# SEASON NOTEBOOK

### FROST SET FOR FOURTH SEASON

Scott Frost is set for his fourth season at Nebraska in 2021. The consensus 2017 national coach of the year, Frost boasts a 31-27 career record in five seasons as a collegiate head coach.

- Frost is 12-20 in his first three seasons at Nebraska with 11 losses by a touchdown or less, including eight by five or fewer points.
- Nebraska went 3-5 in the abbreviated 2020 season. Three of the Huskers' five losses were by a touchdown or less, including two onepossession losses to Northwestern and lowa teams that finished the year ranked in the top 15.
- Frost has been a proven winner in his coaching career. In 14 seasons as a full-time assistant or head coach, Frost's teams have posted a 134-45 record, averaging nearly 10 wins per season. Frost has been a part of seven conference championship teams in his 14 seasons and has twice coached in the national championship game.
- At UCF, Frost became the first coach in FBS history to turn a winless team into an undefeated team in just two years.
- Frost's teams have been ranked in the top 15 in 10 of his 14 seasons, including eight final top-10 rankings and six final top-five rankings.

### **HUSKER STAFF RETURNS INTACT**

All 10 Nebraska assistant coaches return for the 2021 campaign. This year marks the first time since the 2014 season that Nebraska returns its entire coaching staff from the previous season.

- Of Frost's 10 assistant coaches, seven have been with him in each of his six seasons as a collegiate head coach, while Mike Dawson has been on five of Frost's six staffs.
- In addition to Scott Frost being recognized as the 2017 national coach of the year while at UCF, the Husker staff features three Broyles Award nominees in defensive coordinator Erik Chinander (2016 at UCF), offensive coordinator Matt Lubick (2012 at Duke) and quarterbacks coach Mario Verduzco (2018 at Nebraska). The Broyles Award is presented annually to the nation's top assistant coach. Lubick was also named the national wide receivers coach of the year and an AFCA Assistant Coach of the Year finalist in 2012.

### **HUSKERS SET FOR 12-GAME SCHEDULE**

After playing only eight games last season due to the global pandemic, Nebraska is set to return to a full 12-game schedule this fall.

- Nebraska's season begins with a Week 0 game at Illinois on Aug. 28.
   Originally, the game was scheduled to be played in Ireland at the
   Aer Lingus College Football Classic. With the cancellation of that
   event, NU will now open next season in Ireland at the Aer Lingus
   College Football Classic against Northwestern on Aug. 27, 2022.
- The Aug. 28 season opener at Illinois will mark the fourth-earliest season opener in program history. The only earlier opening dates in school history were Aug. 24, 2002 (vs. Arizona State), Aug. 25, 2001 (vs. TCU) and Aug. 27, 1988 (vs. Texas A&M). Nebraska also began its 1994 undefeated national championship season on Aug. 28 with a win over West Virginia in the Kickoff Classic.
- The Huskers are playing an August game for just the 15th time in program history. Nebraska is 14-0 all-time in the month, including a 7-0 record against current Power Five programs.
- Nebraska is facing a conference opponent in a season opener for just the 14th time in school history. Not including last season when the Huskers played a conference-only schedule, NU last opened a season against a conference foe in 2003 against Oklahoma State.

### MARTINEZ RANKS AMONG TOP QUARTERBACKS

Quarterback Adrian Martinez has put up statistics through his first three seasons that have him ranked among the Nebraska all-time leaders in several categories. Martinez has thrown for 5,628 career yards, rushed for 1,776 yards and totaled 7,404 yards of offense.

Martinez owns four Nebraska career records, five season records and one game record-completion percentage - which he has set on two occasions. In 2019, Martinez was just the second Husker sophomore to be a team captain since 1930, and he held that distinction again in 2020, becoming one of just 13 two-time captains in Nebraska history.

- Martinez is Nebraska's all-time leader in total offensive yards per game (264.4), 400-yard total offense games (5) and 300-yard total offense games (13).
   He has produced five of Nebraska's 17 individual 400-yard total offense performances, and Martinez's career average of 264.4 yards of total offense per game is more than 25 yards higher than any other Husker quarterback who played in at least 15 career games.
- Martinez averaged a school-record 295.1 yards of total offense per game as a true freshman in 2018. That average ranked 12th nationally, led all freshmen and was the ninth-highest average by a freshman in NCAA history, including the third-best mark by a true freshman.
- Martinez also set NU season records for 300-yard total offense games (7) and 400-yard total offense games (3) in 2018.
- Martinez has been one of the nation's top dual-threat quarterbacks. He
  is one of only four active FBS quarterbacks who enter the 2021 season
  with 5,000 career passing yards and 1,500 career rushing yards.
  Martinez is only the third Husker with 5,000 career passing yards and
  1,500 career rushing yards.
- Martinez set an NU record with an 86.2 completion percentage against Minnesota in 2018, connecting on 25-of-29 passes for 276 yards and three touchdowns. He bettered that mark at lowa last season, connecting on 18-of-20 passes for a school-record 90.0 percent completion rate.
- Martinez completed a school-record 71.5 percent of his passes in 2020. His completion percentage led the Big Ten and ranked fourth nationally. His 71.5 completion percentage also ranked fifth overall in Big Ten history and was the fourth-highest mark in a Big Ten Conference season.
- In his career, Martinez is completing 63.4 percent of his passes, good for second in school history.
- Martinez ranks fourth in school history with 5,628 passing yards, and his average of 201.0
  passing yards per game also ranks fourth in Nebraska history.
- Martinez not only led Nebraska in passing in 2020, but he was the Huskers' leading rusher as well, becoming the third player in school history to lead the team in rushing and passing in the same season.
- In 2020, Martinez ranked second nationally in rushing yards per game among all FBS quarterbacks (74.4 yards per game). Martinez was the only Power Five quarterback to average 70 rushing yards per game.
- In his career, Martinez has rushed for 1,776 yards. That total ranks third among all active FBS quarterbacks entering the 2021 season.
- At Illinois in 2019, Martinez produced the second 300-yard passing and 100-yard rushing performance in Nebraska history (328 passing, 118 rushing). His careerhigh 446 yards of total offense was the third-highest total in program history.
- In 2018, Martinez became just the sixth freshman in NCAA history to average 200 passing yards and 50 rushing yards per game and just the second true freshman to hit those marks. Martinez was also one of only four FBS quarterbacks - regardless of class - who averaged 225 passing yards and 50 rushing yards per game in 2018.

### **VETERAN DEFENSE LOOKS TO LEAD NU**

Nebraska returns 11 full- or part-time starters on a veteran defense that aims to be the strength of this year's team. The Huskers bring back eight players who started at least seven games in 2020.

- Nebraska allowed an average of 169.5 rushing yards per game and 386.5 yards of total offense per game in 2020. Those totals marked the fewest rushing and total yards allowed per game by a Husker defense since the 2016 season.
- According to ESPN, Nebraska boasts the most returning defensive production of any team in the Big Ten West. The ESPN formula takes into account a team's total number of returning tackles, tackles for loss, sacks and passes defended.
- A total of seven Husker defenders earned at least honorable-mention All-Big Ten accolades last season. That was the highest number of allconference defenders since Nebraska joined the Big Ten in 2011, and six of those seven All-Big Ten selections return this fall.
- Cornerback Cam Taylor-Britt was a 2020 second-team All-Big Ten honoree. Teams generally avoided throwing to Taylor-Britt's side of the field, but when they did he broke up four passes and had a pair of interceptions. Taylor-Britt has ranked in the top 70 nationally in interceptions each of the last two years, and he also ranked third nationally in forced fumbles in 2019.
- Safety Marquel Dismuke, outside linebacker JoJo Domann, inside linebacker Will Honas, defensive lineman Ben Stille and safety Deontai Williams all return as "super seniors" in 2021 in their sixth year playing college football. Each player was a senior last year but chose to take advantage of the free year of eligibility in 2020 and return for the 2021 season. Each of the five "super seniors" earned honorable-mention All-Big Ten accolades last season.
- Dismuke has started 20 consecutive games at safety. He ranked fourth
  on the team with 47 tackles and set career highs with 4.0 TFLs and
  four pass breakups last season. Dismuke has totaled 158 tackles in his
  career.
- Domann led the Huskers with a career-high 58 tackles, 6.5 tackles for loss, five pass breakups, two forced fumbles and one fumble recovery in 2020. Domann enters the 2021 season ranked third among all active FBS players with seven career forced fumbles.
- Honas, who suffered an injury during spring practice, led NU with 6.5 tackles for loss and 3.0 sacks in 2020 and was second on the team with 57 tackles. He has averaged nearly eight tackles per game over the past two seasons despite starting only seven games.
- Stille returns to anchor the defensive line. His 22 career starts are the most of any current Blackshirt. Stille is Nebraska's active career leader with 26.0 tackles for loss and 13.0 sacks.
- Williams set career highs with 51 tackles, 4.0 tackles for loss and 1.0 sack in eight games last year. He also broke up four passes and had a sack, forced fumble and fumble recovery for a touchdown on the same play, believed to be the first Husker ever to accomplish that feat.
- In addition to the six returning All-Big Ten players, NU returns five other starters. **Garrett Nelson** started all eight games at outside linebacker in 2020 and totaled 30 tackles, 4.0 TFLs and 1.5 sacks.
- **Ty Robinson** started seven games at defensive end as a redshirt freshman in 2020, totaling 17 tackles with a pair of tackles for loss.

### **RETIRED JERSEYS**

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

### HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on and then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts celebrated their 50th season in 2013. As a former Husker with former Blackshirts on his coaching staff, Head Coach Scott Frost is very familiar with the long-standing tradition.

### **DEFENSIVE DOMINANCE**

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.

