## ARKANSAS STATE UNIVERSITY MISSION STATEMENT

We pursue and share knowledge within a caring community that prepares students in challenging and diverse ways to become more productive global citizens.

## ARKANSAS STATE ATHLETICS MISSION STATEMENT

Arkansas State University Athletics supports the university mission through our commitment to student-athletes in their pursuit of academic achievements, athletic accomplishments, social development and personal growth.

## ASTATEGUIDES.COM

The Arkansas State Department of Athletics unveiled its new online virtual media guide in 2010, launching the interactive publication on AStateRedWolves.com.

A-State Athletics partnered with DOC/DI Consulting to construct a virtual media guide intended to compliment AStateRedWolves.com and the printable versions of its reference guides created for each of its 16 NCAA Intercollegiate sports. The virtual guide not only highlights each A-State sport, it also makes information and videos detailing different aspects of the athletic department and university available in one central location for fans, alumni, media and prospective student-athletes.

The newest addition to AStateRedWolves.com can be found at the top of the home page under "virtual guides" and can also be accessed by going directly to AStateGuides.com. Visitors are greeted by an introduction from ASU Director of Athletics Dr. Dean Lee on a home page that allows viewers to easily navigate information about A-State Athletics and its individual sports.

**PRESS BOX:** The press box at ASU Stadium is a three-floor facility located on the west side of the stadium complex. It has elevator service to the two media levels (top and middle) used by working media representatives. The top level contains the photo deck and television booth, and the air-conditioned middle level houses sportswriters, statisticians and radio personnel. The press box is equipped with phone lines, high-speed internet connections and wireless internet service. Admittance to these levels is by special credentials issued only by the ASU Sports Information Department. The credential must be shown to the elevator operator.

**CREDENTIALS:** Requests with names should be made as far in advance as possible because of space limitations. Requests are honored from official media outlets. Requests from individuals not employed by a media outlet, including free lance photographers, will not be considered. Because of space limitations, some requests may be filled with a game ticket instead. Passes will be mailed to valid applicants as long as time permits; otherwise, they may be claimed at the "Media Will Call" window on the northwest side (press box side) at Gate 10. Spouses, dates, children (under the age of 18), and non-workers are NOT permitted in the press box. Passes must be displayed at all times during the game. ASU reserves the right to revoke passes and privileges at any time due to misrepresentation or misconduct. Credentials are not transferable. Direct ALL requests for home game credentials to the ASU Sports Information Department. Requests for road game credentials should be made to the Sports Information Director of the host institution.

**MEDIA WILL CALL:** If time does not permit to mail, credentials may be picked up at Media Will Call. The Ticket Office is open on game day beginning at 9:00 a.m. until two hours before kickoff. At that time, media representatives may pick up credentials by showing a photo ID at the stadium (Gate 10).

**PARKING:** Parking is available for the working media on the northwest grass lot of the stadium complex across the street from the ASU soccer field. Parking is on a first-come-first-served basis. Show the parking credential to the parking attendant and you will be allowed in the parking lot if space permits.

**PHOTOGRAPHERS:** ASU Stadium's lighting system is multi-vapor with a 100 candlepower rating and a color temperature of 3400 degrees Kelvin. Credentials are required to shoot from either the photo deck or the sidelines and are issued by the Sports Information Department. Certified photographers of newspapers, magazines, wire services and TV stations must request passes in writing. Credentials must be visible at all times. Freelance photography is prohibited. No credentials will be issued to freelance photographers. Photographers are not permitted to shoot between the 25-yard lines. No one is permitted in the bench area, on the playing field or in the 12-foot area between the limit line and the sideline any time after competition begins, including timeouts. Photographers working on the field level may not obstruct the view of a ticket purchaser. No media personnel or their equipment shall be in the team area or coaching box, and no media personnel shall communicate in any way with persons in the team area or coaching box.

**GAME SERVICES:** Programs, notes, reference guides, flip cards, statistics, quotes and play-by-play are provided. Six phones are available in the press box for media use, as is a fax machine. Books of all information will be available after the game. The Press Box refreshment bar, with complimentary soft drinks and snacks, is open before and throughout the game.

**LOCKER ROOM POLICY:** ASU's locker room is closed to all media both at ASU Stadium and on the road. The equipment room and athletic training room are off limits to the media. All media members will have access to any player or coach in the designated interview area on the third floor of the ASU Football Complex.

**PLAYER INTERVIEWS:** All telephone or in-person interviews with any of the players must be arranged through the Sports Information Office. No player telephone numbers or housing information will be given out, but arrangements will be made for players to return calls to media members at a mutually agreed upon time. When visiting practice sessions, media members are encouraged to conduct interviews with players after practice.

**PRACTICES:** Practices will be announced as open or closed through the ASU Sports Information Department. Video crews wishing to film practice must notify the Sports Information Office in advance. If TV crews wish to interview a player or coach, please notify the Sports Information Department.

# 2012 ARKANSAS STATE FOOTBALL

INTRODUCTION  
2012 OUTLOOK

As another football season approaches, the excitement surrounding the Arkansas State Red Wolves football program continues to escalate. There have been a number of changes over the last year, leading to an unprecedented level of anticipation for a new season to kickoff.

The Red Wolves enjoyed a successful 2011 campaign that saw them finish with a 10-3 record, including a perfect 8-0 mark in Sun Belt Conference play, to earn an invitation to the GoDaddy.com Bowl. ASU's 10 wins was its most as an FBS member and is tied for the fourth most in school history. The Red Wolves also became just the third Sun Belt Conference team to go undefeated in league play and claimed the SBC title outright for the first time in school history.

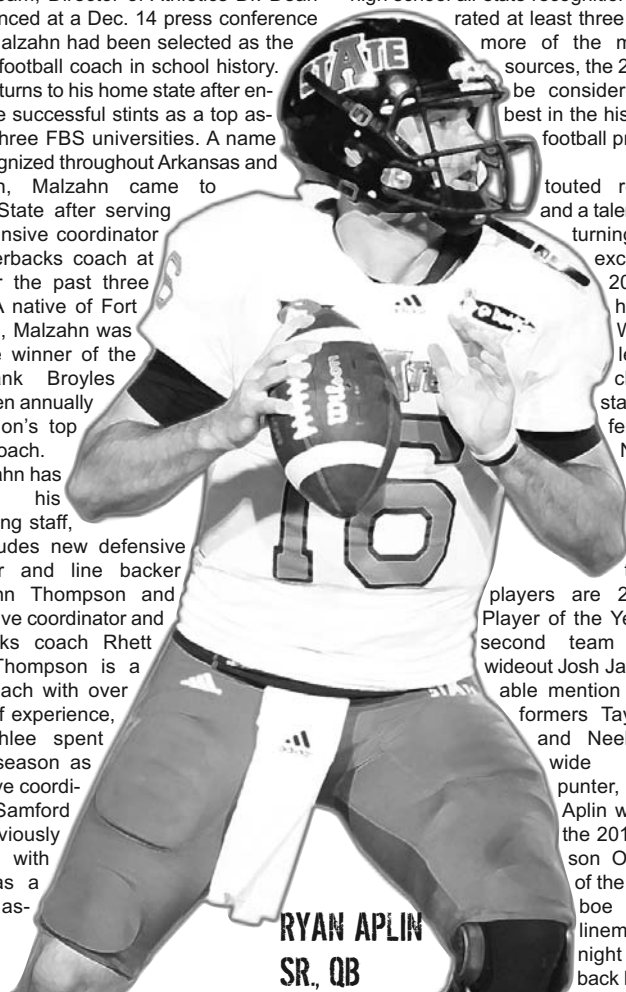

Building on the excitement garnered by the 2011 team, Director of Athletics Dr. Dean Lee announced at a Dec. 14 press conference that Gus Malzahn had been selected as the 28th head football coach in school history. Malzahn returns to his home state after enjoying three successful stints as a top assistant at three FBS universities. A name highly recognized throughout Arkansas and the nation, Malzahn came to Arkansas State after serving as the offensive coordinator and quarterbacks coach at Auburn for the past three seasons. A native of Fort Smith, Ark., Malzahn was named the winner of the 2010 Frank Broyles Award, given annually to the nation's top assistant coach.

Malzahn has assembled his first coaching staff, which includes new defensive coordinator and line backer coach John Thompson and new offensive coordinator and quarterbacks coach Rhett Lashlee. Thompson is a veteran coach with over 29 years of experience, while Lashlee spent the 2011 season as the offensive coordinator at Samford and previously worked with Malzahn as a graduate as-

sistant coach at Auburn. Other new faces on the coaching staff include running backs coach and special teams coordinator Elijah Drinkwitz, offensive line coach J.B. Grimes, safeties coach Brandon Hall, tight ends coach Dean Jackson, defensive line coach Kenny Ingram and wide receivers coach and recruiting coordinator Casey Woods. Veteran coach David Gunn remains on staff after serving as the interim head coach during the GoDaddy.com Bowl game and will coach cornerbacks.

