

MIAMI HEADS TO THE ROSE BOWL - For the first time in league history the BIG EAST Conference will send a member to the Rose Bowl. The 2001 BCS title game appearance by the Hurricanes marks the league's second all-time appearance in this game (Virginia Tech, 1999 Sugar Bowl vs. FSU) since the BCS format began in 1998. Miami is 15-12 all-time in 27 bowl appearances dating back 68 years ago to the 1934 Palm Festival (1933 season). In the most recent clip of bowl games, since 1980, Miami has an 11-6 bowl record. Additionally, UM has been to a bowl game in 17 of the last 19 seasons since 1983, including five Orange Bowls, Four Sugar Bowls, three Fiesta Bowls, one Cotton Bowl and one Rose Bowl.

In its last bowl appearance BIG EAST champion Miami defeated SEC champion Florida, 37-20, in the 2001 Nokia Sugar Bowl to remain undefeated in bowls during the Butch Davis era. The 2001 Sugar Bowl marked a return to a major New Years bowl game for the Hurricanes since their 1994 Orange Bowl appearance. Miami's four National Championships came in the Orange Bowl (1983, 1987, 1991) and Sugar Bowl (1989).

MIAMI VS. NEBRASKA SERIES - In the postseason, Miami and Nebraska have met five times with the Hurricanes holding the 3-2 advantage. Overall, the two schools have played nine times since the 1951 season with the Cornhuskers holding a 5-4 edge. Additionally, Miami has won three of the last four meetings with the Cornhuskers since its notable 31-30 Orange Bowl Classic victory that produced UM's first National Championship. In the two schools last meeting, the 1995 Orange Bowl Classic ('94 season), Nebraska came out on top 24-17 for its first title under former coach Tom Osborne. In the pre-BCS days the Big Eight champion was designated to play in the Orange Bowl. In Bowl games, UM has outscored Nebraska 127-93 (25.4 – 18.6, 6.8 points). MIAMI WINS 2001 BIG EAST CHAMPIONSHIP OUTRIGHT - Miami's 26-24 victory over Virginia Tech at Lane Stadium concluded a 7-0 record in BIG EAST play this season and marked the Hurricanes six conference title since 1991 and second consecutive (1991, 1992, 1994, 1996, 2000 and 2001). The 7-0 record by Miami is the fifth time that the BIG EAST champion has went undefeated since league play began in 1993, three of which were by the Hurricanes.

HURRICANES JOIN ELITE BOWL CLUB – With its 2002 Rose Bowl bid, Miami is now the sixth all-time school to have participated in all “five” New Year's Day games. The Cotton Bowl was previously considered one of the major New Year's Day games until the BCS format began in 1998. The Hurricanes join Nebraska, Tennessee, Penn State, Notre Dame and Ohio State in the elite six. Only Penn State and Notre Dame have won games in all five bowls.

HEAD COACH LARRY COKER – Larry Coker's top-ranked Miami Hurricanes have completed an 11-0 undefeated regular season during his first year as a collegiate head coach. His 11-0 mark during his rookie season includes a 7-0 record in BIG EAST Conference games, along with a 6-0 mark at the Orange Bowl and a 5-0 record on the road.

Prior to becoming Miami's 19th head football coach, Coker served under Butch Davis as the Hurricanes' offensive coordinator and quarterbacks coach since Davis' first season at UM in 1995. Coker's hiring marked the first time in 25 years that the University of Miami elevated a current assistant to its head coach. While the offensive coordinator from 1995-2000, UM went 51-20 overall and 33-9 in conference play. At the Orange Bowl, UM were 27-9 with Coker and 19-11 on the road. Additionally, the Hurricanes won all four Bowl games since 1995.

Prior to his arrival in 1995, Coker spent the previous two seasons at Ohio State (1993-94) coaching the defensive backfield. The Buckeyes participated in two bowl games during his tenure and were Big Ten Co-Champions in 1993. From 1990-92, Coker was offensive coordinator at Oklahoma, assisting the Sooners to two bowl game victories.

Before heading to Norman, Coker spent seven seasons as offensive coordinator at Oklahoma State in Stillwater. In his seven seasons with the Cowboys, he coached 1988 Heisman Trophy winner Barry Sanders while the team went on to win four bowl games. Coker first made the jump to division I with Tulsa from 1979-82, as the offensive backfield coach. Tulsa went on to win three Missouri Valley Conference championships during his four seasons.

