the nation's toughest schedules in 2018. The Huskers' 2018 opponents combined for a 98-58 record in 2017.

- Nebraska will play five games against opponents who won at least 10 games in 2017, the second-highest total nationally.
- The Huskers will play nine games against teams that made a bowl game in 2017, the second-highest total nationally. Nebraska is the only Big Ten team who will play nine games against 2017 bowl teams.
- NU will play a nation-leading seven games against teams that won a bowl game in 2017.
- Nebraska will face four teams who finished the 2017 season ranked in the top 20 of the Associated Press poll. That group includes No. 5 Ohio State (road), No. 7 Wisconsin (road), No. 15 Michigan State (home) and No. 17 Northwestern (road).
- The Huskers will face one of the toughest road schedules in the country in 2018. Each of NU's five road opponents won at least eight games in 2017 while combining for a 51-16 record.
- Three of the Huskers' five road opponents were ranked in the top 20 of the final 2017 AP poll (Ohio State, Wisconsin, Northwestern), while Iowa received votes in the final poll and Michigan spent 11 weeks ranked during the 2017 season, including six weeks in the top 10.

NU RETURNS PROGRAM'S TOP RECEIVING DUO

In 2017, Stanley Morgan Jr. and JD Spielman combined for 1,816 receiving yards, the highest two-player total in Husker history. The duo set the top mark despite each player missing a game due to injury. Morgan returns for his senior season in 2018, while Spielman is back for his sophomore campaign.

Morgan set a Nebraska record with 986 receiving yards in 2017. Spielman added 830 receiving yards, a total that ranked seventh in school history and was the most ever by a Husker freshman.

MORGAN SETS SIGHTS ON BECOMING NEBRASKA'S ALL-TIME LEADING RECEIVER

After setting a school record with 986 receiving yards in 2017, Stanley Morgan Jr. will look to become Nebraska's all-time leading receiver this fall.

Morgan enters his senior season with 119 career receptions, which rank seventh on Nebraska's all-time list. He needs 62 receptions to tie Kenny Bell (181) atop the Husker chart. Morgan has also totaled 1,743 receiving yards in his first three seasons, ranking sixth on Nebraska's all-time list. He needs 946 yards in 2018 to tie Bell (2,689) for the most receiving yards in program history.

The New Orleans native put himself in position to challenge Nebraska's all-time records thanks to a breakout junior season, when he earned All-Big Ten accolades. Morgan caught 61 passes for 986 yards and 10 touchdowns in 2017 after entering the year with 58 career receptions, 757 career receiving yards and five career touchdown catches.

- Morgan set Nebraska records with 986 receiving yards and five 100-yard receiving games in 2017, while ranking third in school history in touchdown receptions (10) and fifth in catches (61).
- He led the Big Ten and ranked 14th nationally in receiving yards per game (89.6) in 2017. His 986 receiving yards ranked second nationally among players who saw action in 11 or fewer games.
- Morgan led all Big Ten wide receivers and ranked 16th nationally in touchdown catches with his 10 touchdown grabs.
- He produced his first five career 100-yard receiving efforts in 2017, leading the Big Ten in that category.
- Morgan posted 185 receiving yards at No. 13 Penn State, the second-highest total in school history.
- He had at least three catches in every game, extending his streak to 26 consecutive games with a reception, the fifth-longest streak in Husker history.
- Among all returning 2018 players, Morgan ranks seventh nationally in receiving yards and eighth in touchdown receptions.

SPIELMAN LOOKS TO BUILD ON FRESHMAN ALL-AMERICA SEASON

Wide receiver JD Spielman returns for his sophomore season in 2018 after earning freshman All-America accolades in 2017. Spielman emerged as one of the nation's most productive freshmen in 2017 after redshirting in 2016, when he was named Nebraska's Offensive Scout Team MVP.

Spielman was named as a freshman All-American by both USA Today and the Football Writers Association of America and was a third-team All-Big Ten pick by the league's coaches. He also made the Big Ten Network's All-Freshman team as both a wide receiver and kickoff returner.

Spielman hauled in 55 receptions for 830 yards as a redshirt freshman in 2017, both of which were Nebraska freshman records. He also totaled 669 kickoff return yards to finish with 1,572 all-purpose yards, the most by a freshman in school history.

- Spielman led all FBS freshmen in receiving yards (830) in 2017 and averaged nearly 10 more receiving yards per game than any other freshman. Spielman also ranked second among all freshmen nationally in kickoff return yards (669) and catches per game (5.0), was third in all-purpose yards (1,572) and fifth with 55 total receptions.
- Among all FBS players, Spielman ranked 13th nationally in all-purpose yards and was one of only five players in the country to total 1,500 all-purpose yards in fewer than 90 attempts. He also led all FBS players in fourth-down receptions (7) and receiving yards (89) and ranked fifth in third-down receiving yards (350).
- Spielman led the Big Ten in kickoff return yards and kick return average and was third in all-purpose yards and receiving yards per game. He also led the league with 88.1 receiving yards per game in conference play and tied Wisconsin's Jonathan Taylor for second with an average of 157.8 all-purpose yards per game in league play.
- An explosive playmaker, Spielman posted Nebraska's longest return in 2017 (a 99-yard kickoff return vs. Arkansas State), the Huskers' longest rush (40 yards vs. Northwestern) and the team's second-longest reception (77 yards vs. No. 9 Ohio State).
- Spielman had 11 catches for a school-record 200 yards against No. 9 Ohio State. In addition to posting the only 200-yard receiving game in school history, Spielman's 11 catches were the most ever by a Husker freshman and ranked third overall in program history.
- In addition to setting freshman records for receptions, receiving yards and all-purpose yards, Spielman posted the sixth-most overall receiving yards in school history and the seventh-most receptions.

STILLE BACK AFTER STRONG FRESHMAN YEAR

Ben Stille flourished as a redshirt freshman in 2017 in his first season as an outside linebacker in NU's 3-4 defensive scheme. Stille did not play in the first three games but was a major contributor over the season's final nine games, earning one start against Wisconsin. He totaled 24 tackles on the season and led the Huskers with 10 tackles for loss and 3.5 sacks.