Upon being named head coach, Malzahn immediately began working on his first recruiting class that included 27 high school and junior college standouts from eight different states. With a Parade All-American, Under Armour All-American, NJCAA All-American, 24 players that earned either junior college all-conference or high school all-state recognition and 18 players rated at least three stars by one or more of the major recruiting sources, the 2012 class could be considered one of the best in the history of the ASU football program.

With a highly-touted recruiting class and a talented corps of returning players, the excitement for the 2012 season is high. The Red Wolves return 52 lettermen, including six starters on an offense that ranked No. 24 in the nation and four on a defense that also ranked 24th. Among the returning players are 2011 Sun Belt Player of the Year Ryan Aplin, second team all-conference wideout Josh Jarboe and honorable mention all-league performers Taylor Stockemer and Neely Sullivent at wide receiver and punter, respectively. Aplin was also named the 2012 SBC Preseason Offensive Player of the Year, while Jarboe and, offensive linemen Zack McKnight and defensive back Don Jones were

also tabbed preseason all-conference.

Offensively, the Red Wolves return their leading passer, three of their top five rushers and four of their top five receivers that finished first in the Sun Belt Conference in total offense. ASU also returns starting tight end Kedric Murry and will look to McKnight to anchor an offensive line that was strong in the spring.

ASU returns four starters on defense, including 2011 All-Sun Belt Conference performer Nathan Herrold at linebacker. Sterling Young will anchor one of the safety positions, while Ryan Carrethers is expected to play a big role up front and Jones lead a talented secondary.

## QUARTERBACK

The Red Wolves are set at the quarterback position with All-America and Heisman candidate Ryan Aplin. The senior signal caller holds 16 schools records, and he is currently second in career total offense and passing yards, third in passing touchdowns and fifth in rushing touchdowns. He has been added to the Walter Camp, Manning, Davey O'Brien and Johnny Unitas Golden Arm preseason award watch lists. A-State also returns Phillip Butterfield, who missed the entire 2011 season with an injury. During the 2010 season, Butterfield averaged 5.7 yards per rush, while running and throwing for one touchdown.

## RUNNING BACKS

Sophomore running back Frankie Jackson returns after appearing in 12 of the Red Wolves' 13 games in 2011. As a freshman, Jackson ran for 355 yards and six touchdowns. He also caught 13 passes out of the backfield for 178 yards. Sirgregory Thornton should also push Jackson for playing time after

playing in just four games last season due to injury. He finished the season with a 6.8 yards per rush average, recording 120 yards on just 18 carries. Aplin was the team's leading rusher with 588 yards on 161 carries and scored 10 touchdowns. He finished the year with a 3.7 yards per rush average and averaged over 45 yards rushing per game. Transfer David Oku also figures to be in the mix after transferring from Tennessee. He was rated the nation's No. 1 all-purpose back in the 2009 signing class.

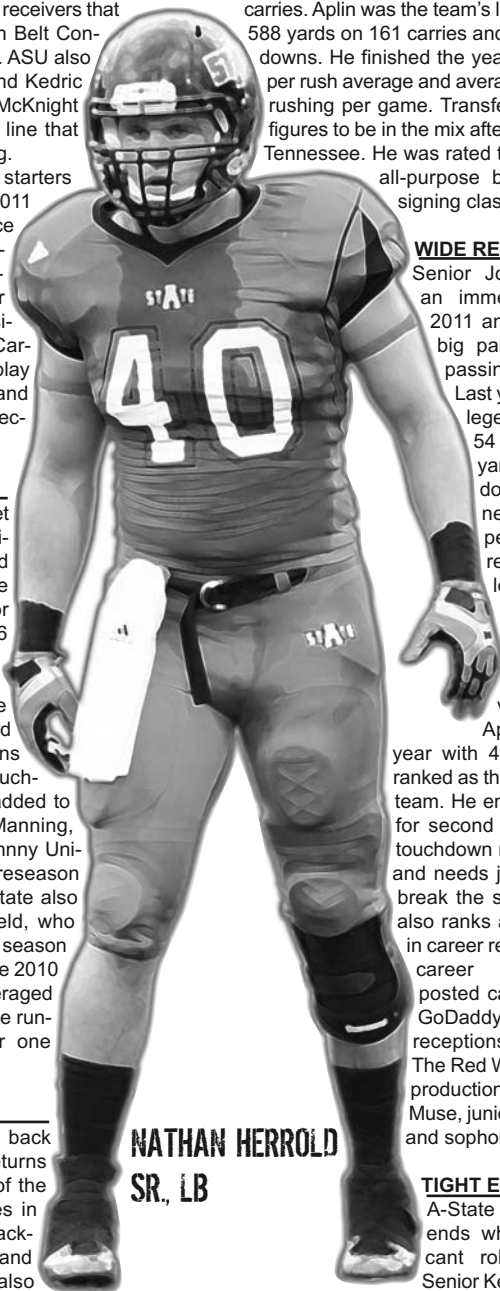

## WIDE RECEIVER

Senior Josh Jarboe made an immediate impact in 2011 and figures to be a big part of the A-State passing attack in 2012.

Last year, the junior college transfer hauled in 54 catches for 730 yards and two touchdowns. He averaged nearly 13.5 yards per catch and recorded a season-long reception of 71 yards against Memphis. Senior Taylor Stockemer became a favorite target for Aplin, finishing the year with 48 receptions that ranked as the third most on the team. He enters this year tied for second all-time in career touchdown receptions with 13 and needs just three more to break the school record. His also ranks among the top-10 in career receiving yards and career receptions. He posted career highs in the GoDaddy.com Bowl with 11 receptions for 185 yards. The Red Wolves also expect production from senior Allen Muse, junior Carlos McCants and sophomore Earl Lucas.

## TIGHT END

A-State returns two tight ends who played significant roles last season. Senior Kedric Murry started nine games and recorded nine receptions for 88 yards. Fellow senior Anthony Kinco also saw time at the tight end position and finished the

year with nine receptions for 91 yards and one touchdown. Both will be used in an H-Back role along with Andre Smith, who spent the 2011 season at quarterback. Smith spent the entire 2010 campaign at tight end, where he caught at least one pass in five games. Freshman Darion Griswold could see time at the traditional tight end position, along with sophomore Kenneth Rains.

team, and 3.5 sacks. Sophomore Qushaun Lee is the fourth leading tackler among all returning players and was a fourth team preseason All-Sun Belt selection by *Phil Steele's*. Junior LaAngelo Albright played in a reserve role last season and could see an increase in playing time in 2012, while senior Nick Nelms could see an elevated role as well.

## OFFENSIVE LINE

The offensive line will have a mix of returning talent and fresh faces in 2012. Preseason All-Sun Belt Conference selection Zack McKnight will anchor the line at tackle. He started every game for the Red Wolves last season. Junior Cliff Mitchell started 11 games and figures to be in the rotation again after helping ASU have the No. 2 ranked rushing offense in the SBC. Juniors Jake Campbell and Steven Haunga and senior Eric Allen could also see a rise in playing time.

## DEFENSIVE LINE

The Red Wolves return very important pieces too in juniors Ryan Carrethers and Amos Draper and senior Tim Starson. Carrethers led all interior defensive linemen with 29 tackles, including a career-high seven against Louisiana-Lafayette. He has been named as an *Athlon* second team and *Phil Steele's* third team preseason All-Sun Belt Conference choice. Starson played in 13 games at defensive end last season and posted career highs in tackles and tackles for loss. He recorded a career-high five tackles against North Texas and should be an important piece on ASU's defensive line.

## LINEBACKER

ASU will return standout Nathan Herrold, who earned second-team all-conference honors in 2011. The senior finished with 66 tackles, third most on the

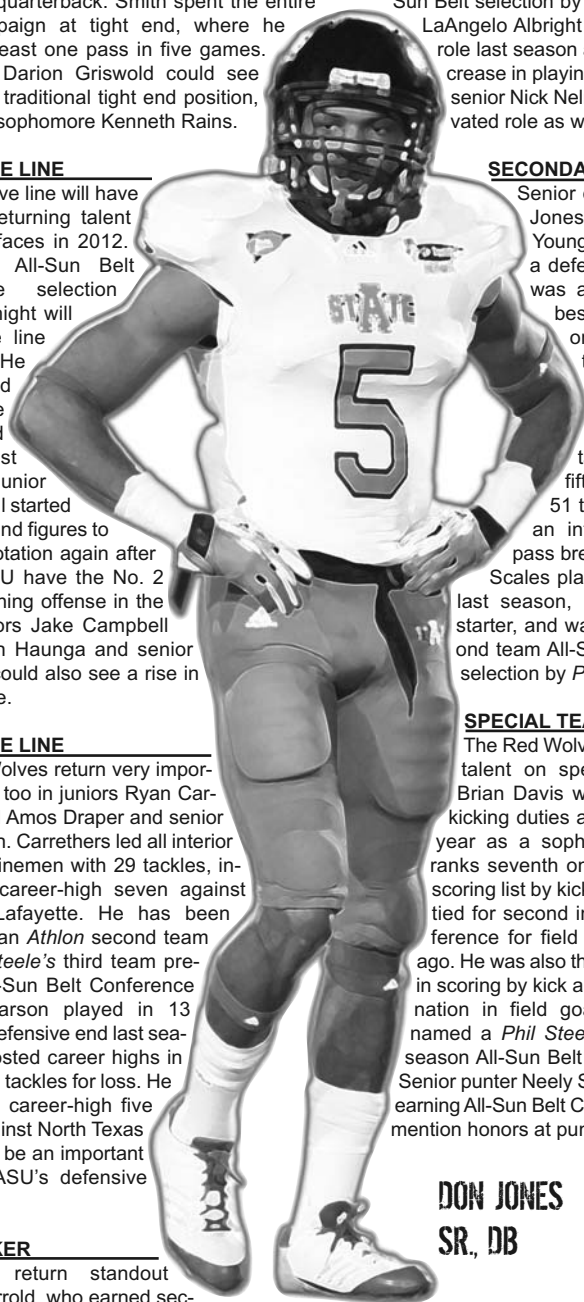

## SECONDARY

Senior defensive back Don Jones and safety Sterling Young will return to anchor a defensive backfield that was among the league's best in 2011. Jones has one interception and three pass breakups. He also had a sack and finished fourth on the team with 54 tackles. Young was fifth on the team with 51 tackles and also had an interception and two pass breakups. Senior Chaz Scales played in all 13 games last season, including two as a starter, and was a preseason second team All-Sun Belt Conference selection by *Phil Steele's*.