### ATHLETIC MEDICINE

Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber (pictured, bottom) and Football Head Athletic Trainer Mark Mayer, the Nebraska athletic medicine staff consists of five physicians, 13 full-time athletic trainers and eight graduate assistant athletic trainers.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment, including two anti-gravity treadmills (pictured, top) to help athletes recondition after injuries. Nebraska's Athletic Medicine Center also features a hydrotherapy area that includes a three-level laned pool, as well as hot and cold plunge tanks (pictured, middle). The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

### **SPORTS PSYCHOLOGY**

Continuing its commitment to complete care for all student-athletes, Nebraska has four full-time in-house athletic psychologists and a sports psychiatrist who work directly with student-athletes, teams and coaches. Under the leadership of Director of Sports Psychology Dr. Brett Haskell, the Huskers' sports psychology staff provides counseling, psychological services, mental skills training, teambuilding and leadership development services for each of Nebraska's 24 sports and more than 600 Husker student-athletes. The staff works directly with student-athletes to help them develop skills to enhance personal well-being, address mental health and substance use issues to optimize performance.

### PERFORMANCE NUTRITION

There is no place like Nebraska when it comes to the high-performance fueling of hard-working athletes. Nebraska Performance Nutrition has a long-standing tradition of setting the highest standard for the 'food first' approach to fueling. The Nebraska Performance Nutrition program is setting the standard for student-athlete welfare across collegiate athletics and beyond.

Nebraska has its own Executive Chef. Mike Steele, who innovates the menus under the guidance of Director of Performance Nutrition, Dave Ellis, who is widely considered to be a thought leader in the high-performance fueling field. Nebraska has it's own kitchen and culinary staff and has the ability to source a food supply that is second to none when it comes to fresh, natural and organic sources. Athletes are taught to follow a three-step approach that was conceived right here at Nebraska over three decades ago. It's a simple system, where food is merchandised in three steps, each delivering a health and performance benefit for hard-working athletes.

Husker athletes have the chance to learn how to cook their own food in the Life Skills Kitchen. The staff also provides ready-to-eat food supply and to-go meals that offer fueling solutions when a student-athlete has class conflicts.

Nebraska has four, full-time registered dietitians on staff who help athletes navigate the managed food supply that is served at each meal. The registered dietitians also orchestrate meals on the road for teams and offer fueling solutions before and after workouts or competition. This attention to detail helps get those critically timed sources of fuel and fluids that hard-working muscle requires in just the right amounts. To make fueling convenient when training, there are two locations adjacent to the weight rooms where grab-and-go nutrition support is available to all student-athletes.

With over six decades of collective experience, the performance nutrition staff is very knowledgeable on topics including how to help drug-tested athletes avoid inadvertent adverse analytical findings (AAFs/positive drug test) that can result from adulterated dietary supplements.

Other areas that the registered dietitians can help personalize programs:

- Lean Mass Testing
- Frame Testing
- Off-Season Body Composition Change Planning
- Hydration / Sweat Rate Analysis
- Saliva/Urine/Blood Analysis
- Cooking / Grocery Shopping Classes
- Dietary Supplement Review

Scott Frost's rapid rise up the coaching ranks culminated with the former Husker returning to his alma mater in December of 2017. Frost enters his fourth season as Nebraska's head coach in 2021 and his sixth season overall as a head coach.

It took Frost little more than a decade to rise from a first-year FCS assistant to head coach of one of college football's most storied programs. It also took Frost just two years to post his first undefeated season as a head coach, as Frost guided UCF to the greatest two-year turnaround in NCAA history. He inherited an 0-12 team, made a bowl game in his first season and then led the Knights to a 13-0 record in his second and final season in 2017.

In addition to his impressive

success as a head coach - Frost was the consensus national coach of the year in 2017 - Frost was successful at every stop along his journey to becoming a head coach. His teams posted a 103-18 record in his nine seasons as an assistant coach, with Frost coordinating both a top-10 defense and multiple top-10 offenses. Frost served as defensive coordinator for an FCS semifinalist, was Oregon's offensive coordinator in the inaugural College Football Playoff Championship Game and called the plays for Heisman Trophy winner Marcus Mariota.

The 46-year old Frost is a proven winner familiar with the Nebraska culture and tradition. He was a part of two national championship teams as a Husker player, coached in two national championship games as an assistant at Oregon and led UCF to a 13-0 record in 2017, when the Knights were the nation's only undefeated team.

Frost has been a winner throughout his coaching career, winning seven conference championships in his 14 seasons as a full-time coach. Frost's teams have won 134 games in that span, averaging nearly 10 wins per season. In addition to coaching in two national championship games, Frost has coached in five other New Year's Six bowl games in the last decade. His winning reputation dates back to his playing days, when he helped Nebraska to a 36-2 record in his three-year career, including a 24-2 record in two seasons as the Huskers' starting quarterback.

# **NEBRASKA (2018-20)**

Frost has laid the foundation for rebuilding Nebraska's program in his first three seasons in Lincoln. Nebraska showed tremendous improvement throughout Frost's first season in Lincoln. Nebraska won four of its final six games and improved by nearly 28 points per game in the second half of the season compared to the first half. The Huskers finished with a 4-8 record, but Nebraska faced eight opponents who were ranked during the 2018 season. Five of Nebraska's losses were by five or fewer points, with the Huskers' final three losses coming in a three-point overtime loss at Northwestern, which finished with a No. 21 ranking, a five-point setback at No. 3 Ohio State and a three-point loss at No. 25 lowa as time expired.

Frost also lived up to his reputation as one of the best offensive play-callers in the country in 2018. Frost inherited an offensive unit that ranked 87th nationally in total offense in 2017. Led by true freshman quarterback Adrian Martinez, Nebraska ranked 25th nationally in total offense, the program's first top-25 finish in the category since 2008.

In his second season in 2019, Nebraska improved its win total with one of the youngest teams in the country, as nearly 70 percent of the roster was underclassmen, and the Huskers had more freshmen on their roster than any team in the country. The Huskers went 5-7, with five of those losses

coming to ranked teams, including four losses to teams that finished in the top 15 of the final Associated Press poll. Four of the Huskers' seven losses were by a combined 17 points, including two last-second losses.

Frost's leadership guided the Huskers through the COVID-19 pandemic and an abbreviated 2020 campaign. Nebraska posted a 3-5 record, with three losses to teams that finished in the top 15 nationally.

Frost has made upgrading Nebraska's talent a priority, as each of his first four recruiting classes have ranked in the top 25 nationally.

## UCF (2016-17)

Frost went 19-7 in two seasons at UCF, helping turn an 0-12 team into a 13-0 squad in just two years. In Frost's first season, he took the Knights to a bowl game and finished with a 6-7 record. The turnaround was historic, as Frost became the only first-year coach in FBS history to make a bowl game with a team that was winless the previous season.

UCF led the nation with a six-win improvement in 2016 and exceeded that mark in 2017 with a win over No. 7 Auburn in the Peach Bowl to complete a 13-0 season as the nation's only undefeated team. The Knights put together the first undefeated regular season in UCF and AAC history in 2017, posted the longest winning streak in school history (13 games), achieved the highest in-season ranking in program history (10th), highest final ranking (6th) and set an AAC record with 16 all-conference selections.

UCF was led by its high-powered offense and improved defense under Frost. The Knights led the nation in scoring at 48.2 points per game and were the only FBS team to score at least 30 points in every game. Defensively, UCF improved its scoring defense by 65 spots in Frost's two seasons.

In addition to being the unanimous choice as the 2017 AAC Coach of the Year, Frost was honored as the national coach of the year by the Associated Press, American Football Coaches Association, the Touchdown Club of Columbus, the Lombardi Award and FCA in addition to winning the Home Depot, Paul "Bear" Bryant and Eddie Robinson coach-of-theyear awards. He was also a semifinalist for the George Munger Coach of the Year Award in each of his two seasons at UCF, making Frost one of three coaches to be a semifinalist for the award in both 2016 and 2017.

# **ASSISTANT COACHING CAREER**

**OREGON:** Frost took his first head coaching job at UCF after spending seven seasons as an offensive assistant at Oregon from 2009 to 2015, including serving as the Ducks' offensive coordinator in his final three seasons. Frost helped Oregon post a 79-14 record in his seven seasons, during which time the Ducks won four conference titles and twice played for the national championship.

Oregon never ranked lower than eighth nationally in scoring offense during Frost's seven seasons on staff, and the Ducks led the nation in scoring in 2010. Frost was promoted to offensive coordinator in 2013, and Oregon ranked in the top five nationally in both scoring and total offense each of his three seasons calling plays. The Ducks scored 681 points in 2014, the second-highest total in NCAA history. Oregon made it to the College Football Playoff Championship Game that year, when Frost was one of five finalists for the Broyles Award, presented annually to the nation's top assistant. Frost's quarterback, Marcus Mariota, won the Heisman Trophy and was the No. 2 overall pick in the 2015 NFL Draft.

NORTHERN IOWA: Frost's first full-time coaching job came in the FCS ranks at Northern lowa, where he spent two seasons on the Panthers' defensive staff. He coached the Panther linebackers in 2007 and helped UNI to the No. 1 seed in the FCS playoffs and a quarterfinals appearance. Frost was promoted to co-defensive coordinator the next season, when UNI ranked ninth nationally in scoring defense and advanced to the FCS Semifinals. The Panthers finished with a 24-4 record in Frost's two seasons, winning two Missouri Valley Conference titles and earning a No. 4 final ranking both years.

KANSAS STATE: Frost began his coaching career as a defensive graduate assistant at Kansas State in 2006, helping the Wildcats to a bowl game.

**NEBRASKA:** Frost's first coaching experience came during a brief stint on Nebraska's staff as a defensive graduate assistant in 2002, coaching the Huskers in the Independence Bowl.