- With his 10 TFLs, Stille became the first Husker freshman to lead the team in tackles for loss since the stat began being tracked in 1968.
- Stille led all Big Ten freshmen and ranked eighth overall in the league in tackles for loss per game (1.06). All 10 of his TFLs came during Nebraska's nine-game Big Ten schedule.
- With his 3.5 sacks, Stille became the first Husker freshman to lead the team in sacks since the stat began being tracked in 1981.
- For his efforts, Stille was named to the Big Ten Network All-Freshman team. He was also named the Big Ten Freshman of the Week after registering four tackles, three TFLs and his first career sack and forced fumble in the Huskers' win at Illinois.

YOUNG CLIMBING HUSKER TACKLE LIST

Linebacker Dedrick Young II enters his senior season with 201 career tackles, nearly 70 more than any other Husker. Young will look to move into the top five on Nebraska's all-time tackle list this fall.

- Young is the 35th Husker to record 200 career tackles and just the fourth to reach the mark prior to his senior season.
- Young needs 55 tackles to move into 10th place on Nebraska's all-time tackles list and 75 to crack the top five. Young has averaged 67 tackles per season over his first three years.
- This fall, Young will look to become the first player in school history to total at least 60 tackles all four seasons. He set a Nebraska true freshman record with 61 tackles in 2015, added 60 stops as a sophomore in 2016 and totaled 80 tackles as a junior in 2017.

CLEAN SLATE AT QUARTERBACK

Nebraska's 2017 roster features five quarterbacks, none of whom have ever taken a single snap for the Huskers. Among the five quarterbacks, only a pair of transfers - junior Andrew Bunch (Scottsdale CC) and sophomore Noah Vedral (UCF) - have taken a snap at the collegiate level. Vedral is the only quarterback on the roster who has appeared in an FBS game, but he must sit out this fall due to NCAA transfer rules.

- This year marks the first time since 1972 - Bob Devaney's final year - that the Huskers open a season without a single quarterback who has ever taken a snap at Nebraska. In that 1972 season, Dave Humm emerged as the starter and threw for 2,259 yards, which at the time was both a Nebraska and Big Eight Conference record. Humm was a freshman on the Husker roster in 1971, but freshmen were ineligible per NCAA rules.
- None of the top three contenders for the starting quarterback spot - Bunch, redshirt freshman Tristan Gebbia and true freshman Adrian Martinez - have played in a game since the 2016 season. Bunch last played in a game on Nov. 12, 2016, with Scottsdale CC. Gebbia's last game action came on Dec. 9, 2016, with Calabasas High School in the Division 2-AA Regional Final of the California Interscholastic Federation (CIF) Football Championship. Martinez missed all of his senior season in 2017 due to injury and last played in a game on Nov. 25, 2016, for Clovis High School in the semifinals of the Central Section CIF Division I Championships.

NU RETURNS 104 PERCENT OF 2017 RUSHING TOTAL

In a statistical oddity, Nebraska returns 103 percent of its 2017 rushing total. NU rushed for 1,290 yards last season, but the seven returning Huskers who had a carry last fall combined for 1,335 rushing yards. Accounting for the difference is the departure of quarterback Tanner Lee, a 2017 NFL Draft pick who lost 97 yards rushing in 2017 due to sacks.

2018 ROSTER BOASTS PLAYERS FROM 28 STATES

Nebraska's roster features 140 players hailing from 28 different states and Washington D.C. The roster features 58 homegrown Huskers and is unofficially the largest roster of any non-service academy in the country.

- Linebacker Avery Roberts lettered as a true freshman in 2017. A Concord native, Roberts became Nebraska's first-ever letterwinner from Delaware. With Roberts' letter last season, Nebraska now boasts at least one letterwinner from 46 of the 50 states (every state except Idaho, Kentucky, New Hampshire and Rhode Island).

NU RANKS AMONG ATTENDANCE LEADERS

Nebraska averaged 89,798 fans for seven home games in 2017 to rank 10th nationally in average attendance. Nebraska has ranked in the top 11 nationally in attendance each of the past five seasons. The Huskers ranked 10th in 2016 (90,200), 11th in 2015 (89,998); 10th in 2014 (91,249, a school record) and ninth in 2013 (90,933).

The Huskers have ranked in the top 15 nationally in attendance every season since 2006 and in the top 20 every year since at least 2000.

RECORD SELLOUT STREAK CONTINUES

One of the most remarkable streaks in college sports continued in 2017. Nebraska has sold out every game at Memorial Stadium since Nov. 3, 1962, an NCAA-record streak of 361 consecutive sellouts, 99 more than second-place Notre Dame. NU is 305-56 (.845) during the streak and overall attendance during the streak is more than 27 million fans.

HUSKERS OWN BIG HOME-FIELD ADVANTAGE

Nebraska has rewarded the loyalty of its fans with great success at Memorial Stadium.

- Nebraska has won at least six home games in 24 of the past 31 seasons. NU is 171-33 (.838) at home since 1989, even with a 12-9 record the past three seasons.
- The Huskers were 7-0 at home in 2016, marking the Huskers' first perfect home season since 2012, and just the second since 2001.
- NU is 18-11 in Big Ten home games since joining the league in 2011.
- Since 1970, Nebraska has had three home winning streaks of 20 or more games and has posted 41 unbeaten and untied home seasons.
- The Huskers are 540-152-20 all-time in Lincoln (.772, 712 games, 128 years), and 415-129-13 (.757, 557 games, 94 years) in Memorial Stadium (since 1923).

NEBRASKA AMONG TOP ALL-TIME PROGRAMS

Nebraska will play its 129th season this fall and boasts an 893-380-40 all-time record in 1,313 games (.695). Nebraska is one of 10 programs with 800 all-time victories, ranking fourth with 893 wins.