## SPECIAL TEAMS

The Red Wolves return a wealth of talent on special teams. Junior Brian Davis will handle the place kicking duties after having a career year as a sophomore. He already ranks seventh on the all-time career scoring list by kicking at ASU and was tied for second in the Sun Belt Conference for field goals made a year ago. He was also third in the conference in scoring by kick and was No. 23 in the nation in field goals made. He was named a *Phil Steele's* third team preseason All-Sun Belt Conference choice. Senior punter Neely Sullivent returns after earning All-Sun Belt Conference honorable mention honors at punter.

## 2012 ARKANSAS STATE FOOTBALL

Gus Malzahn was named the Red Wolves' 28th head football coach Dec. 14, 2011, bringing him back to his home state after most recently enjoying highly successful stints as a top assistant coach at three NCAA FBS universities that garnered national acclaim.

A name highly recognized throughout Arkansas and the nation, Malzahn comes to Arkansas State after serving as the offensive coordinator and quarterbacks coach at Auburn for the past three seasons. A native of Fort Smith, Malzahn was named the winner of the 2010 Frank Broyles Award, given annually to the nation's top collegiate assistant coach.

"The things I appreciate and the things I look at in the hiring process is that we want to hire a man of character, a man of integrity and a man of honor, and Coach Malzahn has all of those qualities and many more," said Lee. "He is going to do so many things outside of football for our student-athletes, and I know he shares a pride in the quality and substance of our student-athletes."

"This is a program on the rise, and when I initially talked with Dr. Lee discussing his vision of where this program is heading, that is when I knew that this was the place for me. I told the team to buckle up because we are about to take this thing to the next level."

"Arkansas State University is fortunate to attract a head football coach with the proven talent and personal integrity of Gus Malzahn," said ASU Interim Chancellor Dr. Dan Howard. "Throughout his coaching ca-

reer, he has achieved great success with inspiring and motivating young athletes. Coach Malzahn will lead the Red Wolves football program through a smooth transition and will work hard to ensure the best possible collegiate experience for our student-athletes. The university is extremely grateful to the Red Wolf Club and the private donors whose confidence and support made it possible to bring Coach Malzahn back to his home state of Arkansas. Intercollegiate athletic competition is a vital part of the university experience, and Coach Malzahn will help Arkansas State to continue building upon recent successes."

His innovative offense made an immediate and profound impact during his tenure at Auburn, highlighted by a record-setting offense in 2010 when the Tigers finished 14-0 and claimed the school's first national championship since 1957. The Auburn offense set nine school records, including points in a season (577), points per game (41.2), total yards (6,989), total offense (499.2), rushing yards (3,987), rushing touchdowns (41) and passing touchdowns (31). Malzahn's record-setting offense in 2010 led the Southeastern Conference and finished in the top 10 nationally in six statistical categories.

He coached Heisman Trophy winner Cam Newton during the Tigers run to the 2011 BCS National Championship. Under Malzahn's direction, Newton later became the overall No. 1 pick in the 2011 NFL Draft after producing one of the best single-season quarterback performances in collegiate history. Newton threw for 2,908 yards and 30 touchdowns, while rushing for 1,586 yards and an additional 20 touchdowns as Auburn finished 14-0 and defeated Oregon 22-19 in the BCS title game.

Newton also won the school's first-ever Davey O'Brien Award and Manning Award, given to the nation's top quarterback. He also claimed the Maxwell Award presented annually to college football's top player, while also earning Associated Press National Player of the Year and SEC Offensive Player of the Year awards.

He helped lead the Tigers to a 7-5 record this season, which will include an appearance in the Chik-fil-A Bowl on Dec. 31. The Malzahn-led Auburn offense had four players named to the All-SEC Team, including sophomore running back Michael Dyer, junior tight end Philip Lutzenkirchen, senior offensive

2012 SEASON

lineman Brandon Mosley and junior running back Onterio McCalebb.

Malzahn's arrival in 2009 and style of offense marked a drastic turnaround from the 2008 season when Auburn struggled offensively. In a two-year period, the Tigers improved from a tie for 110th to 7th in the nation in scoring offense (from 17.3 to 41.2) and from 104th to 7th in total offense. It also took Auburn just six games in 2009 to score more

points than it did in all 12 games in 2008.

Before coaching at Auburn, Malzahn spent two seasons at Tulsa, coordinating a Golden Hurricane offense that finished first nationally in total offense in 2007 and 2008. Tulsa's offense in 2007 established nine team school records and 12 individual records. The Hurricane also set nine Conference USA team records, while Tulsa quarterback Paul Smith broke an NCAA record by throwing for at least 300 yards in 14 consecutive games.

Prior to his time at Tulsa, he coached one season at Arkansas, where he served as offensive coordinator, coached Heisman Trophy runner-up Darren McFadden and helped the Razorbacks finish fourth nationally in rushing offense at 228.5 yards per game. In fact, two of Malzahn's first three collegiate offenses ranked in the top 10 nationally in rushing, including the 2008 Tulsa team and 2006 Arkansas squad.

In 14 seasons as a high school head coach, Malzahn led seven teams to the state championship game and won three titles. Malzahn coached two quarterbacks, Josh Floyd and Rhett Lashlee, who set national passing records. Malzahn also tutored 2005 Gatorade, Parade Magazine and Rivals.com National Player of the Year Mitch Mustain at Springdale High School.

Malzahn is married to the former Kristi Otwell and they are the parents of two daughters, Kylie (23) and Kenzie (20).

Lashlee comes to ASU after serving as the offensive coordinator and quarterbacks coach in 2011 at Samford, where he installed a high-tempo offense that improved the Bulldog's national ranking in total offense from No. 57 in the nation to No. 36 over the course of just one year. Samford's offense averaged 17 points per game the year prior to Lashlee's arrival, but put 28 points per game on the scoreboard in 2011 to help the Bulldogs improve their record from 4-7 to 6-5.

Under Lashlee's direction, Samford averaged 391 yards per game just one year after averaging 355. The Bulldogs also averaged 255 passing yards per game to rank No. 45 nationally, while they were ranked No. 72 in 2010 with 179 yards per game. Lashlee's offense also averaged 166 rushing yards per game, good enough to rank among the top 50 teams in the nation as well.

The Bulldogs posted a 4-4 Southern Conference record in 2011, matching their best ever as a member of the league. Samford broke the school record for points scored in a league game with 52 against Western Carolina as Lashlee helped the school jump from No. 100 in the nation in scoring offense to No. 43.

Lashlee coached Samford wide receiver Kelsey Pope, who broke the school record for receptions in a game with 17 in 2011. Under Lashlee's leadership, quarterback Dustin Taliaferro broke Samford's career record completions during the 2011 campaign as well.

Lashlee has spent five of the last eight seasons working closely with Malzahn and his offense in a variety of capacities, including the 2009 and 2010 seasons as an offensive graduate assistant at Auburn.

He assisted Malzahn with all aspects of the offense and coached the slot receivers in 2010. In 2009, the Tigers finished 8-5 winning the Outback Bowl. During the 2010 season he helped the Tigers finish 14-0, winning the Southeastern Conference championship and the BCS National Championship behind Heisman Trophy winning quarterback Cam Newton.

Prior to working at Arkansas, he worked under Malzahn at Springdale High School

in Arkansas in 2004 and 2005, working with the quarterbacks and 2005 Gatorade, Parade Magazine and Rivals.com National Player of the Year, Mitch Mustain.

Lashlee was a backup quarterback at the University of Arkansas from 2002-04, when his career was cut short due to a shoulder injury.