# PLAYING CAREER (STANFORD, NEBRASKA & NFL)

Frost spent two seasons at Stanford - where he was a two-way starter at safety and quarterback - before returning home to Nebraska for the Huskers' 1995 national championship season. He took over as NU's starting quarterback the next season and was the 1996 Big 12 Offensive Newcomer of the Year. In 1997, he was a Johnny Unitas Award finalist and an Academic All-American as Nebraska went 13-0 and captured the program's fifth national title. Frost was then selected in the third round of the 1998 NFL Draft and played six seasons as an NFL safety.

# **PERSONAL**

Frost earned his degree in finance from Nebraska in 1997. Scott and his wife Ashley have one son, Ryan James (RJ), and one daughter, Alli.

# HISTORIC TURNAROUND AT UCF

At UCF, Frost produced the greatest two-year turnaround in college football history, inheriting an 0-12 team and leading the Knights to a 13-0 record just two years later.

- In his first season in 2016, Frost made history as the only first-time head coach in FBS history to make a bowl game with a team that was winless the previous season.
- UCF tied for the national lead with a six-win improvement from the 2015 to 2016 season.
   The Knights then ranked third nationally after improving by seven wins from the 2016 to 2017 season.
- The Knights' seven-win improvement from 2016 to 2017 ranked 11th in NCAA history and marked just the second time ever a bowl team improved by more than six wins the next season
- UCF was the American Athletic Conference and Peach Bowl champions and was the only FBS team to go undefeated in 2017.
- Frost called UCF's plays, orchestrating the greatest two-year offensive turnaround in NCAA history. The Knights went from last to fifth in total offense, improving their output by more than 260 yards per game. UCF also went from third-to-last to first in scoring offense, improving by nearly 35 points per game.

# FROST LED UCF TO 13-0 SEASON

In his second year as a head coach, Scott Frost guided UCF to a 13-0 record in 2017, when the Knights were the nation's only undefeated team.

- Frost was the fourth coach in FBS history to post a 13-0 record or better in either his first or second season as a head coach. Among that quartet, Frost is the only coach who inherited a team that won fewer than five games, as UCF went 0-12 the year before Frost's arrival.
- Frost is one of only seven active FBS head coaches who has posted a 13-0 season or better, joining Jimbo Fisher, Gary Patterson, Ed Orgeron, Nick Saban, Dabo Swinney and Kyle Whittingham.
- Frost also led Nebraska to a 13-0 record and a national title as the Huskers' starting quarterback in 1997. Frost was the first person in NCAA history to be part of a 13-0 season as both a player and a head coach.

# NATIONAL COACH OF THE YEAR

Frost was the consensus choice as the 2017 national coach of the year, earning the honor from at least eight different organizations.

- Frost won the 2017 Paul "Bear" Bryant Award as the national coach of the year. He joined Chris Petersen (2006 & 2009, Boise State) as the only coaches in the 32-year history of the award to win the honor while coaching a team outside of a Power Five Conference.
- Frost was also the AP Coach of the Year, becoming the sixth coach to win the award in his first or second season as a head coach.

## FROST A TOP OFFENSIVE COACH

For each of the last 12 years, Scott Frost has either been an offensive assistant, offensive coordinator or head coach who calls the offensive plays. During that time, he has consistently proven to be one of the nation's finest offensive coaches.

- In 12 seasons coaching offense, Frost has worked with eight units that finished in the top 10 nationally in scoring, including seven that ranked in the top five.
- Frost has also been a part of seven teams that ranked in the top 10 nationally in total offense the past 12 seasons.

# **FROST A PROVEN WINNER**

Frost is a proven winner. In his 14-year full-time coaching career, Frost's teams have combined for a 134-45 record.

- Frost has averaged nearly 10 wins per year and has been a part of seven 12-win teams.
- He has won seven conference titles in 14 years.
- Frost has coached in two national title games and his teams have finished with a top-10 ranking eight times in the past 13 years.
- In two seasons as UCF's head coach, the Knights were the nation's most improved team in 2016 and were the only FBS team to go undefeated in 2017.
- As a Husker quarterback, Frost was a two-time national champion who helped Nebraska to a 36-2 record, including a 24-2 mark as a starter.
- Frost is one of four active head coaches who won a national title as a player and is the only coach who won multiple national titles.

# **CHARTING FROST'S 13-0 SEASON AT UCF**

In 2017, Scott Frost led UCF to a 13-0 record just two seasons after he inherited an 0-12 team. UCF was the nation's only undefeated team in 2017 and Frost was the consensus national coach of the year in just his second season as a head coach. Only 30 times in the 150-year history of college football has a coach led a team to a 13-0 record or better, with only 25 coaches making the elite list.

- Frost is one of 25 coaches in the history of college football to lead his team to a 13-0 season or better.
- Frost is one of seven active FBS head coaches who has led a team to a 13-0 season or better.
- Frost was just the fourth coach in college football history to lead a team to a 13-0 season or better in either his first or second season as a head coach.
- Frost also went 13-0 as Nebraska's starting quarterback in 1997. Frost is one of only two active FBS head coaches who had a 13-0 season as both a player and coach, joining Clemson's Dabo Swinney, who led Clemson to a 15-0 record in 2018 and was a wide receiver at Alabama when the Crimson Tide went 13-0 in 1992.

# **CHARTING FROST'S TOP QUARTERBACKS**

A former all-conference quarterback and Johnny Unitas Award finalist at Nebraska, it should come as no surprise that Scott Frost has produced several outstanding quarterbacks in his seven seasons as a playcaller.

- Frost's quarterbacks have ranked in the top 10 nationally in pass efficiency four of the last eight seasons. In fact, three different Frost quarterbacks have ranked first or second in pass efficiency in the last seven years.
- Oregon's Marcus Mariota led the country in passing efficiency en route to winning the 2014 Heisman Trophy. The next year, the Ducks' Vernon Adams Jr. led the nation in his only season at the FBS level. In 2017, UCF's McKenzie Milton ranked second nationally as a sophomore, when Milton became the seventh player in NCAA history to throw for 4,000 yards and rush for 500 yards in the same season.
- Nebraska's Adrian Martinez ranked 12th nationally in total offense in 2018, running Frost's system as a true freshman. Martinez became just the second true freshman in NCAA history to average 200 passing yards and 50 rushing yards per game.

Erik Chinander is in his fourth season as Nebraska's defensive coordinator and his 19th year of coaching. He is in his sixth season serving as Scott Frost's defensive coordinator. Chinander has coached with Frost at Nebraska, UCF, Oregon and Northern Iowa for a total of 12 years.

Recognized as one of the nation's top assistant coaches with a nomination for the Broyles Award in 2016, Chinander has been on the staff of one FCS (UNI) and two FBS (Oregon) teams that have played in the national championship game. He also coached in the NFL Playoffs. Chinander has played a key role in Nebraska's recruiting success, and was named one of Rivals' Top 25 Recruiters of the Year in 2021.

Chinander's units have ranked

in the top 20 nationally in takeaways three times in the past seven seasons and in the top five twice. Individually, 18 Blackshirts have earned All-Big Ten accolades under Chinander. Before his arrival, only eight Blackshirts were All-Big Ten honorees in the previous three seasons.

# **NEBRASKA (2018-20)**

Chinander has implemented an aggressive defense at Nebraska, one that has resulted in more sacks, takeaways and defensive touchdowns. In his first season, Chinander oversaw a Husker defense that showed significant improvement. Nebraska allowed two fewer touchdowns per game over the final six games of 2018 compared to the first six games. The Huskers held two of their final five opponents to single digits, including a 9-6 victory over Michigan State, where the defense led Nebraska to its first victory without scoring a touchdown since 1937. The 2018 season marked the first time in six years that the Huskers had held more than one opponent to fewer than 10 points.

The Blackshirts improved by 26 spots in the national scoring defense rankings from the unit Chinander inherited, and NU saw dramatic improvements in its pass defense, sack totals and takeaways. The Huskers improved their pass efficiency defense by 61 spots in 2018, ranking 34th nationally in the category. Nebraska broke up 58 passes, the ninth-highest total in program history and the most by a Husker squad in nearly a decade. The Blackshirts also totaled 25 sacks in 2018, 11 more than they had in 2017. Nebraska also forced 20 turnovers, the program's highest total in four seasons.

In 2019, six Huskers earned All-Big Ten accolades, Nebraska's highest total since 2011. The Huskers allowed nearly 50 fewer yards per game and more than three fewer points per game than they did in 2018, moving up 30 spots in the total defense rankings and 22 spots in scoring defense. Nebraska also improved by 52 spots in first down defense, ranking 32nd nationally in that category in 2019.

Chinander's aggressive approach also resulted in the Huskers forcing their most turnovers (21) in five seasons, ranking in the top 35 nationally in takeaways and in the top 15 with three defensive touchdowns. Nebraska was one of only 25 teams nationally with double-digit interceptions and fumble recoveries in 2019.

The defensive improvement continued in 2020. The Blackshirt defense limited its eight opponents to 4.2 yards per rush, better than a half-yard improvement over the 2019 season. The Huskers also moved up 14 spots nationally in total defense and ranked sixth in the Big Ten in that category. Seven of Chinander's defensive players earned All-Big Ten accolades.

# **BEFORE NEBRASKA**

**UCF:** Chinander led a dramatic defensive turnaround in his two seasons at UCF. He inherited a Knight defense that had allowed 37.7 points per game in 2015 and two years later, UCF lowered that average to 25.3 points per game. Chinander also helped UCF improve its national ranking in scoring defense by 65 spots in his two seasons.

UCF was one of only six teams to force 25 turnovers in both 2017 and 2018 and one of just eight teams to rank in the top 20 nationally in takeaways in both seasons.