- Nebraska will look to join the 900-win club this fall. Entering the 2018 season, Michigan (943) is the only program with 900 wins, but Ohio State (899) and Texas (898) are both closing in on the milestone.
- Since 1970, Nebraska owns a 459-138-5 record, for a .767 winning percentage in 602 games.
- Nebraska is the nation's wins leader over the last 40 and 50 years.
- Nebraska has 24 10-win seasons since 1970. Overall, the Huskers have won at least 10 games in a season 27 times, including 12 seasons with 11 or more wins, seven seasons with 12 or more wins and three 13-win seasons (1971, 1994, 1997).
- NU posted its nation-leading 50th all-time nine-win season in 2016. Forty-two of those nine-win seasons have come since 1970 and 48 since 1962, 15 more than any other school.
- NU was the first team in NCAA history to win 100 games in consecutive decades, leading the nation with 103 wins in the 1980s and ranking second with 108 wins in the 1990s.

NU RANKS FOURTH & SIXTH IN NATIONAL TITLES

Nebraska has won a total of five national titles in 1970, 1971, 1994, 1995 and 1997. In 1971, 1995 and 1997, the Huskers were crowned national champions in both the Associated Press and coaches' polls. In 1970, Nebraska was awarded the AP national title, but was No. 3 in the coaches poll behind No. 1 Texas and No. 2 Ohio State, both of whom lost their bowl games (the coaches' poll was voted on before bowl games). In 1997, undefeated Nebraska was voted No. 1 in the coaches' poll, while undefeated Michigan was No. 1 in the AP poll.

In the coaches' poll (since 1950), NU is tied with Miami and Texas for fourth with four national titles, behind Alabama (9), Oklahoma (6) and USC (5). In the AP poll (since 1936), Nebraska is tied with Minnesota for sixth with four national titles, trailing Alabama (11), Notre Dame (8), Oklahoma (7), Miami (5) and USC (5).

HUSKERS LEAD IN CONFERENCE CROWNS

Nebraska has won a nation-leading 46 football conference championships in school history. The Huskers won 13 conference titles under Tom Osborne and eight under Bob Devaney.

During its 15-year history in the Big 12 Conference, Nebraska won league titles in 1997 and 1999, and also appeared in the Big 12 Championship Game in 1996, 2006, 2009 and 2010. Nebraska was one of just three teams to capture two or more Big 12 titles in the first 15 years of the league, joining Oklahoma and Texas. Nebraska's six Big 12 title game appearances were second only to Oklahoma's eight. NU made its first appearance in the Big Ten Championship Game in 2012.

The Huskers are one of only three FBS teams who have won at least 40 conference titles.

2018 SEASON OUTLOOK

Senior Stanley Morgan Jr. enters the 2018 season set to make a big impact in Nebraska's explosive new offensive attack. The 6-1, 200-pound Morgan had a record-breaking junior season for the Huskers en route to All-Big Ten honors. This fall, Morgan hopes to contend for bigger accolades as he will be a candidate for All-America honors and the Biletnikoff Award.

Morgan and sophomore JD Spielman combine to give Nebraska one of the most productive returning receiving duos in the country. The pair also highlights one of the deepest and most talented position groups for the 2018 Huskers.

A New Orleans native, Morgan set the Nebraska single-season receiving yards record last year with 986 yards, despite missing a game because of injury. He had a school-record five 100-yard receiving games, including a 185-yard effort at Penn State that ranks No. 2 on the single-game yardage list. He also led the Big Ten Conference in receiving yards per game.

The productive junior season puts Morgan in position to challenge several Nebraska career receiving records this fall. Morgan has 119 career catches, putting him in seventh on the Husker career list and 62 receptions from the school record. His 1,743 career receiving yards are sixth in school history and 946 yards from the top spot on the charts.

Morgan will also enter his senior season with a reception in 26 consecutive games, which ranks as the fifth-longest streak in Nebraska history. He has multiple receptions in 13 straight games.

Morgan is on track to graduate in May of 2019 with a degree in child, youth and family studies.

2017 (JUNIOR)

Morgan had a record-breaking junior season that led to first-team All-Big Ten accolades from Phil Steele and second-team recognition from the league coaches and media. Morgan set career highs with 61 catches, 986 receiving yards and 10 touchdown grabs in 2017, all of which surpassed his career totals entering the season. He led the Huskers in each of those three

categories despite missing one game due to injury. Morgan set Nebraska's season record with his 986 receiving yards, eclipsing the previous record of 942 by Johnny Rodgers in his Heisman-trophy winning 1972 season. In addition to his school record, Morgan's 61 catches ranked fifth in school history (fourth among wide receivers) and his 10 touchdown receptions tied for third in program history. He also set a Nebraska season record with five 100-yard receiving games and his 185 receiving yards at No. 13 Penn State ranked second in NU history.

Morgan ranked second in the conference and 16th nationally with his 10 touchdown catches, which led all Big Ten wide receivers. One of only 20 FBS receivers with double-digit touchdown catches in 2017, Morgan also ranked second in the Big Ten and 31st nationally in receiving yards. On a per-game basis, Morgan led the Big Ten and was 15th nationally with an average of 89.6 receiving yards per game. In Big Ten play, he ranked second in the league behind teammate JD Spielman with 85.9 receiving yards per contest. Morgan tied for the conference lead with seven touchdowns and three 100-yard receiving efforts in Big Ten play despite missing one league game.

Morgan's 61 catches were three more than he produced in his first two seasons combined. His 986 receiving yards were 229 more yards than his career total entering the year, and his 10 touchdown catches doubled the total from his first two years. Morgan also produced his first five career 100-yard receiving efforts. He had multiple receptions in each of his 11 games, including seven games with five-or-more catches when his career high entering the season was a five-catch effort at Wisconsin in 2016. By catching a pass in each of his 11 games, Morgan extended his streak to 26 consecutive games with a reception, the fifth-longest streak in NU history.