Prior to attending Arkansas, Lashlee graduated from Shiloh Christian high school in Springdale, Ark. in 2002. He played quarterback for Malzahn and Chris Wood at Shiloh Christian High School from 1999-2001, posting a state-record 40 career wins (40-3-2 as a starter) while leading his team to three straight state championship game appearances that included two state titles. He was also named the 2001 AP Arkansas Player of the Year. To date he still owns virtually every state passing record and when his career had finished he had broken the national record for career touchdown passes (171), career touchdowns (200), most passing yards in a game (672) and was second with 13,201 passing yards.

Cornerbacks • 11th Year  
Arkansas, 1987

David Gunn enters his 11th season as an assistant coach at Arkansas State. Gunn will coach defensive backs in 2012, after spending his first 10 seasons as the Red

Wolves running backs coach.

Gunn also held the role of Director of Player Development in 2011, the same season he served as the Red Wolves' Interim Head Coach for the Go-Daddy.com Bowl.

Over the last 10 seasons, Gunn has coached three All-Sun Belt Conference selections and two of the Red Wolves' top three all-time leading rushers. Under Gunn's watch, ASU has had a running back named the Sun Belt Conference Offensive Player of the Year and the league's Freshman of the Year.

Since arriving at ASU in January 2002, Gunn has overseen some powerful performances coming out of the A-State backfield. ASU's most recent back to attack the ASU record books is Derek Lawson, a senior who is currently ranked 13th in career rushing yards and needs just 92 yards to become the 12th player in school history to rush for 2,000 yards.

Arnold, A-State's featured back from 2006-09, was listed as a Doak Walker Award candidate entering the 2007, 2008 and 2009 seasons. Arnold entered his senior year as the third leading active rusher in the NCAA and finished his career as ASU's second all-time leader in total rushing yards and tied for second in rushing touchdowns. Arnold piled up numerous awards, including All-Sun Belt Conference honors three times.

Gunn's first season featured Danny Smith, who broke ASU's all-time rushing record which had stood for 50 years. Gunn proudly watched Smith receive Sun Belt Conference Offensive Player of the Year Honors. A unanimous pick for first-team all-conference, Smith ended up scoring 14 touchdowns while picking up 1,390 yards.

Then, Antonio Warren and Shermar Bracey churned out extraordinary rushing totals and signed contracts with teams in the National Football League. In fact, Warren finished his career as ASU's third all-time leading rusher with 3,040 yards.

Prior to joining the ASU staff, Gunn served as the head coach for Little Rock McClellan High School and took his team to the 2001 AAAAA playoffs. Gunn was the head coach at McClellan for five seasons (1996-2001), taking the Crimson Tide to the playoffs twice.

Prior to that, he served as the boys head track coach at Watson Chapel High School in Pine Bluff. While at Watson Chapel from 1991-95, he also served as the running backs and defensive backs coach and helped that team go to the AAA playoffs three straight years and won the 1996 state cham-

ionship.

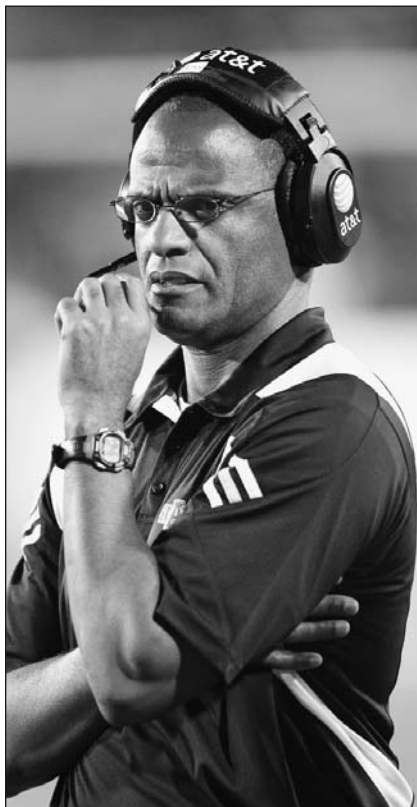

That was the second stop at Watson Chapel for Gunn, who began his career as the linebackers and wide receivers coach from 1987-89.

Gunn, a native of England, Ark., who excelled in football, basketball and track at England High School, has also coached at Lake Highlands High School in Dallas, Texas, where he coached running backs and helped his team to a 1990 conference title.

After graduating from England High School in 1982, he attended the University of Arkansas, where he played defensive back and running back from 1982-87.

As a Razorback player, he played in the 1984 Liberty Bowl and the 1987 Orange Bowl. He graduated in 1987 with a bachelor's degree in physical education and biological science.

Sun Belt's Top Class

First-year Arkansas State head football coach Gus Malzahn announced on National Signing Day that 26 high school and junior college standouts from eight different states signed with the Red Wolves.

With a *Parade* All-American, Under Armour All-American, NJCAA All-American, 23 players that earned either junior college all-conference or high school all-state recognition and 18 players rated at least three stars by one or more of the major recruiting sources, the 2012 class could be considered one of the best in the history of the ASU football program.

Arkansas State had the top-rated class in the Sun Belt Conference by *Rivals.com*, *Scout.com*, *ESPN.com* and *247Sports.com*.

The Red Wolves' first recruiting class under Malzahn is made up 22 high school players and five junior college transfers. ASU also signed FBS-transfers Michael Dyer (RB) and Travis Bodenstein (OL), while former Tennessee running back David Oku signed with ASU during the off-season.

The Red Wolves signed five offensive linemen, the most among any position, and have signed 11 players expected to play on the offensive side of the ball. Including three defensive ends and four interior defensive linemen, A-State inked 12 defensive players and an additional four players listed as athletes that could potentially play on either side of the ball.

Eleven players from Arkansas are included in the class, followed by five from Texas, four from Alabama, four from Mississippi, three from Kansas and one each from Georgia, Oklahoma and Tennessee. The 11 players from Arkansas, which includes Bodenstein, are the most to join the Red Wolves in an incoming class since the 2005 season.

## RED WOLVES IN THE PROS, SUPER BOWL

There has been at least one Red Wolf on 31 of 32 NFL teams so far. The only team yet to have a former ASU player is the Carolina Panthers, and defensive back Darren Toney signed a rookie free agent contract with them in 2009. The team most frequented by ASU alums are the Philadelphia Eagles and New York Jets with 11 each. The Dallas Cowboys and the Chicago/ St. Louis/Phoenix Cardinals are next with nine. The Miami Dolphins have had eight Red Wolves play for them and the Denver Broncos follow with seven former Red Wolves.

Arkansas State has had more than 100 players sign pro contracts. From Clifton Mack in 1939 to Demario Davis in 2012, the Red Wolves have a very long tradition of developing players that move on to the next level. In fact, A-State has had a player taken in the NFL Draft each of the last six years. Many players have gone on to very long and successful careers at a number of different levels.

A total of seven former players for ASU have played in the Super Bowl, and six coaches have experience in pro football's biggest event.

Most recently, Super Bowl XLVIII presented an especially intriguing match-up for Arkansas State fans with four coaches, including Pittsburgh head coach Mike Tomlin, participating that have ties to ASU's football history.

The road to Super Bowl XLVIII for Tomlin and two others on the Steelers' coaching staff, linebackers coach Keith Butler and wide receivers coach Randy Fichtner, went through Jonesboro in the mid-to-late 1990's as assistant coaches on the Arkansas State staff. Tomlin, Butler and Fichtner were back in the Super Bowl last year, along with David Johnson, former ASU tight end taken by the Steelers in the 2009 NFL Draft.

Working on the opposite sideline in Super Bowl XLVIII was Arizona assistant coach Maurice Carthon, who played running back at Arkansas State from 1979-82. Carthon also played in Super Bowls XXI and XXV for the New York Giants, brought home a pair of championship rings, and was an assistant coach on the 1996 Super Bowl runner-up New England Patriots in Super Bowl XXXI.

Prior to Johnson, the most recent former ASU player to compete in the Super Bowl was A-State record-holding punter Kyle Richardson, who was on the World Champion Baltimore Ravens in Super Bowl XXXV.

Ray Perkins, former ASU head football coach in 1992, played in Super Bowls III and V with the Baltimore Colts, and was the offensive coordinator for the New England Patriots in Super Bowl XXXI.

LB Bill Bergey and RB Leroy Harris played in Super Bowl XII with the Philadelphia Eagles.

DB Oren Middlebrook (who went by Orna while at ASU) played in Super Bowl XII for the Denver Broncos. Former assistant coach Dennis "Dirt" Winston played in four Super Bowls (IX, X, XIII, XIV) with the Pittsburgh Steelers.

## 2012 GODADDY.COM BOWL

### 2012 GODADDY.COM Bowl

Jan. 8, 2005 at Mobile, Ala. (Crowd: 38,374)

Arkansas State.....	13	0	0	7	—	20
Northern Illinois.....	7	14	7	10	—	38

**HIGHLIGHTS:** Arkansas State jumped out to an early 13-0 lead in the first quarter behind a pair of field goals from Brian Davis and a 2-yard touchdown from Ryan Aplin, but the Huskies rallied by scoring four straight touchdowns. Taylor Stockemer pulled ASU within 31-20 with a 16-yard touchdown reception in the fourth quarter, but the Huskies Dechan Durante put the game away with a 36-yard interception. Stockemer set a career-high with 11 catches for 185 yards and a touchdown.