Chinander's defense played a major role in the first perfect season (13-0) in school and American Athletic Conference history in 2017. UCF led the AAC in defensive touchdowns and ranked third in scoring defense and pass efficiency defense.

Individually, six Knights earned all-conference accolades, including a league-high four first-team honorees. Hughes (first round), the highest defensive draft pick in UCF history, and Griffin (fifth round) were both selected in the 2018 NFL Draft.

In Chinander's first season in Orlando, the defense was the key to UCF leading the nation with a six-win improvement. The Ducks ranked second in the Pac-12 and in the top 30 nationally in scoring defense in 2014 and were third nationally with 34 takeaways. In 2015, Oregon ranked ninth nationally in sacks and pass efficiency defense.

Chinander served as a defensive graduate assistant at Oregon in 2011 and 2012, when the Ducks ranked in the top 25 nationally in scoring defense. Chinander also spent the 2010 season in Eugene as an intern. In Chinander's five total seasons on the Duck staff, Oregon posted a

PHILADELPHIA EAGLES: In between his two stints at Oregon, Chinander gained NFL experience by serving as the assistant defensive line coach with the Philadelphia Eagles in 2013. With the Eagles, Chinander assisted defensive line coach Jerry Azzinaro and helped with game and practice plans, coordinating the scout teams and evaluating current and future personnel. The Eagles won the NFC East that season with a 10-6 record.

NORTHERN IOWA: Chinander served as an offensive assistant at Northern lowa, coaching the tight ends for six seasons from 2004 to 2009, including two seasons when Frost was on the Panther staff (2007 and 2008). He made a huge impact in the Panthers' recruiting, with his coaching and recruiting helping UNI win three conference titles and make three appearances in the Football Championship Subdivision (FCS) playoffs, including a runner-up finish in 2005 and a semifinal appearance in 2008.

**ELLSWORTH CC:** Chinander's first job was as the offensive and defensive line coach for Ellsworth Community College in Iowa Falls, Iowa, where he also coordinated the strength and conditioning programs for football and men's and women's basketball. The Panthers finished second in the region and three of his players garnered first-team all-region accolades.

Matt Lubick is in his second season as Nebraska's offensive coordinator and wide receivers coach. Lubick is familiar with Scott Frost, as the two previously coached together at Oregon from 2013 to 2015, with Lubick succeeding Frost as the Ducks' offensive coordinator in 2016.

A 26-year coaching veteran, Lubick has 17 years of Power Five Conference coaching experience, including stints in the ACC, Big Ten, Pac-12 and SEC. Lubick had previous offensive coordinator experience at Pac-12 powerhouses Oregon (2016) and Washington (2017-18), and he has coached the wide receiver position for a total of 18 years. In 2012, Lubick was named the nation's top receivers coach and was a finalist for national assistant

coach of the year at Duke.

The son of longtime Colorado
State head coach Sonny Lubick,
Matt spent six successful seasons in the Pac-12 Conference before arriving in Lincoln. In those six seasons, Lubick was a part of two conference championship teams, five teams that finished the year ranked in the top 20 and four 10-win teams. In the three seasons Frost and Lubick were on the same Oregon staff from 2013 to 2015, the Ducks ranked in the top five nationally in both scoring and total offense each year and advanced to the 2014 College Football Playoff National Championship Game.

# **NEBRASKA (2020)**

In Lubick's first season as offensive coordinator, he and Frost collaborated on play-calling duties. The Huskers featured a balanced offense, highlighted by ranking second in the Big Ten in rushing offense at better than 200 yards per game. Nebraska also finished fourth in the league in total offense.

The Nebraska offense just missed a school record by completing 68.12 percent of its passes, a mark that ranked ninth nationally.

# **BEFORE NEBRASKA**

WASHINGTON: Lubick, who spent the 2019 season working in private business, was Washington's co-offensive coordinator and wide receivers coach in 2017 and 2018. The Huskies won 10 games in each of Lubick's two seasons, with appearances in the Rose and Fiesta Bowls. Washington also won the Pac-12 Championship in 2018.

Washington ranked in the top 25 nationally in first downs, completion

percentage and third down conversions in each of his two seasons as co-offensive coordinator. In 2017, the Huskies ranked second nationally in completion percentage and were 17th in the country in scoring. Wide receiver/punt returner Dante Pettis was a 2017 consensus first-team All-American, when he caught a career-high 63 passes. The next year, Aaron Fuller had a career-high 874 receiving yards. Both Pettis and Fuller rank

in the top 10 on Washington's all-time receiving charts.

OREGON: Before joining the Washington staff, Lubick spent four years at Oregon, including three seasons when he was the Ducks' passing game coordinator and wide receivers coach when Scott Frost was offensive coordinator. Oregon finished in the top 20 in three of Lubick's four seasons

on staff, including winning the 2014 Pac-12 title, when the Ducks advanced to the College Football Playoff National Championship Game.

In Lubick's lone season as offensive coordinator in 2016, Oregon set school records for passing yards (4,687), completions (326) and first downs passing (198). Oregon ranked 13th nationally in completion percentage and

The Ducks ranked in the top 25 nationally in passing twice in Lubick's four seasons on staff. From 2013 to 2015, Óregon ranked in the top five nationally in both scoring and total offense every year.

As a wide receivers coach, Lubick helped Bralon Addison rank 17th nationally in receiving touchdowns (10) in 2015. A year earlier, Byron Marshall had 1,004 receiving yards. The play of Lubick's wide receivers helped Oregon quarterbacks lead the nation in passing efficiency in both 2014 and 2015. In Lubick's first season in 2013, Josh Huff was 10th nationally with 12 touchdown receptions and 23rd in the country with 1,140 receiving yards. The Ducks improved from 73rd nationally in passing yards per game to 21st in Lubick's first year as passing game coordinator and went from 75th to seventh in passing plays over 20 yards. In 2014, Oregon led the nation in passing efficiency and ranked 10th nationally in passing yards per game. **DUKE:** Lubick spent three seasons as the wide receivers coach at Duke from 2010 to 2012, helping the Blue Devils to a bowl game in 2012, a first for the program since 1994. In 2012, Football Scoop named Lubick as its national receivers coach of the year. He was also one of three finalists for the American Football Coaches Association (AFCA) National Assistant Coach of the Year award. That season, Jamison Crowder and Conner Vernon combined for 161 receptions and 2,148 receiving yards, setting an ACC record for most combined receptions by two teammates in conference combined for 161 receptions and 2,148 receiving yards, setting an ACC record for most combined receptions by two teammates in conference history and becoming just the second tandem in ACC history to each have 1,000 receiving yards in the same season. Vernon earned All-ACC accolades each of his three seasons under Lubick while ending his career as the ACC's all-time leader in receptions (283) and receiving yards (3,749). Lubick also left his mark as a recruiter in Durham. Duke Head Coach David Cutcliffe called Lubick "simply the best recruiter I've ever worked with," and Lubick was one of only 10 assistant coaches nationally named to ESPNU's recruiting "Dream Team."

ARIZONA STATE: Lubick also boasts experience as a defensive backs coach, coaching the safeties for three seasons at Arizona State from 2007 to 2009. The Sun Devils ranked in the top 35 nationally in pass ficiency defense in each of Lubick's three seasons, including 15th in 2007 and 20th in 2009. Rivals named Lubick a top-10 recruiter in the then-Pac-10 Conference in each of his three years at ASU and twice Lubick was named one of the nation's top 25 recruiters.

Lubick coached David Anderson, who ended his career as the most prolific receiver in CSU history. In 2003, Anderson set the then-school record with 1,293 receiving yards, and he ranked 12th nationally in receiving yards per game (99.5). Lubick also began his coaching career at CSU in 1995, when he was a

student assistant and academic supervisor on his father's staff.

OREGON STATE: Lubick coached Oregon State's defensive backs for two seasons from 1999 to 2000. He was a member of Dennis Erickson's staff in Corvallis, and Lubick reunited with Erickson nearly a decade later at Arizona State. Lubick helped the Beavers to an 11-1 season in 2000, when OSU won the Pac-10 title and ended the year with a No. 4 ranking. As a recruiter, Lubick signed first-round NFL Draft picks Nick Barnett and Steven Jackson. Barnett was the first Beaver to be taken in the first round

A former Husker offensive lineman, Greg Austin is in his fourth season at his alma mater in 2021. In addition to coaching the offensive line, Austin was promoted to run game coordinator for the Husker offense prior to the 2020 season. Austin owns 12 seasons of experience coaching in the collegiate and NFL ranks. He has spent nine of those 12 seasons with fellow Husker alum Scott Frost, including serving as Frost's offensive line coach for the sixth straight season.

Austin has experienced much success in his coaching career. At Nebraska, he has helped the Huskers average 200 rushing yards per game in each of his three seasons. Nebraska is one of only 10 schools, and the only Power Five program to average at least 200 rushing yards in each of the past three seasons.

In his eight seasons in the collegiate ranks, Austin has been a part of three conference championship teams and four squads that finished with a top-10 national ranking. Austin also boasts NFL experience, coaching the Philadelphia Eagles' offensive line for three seasons, helping the Eagles win the 2013 NFC East Division title. Austin is a proven developer of talent, as he has coached eight all-conference offensive linemen the past four seasons at Nebraska and UCF, and with the Eagles, his offensive linemen combined for six Pro Bowl appearances in three seasons.

The play of Austin's lines have led to tremendous offensive success at every stop. In eight seasons at the collegiate level, Austin's teams have finished in the top 25 nationally in total offense five times, and four times his teams have finished in the top 10 nationally in both scoring and total offense. Austin also helped the Eagles rank among the NFL's top five teams in total offense in two of his three seasons in Philadelphia.