Morgan's breakout season began when he posted his first career 100-yard receiving game with five catches for 102 yards and one touchdown against Arkansas State. He followed that performance with another 100-yard game at Oregon, setting then-career highs with seven receptions for 103 yards and two touchdowns, the first multi-touchdown game of his career. The 6-4, 325-pound Farmer has started 19 games at offensive guard the past two seasons and worked with the top unit at right guard throughout spring practice. He joins senior Jerald Foster to give Nebraska one of the Big Ten's best and most experienced guard tandems. Farmer also saw limited practice time at center, and brings versatility to the interior of the offensive line.

2018 OUTLOOK

Sophomore receiver JD Spielman is set to build on a record-breaking 2017 season that saw him earn freshman All-America honors. The 5-9, 185-pound Spielman teamed with Stanley Morgan Jr. to give Nebraska one of the nation's most productive receiving tandems last fall, and the duo returns to highlight one of the Huskers' deepest position groups.

Spielman set NU freshman records with 55 receptions, 830 receiving yards and 1,572 all-purpose yards in 2017. He also broke a 19-year-old single-game receiving yardage record with 200 yards against Ohio State.

The elusive and speedy Spielman generally operated out of the slot, and came up big in clutch situations, leading the nation in fourth-down catches and ranking second in combined receptions on third and fourth down. In conference games only, Spielman led all Big Ten players with 88.1 receiving yards per game.

In addition to his receiving statistics, Spielman was one of the nation's top kickoff return threats and ranked 13th nationally in all-purpose yards. Spielman redshirted in his first year in the program and made an immediate impression, earning Scout Team MVP honors in 2016.

2017 (REDSHIRT FRESHMAN)

Spielman was one of the nation's top freshmen in 2017. After bursting onto the scene from his very first career touch – a 99-yard kickoff return for a touchdown in the opener against Arkansas State – Spielman went on to post the top receiving game in Nebraska history and set Husker freshman records for receptions, receiving yards, 100-yard receiving games and all-purpose yards. He also ranked sixth overall in school history in kickoff return yards (669) and seventh in receiving yards (830), and receptions (55).

A freshman All-American, Spielman led all FBS freshmen with 830 receiving yards and 75.5 receiving yards per game, and he ranked second with 142.9 all-purpose yards per game and 669 kickoff return yards. Overall, Spielman ranked 13th nationally in all-purpose yards, 23rd in kickoff return yards and 40th in receiving yards per game. Spielman's 291 all-purpose yards at Minnesota were the 10th-highest total of any FBS player during the 2017 season and his school-record 200 receiving yards against No. 9 Ohio State were the 23rd-highest total of 2017.

Spielman garnered second-team All-Big Ten accolades as a wide receiver from Phil Steele, was a third-team selection by the league coaches and an honorable-mention pick from the media. As a kick returner, he was named an honorable-mention all-conference selection by the Big Ten coaches. He led the Big Ten in kickoff return yards and kick return average and was third in all-purpose yards and receiving yards per game.

In conference play, Spielman led the league in receiving yards per game (88.1), becoming just the second Big Ten freshman in more than 20 years to lead the league in that category. Spielman tied for second in the Big Ten with an average of 157.8 all-purpose yards per game in league play.

Spielman owned NU's longest kickoff return (99 yards), longest rush (40 yards) and second-longest reception (77 yards) of 2017. He averaged 17.1 yards per touch and had multiple catches in each of his 11 games, including 11 catches against Ohio State, a Nebraska freshman record.

After scoring on a 99-yard run on NU's first kickoff return of the year, Spielman also caught his first two career passes for 44 yards against Arkansas State, including a 35-yard grab. He caught two more passes the next week at Oregon before hauling in three passes for 52 yards in his first career start against Northern Illinois, when he also had a 50-yard kickoff return.

2018 OUTLOOK

Senior safety Aaron Williams will be counted on as a leader in a young, but talented Nebraska secondary in 2018. Williams and fellow senior safety Antonio Reed are the most veteran members of the secondary heading into the season. Williams has seen extensive action each of the past three seasons and is a strong candidate to contend for a starting role this fall.

Williams had an injury-plagued junior campaign, but managed to finish fourth on the team in tackles. Williams underwent a shoulder procedure during the offseason, but is expected to be at full strength for the 2018 campaign. During his time at Nebraska, Williams has shown good versatility and has the ability to play a traditional safety position or in a nickel back role. Williams enters his senior year with 134 career tackles, eight pass breakups and five interceptions.

A communication studies major, Williams is on track to earn his degree in December of 2018 despite not using a redshirt season.

2017 (JUNIOR)

Williams dealt with injuries during his junior campaign, as he was limited to nine games. Williams was still one of the most productive members of the Husker secondary. His 48 tackles ranked fourth on the team and were the most by any defensive back. Williams also tied for the team lead with two interceptions and his three total takeaways led the Huskers. Williams accounted for Nebraska's only defensive touchdown of the season, returning an interception 14 yards for a game-tying touchdown in the third quarter against No. 9 Wisconsin. He had at least five tackles in five of his nine games, including a pair of double-figure efforts.

Williams had six tackles and a pass breakup in the season opener against Arkansas State before shining in a career performance at Oregon. Against the Ducks, Williams recorded a career-high 12 tackles, while also recovering his first career fumble and intercepting his fourth career pass. He had five tackles and his only tackle for loss the next week against Northern Illinois. Williams tallied at least five tackles for the fourth time in five games with a five-tackle performance at Illinois and then had 11 tackles, including a career-high eight solo stops against No. 9 Wisconsin. An injury forced Williams to miss three of the next four games, but he returned to record four solo tackles at No. 13 Penn State and three solo stops against Iowa.

2016 (SOPHOMORE)

Williams was one of three safeties who were regulars in the starting lineup. He played in all 13 games with 11 starts and shared time at one safety spot with Kieron Williams. Aaron Williams was also the Huskers' primary nickel back in sub packages. He finished with 62 tackles, including 32 solo stops. He added six tackles for loss, two sacks and tied for third on the team with three interceptions.