### 2005 NEW ORLEANS BOWL

Dec. 20, 2005 at Lafayette, La.\* (Crowd: 18,338)

\*Game moved to Lafayette, La. due to Hurricane Katrina

Arkansas State.....	0	10	9	0	—	19
Southern Mississippi.....	0	10	14	7	—	31

**HIGHLIGHTS:** The game's score was knotted throughout the third quarter until USM QB Dustin Almond connected on a 29-yard touchdown pass to Shawn Nelson late in the third quarter and another six-yard score to Nelson in the fourth to seal the win for the Golden Eagles. The Indians scored on a 44-yard field goal by Eric Neihouse, a Nick Noce four-year run, a two-yard pass from Noce to tight end Manuel Burton and a safety.

### 1987 DIVISION I-AA PLAYOFFS QUARTERFINALS

December 5 at Cedar Falls, Iowa (Crowd: 6,100)

Arkansas State.....	7	7	14	0	—	28
Northern Iowa.....	6	15	7	21	—	49

**HIGHLIGHTS:** Northern Iowa cashed in four lost ASU fumbles—three into touchdowns—while amassing 530 yards of offense in a game closer than the score indicates. Carl Boyd was all over the place for the Panthers, collecting 124 ground yards and catching several drive-saving passes. It was a see-saw affair for awhile, with A-State's last lead at 28-21 late in the third quarter. UNI dominated in the fourth quarter, as A-State miscues handed the Panthers two easy scores.

### 1987 DIVISION I-AA PLAYOFFS (FIRST ROUND)

November 28 at Jackson, Miss. (Crowd: 7,500)

Arkansas State.....	0	0	14	21	—	35
Jackson State.....	10	0	7	15	—	32

**HIGHLIGHTS:** A wild finish, including five second-half touchdowns (in seven total possessions), lifted the Indians, who had fumbled away three chances in the opening stages. In that almost swap-out second half, ASU scored on a 62-yard ground-based drive, a 35-yard pass (Dwane Brown to Fred Barnett), an 11-yard end-around (Barnett) to culminate a 75-yard drive, a 30-yard guard-around (Kenneth Nelson) to end a 52-yard drive and a 62-yard interception return (Stacey McGee). ASU collected 306 yards on the ground; JSU managed 283 of its 397 through the air.

### 1986 DIVISION I-AA CHAMPIONSHIP

December 19 at Tacoma, Wash. (Crowd: 4,419)

Arkansas State.....	7	0	8	6	—	21
Georgia Southern.....	10	16	15	7	—	48

**HIGHLIGHTS:** Tracy Ham was too much for A-State on the artificial turf in the Tacoma Dome. He rushed for 180 yards and passed for 306 in one of the greatest quarterback exhibitions ever against an Indian team. The defending national champ Eagles averaged 7.5 yards per play and controlled the ball nearly 36 minutes. ASU fumbled on the second play of the game, and GSU converted that miscue into a TD. The rest was all downhill for the Eagles, who scored on all six of their first-half possessions. Fullback Richard Kimble of ASU had 134 yards rushing.

### 1986 DIVISION I-AA SEMIFINALS

December 13 at Jonesboro (Crowd: 10,500)

Eastern Kentucky.....	0	7	3	0	—	10
Arkansas State.....	7	7	7	3	—	24

**HIGHLIGHTS:** Defense was the key for ASU, which forced six turnovers, allowed only two third-down conversions, notched three sacks and stopped the Colonels five times inside the Indian 30. Linebacker Dan Miller led the way with 14 tackles, 2 interceptions and 2 tipped passes. Despite fumbling on the first play, Richard Kimble netted 95 yards rushing (filling in for the injured Rickey Jemison). EKU's only TD came after an A-State fumble.

### 1986 DIVISION I-AA QUARTERFINALS

December 6 at Newark, Del. (Crowd: 12,018)

Arkansas State.....	21	10	7	17	—	55
Delaware.....	7	7	0	0	—	14

**HIGHLIGHTS:** Fullback Rickey Jemison rushed for a career-high 159 yards and scored two touchdowns as ASU accumulated 646 yards of offense (526 on the ground) while averaging 8.1 yards per play. Delaware collected 421 yards but had trouble scoring in what was the worst home defeat (41 points) in Blue Hen history.

### 1986 DIVISION I-AA PLAYOFFS (FIRST ROUND)

November 29 at Jonesboro (Crowd: 4,500)

Sam Houston State.....	7	0	0	0	—	7
Arkansas State.....	7	13	21	7	—	48

**HIGHLIGHTS:** A-State scored on eight of its first 11 possessions and was never headed. The Bearcats couldn't match a wishbone which totaled 154 yards. Fullback Rickey Jemison led the way with 197 on the ground, but the ASU defense did a number, too, limiting SHSU to only three drives longer than 17 yards.

## 1985 DIVISION I-AA QUARTERFINALS

December 7 at Reno, Nev. (Crowd: 10,241)

Arkansas State	.....7	3	0	13	—	23
Nevada-Reno	.....0	7	17	0	—	24

**HIGHLIGHTS:** A couple of muffed field goal chances in the closing seconds prevented ASU from overcoming a 24-10 deficit in a blizzard. The Indians, who led, 10-7, at halftime, also fumbled away an opportunity on the six and missed an extra point and 48-yard field goal—all in the final quarter. A 17-point third period was the difference for UNR, which posted its eighth straight win. Quarterback Eric Beavers threw 49-yard (to Calvin Sailles) and 15-yard (to Thai Ivery) TD passes, and Marty Zendejas kicked a 46-yarder in that decisive quarter. ASU, which had the ball 37 minutes and totaled 407 yards and 23 first downs, had 84 rushing yards from Rickey Jemison and 95 passing yards from Dwane Brown.

## 1985 DIVISION I-AA PLAYOFFS (FIRST ROUND)

November 30 at Jonesboro (Crowd: 8,730)

Grambling	.....0	0	0	7	—	7
Arkansas State	.....0	7	0	3	—	10

**HIGHLIGHTS:** Frank Richards' 25-yard field goal with five seconds left was the margin of difference on muddy turf. The Indians maintained the ball for 37 minutes and tallied 27 first downs but had trouble crossing the goal line. Rickey Jemison scored the only ASU TD on a one-yard plunge in the second quarter after Ray Brown's guard-around play moved the ball 25 yards to the one. Jemison had 94 yards on 28 carries, and Dwane Brown threw for 114 yards. ASU's defense limited Grambling to six first downs and 154 total yards.

## 1984 DIVISION I-AA QUARTERFINALS

December 1 at Bozeman, Mont. (Crowd: 12,037)

Arkansas State	.....7	7	0	0	—	14
Montana State	.....0	7	7	17	—	31

**HIGHLIGHTS:** Sophomore Kelly Bradley passed for three touchdowns to rally MSU to a come-from-behind triumph. Bradley completed 27 of 47 passes for 313 yards, including TD tosses of 6 and 12 yards to Dasin Dietrich. ASU's only scores came on 25-yard and 45-yard interception returns by strong safety Billy Ray Bowers. Fullback Rickey Jemison had 100 rushing yards on 21 carries, but the Indians suffered from five lost fumbles and an interception on the frozen turf.

## 1984 DIVISION I-AA PLAYOFFS (FIRST ROUND)

November 24 at Jonesboro (Crowd: 10,872)

Tennessee-Chattanooga	.....0	3	0	7	—	10
Arkansas State	.....6	17	7	7	—	37

**HIGHLIGHTS:** Two flashy scores in the final 24 seconds of the first half propelled the Indians to success—a 24-yard guard-around run by Farrell Wilson and a 57-yard interception return by I.J. Chapman. The Indians kept the ball for over 36 minutes while rolling up a 30-3 lead after three quarters. Rickey Jemison's 78 rushing yards led an attack also featuring Dwane Brown's 116 passing yards. ASU's Marvin Neloms recorded three quarterback sacks.

## 1970 PECAN BOWL

December 12 at Arlington, Tex. (Crowd: 9,500)

Arkansas State	.....3	14	7	14	—	38
Central Missouri State	.....0	7	0	14	—	21

**HIGHLIGHTS:** ASU amassed 509 yards of offense, thanks to 244 passing yards by James Hamilton and 135 rushing yards by Calvin Harrell. Chet Douthit landed two of Hamilton's three TD passes. Dennis Meyer contributed by intercepting a pair of CMSU tosses.

## 1969 PECAN BOWL

December 15 at Arlington, Tex. (Crowd: 7,500)

Arkansas State	.....7	15	0	7	—	29
Drake University	.....0	0	13	8	—	21

**HIGHLIGHTS:** Backup quarterback Bubba Crocker took over when regular James Hamilton was injured early in first quarter and masterfully directed the victory. He threw for two TDs, ran for another and scored a two-point conversion as the Tribe ran up a 22-0 halftime lead. Calvin Harrell supplied the muscle with 160 rushing yards on 34 carries.