# **NEBRASKA (2018-20)**

Austin made great progress with the Husker offensive line in his first season in 2018. Nebraska ranked as the nation's fifth-most improved offense, including the No. 3 most improved rushing attack. The Huskers totaled 2,500 passing and 2,500 rushing yards in the same season for just the fourth time in school history, including having both a 1,000-yard rusher and receiver for the first time ever.

The offensive line was key to Nebraska setting a school record with a streak of seven consecutive games gaining at least 450 yards and setting Husker records for the most points (54) and total yards (659, broken in 2019) in a Big Ten Conference game. The line protected true freshman quarterback Adrian Martinez and helped him produce one of the top statistical seasons by a freshman quarterback in NCAA history, while also paving the way for four different Huskers to have a 100-yard rushing game, including Devine Ozigbo, who became Nebraska's first 1,000-yard rusher in four seasons.

In 2019, Austin helped develop an offensive line that featured no seniors in the playing rotation. The unit helped Nebraska average more than 200 yards passing and rushing per game, and for the second straight year the Huskers posted their most points (54) and yards (690) in a Big Ten Conference game. Against Illinois, Nebraska produced 300 yards rushing and 300 yards passing, just the second time in program history the Huskers had accomplished that feat. The line also helped NU set a school record with an 87 percent completion rate against Indiana.

The 2020 season was Austin's first adding the run game coordinator to his duties. The Husker run game finished second in the Big Ten, averaging better than 201 yards per game. The offensive line also protected the quarterbacks well, allowing the Huskers to complete a school-record 68.1 percent of their passes on the season. Matt Farniok and Brenden Jaimes each capped their outstanding Nebraska careers with more than 40 starts and both were selected in the NFL Draft. Jaimes started a Nebraska offensive line record 40 games in his career and earned all-conference recognition for the third straight season in 2020, while Farniok was a two-year team captain and earned All-Big Ten honors as a senior.

**UCF:** Austin's offensive line helped pave the way for the Knights' remarkable two-year offensive turnaround. UCF was the only FBS team to score 30 points in every game in 2017. UCF averaged a nation-leading 48.2 points per game in 2017, just two seasons after UCF scored the third-fewest points in the country in 2015, averaging just 13.9 points per game.

UCF won the American Athletic Conference title in 2017, putting together the first perfect regular season in school and AAC history en route to a 13-0 record and No. 6 final ranking. The Knights not only led the country in scoring but ranked fifth in total offense, second in passing efficiency and 10th in passing. Austin's offensive line allowed only 13 sacks to rank fifth nationally, and his unit helped the Knights average 5.2 yards per carry and score 39 rushing touchdowns, which ranked ninth nationally. In a testament to his line's versatility, UCF ranked in the top 25 nationally in both yards per pass and yards per rush in 2017. Both offensive tackles and UCF's center were recognized as all-conference performers, while quarterback McKenzie Milton was the AAC Offensive Player of the Year.

Austin's first year at UCF in 2016 marked his first full-time coaching job at the collegiate level. He helped the Knights become the nation's most improved team in 2016, as UCF won six games following a winless season in 2015. Austin's line helped the offense make tremendous strides in his first season, as the Knights moved up 59 spots in the scoring offense national ranking.

PHILADELPHIA EAGLES: Before earning his first full-time coaching role in the collegiate ranks, Austin spent three seasons as the assistant offensive line coach for the Philadelphia Eagles from 2013 to 2015. The Eagles ranked in the top five in the NFL in total offense in both 2013 and 2014. Philadelphia won the NFC East in 2013, when LeSean McCoy led the NFL in rushing. Offensive tackle Jason Peters earned a Pro Bowl selection in each of Austin's three seasons in Philadelphia, while guard Evan Mathis was a Pro Bowler in 2013 and 2014 and center Jason Kelce was a 2014 Pro Bowl selection.

**OREGON:** Austin began his coaching career at Oregon, where he coached with Frost for three seasons, serving as an intern in 2010 and as the Ducks' offensive graduate assistant in 2011 and 2012. Oregon posted a 36-4 record and finished in the top five in each of Austin's three seasons on staff, winning two conference titles and playing in the 2010 national championship game, when the Ducks led the country in scoring and total offense. Overall, Oregon ranked in the top 10 nationally in both scoring and total offense in each of Austin's three seasons in Eugene.

# **PLAYING CAREER (NEBRASKA)**

As a player at Nebraska, Austin battled injuries throughout his career. He made 18 career starts at offensive guard and was an honorable-mention All-Big 12 pick as a senior in 2006, when the Huskers played in the Big 12 Championship Game and the Cotton Bowl. Austin was also a two-time academic All-Big 12 selection in the classroom.

# **PERSONAL**

Austin boasts one bachelor's degree and two master's degrees. He earned his bachelor's degree in management from Nebraska in 2006 before picking up a master's degree from UCF in business management in 2008 and another master's degree in sports management from UCF in 2009. Prior to entering the coaching ranks, Austin spent time as an event manager at the ESPN Wide World of Sports Complex at Walt Disney World Resort.

Greg and his wife, Kelley, have three daughters, Kilyn Elyse, Kenly Ellis and Kolbe Estel.

Veteran coach Sean Beckton is in his fourth season as Nebraska's tight ends coach in 2021. He is in his 26th season overall, having spent the first 22 years of his career coaching in the high school, collegiate and professional ranks in Florida.

Beckton came to Lincoln after spending 19 seasons at UCF, his alma mater, including serving as the Knights' tight ends coach and recruiting coordinator under Scott Frost in 2016 and 2017. Beckton was one of the most important figures in the history of UCF football before deciding to follow Frost to Lincoln.

As a coach, Beckton helped the Knights win four of the six conference championships in

UCF history and the program's only two New Year's Six bowl wins. Beckton also played a large role in the only unbeaten season in UCF history in 2017, when the Knights went 13-0 to complete the greatest two-year turnaround in NCAA history. As a player, Beckton concluded his career as UCF's all-time leader in receptions and receiving yards, and he and a teammate were the first two football players inducted into the UCF Athletics Hall of Fame.

#### **NEBRASKA (2018-20)**

In 2018, Beckton inherited a tight end unit that featured only freshmen and sophomores.. Nebraska's tight ends combined for 28 catches, 374 receiving yards and three touchdowns. Jack Stoll led the way with 21 catches for 245 yards and three touchdowns, setting career highs in all three categories, while redshirt freshman Austin Allen led Nebraska with an average of 27.0 yards per reception. In addition to contributing to a passing attack that averaged nearly 250 passing yards per game, the tight ends also added perimeter blocking for a Husker rushing attack that was the nation's third-most improved rushing unit.

In 2019, Beckton's tight ends contributed to a balanced offense that averaged more than 200 passing and rushing yards per game. Stoll set a career high with 25 receptions and led the Husker tight ends with 234 receiving yards. Allen also posted career highs in both receptions and receiving yards.

Beckton's veteran tight end unit was a key part of the Husker offense in 2020. Junior Austin Allen caught 18 passes for 236 yards, including five catches of at least 20 yards. Junior Travis Vokolek and Stoll added nine and seven catches, respectively. The tight ends also provided blocking for the Big Ten's No. 2 rushing offense.

**UCF:** Beckton spent a total of 19 seasons at his alma mater, where he was a member of the coaching staff for four of the Knights' first five conference titles in program history, including three American Athletic Conference championships his final five seasons. In his final season at UCF in 2017, Beckton helped the Knights post the first perfect season in program history and the first undefeated season in AAC history. UCF was the only FBS team to go undefeated in 2017, and the Knights finished with a No. 6 ranking after defeating No. 7 Auburn in the Peach Bowl.

Beckton contributed in a variety of ways to Frost's success in his two seasons at UCF. Beckton's tight ends helped UCF post the nation's most improved offense in 2017, when the Knights led the nation in scoring and ranked fifth nationally in total offense. As UCF's recruiting coordinator, he helped Frost land several of the Knights' standout players. Sophomore quarterback McKenzie Milton was the 2017 American Athletic Conference Offensive Player of the Year and each of the Knights' three leading rushers and four of the top six receivers were either freshmen or sophomores.

As the Knights' tight ends coach, Beckton's group recorded 87 catches for 1,345 yards and seven touchdowns his last two seasons at UCF. In 2017,

In 2016, Akins caught 23 passes for 347 yards. Following his senior season, Akins was selected in the third round of the 2018 NFL Draft.

Before Frost's arrival, Beckton coached the UCF wide receivers from 2012 to 2015, his second stint in that role. Working with a young unit in 2015, Tre'Quan Smith finished with 52 catches for 724 yards, both of which set UCF freshman records. The 2015 American Athletic Conference Rookie of the Year, Smith went on to be a first-team All-AAC selection and Biletnikoff Award nominee in 2017. In 2014, four Knights totaled 500 receiving yards for the first time in program history, led by Breshad Perriman's 1,044 yards. Perriman went on to be a first-round pick in the 2015 NFL Draft. In 2013, three wideouts had at least 500 receiving yards to help UCF to a 12-1 record, an AAC title and a Fiesta Bowl win over Baylor. In Beckton's first year coaching the wide receivers in 2012, the Knights totaled more than 3,100 receiving yards and 28 receiving touchdowns.

Beckton coached the wide receivers after leading the UCF defensive backs from 2009 to 2011. The Knights ranked in the top 25 nationally in passing defense in 2011 when cornerback Josh Robinson was a first-team all-conference selection before being selected in the third round of the 2011 NFL Draft. In 2010, UCF won 11 games, a Conference USA title and produced the program's first bowl win and the school's first national ranking. Two of Beckton's defensive backs were first-team all-conference selections that season. In 2009, he guided Robinson to freshman All-America honors and helped converted quarterback Michael Greco earn an NFL free agent contract after just one year as a safety.