2018 OUTLOOK

Junior running back Tre Bryant is hopeful for a healthy return to action in the 2018 season. The 5-11, 200-pound Bryant burst out of the gates in 2017 with two strong performances. However, a nagging injury forced Bryant to the sidelines for the remainder of his sophomore season.

A native of St. Louis, Bryant sat out spring practice while continuing his recovery, but is expected to be near full strength for fall practice. His return would add to a talented backfield that includes seniors Devine Ozigbo and Mikale Willbon, sophomore Jaylin Bradley and newcomer Greg Bell. Bryant first made an impact in 2016, seeing action as a true freshman at I-back, when he also handled kickoff return chores.

2017 (SOPHOMORE)

Bryant got off to a promising start to his sophomore campaign before his season was cut short after only two games due to a knee injury. Bryant rushed for 299 yards on 51 carries in his two appearances, averaging 5.9 yards per carry and 149.5 yards per game and scoring a pair of rushing touchdowns. He ranked ninth nationally in rushing after two games.

Bryant had 31 carries for 192 yards against Arkansas State, setting career highs in both categories while scoring the second touchdown of his career with a one-yard run. The next week at Oregon, Bryant had 20 carries for 107 yards, including a five-yard touchdown, before leaving with an injury.

Bryant was one of five NU true freshmen to play in 2016. He played in all 12 regular-season games before missing the bowl game with an injury. Bryant had 43 carries for 172 yards and a touchdown, while adding eight catches for 56 yards and a score. As a kickoff returner, Bryant had 23 returns for 508 yards and averaged 22.1 yards per return. His 508 kickoff return yards were the 10th-most in Nebraska history.

Bryant had 36 rushing yards and his first career touchdown in the opener against Fresno State. He added 34 rushing yards on seven carries against Wyoming. His work increased in the final three games of the regular season. Against Minnesota, Bryant had a 35-yard touchdown reception on a fourth-down play in the second quarter to give Nebraska a 10-7 lead. A week later, he had season highs with 13 carries for 56 yards in a 28-7 victory over Maryland. Bryant led the Huskers in both carries (11) and rushing yards (41) at Iowa. He also tied for the lead in receptions against the Hawkeyes, grabbing a career-high four catches.

In the return game, Bryant had at least 50 return yards three times. He had a season-long 59-yard return to open the second half against Purdue, NU's longest kickoff return in two seasons. He had 62 return yards at Indiana and a season-high 124 return yards at Ohio State.

The Lincoln native showed his ability in a 3-4 scheme in the first half of last season, before being sidelined by injury for the latter stages of the 2017 campaign. Gifford subsequently underwent surgery and his rehabilitation kept him out of spring practice.

His versatility allows Gifford to be a force near the line of scrimmage and also be able to drop into pass coverage. Before being injured last fall, Gifford registered six tackles for loss and an interception.

Off the field, Gifford earned his degree in management in May, and will play the 2018 season as a graduate student.

Gifford earned his first career start in the season opener against Arkansas State, when he posted a career-high nine tackles, eclipsing his career total of five tackles entering the game. He added five tackles the next week at Oregon, when he broke up the first pass of his career. Gifford made eight stops against Northern Illinois, when he posted his first career sack. 2018 OUTLOOK

Sophomore Brenden Jaimes (pronounced HY-mus) will be counted on to play a key role on the Nebraska offensive line in 2018. After the coaching staff initially considered a redshirt season, Jaimes started the final nine games at right tackle. When he made his career debut by starting the Rutgers game, Jaimes became just the fifth true freshman offensive lineman to start at Nebraska and only the 11th Husker offensive lineman to play as a true freshman. Jaimes was one of only three true freshmen offensive linemen in the Big Ten to start every conference game in 2017, and he was an honorable-mention All-Freshman team selection by the Big Ten Network.

Jaimes and the Husker offensive line helped Nebraska rank second in the Big Ten in passing (277.5 yards per game) in 2017. Nebraska totaled 3,330 passing yards, the fifth-highest passing total in school history (3,330 yards). The line protected Tanner Lee as he threw for 3,143 yards in his only season as a Husker, while Stanley Morgan Jr. set a school record with 986 receiving yards and JD Spielman posted the first 200-yard receiving game in school history against No. 9 Ohio State.

Jaimes paved the way for an offense that averaged nearly 500 yards per game in 2016, including better than 290 passing yards per game. TOM OSBORNE

HEAD COACH, 1973-97

RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

BOB DEVANEY

HEAD COACH, 1962-72

RECORD: 101-20-2 (.829, 13TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 13th on the all-time list, seven spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

NEBRASKA'S NATION-LEADING 17 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities. Nebraska earned its NCAA-leading 17th Top 10 Award in January of 2014 when women's tennis standout Mary Weatherholt, the 2013 NCAA singles runner-up, was recognized at the NCAA honors dinner.

The Husker football program has nine of Nebraska's 17 Top 10 Award winners, the most of any single sport in NCAA history. The most recent football player to earn a Top 10 Award was All-America rush end Grant Wistrom, who was a 1998 honoree. Wistrom's selection gave Nebraska nine overall Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, marking the first two times that a school had more than one student-athlete honored.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), two men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Weatherholt-2014) have also claimed the honor.

VARSITY LETTERMAN LIST

NOTE: The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

128 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

COACH EWALD O. "JUMBO" STIEHM

(Wisconsin, 1909) 35-2-3 (.913), 1911-15

Under Ewald O. "Jumbo" Stiehm's direction, Nebraska won or tied for the Missouri Valley Conference championship every season. His winning percentage of .913 ranks as the highest in school history. His teams recorded a 34-game unbeaten streak, the longest in school history. Also Nebraska's basketball coach, he was the only coach in Big Eight history to win football and basketball titles in the same academic year. He was the first year-round coach in school history, but he went to Indiana University after NU refused to increase his salary to \$4,250.

NEBRASKA IN THE POLLS

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 6 in the All-Time AP Poll and has appeared in 64 percent of all AP polls since 1936.