LARRY COKER IS THE FIRST ROOKIE TO GO 11-0 AT MIAMI - Entering the Rose Bowl game Larry Coker is 11-0 as head coach of the Miami Hurricanes in his first season at the helm. Coker is the only UM coach to remain undefeated entering the bowl game in his first season. The previous high was an 8-0 start by Howard Buck with the inaugural Hurricanes in 1926. In the modern era, Dennis Erickson went 11-1 in his first season in 1989 and won the National Championship over Alabama, 33-25, in the Sugar Bowl. Erickson's loss came in game No. 7 in 1989.

LARRY COKER SHOOTS FOR OOSTERBAAN'S MARK - In 1948, the Michigan Wolverines went 9-0 and were named *Associated Press* National Champions under the tutelage of first-year collegiate head coach Bennie G. Oosterbaan. Larry Coker is in position to become the first rookie collegiate head coach to accomplish that feat in the last 53 years.

In the regular season, UM has been ranked No. 1 by the AP in 32 games and has recorded a 29-3 mark. UM last lost a regular season game while holding the No. 1 ranking in the 1990 season opener at BYU, 28-21 on Sept. 8.

With the honor, Gonzalez joins an elite list of previous winners including Peyton Manning of Tennessee (1997), Danny Wuerffel of Florida (1996), and Kyle Vanden Bosch of Nebraska (2000). The Vincent dePaul Draddy Trophy provides the winner with a \$25,000 scholarship towards postgraduate study.

One of the nation's top offensive tackles and a major factor in an offensive line that yielded only five quarterback sacks over the span of the 2000 and 2001 football seasons, Gonzalez epitomizes the term "scholar-athlete." 2001 HURRICANES AMONG THE BEST ALL-TIME AT MIAMI - The 2001 Hurricanes completed the regular season with statistics that would place them among the best teams since UM emerged on the national scene in the early 1980's. UM's per game scoring (43.2) and margin of victory (33.8) are the top team figures in this era, while points allowed (9.4) places second to the 1991 Hurricanes (8.3).

DEFENSE RECORDS THREE SHUTOUTS AND NEARLY FIVE MORE - The three shutouts recorded this season are the most in a single year since the 1956 season when Andy Gustafson's team also had three. The most in a single year is six, set during the inaugural 1926 season. Overall, Miami let up a touchdown or less in eight of 11 games this season. Along with the shutouts of Rutgers, Temple and Syracuse, West Virginia had just three points, followed by seven from Penn State, Troy State, Boston College and Washington.

DEFENSE GETS HIGH RANKINGS NATIONALLY - Most notably, the Hurricane defense leads the nation in scoring defense, allowing 9.36 points per game. The No. 2 team in scoring defense, Virginia Tech, allowed 13.4 points per game.

The Hurricanes also have the nation's top-ranked pass efficiency defense with a 75.60 rating. The No. 2 team, Nebraska, is at a 83.81 rating.

Individually, Edward Reed leads the nation in interceptions with nine. Reed re-wrote both the school and BIG EAST Conference interception records for picks and yards.

FINAL TWO HOME GAMES GO DOWN IN THE RECORD BOOKS - The Hurricanes final two home games of the 2001 season were victories against #13 Syracuse (59-0) and #12 Washington (65-7). The combined 124-7 score was the most in a two-game span for the Hurricanes all-time, the most in back-to-back games against AP-ranked teams. The 59-0 shutout over the Orangemen tied for the second-largest against an AP-ranked team, was the second-largest for Miami in BIG EAST play and tied for fifth all-time at Miami. The 65 points over Washington were the most given up by the Huskies since a 72-3 loss to California in 1921 and tied for the second-largest defeat since a 58-0 loss to Oregon in 1973.

as well. The last time two schools qualified for the College World Series and the football title game in the same year was in 1996 when Florida and Florida State qualified for the CWS then played each other for the football championship at the 1997 Nokia Sugar Bowl. The last time a team won both the baseball and football championships in the same season was the 1972 Southern California Trojans.

EDWARD REED SETS MIAMI AND BIG EAST INTERCEPTION RECORDS - Edward Reed's two interception at Virginia Tech, the 20th and 21st of his career, enabled him to surpass Bennie Blades (19, 1984-87) for the sole spot as the career record holder at Miami. The 21 career interceptions are also a BIG EAST career record ahead of West Virginia's Aaron Beasley (18, 1992-95).

Portis is the fifth player (six overall times) at Miami to reach the 1,000-yard single season plateau. The most rushing yards in a single season was Edgerrin James' 1,416 in 1998. James is the lone UM rusher to eclipse 1,000 yards twice in his career.