Beckton also coached the wide receivers at his alma mater for eight seasons from 1996 to 2003 in his first full-time collegiate coaching position. During that time he coached a slew of top wideouts, including three who went on to NFL careers. His most high-profile pupil was Brandon Marshall, who caught 74 passes for 1,195 yards in 2005 before being selected in the fourth round of the 2006 NFL Draft. Marshall played 13 seasons in the NFL and was a six-time Pro Bowler who amassed 970 catches and 12,351 receiving yards. Beckton also received his start in the coaching profession as an offensive graduate assistant at UCF in 1992 and 1993.

ORLANDO PREDATORS (AFL): In addition to his 19 total seasons at UCF, Beckton coached the wide receivers for the Orlando Predators of the American Football League in 2008, helping the team to a 9-7 record and a playoff berth.

MAINLAND (FLA.) HIGH SCHOOL: Beckton also boasts experience in the prep ranks, as he was an assistant coach for Mainland (Fla.) High School from 1993 to 1996, where he also taught history. He helped Mainland to a pair of state championships and also worked with the basketball team, where he coached future NBA star Vince Carter.

# **PLAYING CAREER (UCF)**

Originally from Daytona Beach, Fla., Beckton was a star wide receiver at UCF from 1987 to 1990. He ended his career as the program's all-time leader with 196 receptions and 2,493 receiving yards and was one of the first two football players to be enshrined in the UCF Athletics Hall of Fame. Against Texas Southern as a senior, Beckton was responsible for a touchdown four different ways (passing, rushing, receiving and punt return).

# **PERSONAL**

Beckton earned his degree from UCF in liberal studies in 1993. He and his wife, Zorana, have one son, Sean Jr., and one daughter, Zaria. Sean Beckton Jr. is a member of the Husker football performance staff.

Mike Dawson is in his second season as the Huskers' outside linebackers coach and his third season overall on Scott Frost's Nebraska coaching staff. This offseason Dawson also added the title of Special Teams Coordinator.

Dawson coached Nebraska's defensive line on Frost's first staff in 2018, before spending the 2019 season as the outside linebackers coach for the New York Giants. He returned to Lincoln in the winter of 2020.

A coaching veteran in his 23rd season, Dawson has coached at the FCS, FBS and professional levels. He has spent 18 seasons in the collegiate ranks, including 12 years at the FBS level and seven seasons at a Power Five school. Dawson also boasts four years of coaching experience in the National Football League. He has coached both defensive linemen and outside linebackers in college and the NFL. Dawson also has three previous years of experience as a special teams coordinator.

Dawson has helped build impressive defenses throughout his career, including working with

a UCF squad that ranked second nationally in takeaways in 2017 and a Philadelphia Eagles team that ranked second in the NFL in sacks in 2014. Individually, Dawson has tutored three All-Big Ten performers in his two seasons at Nebraska, and has coached five different defenders to all-conference accolades in his last three collegiate seasons.

# **NEBRASKA (2018 & 2020)**

In Dawson's first year at Nebraska in 2018, his defensive line featured a pair of All-Big Ten performers and helped key a Blackshirts unit that moved up 27 spots in the national scoring defense rankings from the 2017 season. The line helped Nebraska total 25 sacks, 11 more than the Huskers recorded the previous season.

In addition to the pressure created by the defensive line, the unit also helped the Huskers post the ninth-most pass breakups in school history (58). Carlos Davis led the line with five breakups, the most by a Husker defensive lineman since Ndamukong Suh had nine in 2009. Carlos and his twin brother, Khalil, were both all-conference performers in 2018, as Khalil led the defensive line with 41 tackles, eight tackles for loss and 3.0 sacks.

In 2020, Dawson's outside linebackers played a key role for a Blackshirt unit that ranked sixth in the Big Ten in total defense, and lowered opponent rushing yards per attempt by more than a half-yard over 2019. Outside linebacker JoJo Domann led the team with 58 tackles and 6.5 tackles for loss en route to All-Big Ten honors.

# **NEW YORK GIANTS (2019)**

Dawson spent the 2019 season coaching the outside linebackers for the New York Giants. Dawson helped Markus Golden have a career year in his fifth year in the league, as Golden totaled a career-high 68 tackles. Golden also had 10.0 sacks – the second-highest total of his career – and scored the first defensive touchdown of his career. Dawson also helped Oshane Ximines record 4.5 sacks in his rookie season.

# **BEFORE NEBRASKA**

**UCF:** Dawson spent two seasons on Frost's staff at UCF in 2016 and 2017, helping defensive coordinator Erik Chinander turn around the Knights' defense. UCF improved by more than 12 points per game in scoring defense during Dawson's tenure, and the defense helped out the offense by forcing 58 turnovers and scoring nine defensive touchdowns in his two seasons. UCF ranked third nationally in turnovers forced in Dawson's two seasons at the school, and his defensive line played a key role in that area by helping the Knights recover 23 fumbles.

In 2017, Dawson's defensive line helped UCF post the first perfect season in program history and in the history of the American Athletic Conference when UCF finished 13-0 as the nation's only undefeated team. The Knights ranked third in the league in scoring defense and fourth in rushing defense. Two of his three starting defensive linemen earned all-conference accolades, including Jamiyus Pittman, a member of the Outland Trophy watch list who was an All-AAC performer for the second straight season.

In Dawson's first season at UCF in 2016, the Knights ranked in the top 10 nationally in four defensive categories and in the top 25 in nine categories. Dawson's defensive line played a major role in UCF ranking second nationally in red zone defense, sixth in third-down defense, ninth in tackles for loss, 17th in sacks, 18th in turnovers forced and 24th in fumbles recovered. The defense was the key to UCF leading the nation with a six-win improvement from the 2015 to 2016 season.

PHILADELPHÍA EAGLES: Dawson was hired by Frost at UCF after spending three seasons on Chip Kelly's Philadelphia Eagles staff. Dawson served as a defensive quality control coach in 2013, when the Eagles won the NFC East and ranked third in the NFL with 31 takeaways. He spent the next two seasons as an assistant defensive line coach. In 2014, Dawson helped Philadelphia rank second in the NFL in sacks (49) and fifth in opponent yards per carry (3.7).

**BOSTON COLLEGE:** Dawson was Boston College's special teams coach for three seasons from 2009 to 2011. In his first year, kicker Steve Aponavicius set school records for career points, extra points made and field-goal percentage. In his second season with the Eagles, kicker Nate Freese was 22-of-25 on field goals, and he went on to break Aponavicius' career scoring record. Dawson also coached punter Ryan Quigley, who went on to play six seasons in the NFL.

**AKRON:** In his first full-time job at the FBS level, Dawson coached the Akron linebackers for three seasons from 2006 to 2008. With the Zips he tutored all-conference linebacker Brion Stokes, who ended his career with 38.5 tackles for loss, the second-most in school history.

**NEW HAMPSHIRE:** Dawson came to Akron following a six-year stint at New Hampshire from 2000 to 2005. He held three different positions with the Wildcats, coaching the linebackers in 2000 and 2002-03, the offensive line in 2001 and serving as defensive coordinator in 2004 and 2005. In his two seasons leading the defense, New Hampshire posted a 21-5 record and reached the 2005 FCS quarterfinals, when the Wildcats led the country with 45 takeaways.

**PITTSBURGH, MAINE AND UMASS-LOWELL:** Dawson's first coaching stint in the FBS ranks came as a graduate assistant at Pittsburgh in 1998. Dawson began his coaching career as the defensive line coach in the spring of 1998 for UMass-Lowell before he joined Maine as a defensive assistant for the 1998 season.

# **PLAYING CAREER (UMASS)**

Dawson was a three-year starter at linebacker and defensive end from 1995 to 1997 at UMass-Amherst. He served as team captain as a senior in 1997.

Travis Fisher is in his fourth season on the Husker sideline in 2021, where he coaches the defensive backs. Fisher entered the coaching ranks following a nine-year NFL career, and he is in the ninth season of his coaching career, the last seven of which have been as a member of Scott Frost's staff.

Fisher has been able to transfer his success and experience as a player into coaching. Fisher's defensive backs have consistently

held opposing passing attacks in check while showing a knack for interceptions. After inheriting a Husker secondary that allowed more than 275 passing yards per game in 2017, Fisher helped Nebraska hold five opponents to fewer than 200 passing yards in 2018. NU held six opponents to fewer than 165 passing yards in 2019, when the Huskers ranked No. 33 nationally in pass efficiency defense. On the strength of a veteran secondary, the 2020 Blackshirts continued to improve and finished sixth in the Big Ten in total defense. Fisher led UCF to a No. 12 ranking in pass efficiency defense in 2016, and the Knights ranked second nationally with 20 interceptions in 2017.

Fisher has excelled developing individual talent. Nine of his defensive backs have signed NFL contracts in the last four years alone. In just one year, Fisher turned junior college transfer Mike Hughes into an All-American and first-round NFL Draft pick. Hughes was selected with the 30th overall pick in the 2018 NFL Draft, surpassing Fisher as the highest-drafted defensive player in UCF history. Fisher was selected in the second round of the 2002 NFL Draft following three seasons as a Knight.

In addition to developing players, Fisher has impressed in his role of bringing talent to Lincoln as one of Nebraska's top recruiters.

# **NEBRASKA (2018-20)**

Fisher made an instant impact on the Husker secondary in his first season in 2018, when Nebraska produced impressive results as a team and individually. NU ranked 34th nationally in pass efficiency defense in 2018, a 61-spot improvement from 2017. Dicaprio Bootle shined under Fisher's guidance in 2018, earning All-Big Ten accolades. Bootle set career highs in every category and led the Big Ten and ranked ninth nationally with 15 pass breakups, the second-highest total in school history. At the opposite corner spot, Lamar Jackson posted his best season as a Husker, intercepting the first two passes of his career, breaking up a career-high seven passes and recording the first tackle for loss and forced fumble of his career.