Bob Devaney won back-to-back national titles in 1970 and 1971 and eight Big Eight crowns. COACH TOM OSBORNE

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He was the fastest coach in college football history to win 200 games, doing it in just 21 seasons, and the fastest coach to reach 250 wins. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

COACH FRANK SOLICH

(Nebraska, 1966) 58-19 (.753), 1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

(Illinois Benedictine, 1978)

27-22 (.551), 2004-07

Bill Callahan came to Nebraska less than one year after leading the Oakland Raiders to Super Bowl XXXVII. The 27th head coach in Nebraska football history, Callahan became one of just five coaches in history to return to college football after leading an NFL team to the Super Bowl. During Callahan's tenure, Nebraska shattered numerous school passing records. He led Nebraska to two bowl games and a Big 12 North title during his tenure.

HANK BOUNDS, PH.D

UNIVERSITY OF NEBRASKA PRESIDENT

On January 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska (NU). Bounds began his tenure on April 13, 2015, bringing a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

He has continued working to improve educational outcomes and build partnerships since his arrival in Nebraska. Bounds has connected with leaders within the university, in the private sector, in government and in the military to increase collaboration and innovation. In late 2015, he worked with the University of Nebraska Foundation to launch a two-year, \$200 million fundraising initiative to increase access and create success for current and future students. In 2015, Bounds also launched a university-wide Food for Health initiative—the first of several programs designed to increase collaborations across NU and incentivize new research that addresses critical issues important to Nebraskans and result in greater research funding opportunities. Supporting quality teaching is an important focus for Bounds, and in spring of 2016, he made a \$3.5 million strategic investment to hire additional faculty and expand NU's online course offerings. And, Bounds announced in late 2015 that NU's enrollment has grown to its highest level in 22 years — marking progress toward the Board of Regents' goals to expand educational access to Nebraskans and attract more talent to the state to meet workforce needs.

Bounds grew up in Mississippi. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities. Today, under his leadership, the University of Nebraska enrolls nearly 52,000 students, employs over 13,000 faculty and staff, and operates with an annual budget of \$2.5 billion - including \$235 million in research expenditures.

He has identified four cornerstones that will separate NU from the rest of higher education and define a new era in university history: 1) The University of Nebraska will be the best university in the nation to be a student. 2) The University of Nebraska will transform lives through research and innovation. 3) The University of Nebraska will work hand in hand with our partners to achieve our goals. 4) The University of Nebraska will win with people.

Bounds holds a faculty appointment in the College of Education and Human Sciences at the University of Nebraska-Lincoln and courtesy faculty appointments in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He serves on the board of directors for several organizations, including the National Association of System Heads (NASH), the Robert B. Daugherty Water for Food Institute, the Nebraska Innovation Campus Development Corporation, the Nebraska Advanced Manufacturing Coalition and the Consultation Committee for US Strategic Command (USSTRATCOM). He is also on the Board of Governors for the Knights of AKSARBEN.

Bounds and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

*Interim Co-Directors

William H. (Bill) Moos was named Nebraska's Athletic Director on Oct. 15, 2017, and fully assumed those responsibilities on Oct. 23, 2017.

Moos, who became the 15th athletic director in the history of the storied Cornhusker program, brings nearly 25 years of experience as an athletic director at three Division I schools (Washington State, Oregon, Montana) with him to Nebraska. More importantly, he brings an impressive track record of success in building outstanding

programs, developing long-term relationships, and for doing what is best for his schools, its fans and most importantly, its student-athletes.

"When you name the top three, four, five athletic programs in the great positions as an athletic director, Nebraska is in that same breath," Moos said at his introductory press conference at Memorial Stadium. "I want you to know that my motto has always been, in the 25 years I have been a Division I athletic director and it will be here too is very simple - honor the past, live the present, create the future."

In his first six months at Nebraska, Moos made three coaching hires. He drew universal praise for hiring Scott Frost, the 2017 consensus national coach of the year, as Nebraska's head football coach in December. Following the spring semester, Moos also hired Mark Hankins to coach the men's golf team and Sean Maymi to lead the men's tennis program.

He also oversaw several team successes in his first six months in Lincoln. Moos watched the volleyball team win its fifth national title and second in three seasons in December. In 2018, both the men's and women's gymnastics teams finished in the top six at the NCAA Championships, while bowling finished third and rifle finished eighth. Nebraska also continued its excellence in the classroom, producing four CoSIDA Academic All-Americans, including three first-team selections. The awards increased Nebraska's nation-leading total to 333 all-time CoSIDA Academic All-Americans across all sports.

Moos came to Lincoln after spending seven-plus years at Washington State (2010-17). He previously served 12 highly successful seasons as the athletic director at Oregon (1995-2007). During his time at his alma mater, Moos wasted little time in making his impact felt in Cougar Athletics, spearheading a department-wide rebranding effort with Nike while securing a 10-year, \$35 million marketing rights agreement with IMG College. In addition, the 2004 WSU Alumni Achievement Award winner gained Regents approval for a \$130 million addition and remodel of Martin Stadium, featuring a remodeled press box with luxury seating, including suites, loge boxes and club room.

Also included in the project was a state-of-the-art video board and an 80,000-square-foot football operations building that served as the stadium's showpiece and opened in May 2014. As the dean of Pac-12 athletic directors, Moos was at the forefront of the conference's procurement of a 12-year, \$3 billion television contract with FOX and ESPN, a landmark agreement in college athletics. Under Moos' direction, the Cougar Athletic Fund's Annual Giving program saw an 81 percent increase in gifts while CAF donor members rose from nearly 4,000 to more than 7,500.

Additional facility enhancements under Moos included a center-hung video board in Beasley Coliseum that was installed prior to the 2011-12 season, giving Cougar basketball one of the premier fan experiences in the conference. An indoor golf hitting facility was also completed in early 2013, and Lower Soccer Field underwent a major renovation making the venue TV-ready while also providing one of the best playing surfaces on the West Coast, along with the addition of lights and a new scoreboard.