## 1968 PECAN BOWL

December 14 at Arlington, Tex. (Crowd: 7,200)

North Dakota State	.....9	14	0	0	—	23
Arkansas State	.....0	0	0	14	—	14

**HIGHLIGHTS:** Paul Hatchett plowed for 106 yards on 25 carries to spark NDSU, which took 9-0 record into the game. The Bison recovered an early fumble on ASU's 17, took it in three plays later and proceeded to a 23-0 halftime edge. James Hamilton, who passed for 173 yards, ran for a couple of fourth-period Indian scores, but they were too little and too late.

## 1954 TANGERINE BOWL

January 1 at Orlando, Fla. (Crowd: 12,976)

Arkansas State	.....7	0	0	0	—	7
East Texas State	.....0	0	0	7	—	7

**HIGHLIGHTS:** ETSU, heavily favored with the nation's longest win streak at 29 straight, had to march 61 yards in the four period to manage the tie. ASU had scored in the first quarter on a 20-yard Bobby Spann to Jim Turley pass. Dan Spensieri intercepted an ETSU pass in the final period and appeared on the way to scoring with it but dropped the ball out of bounds at midfield.

## 1952 REFRIGERATOR BOWL

December 7 at Evansville, Ind. (Crowd: 9,500)

Western Kentucky	.....0	14	13	7	—	34
Arkansas State	.....6	0	0	13	—	19

**HIGHLIGHTS:** The Hilltoppers overcame an opening 73-yard drive on ASU's first possession to improve their record to 9-1. They scored 34 unanswered points before a pair of fourth quarter ASU touchdowns made it more respectable. ASU had to play without All-America halfback Richie Voit, sidelined with a broken ankle.

## 1952 TANGERINE BOWL

January 1 at Orlando, Fla. (Crowd: 12,500)

Stetson University	.....7	0	21	7	—	35
Arkansas State	.....7	6	0	7	—	20

**HIGHLIGHTS:** All-America quarterback Bill Johnson connected for three TD passes with Dave Laude to help the Hatters overcome a 13-7 ASU halftime lead. Stetson was limited to 50 yards offense and 3 first downs in first half, but made up for it thereafter.

## 1951 REFRIGERATOR BOWL

December 2 at Evansville, Ind. (Crowd: 10,000)

Arkansas State	.....12	7	7	20	—	46
Camp Breckinridge	.....0	6	0	6	—	12

**HIGHLIGHTS:** Richie Voit rushed for 166 yards and 3 TDs to spark ASU, which wound up with 582 yards of offense. Rudy Wagner and Buzzy Gebert scored twice each for the Tribe, which was the highest scoring team and No. 2 defensive team in the nation.

In 2002, players and coaches moved into a new three-story complex which features office space for coaches, dressing rooms, meeting rooms and a players' lounge.

These rooms are also

utilized as suites for use during games, academic study areas, conference rooms, alumni functions, booster meetings, recruiting and other gatherings.

It also houses the Bill Templeton Recruiting Room.

The complex is not just the three-story building, but also ASU Stadium and the surrounding parking areas, practice fields and concession stands.

On the ground floor are locker rooms, a player lounge area and the entrance to the weight room. Coach Malzahn and his staff can be found at the complex with offices and video areas located on the second floor. The top floor includes meeting rooms which are converted into suites on game day.

Suite holders enjoy watching the Red Wolves play football from inside or from the balcony. Televisions are mounted throughout the suite and on the balconies to capture and show replays.

The structure complements the million dollar video scoreboard constructed in 2001. This massive structure is located in the south end zone.

The former football complex now houses academic and student services, compliance and some sports offices.

# 2012 ARKANSAS STATE FOOTBALL

An ASU Stadium-record crowd of 30,427 was on hand to watch the Red Wolves play long-time rival Memphis on Sept. 18, 2004.

When Arkansas State's football team took the field for its 2010 home opener, it was on a new and upgraded state-of-the-art GEO Surfaces field turf.

ASU originally transitioned from a grass field to an artificial playing surface prior the 2006 season. Like the original field turf installed five years ago, the new Geo-Surfaces product still features a large A-State logo in the center of the field and red end zones with large white "ARKANSAS STATE" lettering.

However, the new product has an enhanced look with the addition of two Red Wolves logos, two Sun Belt Conference logos and a black trim that will outline the field. The Red Wolves and Sun Belt Conference logos are located on each 25-yard line.

The newest Geo-Surfaces field turf is slightly thicker than the previous product and also includes a sand base for the first time in addition to the no-flyout rubber that was again put in place.

The multi-use surface provides year-round training opportunities for other ASU sports in addition to the school's football program.

ASU Stadium features a three-story press box, which includes a large suite for fans on the first floor, houses the media on the second floor and has a photo and film deck on level three.

INTRODUCTION  
2012 SEASON

One of the most impressive aspects of Arkansas State's Football Complex is the strength and conditioning program and the weight room. Success on the football field begins in the weight room, and ASU has one of the best.

ASU's athletics department moved one huge step closer to achieving its goal of a new Performance Enhancement Complex when a gift of \$250,000 from longtime supporters Boe and Myrna Adams of Leachville was presented to Dr. Dean Lee in March 2004.

The single donation equals the second largest ever given to the athletics program at ASU.

"Thanks to the generous support of Boe and Myrna Adams, we will be able to provide an ultramodern facility for our student-athletes to have proper training and workouts enabling them to reach their full potential," said Dr. Lee.

Upon completion of ASU's three-story football complex, improvement to the current strength and conditioning area was the next step.

Enhancements to the structure included connecting it to the football building through complementary architectural design as well as providing services for student-athletes in the classroom through computer labs, study areas and academic support staff.

Behind the efforts of John Arce, ASU's strength and conditioning coach, the new area is in use to help ASU's student-athletes become bigger, stronger and faster.

"We are so grateful for this gift from Boe and Myrna Adams and their continued support of ASU athletics," said Dr. Lee.

Arkansas State University took another step to achieving its goal of a total Performance Enhancement Complex when a gift of \$250,000 was presented by Dr. Tim and Terri Langford in September 2004.

The donation equals the second largest single donation ever given to the athletics program at ASU. Longtime supporters Boe and Myrna Adams made an equal contribution to the Performance Enhancement Complex March 4, 2004.

Because of the Langford's generous gift, the Athletic Training Program located in the Football Facility has been enhanced considerably. The furnished and refurbished training room is now named the Tim and Terri Langford Sports Medicine Center.

"We are honored that Tim and Terri so generously agreed to assist us with our Sports Medicine Center," said ASU Director of Athletics Dr. Dean Lee. "This state-of-the-art facility allows us to better manage the health and safety of our student-athletes through the prevention and treatment of injuries.

"Tim and Terri have served as exceptional ambassadors for this University and represent the absolute best that ASU has to offer. Tim has been a role model for our program since he enrolled here in 1979 through his athletic, academic and leadership abilities."

In fact, Langford was recently named as one of the Sun Belt Conference's distinguished alums during the league's first 31 years. Langford was also inducted into ASU's Ring of Honor during the 2008 football season.

Langford, a urologist in Little Rock with Arkansas Urologists Associates, played quarterback for ASU from 1980-83 under former head coach Larry Lacewell. His wife, Terri, is a former physical therapist and received part of her physical therapy training at Arkansas State.

The sports medicine department expanded into the former Red Wolves football team locker room. This conversion increased available athletic training work space from 700 square feet to over 2,800 square feet. Other training centers in the Convocation Center, Tomlinson Stadium and the Track and Field Complex serve to complement this primary space and provide frontline care for practices and events.

The Tim and Terri Langford Sports Medicine area has undergone recent changes and construction and is in use. The project included new tables, flooring, ceiling, paint and offices.

ASU student-athletes, who already receive great medical care, enjoy plenty of room and quality surroundings.

Larry Lacewell Locker Room. It has a familiar ring to it. In May 2004, ASU's Department of Athletics named the football locker room after one of the school's most beloved former head football coaches and athletic directors - Larry Lacewell. In a star-studded event, sports celebrities and fans came to honor and pay tribute to Lacewell, who recently retired from the NFL's Dallas Cowboys organization and made his home in Jonesboro.

The event netted in excess of \$60,000. In a surprise move which caught athletic administrators totally off guard, Cowboys owner Jerry Jones announced that the Cowboys' organization would match that number.

Now, the locker room is a nice compliment to the rest of the football complex, a place the players can call their own.

A plaque (left) marks the entrance into the Larry Lacewell Locker Room. The plaque is flanked by the Larry Lacewell Locker Legends Plaque.

Larry Lacewell was joined by a number of his former ASU players for the "Larry Lacewell Era Reunion", held in conjunction with an ASU football game during the 2006 season.

The Arkansas State University Athletic Department announced the largest single donation in its history, a \$400,000 gift from Charles Luter that is being used to enhance the athletic academic facility, at a press conference held at the newly named Charles F. Luter Family Academic Success Center in September of 2008.