Each of Nebraska's four primary safeties had at least one interception and one fumble forced or recovered in 2018. All told, Fisher's secondary recorded eight interceptions, forced 10 fumbles and had four fumble recoveries, helping Nebraska post its highest turnover total in four seasons. The secondary also combined for 41 pass breakups, helping Nebraska rank ninth in school history with 58 total pass breakups.

In 2019, Nebraska held six of its 12 opponents to fewer than 165 yards passing, including four opponents under 100 yards. Nebraska again ranked in the top 35 nationally in pass efficiency defense, and the Huskers were 11th nationally with two interception returns for touchdowns. Individually, Lamar Jackson ranked in the top 15 nationally in pass breakups and passes defended, while Cam Taylor-Britt - in just his second season playing defense - ranked fifth in the country with four forced fumbles, the most by a Husker since 1999. Jackson and Taylor-Britt also tied for the team lead with three interceptions.

Under Fisher's guidance, three of Nebraska's four secondary starters were All-Big Ten selections. Bootle earned All-Big Ten accolades for the second straight season, with Jackson and Taylor-Britt earning all-conference recognition for the first time.

Fisher's veteran secondary again shined in 2020. Each of the four starters in the secondary earned all-conference recognition, including Bootle who completed his Husker career as a three-time All-Big Ten honoree. Bootle finished in ninth place in Nebraska history in career breakups. Junior Cam Taylor-Britt earned second-team all-conference honors and once again showed his play-making ability with two interceptions, four

## **BEFORE NEBRASKA**

**UCF:** At his alma mater, Fisher helped Frost and defensive coordinator Erik Chinander turn the UCF defense into one of the top units in the American Athletic Conference. Fisher's defensive backs were a big reason why the Knights were able to record 58 takeaways and score nine defensive touchdowns in 2016 and 2017. UCF ranked third nationally in takeaways over the 2016 and 2017 seasons combined, and the Knights ranked fifth with 35 interceptions, including 26 from Fisher's defensive backs. In 2017, UCF led the AAC and was second nationally in interceptions.

In 2017, Fisher's unit helped UCF go 13-0 as the nation's only undefeated team while posting the first perfect season in school and American Athletic Conference history. The Knights led the league in interceptions and defensive touchdowns and ranked third in scoring defense and pass efficiency defense. UCF's 20 interceptions not only led the conference but ranked fifth nationally, with 15 of the interceptions by Fisher's defensive backs, two of which were returned for touchdowns.

One of those interceptions was a game-ending pick by Tre Neal - who followed Fisher to Nebraska as a graduate transfer in 2018 - in the second overtime of the American Athletic Conference Championship win over No. 16 Memphis. Another was an interception by Antwan Collier with 24 seconds remaining that sealed the Knights' Peach Bowl win over No. 7 Auburn. Cornerback Mike Hughes and safety Kyle Gibson were both first-team all-conference selections and both players ranked in the top 25 nationally in interceptions. Hughes, a first-year junior college transfer, went on to earn second-team All-America honors before being a first-round selection in the 2018 NFL Draft, eclipsing Fisher as the highest-drafted defensive back in UCF history.

The production of Fisher's defensive backs in 2017 came after five defensive backs from the 2016 roster signed NFL contracts following the season, including third-round draft pick Shaquill Griffin.

Led by Griffin, Fisher's defensive backs played a big role in UCF's 2016 season, when the Knights were the nation's most-improved team. UCF posted the top pass efficiency defense in the American Athletic Conference and the 12th-best mark nationally, while the defensive backs totaled 12 of the Knights' 15 interceptions – a total that ranked 22nd nationally. The group also returned four interceptions for touchdowns, helping UCF rank third nationally with five defensive touchdowns. Individually, Griffin led the AAC and was fifth nationally with 1.5 passes defended per game, and his 15 pass breakups in 2017 and 36 career breakups were both the second-most in UCF history. Drico Johnson also set a school record by becoming the first UCF player to score two defensive touchdowns in one game, accomplishing the feat against Tulane.

A former Knight cornerback, Fisher also spent the 2015 season at UCF, where he coached the cornerbacks in his first season as an FBS assistant. He began his coaching career as a defensive quality assistant with UCF in 2013, when the Knights went 12-1 and finished with a No. 10 ranking.

**SOUTHEAST MISSOURI STATE:** Fisher's first full-time coaching role came as the cornerbacks coach at Southeast Missouri State in 2014.

# **PLAYING CAREER (UCF & NFL)**

As a player, Fisher totaled 130 tackles with the Knights from 1999 to 2001. He was selected in the second round of the 2002 NFL Draft with the 64th overall pick by the St. Louis Rams. Fisher had been the highest drafted defensive back in UCF history before his pupil Hughes was selected in the first round with the 30th overall pick in the 2018 NFL Draft. Fisher went on to spend nine seasons in the NFL and led the NFL with two interception returns for touchdowns and 205 interception return yards in 2003.

# **PERSONAL**

Fisher graduated from UCF with a degree in criminal justice in 2001. He has two daughters, Taliyah and Aria, and one son, Travis Jr.

Ryan Held is in his fourth season at his alma mater in 2021, where he coaches the Husker running backs. Held also holds the title of recruiting coordinator on Scott Frost's Husker coaching staff. Held was teammates with Frost for two seasons at Nebraska, and Held is serving on Frost's staff for the sixth straight year.

A coaching veteran with 12 years of head coaching experience, Held has won four national championships in his career, including two as a player and two as a coach. In fact, Held has been a part of three national championship teams in the eight seasons he has spent playing and coaching at Nebraska. Held has also benefited from coaching under three national coaches of the year: Frost, Phillip Fulmer and Tom Osborne.

As a position coach, Held has developed an all-conference running back three of the past four seasons and twice in the last four years, his starting running back ranked in the top 15 nationally in rushing yards per carry.

In addition to his role as running backs coach, Held has

been recognized as an outstanding recruiter, as he was named one of the nation's top 25 recruiters by Rivals.com in both 2018 and 2019. In his first year as recruiting coordinator, Held played a key role in Nebraska signing another top 25 national class.

## **NEBRASKA (1997: 2018-20)**

Held's running backs produced impressive results in his first season in 2018. The group helped Nebraska rush for more than 2,500 yards, as NU boasted the third-most improved rushing attack in the country, averaging 209.0 rushing yards per game.

Leading the way was All-Big Ten back Devine Ozigbo, who ran for 1,082 yards as a senior in 2018, becoming Nebraska's first 1,000-yard rusher since Ameer Abdullah in 2014. Ozigbo, who was one of three Husker running backs to have a 100-yard rushing performance in 2018, had never even rushed for 500 yards in a season before Held's arrival. Ozigbo ranked 11th nationally with an average of 7.0 yards per carry. Ozigbo also led Nebraska with 12 rushing touchdowns and 90.2 rushing yards per game.

In 2019, Held helped develop a young running back group, where three of NU's top five running backs were in their first year in the program. Junior college transfer Dedrick Mills led Nebraska with 745 rushing yards and 10 rushing touchdowns. He improved throughout the season and averaged 115.7 rushing yards per game and 6.5 yards per carry over the final three games. Mills ran for a season-high 188 yards against a Wisconsin defense that finished sixth nationally in rush defense. Both Mills and freshman Wan'Dale Robinson, a part-time running back, earned All-Big Ten recognition in their first season as Huskers.

Nebraska battled the injury bug at running back in 2020, as Mills' senior campaign was limited. However, Mills finished his career on a high note by rushing for a career-high 191 yards at Rutgers and he totaled 418 yards and three touchdowns, despite only playing in six games. The Husker running game was again among the Big Ten's best, averaging 201.4 yards per contest to rank second in the league.

# **CAREER HIGHLIGHTS**

- Four-time national champion (twice as a player & twice as a coach)
- Three national titles in nine seasons as a player or coach at Nebraska
- 12 seasons of collegiate head coaching experience
- Named one of the nation's top 25 recruiters in 2018 & 2019
- Had a back in the top 15 nationally in yards per carry in 2017 & 2018
- NU had the nation's second-most improved running game in 2018
- Devine Ozigbo ran for 1,082 yards as an All-Big Ten back
- Ozigbo ranked 11th nationally with an average of 7.0 yards per carry
- Helped UCF to the greatest two-year turnaround in NCAA history
- UCF was No. 1 in scoring and No. 9 in rushing touchdowns in 2017

Held also began his coaching career at Nebraska as an undergraduate assistant coach in 1997. After being a part of two Husker national championship teams as a player, Held helped Nebraska to the 1997 national title with Scott Frost as the Huskers' starting quarterback.

## **BEFORE NEBRASKA**

**UCF:** Held coached the running backs for a program that was the nation's most improved team in 2016 and posted the first perfect season in UCF and American Athletic Conference history in 2017. With help from Held's running backs, the Knights' offense showed dramatic improvement, increasing their scoring production by nearly 35 points per game from 2015 to 2017 and their total offense output by more than 260 yards per game.

Held's running backs helped UCF rush for more than 2,500 yards during its perfect season and run to the American Athletic Conference title in 2017. Adrian Killins Jr. averaged 6.5 yards per carry en route to earning all-conference accolades as a sophomore. Killins added 10 rushing touchdowns, including a 96-yard score in the regular-season matchup with Memphis, the longest rush and longest play from scrimmage in both UCF and AAC history. As a unit, Held's running backs combined for 24 rushing touchdowns in 2017 and turned the ball over only three times in 13 games. As a team, UCF ranked ninth nationally with 39 rushing touchdowns.

In Held's first season at UCF in 2016, the Knights rushed for nearly 2,000 yards, including more than 800 yards from freshmen. Killins averaged 6.5 yards per carry, while senior Dontravious Wilson scored eight rushing touchdowns after scoring only three times in his first three seasons combined.