Other enhancements were made to the Moobery track facility, Bailey-Brayton Field, the basketball practice gym, Gibb Pool and the Simmelink Indoor tennis courts. In Moos' seven years at WSU, Cougar student-athletes and coaches accounted for 805 academic all-conference selections, 130 all-conference accolades, 45 All-America honors and three Pac-12 Coach-of-the-Year honors.

Moos served as Oregon's director of athletics from July of 1995 to 2007. While at Oregon he oversaw a 17-sport athletic department that grew to national prominence during his tenure. Oregon's annual athletic department budget grew from \$18.5 million in his first year to more than \$40 million by 2007, becoming 100 percent self-sufficient during that time. Under his direction the Duck Athletic Fund donor base increased from 4,930 to 12,290, resulting in an annual gifts increase from \$4.1 million to \$15.3 million.

Moos initiated more than \$160 million in facility improvements while at Oregon. Included in that was the \$90 million Autzen Stadium renovation in 2002, which added 12,000 new seats, 32 new suites, a new Club at Autzen and a new press box to the stadium. In his 12 years, the Ducks ranked first in Pac-10 football attendance 11 times, reaching 100 percent capacity in each of those seasons.

During Moos' tenure, Oregon athletics captured 13 Pac-10 championships across six different sports. He increased opportunities for women by adding two intercollegiate programs, soccer and lacrosse, and negotiated an all-inclusive shoe and apparel contract with Nike, one of only 14 in the country at the time. From an academic standpoint during Moos' tenure, Oregon student-athletes collected 722 academic all-conference selections, 34 Academic All-America selections, nine NCAA Postgraduate Scholarship recipients and one NCAA Top Ten Award.

During his first stint as a collegiate athletic director at Montana (1990-95), Moos created an academic support program and hired its first athletic academic coordinator, developed a facility enhancement plan that created more than \$4 million in improvements, and lifted the school's fund-raising efforts to show a 300 percent increase in private and corporate gifts. Academically, Montana student-athletes were equally successful as the athletic department achieved a graduation rate 20 percent higher than the general university enrollment. Under Moos' watch Montana garnered 269 academic all-conference selections, five Academic All-Americans and two NCAA Postgraduate Scholarship recipients.

Moos began his athletic career as an athletic administrator in 1982 as assistant athletic director at Washington State. He also served as the school's associate athletic director (1988-90). At Washington State, he was director of development for more than five years and associate director for nearly two years, supervising all external operations. Prior to that, he managed and owned private businesses in Washington and Oregon for eight years. He was a student assistant football coach at Washington State for the 1973 season, then spent part of 1974 in Washington, D.C., serving as a government intern.

Raised on a wheat and cattle ranch in eastern Washington, Moos attended high school in Olympia when his father served in the governor's cabinet. Moos earned his bachelor's degree in history from WSU and was a three-year letterman in football before concluding his collegiate career by representing Washington State in the 1972 East-West Shrine All-Star Game in San Francisco.

He served as co-captain on the Cougars' 1972 squad and garnered first-team All-Pac-8 Conference honors. Moos and his wife Kendra have three daughters, Christa, Brittany and Kaiti; and two sons, Bo and Benjamin.

NEBRASKA MEDIA SERVICES

COMMUNICATIONS OFFICE

The Nebraska Communications Office is available to assist you with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics, etc., please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Assistant Athletic Director for Communications Keith Mann (kmann@huskers.com), Senior Associate Communications Director Shamus McKnight (smcknight@huskers.com) or Associate Director Matt Smith (msmith@huskers.com). Below are guidelines for covering NU in-season. Additions or changes to these policies can be found at Huskers.com/media.

MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-2263 for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers covering for same or next day publication; (2) radio personnel for broadcast originations; (3) sports editors of Nebraska daily newspapers; (4) press and TV working photographers; (5) official school student daily newspaper, one seat and/or sideline only; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

MEDIA ACCESS

The game-day entrance to Memorial Stadium for the media is at the Media Gate entrance on street level on the west side of the stadium (main lobby of West Stadium). The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff. Those picking up credentials must show a photo I.D., and all credential holders must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium. Bag check will also occur in the West Stadium lobby.

MEDIA PARKING

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to the primary media lot (Lot 4) directly south of the stadium later than 90 minutes before kickoff.

Each media outlet will receive one complimentary parking pass. Media outlets will be charged for additional parking passes (\$22/each). See page 234 for specific directions to assigned lots.

WEEKLY MONDAY MEDIA LUNCHEON

Each Monday during game weeks, Nebraska hosts a media luncheon. Press luncheons will be held on Level 6 of the press facility. A light lunch buffet is served, with Head Coach Scott Frost and selected Nebraska players available to the media.

Media planning any live coverage of the press conference (television, radio, internet) must first request permission from the Communications Office.

Transcripts and video highlights from the press conference with Coach Frost and players will be available on Huskers.com.

INTERVIEW POLICY

During the season, Coach Scott Frost is available in person for media interviews at the Monday news conference and on the field after practice on Thursday. Coach Frost is also available each Tuesday on the Big Ten teleconference (11:24 a.m.) beginning on Aug. 30. Please contact the Big Ten office at (847) 696-1010 for details. Any other interviews with Coach Frost must be arranged through the Communications Office at least one day in advance.

Nebraska players are available for interviews in person or by telephone at the Monday press conference or on Tuesday and Wednesday following practice. Player interviews can occasionally be set up for other times with at least one day advance notice to the Communications Office. All requests for player and coach interviews must go through the Communications Office.

Assistant coaches will be available on Tuesday and Wednesday following practice.

Press conference and post-practice interviews with players and coaches are prohibited from being streamed live online via apps such as Periscope.

No interviews are to be conducted in the locker room, training room, weight room or Nebraska Student Life Complex. As a general rule, freshmen and redshirt freshmen are not available for interviews until they have participated in a game.