PLAYERS

"We are proud to announce the largest gift in the history of ASU Athletics of \$400,000, and we are also proud to announce the renaming of this facility to the Charles F. Luter Family Academic Success Center," said ASU Director of Athletics Dr. Dean Lee at the press conference. "We have the great opportunity to announce the completion of what we call the third phase of our performance enhancement complex. We previously had the Boe and Myrna Adams Strength and Conditioning Center, the Tim and Terri Langford Sports Medicine Center and now a vital and very important part of what we call the Academic Success Center.

IN  
REVIEW

"That is a very appropriate name for what we do here, because we have had a tremendous amount of academic success," Lee added. "We work extremely hard to build a culture where our student-athletes want to succeed not only in competition, but in the classroom, and they have done that."

OPPONENTS

Among ASU's most recent accomplishments was 173 student-athletes achieving a 3.0 grade point average for the 2011 spring semester, including 32 with a 4.0. There were also a school-record 186 members on the 2010 fall ASU Athletic Director's Honor Roll, and 40 of those student-athletes held a 4.0 to also set a school record. The spring numbers represented 54 percent of all ASU student-athletes, while the fall totals represented 56 percent.

HISTORY

The Charles Luter Family Academic Success Center serves as a foundation for structure, discipline and organization for the education of all ASU student-athletes. The facility, coupled with innovative programs and equipment, currently houses the academic support staff, tutors, computer labs, a resource room, study areas, tutorial rooms, small group study centers, a large conference room, the compliance office and spring sports coaching offices.

ACADEMIC  
SUCCESS CENTER

The athletic department came back on May 20, 2011 to hold a ribbon-cutting ceremony and open-house reception for to showcase some of the renovations that have occurred since the donation was made.

Among the most recent and noticeable modifications to the Charles Luter Family Academic Success Center is a new foyer housed in a brick and rock exterior that, along with new landscaping, gives the entrance to the building a modern look and creates a stronger image. The actual foyer has a large Red Wolves logo embedded in a terrazzo flooring that greets visitors as they enter the building. A receptionist office now also connects to the lobby area, which holds all-new furniture and a plaque recognizing Charles and his wife, Kay.

A restructuring of the academic resource center, now known as Dawson's Den, has occurred, including a wall-wrap celebrating academic success that is clearly visible for student-athletes working in the computer lab. Additionally, tutorial rooms and computer-work stations have been upgraded in this area, which also displays pictures of the most recent ASU graduates. The names of the latest members of the Athletic Director's Honor Roll are also showcased in Dawson's Den. The area is named after Scott and Kay Dawson, longtime supporters of Red Wolves' athletics.

Team photos have been hung and are displayed along the walls of the building, along with plaques displaying the all-time winners of the Terry Gwin and Scott and Kay Dawson Ambassador Awards, two of the highest honors and ASU student-athlete can receive.

Additional renovations are still scheduled, including a "Wall of Honor" that will recognize special student-athletes that come to Arkansas State and excelled in their business, in their profession, in their career or in their community.

Those who have not visited the campus of Arkansas State University in the last five or 10 years would be shocked at the school's appearance today. So much on campus is tied to athletics. ASU Stadium is the gathering site for Saturdays and excitement surrounding each game can be felt for miles. The sights, the smells, the sounds of football.

There is so much construction and new projects on campus. The school looks . . . and is . . . a modern educational institution that has kept up with technology and student needs as much, if not more, than most schools in the nation. A student center addition anchors the campus, and a new student recreation and wellness center was completed in fall 2009.

New campus housing has recently been completed, including a "Collegiate Park" apartment complex, coastal-type soft-colored housing throughout campus, and a new dorm. There is a new Alumni Center and construction of a new overpass connecting the campus to local businesses is about to become a reality. It's a new-look campus that is growing and improving each day.

Arkansas State University is an extremely valuable part of Northeast Arkansas and surrounding areas.

Arkansas State University was established April 1, 1909, as a "public school of agriculture" by Act 100 of the Arkansas General Assembly. It was located at Jonesboro because citizens of the city bid \$40,000 to the state and pledged 200 acres of land as a site.

After a century of growth, ASU-Jonesboro now has an annual budget of some \$122.6 million, owns more than 3,000 acres of land in five different counties, has a physical plant valued at almost \$200 million, and has an alumni roll exceeding 53,000.

ASU's rapid development over the years has been typical of other major universities in an emerging modern South. From an agricultural high school in 1909, to a junior college in 1918, to a four-year degree-granting institution in 1930, to a university in 1967, ASU has become regionally respected and nationally recognized for its qualities of teaching, research and service.

The ASU system includes campuses at Beebe (White County), Mountain Home (Baxter County), and Newport (Jackson County) where associate degree programs are offered, and at Marked Tree, Searcy and Heber Springs. An instructional site is located at Paragould.

The Jonesboro campus, which occupies 942 acres amid the gentle slopes of Crowley's Ridge in east Jonesboro, is located between the vast and fertile Mississippi River Valley and the cultural and scenic richness of the Ozark Mountains.

More than 10,000 students annually work toward degrees in 141 areas of specialization at the graduate and undergraduate levels. Fifteen undergraduate degrees are offered through the Colleges of Agriculture, Business, Communications, Education, Engineering, Fine Arts, Humanities and Social Sciences, Nursing and Health Professions, Sciences and Mathematics, and the University College. The Honors College was instituted July 1, 2004, evolving from the Honors Program.

# 2012 ARKANSAS STATE FOOTBALL

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of over 60,000, and is always ready to welcome incoming ASU students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and the Northeast Arkansas Symphony. One highlight is the annual Hispanic celebration when downtown Main Street is transformed into a festive explosion of Hispanic music, food and cultural activity.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless med-

ical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants. The \$100 million Mall at Turtle Creek recently opened with more than 100 stores.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The city and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.

And, Jonesboro, ranked by Forbes.com as the 27th "best small place to live" is a nice place to call home.

INTRODUCTION		<p>Success has been easy to find in recent years as well.</p>
2012 SEASON	<p>Formed in 1976 the Sun Belt Conference quickly rose to the greatest heights of collegiate athletics by sending a team to the NCAA Final Four in the league's first year of existence. Fast forward 36 years and the league again finds itself at the pinnacle of collegiate athletics as a member of the 11-league alliance of the Bowl Championship Series.</p>	<p>Since the 2007 football season, the Sun Belt Conference ranks fifth out of the 11 FBS conferences in postseason bowl game winning percentage. In fact, the Sun Belt Conference ranks ahead of noted "Big Six" leagues - the ACC, Pac-12 and the Big Ten. Furthermore, the Sun Belt Conference outpaces its non-automatic qualifying BCS partners in the WAC, Conference USA and the MAC.</p>
COACHES AND STAFF	<p>During the 2012-13 season the Sun Belt Conference's membership will consist of Arkansas-Little Rock, Arkansas State, Florida Atlantic, FIU, Louisiana-Lafayette, Louisiana-Monroe, Middle Tennessee, North Texas, South Alabama, Troy and Western Kentucky University. Ten of the 11 current Sun Belt members play football at the Football Bowl Subdivision (FBS) level.</p>	<p>The world has taken notice of the Sun Belt Conference as well. Proof of that comes as the league now has two automatic tie-ins to postseason bowl games. The R+L Carriers New Orleans Bowl agreement with the Sun Belt Conference ensures that a Sun Belt team will play in that bowl game through 2013 (the league has sent a team to that game every year since the game's inception in 2001). The Sun Belt Conference also recently signed an extension with the GoDaddy.com Bowl, played annually in Mobile, Alabama, that will ensure that a Sun Belt team plays in that bowl game through 2017.</p>
PLAYERS	<p>As the conference moves forward to the year 2013, the league will be comprised of 12 members with Arkansas-Little Rock, Arkansas State, Georgia State, Florida Atlantic, Louisiana-Lafayette, Louisiana-Monroe, Middle Tennessee, South Alabama, Texas-Arlington, Texas State, Troy and Western Kentucky University. The reformatted league will have 10 football playing members of the 12 total members. The league's new look will feature two evenly matched and geographically logical divisions divided into an East Division and West Division.</p>	<p>Over 95 percent of Sun Belt Conference teams earned a multi-year Academic Progress Rate (APR) of over 925 as the National Collegiate Athletic Association (NCAA) released its annual APR report recently. The most recent APR scores are based on a multi-year rate that averages scores from the 2007-08, 2008-09, 2009-10 and 2010-11 academic years. The Division I Board of Directors set cut scores of 925 and 900 (out of 1,000) as a threshold for teams to meet or face possible immediate and historical sanctions. In total, 95.2 percent of Sun Belt Conference teams earned a multi-year APR score over 925. Eight institutions had 100 percent of their programs score above the 925 mark, those institutions are: UALR, Denver, Florida Atlantic, Louisiana-Lafayette, Middle Tennessee, North Texas, Troy and Western Kentucky. The league's APR numbers are up compared to a year ago, as Sun Belt Conference institutions improved from 92.4 percent of all programs hitting the 925 threshold.</p>
2011 IN REVIEW	<p>Because of its status as a member of the Football Bowl Subdivision, the Sun Belt Conference has a permanent seat on the NCAA's 18-member Board of Directors. As a result, the conference has a crucial voice on some of the most pressing issues in college athletics and will always have a role in the implementation of any future NCAA legislation and guidelines.</p>	<p>Prominent Sun Belt alumni include NFL Hall of Fame football player "Mean" Joe Greene (North Texas) former All-Star baseball player Luis Gonzalez (South Alabama), former All-Star baseball player Mike Lowell (2007 MLB World Series MVP, FIU), former member of the United States Senate and House of Representatives John Breaux (Louisiana-Lafayette), country music superstar Tim McGraw (Louisiana-Monroe) and actor Andy Garcia (FIU).</p>
OPPONENTS	<p>The conference continues to utilize television to grow and promote the league and its member institutions. The Sun Belt Conference signed a new multi-year agreement with ESPN, Inc. in 2012 that will result in unprecedented national coverage for the league. Fans of the Sun Belt Conference can look forward to seeing more Sun Belt teams playing on national television on ESPN and ESPN2 and additionally the new ESPN deal will result in more coverage on ESPNU. Dr. Tim Hudson took office as the second chancellor of Arkansas State University in Jonesboro on May 1, 2012. He was appointed by Dr. Charles W. Welch, president of the Arkansas State University System, following a national search process.