DAILY PRACTICES

During the season, practices are normally conducted either in Memorial Stadium, in the Hawks Championship Center or on the Ed and Joyanne Gass Practice Fields northeast of the stadium. Practices will be held in the mornings. Practices are generally closed to the media and public. Media wishing to interview Nebraska players or coaches after practice should come to the designated location based on the practice site shortly before the end of practice. Communications staff will escort media to the practice field at the conclusion of practice.

Photographers and videographers should contact Communications regarding any days and times that may be open to shoot practice. Media are asked to remain on the sideline or behind the fence at Memorial Stadium during this time. When on the Gass practice fields, media may not stand between the two practice fields during this time. No interviews are to be conducted during this time period and these segments may not be aired or streamed live on television or the internet.

For home games, only coaches, players and staff members will be admitted to the tunnel and locker room after the game, but Coach Frost and requested personnel will be brought to the interview room (Ndamukong Suh Strength Complex). Admittance to the interview area will be by media credential only. Media should access the area via the door on the northeast corner of the Osborne Athletic Complex. For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann and the Communications staff at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Media planning to carry the press conference live should request permission from the Nebraska Communications Office before doing so. If media are planning to do live shots on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Scott Guthrie in HuskerVision (402-472-4645).

SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo pass, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo pass who will be shooting still photos or video during the game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The Big Ten sideline control policy: (1) Only those photographers on assignment from a newspaper, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo pass. (2) Only those newspapers with Sunday and/or daily editions are eligible for sideline passes. (Special requests must be submitted to the Communications Director for review). (3) Cutline writers, equipment carriers, and/or other so-called "assistants" will not be allowed on the sideline. (4) Photographers must display their credentials (photo pass and vest) at all times. (5) University personnel are to be deployed on the sideline to ensure that all credentials are properly displayed. Those possessing bench passes (45) must remain inside the team bench area (between the 25-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers are not permitted to congregate in the writers' section of the media facility during halftime, during or after the game.

A photographers work area is available on field level, just off the southeast corner of the playing field.

FACILITY USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Athletic Director or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

TV, RADIO, INTERNET BROADCAST RIGHTS & RESTRICTIONS

Nebraska, its opponent and the respective conference designate the broadcast rights for all games. No pregame coverage shall be permitted for two hours before the game without the express permission of the University of Nebraska, the Big Ten Conference and the broadcast rights holder.

Live postgame interviews may not be aired while the television rights holder is still on the air.

Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom a credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big Ten Conference. Nothing in the terms and conditions authorizes or allows a credential holder to violate any of the trademarks, copyright and other proprietary rights of the Big Ten Conference. A maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the seven days following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, including such television programming simulcast on the internet, wireless or other forms of media, but otherwise may not be distributed on the internet, wireless or other forms of media.

This restriction also includes highlights of games while in progress (live or recorded). Use of video highlights in any other manner or any media distribution platform without the advanced written permission of the Big Ten Conference is expressly prohibited. Any agency wishing to use film or video in any other manner must obtain written permission from the Big Ten Conference.

Local television stations may not originate a pre- or post-game show from inside Memorial Stadium.

Any blogs, tweets, live chats, social media posts, etc. from the game site should not serve as a substitute for, or approximate, play-by-play accounts of a game in any medium.

Non-originating radio stations or internet sites may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour. No pregame coverage from the stadium shall be permitted for two hours before the game without the express permission of the University of Nebraska and the broadcast rights holder.

INTERNET/TELEPHONE

Media will have use of the Internet in the Memorial Stadium press box. A limited number of Ethernet ports are available in the press seating area and the photographer's area. Contact the Athletics Communications Office before the start of the season for information regarding cost of Ethernet ports at a specific seat. The Memorial Stadium press box is equipped with wireless internet. Media members who plan to use wireless internet should contact the Communications Office in advance of the game for instructions.

Media members using wireless frequencies at Memorial Stadium will be asked to register that equipment in advance. Media will be prompted to complete a frequency coordination form when they fill out their on-line credential application. (Note: This does not apply to those registering for wireless internet access). Any media sources that want to install a telephone in the media facility should contact Nebraska Telecommunications (402) 472-2000 at least two weeks before the game.

Information such as statistics, postgame quotes, play-by-play, etc., will be available online at Huskers.com. If arrangements are made in advance, postgame notes, quotes and game statistics may be e-mailed.

THE BIG TEN CONFERENCE

James E. Delany
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,500 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum - the Big Ten Experience - which brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

COMPLIANCE GUIDELINES

COMMITMENT TO COMPLIANCE

On behalf of the University of Nebraska student-athletes, coaches and Athletic Department staff, I would like to express my appreciation for your continued support of our entire athletic program.

The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska booster, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletic Department staff members are knowledgeable about NCAA regulations because they receive on-going education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations for boosters. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or Compliance@Huskers.com.-

Thank you and Go Huskers!

Jamie Vaughn, Senior Associate Athletic Director for Compliance

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA and the Big Ten Conference.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

DEVANEY LEGACY SOCIETY

For 35 years, Bob Devaney was the driving force behind Nebraska Athletics. The endowment and planned giving program is proudly named in his honor. Members of the Devaney Legacy Society carry on the tradition by ensuring the long-term financial future and national prominence of Nebraska Athletics. By establishing a scholarship endowment, program endowment or planned gift with Nebraska Athletics, you will support our student-athletes by funding expenses directly related to education, personal development and sports performance.

ENDOWMENTS

Nebraska Athletics provides the maximum number of scholarships allowed for our student-athletes across 24 sports, accounting for nearly \$14 million of our operating budget. New scholarship and program endowments start at \$100,000 and are payable over five years. Please contact Leslie Barga at (402) 472-2711 for more information.

PLANNED GIVING

Establishing your legacy through a planned gift can impact the student-athletes of today while building a lasting tradition of support for the student-athletes of tomorrow. Many planned gifts provide substantial tax advantages and other unique benefits. If you have considered including Nebraska Athletics in your will, please contact Marla Grose at (402) 415-5445.