Most recently Dr. Hudson was vice chancellor of the Texas Tech University System, after serving as special assistant to the chancellor for International Programs and Initiatives at the University of Houston System. From 2004 until 2010 he was president of the University of Houston–Victoria, following a two-decade career as a professor of economic development, program director, founding dean of the College of International and Continuing Education, and provost at the University of Southern Mississippi. Earlier in his career he was an analyst for the Bureau of Intelligence and Research in the U.S. Department of State.

At Arkansas State University he leads the campus executive team as the institution strives for progressive excellence in academics, research, fiscal management and student life.

Hudson earned a Bachelor of Arts degree in history and Latin American studies and a Master of Arts in geography from the University of Southern Mississippi. His PhD in geography is from Clark University in Worcester, Mass. He has written numerous scholarly works for national and international publications; a recent co-authored book focuses on multinational corporation subsidiaries in China (Chandos, Cambridge).

During his tenure as president of the University of Houston–Victoria, the campus experienced tremendous growth and development including: doubling enrollment and the number of fulltime faculty; exceeding external fundraising goals for five consecutive years; founding a new school of nursing and health professions, which earned full national accreditation on its initial petition; achieving AACSB International accreditation; and ranking first in Texas on the student satisfaction portion of the 2010 National Survey of Student Engagement.

Hudson is the recipient of two Fulbright Fellowships (Germany and Mexico), and an ITT International Fellowship to study in Colombia, South America. He also has developed and led more than 30 programs for U.S. students to study abroad and was awarded an honorary doctorate by London Guildhall University for his contributions to global literacy.

Hudson is married to Dr. Deidra “Dee Dee” Ransburgh Hudson, who holds a Master of Science in speech pathology from the University of Tennessee and a PhD degree in educational leadership from the University of Southern Mississippi. The Hudsons and their children, Gianna Grace, 14, and twins Daisy and Nathaniel, 10, will live in the ASU chancellor’s residence on Nettleton Avenue in Jonesboro.

Dr. Dean Lee is in his 11th year as Director of Athletics at Arkansas State University. He continues to restore the old and build new tradition at A-State while leading the Red Wolves to unprecedented levels of success.

The 2008 AAFF's Outstanding Athletic Director, Lee serves on the NCAA Men's Basketball Issues Committee, the BCS Athletic Directors Advisory Committee and the Division 1A Athletic Directors Association Board

of Trustees. He was recently named chair of the NCAA Women's Bowling Committee after spending the previous two years on the committee's Board of Director's. Lee was named chair of the Sun Belt Conference Athletic Director's Committee as well, and he is currently serving as a member of the SBC Executive Committee. Lee is associated with 27 national championships, nine bowl teams, five Final Fours and four national runners-up.

He has guided the athletic department to annual success academically and competitively, and ASU athletics is once again enjoying growth through a number of unique accomplishments and projects.

For instance, ASU took third place in the 2010-11 Bubs Cup standings, the Sun Belt Conference all-sports award, for its best results in over a decade. This came on the heels of a fourth-place finish the previous year, which marked a six-place jump in the standings.

The Red Wolves continue to upgrade their facilities with a new baseball scoreboard, renovations to the Charles Luter Family Academic Success Center and installation of a new state-of-the-art GEO Surfaces turf inside ASU Stadium. A-State also recently made first-class renovations to the men's and women's basketball and volleyball locker rooms and their media/film room in the Convocation Center. Under Lee's direction, 206 field-level seats and new party boxes available for corporate events have been added to Tomlinson Stadium, and the Convocation Center weight room underwent major renovations that included new weights and cardio equipment.

The ASU Athletic Department has brought in a number of significant donations under Lee's leadership. ASU received the largest single donation in its history, a \$400,000 gift from Charles Luter in 2008. Included among some of the other major donations was a \$150,000 contribution from ASU alumnus and former football letterman Steve Bryant. The athletic department also received a \$250,000 donation from alumni and long-time supporters Scott and Kay Dawson. The \$250,000 donation matched the second largest gift in the department's history and was used to improve the academic environment for all student-athletes.

Under Lee's direction, the ASU athletic department enjoyed another significant year in 2011-12. Not only did ASU enjoy some of the most exciting moments ever on the fields, courts, and tracks, but also in the arenas of academics, donor and alumni involvement, community service and achievement.

Among the many athletic accomplishments attained last year, the women's bowling team made its fifth straight appearance in the NCAA Championships. The Red Wolves also claimed the Sun Belt Conference football championship and appeared in the GoDaddy.com Bowl, and Lee was instrumental in recruiting one of the nation's hottest and most well-respected coaches in the nation in Gus Malzahn. The volleyball team won the West Division title, and the year prior the men's basketball team also claimed the league's West Division championship.

The football program has seen its annual season attendance rise during Lee's tenure, and last year was no exception as the Red Wolves averaged a school-record 21,257 fans per game.

Academically, the Red Wolves placed 183 members on a recent Athletic Director's Honor Roll, representing a school-record 60 percent of all student-athletes. One in four

student-athletes are achieving a 3.5 GPA and one in eight hold a 4.0. Additionally, the most recent overall GPA for all student-athletes was a school-record 3.016.

The Red Wolf Club, the major fundraising arm of ASU Athletics, has posted record years three of the last four years in annual giving and has seen its membership grow to an all-time high during Lee's time. Corporate giving is also at an all-time high and continues to increase each year.

Lee was also responsible for arranging a public speaking engagement on the ASU campus with former Boise State Athletic Director and 2011 Bobby Dodd Division 1A Athletic Director of the Year Gene Bleymaier, who shared his experiences at Boise State and how they relate to Arkansas State moving its program in the same direction.

Those are just a few of the many ways the ASU athletic department has continued to develop under Lee, who is always looking for new and creative ways to take the Red Wolves athletic program to the next level while maintaining its main focus on academics, competitive performance and a well-rounded environment for student-athletes.

Dr. Lee became ASU's 10th Director of Athletics July 9, 2002. It wasn't long before the department began to experience important and progressive changes which were capped by an unprecedented "State of A-State" address in the spring of 2004.

When he concluded the address to a packed house, there was no mistaking that he is committed to building a successful program at ASU.

Lee's vision for ASU Athletics was also revealed in a 2008 video called "Inside A-State Athletics", which focused on the Red Wolves athletic programs and how the athletic department plans to meet challenges in the future. A-State released a second "Inside A-State Athletics" video featuring Lee in 2009 that gave an in-depth look at facilities and the progress that is being made in that area.

Lee was also a key figure in the recruitment and hiring of John Brady, who was just two years removed from an NCAA Final Four appearance and recently named the 2009-10 Sun Belt Conference Men's Basketball Coach of the Year.

In a very short time, he has orchestrated sellout and capacity crowds, overseen the expansion and growth of ASU's athletic facilities, and provided sound leadership to both the athletic staff and population of student-athletes.

Lee came to ASU from Oklahoma State University, where he was the Associate Director of Athletics for External Operations.

His administrative experience at two NCAA Division I-A universities, OSU and the University of Arkansas, and his achievements in mobilizing financial support make him well-suited for Arkansas State University and Northeast Arkansas. While at the University of Arkansas, Lee served as the Vice President of the Razorback Foundation.

In addition, Dr. Lee's experience as athletic director at Arkansas Tech University and his familiarity with ASU and the state of Arkansas help him feel right at home.

He earned his bachelor's degree in 1979 and master's in education at Henderson State University, then completed his doctor of education degree at the University of Arkansas in 1989. In 2009, Lee was chosen as a Distinguished Alumni of Henderson State University, the highest honor Henderson State bestows.

Although born in Tulsa, Okla., Lee competed in high school sports in Berryville, Arkansas, and was selected to play in the all-Star basketball and football games in 1975.

He also played basketball, baseball and tennis at Henderson State, where he later served as an assistant coach. He played in two national championship games as a member of Henderson State's basketball team. He was head basketball coach at Malvern High School early in his career.

Dean and wife Reba are the parents of two daughters, Diamond Olivia (17) and Anna Pearl (15).