AS A HEAD COACH: Before joining Frost at UCF, Held made his name in the coaching community as a junior college, Division II and NAIA head coach. He spent four seasons as a junior college head coach, including two years each at Northeastern Oklahoma A&M (2014-15) and Highland (Kan.) Community College (2012-13). Held coached 22 all-conference selections in his final season at Northeastern Oklahoma A&M and led Highland to the playoffs in 2013 for the first time in the modern era. In his four years as a junior college head coach, Held sent more than 50 players to Division I schools. Held's first stint in the junior college ranks was as the offensive coordinator for Butler (Kan.) Community College in 2011, when the Grizzlies went 11-1 and ranked second nationally in total offense.

Previously, Held spent seven seasons as a Division II head coach. He led the Southwestern Oklahoma State program for four seasons from 2005 to 2008, guiding the team to a conference title in 2007, one year after he was named the division coach of the year. Held coached Oklahoma Panhandle State from 2002 to 2004, and his first full-time coaching job was as head coach at Peru State in 2001, an NAIA school in Peru, Neb. Upon his hiring by Peru State, Held was the youngest head football coach in the country (age 26), and he led the Bobcats to a second-place league finish in his only season.

**TENNESSEÉ:** Held was a defensive graduate assistant at Tennessee in 1998 and 1999, helping the Volunteers win the 1998 national championship.

# PLAYING CAREER (NEBRASKA)

Held was a two-time national champion himself as a Husker from 1993 to 1996. Nebraska posted a 47-3 record during Held's career with three conference titles. At Nebraska, Held was a teammate of Frost's during the 1995 and 1996 seasons. Following his playing career, Held was an undergraduate assistant coach for the Huskers in 1997 working with the running backs.

Barrett Ruud, Nebraska's all-time leading tackler, is in his fourth season as the Huskers' inside linebackers coach in 2021. Ruud entered the coaching ranks shortly after an eight-year NFL career, and he has been a member of Scott Frost's staff each of the last six years.

Ruud spent his first four years in

the profession in an off-field coaching role, but he was elevated to inside linebackers coach in January of 2018.

Ruud made a big impact in his first season on the sideline, as his starting inside linebackers were Nebraska's top two tacklers, combining for 195 stops. Mohamed Barry had the top tackling season by a Husker linebacker in seven seasons, making 112 tackles to rank second in the Big Ten in tackles per game and earn all-conference accolades. Dedrick Young II also had a career high in tackles in his lone season with Ruud as his position coach.

In his second season, Nebraska's top three tacklers were inside linebackers. Barry led the Huskers in tackles for the second straight season with 89 stops, while Will Honas ranked second with 73 tackles in his first full season at the FBS level. Collin Miller was third on the team with 67 tackles.

It should come as no surprise that Ruud has produced prolific tacklers while coaching Nebraska's inside linebackers. As a Husker linebacker himself, he recorded 432 tackles, 90 more than any other player in program history. Ruud then went on to make more than 650 tackles during his eight-year NFL career.

# **NEBRASKA (2014; 2018-20)**

In his first season as a full-time assistant coach in 2018, Ruud's inside linebackers helped Nebraska improve by 27 spots in the national scoring defense rankings from the 2017 season and by 61 spots in pass efficiency defense. Both of Ruud's starting inside linebackers put together impressive seasons in 2018, with Mohamed Barry leading the team with 112 tackles and Dedrick Young II ranking second with 83 stops.

Barry enjoyed a breakout season under Ruud's tutelage en route to All-Big Ten honors. Barry recorded 112 tackles in 2018 after totaling just 44 stops in his first two seasons combined. He ranked second in the Big Ten and 38th nationally with an average of 9.3 tackles per game. Barry's 112 tackles were the most by a Husker since All-American Lavonte David had 133 tackles in 2011. Barry had seven games with 10 or more tackles, becoming only the fifth Husker to have seven double-figure tackle efforts in one season and the first in eight years. Barry also set a career high with 11 tackles for loss and posted the first 2.0 sacks of his career.

Young was nearly as productive in his only year under Ruud, setting career highs in what was one of the most impressive statistical careers by a Husker defender. Young totaled a career-high 83 tackles in 2018 to end his career with 284 tackles, the fifth-highest total in Nebraska history. In addition to his career high in tackles, Young also broke up a career-high five passes and intercepted the first pass of his career.

In 2019, Ruud's inside linebackers ranked first, second and third on the team in tackles. Barry recorded 89 tackles to give him more than 200 tackles in two seasons under Ruud, and Barry earned All-Big Ten honors for the second straight season. Opposite Barry, Will Honas and Collin Miller combined for 140 tackles. Honas was second on the team with a careerhigh 73 tackles, while Miller was third with a career-high 67 stops. Miller recorded 67 tackles after entering the year with only 28 career tackles.

Ruud adeptly rotated inside linebackers in 2020 as the Huskers battled injuries. Honas led the group with 57 tackles, 6.5 tackles for loss and three sacks on his way to all-conference honors. Miller made 27 tackles in four games before a neck injury ended his playing career. The development of a pair of underclassmen highlighted Ruud's coaching. Sophomore Luke Reimer made 40 tackles and five tackles for loss, while redshirt freshman Nick Henrich moved inside late in the season and finished the year with 27 tackles. The play of the linebackers helped Nebraska rank sixth in the Big Ten in total defense.

- NU's inside linebackers have more than 550 tackles in three years

# **BEFORE NEBRASKA**

**UCF:** Following an eight-year career as an NFL linebacker, Ruud got his start in coaching on the Nebraska staff as a defensive intern in 2014. Ruud then served as a quality control administrator on Frost's staff at UCF in 2016 and 2017, helping the Knights to the greatest two-year turnaround in modern college football history, including a 13-0 record in 2017, when UCF was the nation's only unbeaten team and won the American Athletic Conference title and the Peach Bowl.

Ruud is in his fourth season overall working with defensive coordinator Erik Chinander. Ruud helped Chinander's UCF defense make dramatic improvements, especially in takeaways. The Knights were also among the top teams in the nation in takeaways, with their 58 takeaways in 2016 and 2017 ranking third among FBS schools in that time period.

# **PLAYING CAREER (NEBRASKA & NFL)**

Ruud boasts extensive knowledge of the linebacker position from his playing days. He totaled a school-record 432 tackles in his Nebraska career, 90 more than any other Husker. He was a freshman All-American, a three-time All-Big 12 selection and a 2004 third-team All-American. Ruud played in the 2002 Rose Bowl, when Nebraska battled Miami for the national championship.

Following his NU career, Ruud was a second-round pick in the 2005 NFL Draft, when the Tampa Bay Buccaneers selected him with the 36th overall pick. Ruud spent eight seasons in the NFL, recording 658 tackles with six sacks, seven interceptions and six forced fumbles. He played six seasons in Tampa Bay and also played for Tennessee, New Orleans and Houston.

Tony Tuioti is in his third season as Nebraska's defensive line coach in 2021. Tuioti boasts 19 years of experience at every level of football, as he is in his 10th season as a collegiate assistant, and he was an NFL defensive line coach for two years. Tuioti also spent three years coaching in the high school ranks, including two seasons as a head coach. In addition to his experience as an on-field coach, Tuioti has three years of experience in recruiting administration at the FBS level.

Tuioti has emerged as one of the nation's top young coaches, spending the past eight seasons coaching in either the NFL or a Power Five Conference, including stints at two of the seven winningest programs in college football history (Michigan and Nebraska). He helped orchestrate an impressive defensive turnaround at Cal in 2017 and 2018. The Bears ranked 15th nationally in total defense in 2018, with Tuioti's defensive line combining for more than 120

combining for more than 120 tackles, 19.5 tackles for loss and 8.0 sacks. Overall, Cal ranked in the top 10 nationally in four defensive categories in 2018.

10 nationally in four defensive categories in 2018.

In his first season at Nebraska in 2019, Tuioti saw two of his three starting defensive linemen earn All-Big Ten accolades, and each of his three starters were on active NFL rosters in 2020. Tuioti quickly re-tooled the defensive line in 2020, helping Nebraska make significant improvement in defending the run.

Tuioti is also well-recognized for his strength as a recruiter. His work in the past year allowed Nebraska to sign another top 25 class in 2021.

# **NEBRASKA (2019-20)**

Nebraska boasted a strong defensive line in 2019, as the Huskers held three opponents to fewer than 90 rushing yards and three opponents to fewer than 100 passing yards. Individually, five of Nebraska's six primary defensive linemen set career highs in tackles, while three also established career bests in sacks and tackles for loss. The line combined for 32 TFLs and 16.5 sacks. Two of Nebraska's three starting defensive linemen - Khalil Davis and Darrion Daniels - earned All-Big Ten recognition.

Davis led the defensive line with career highs of 45 tackles, 8.0 sacks and 12 tackles for loss, leading the team in sacks and TFLs. His eight sacks were the most by a Husker since 2013, while his 12 TFLs were the most by a Husker since 2014. Khalil's twin brother Carlos registered 32 tackles, six TFLs and 4.0 sacks, setting career highs in both TFLs and sacks. The Daniels brothers were also productive under Tuioti. Darrion, a graduate transfer, set career highs with 34 tackles and 1.5 sacks, while Damion totaled a career-high 13 tackles. Ben Stille recorded a career-high 31 tackles while adding eight TFLs and 3.0 sacks. Deontre Thomas added a career-high 19 tackles, including the first two tackles for loss of his career.

In 2020, the Nebraska defense decreased its yard per rush allowed to 4.2 yards per attempt, an improvement of 0.6 yards per rush over 2019. Stille headlined the defensive front with 27 tackles, three tackles for loss and 1.5 sacks and earned all-conference accolades. Damion Daniels was a powerful run stopper and made 20 tackles and four tackles for loss. Defensive ends Casey Rogers (25 tackles, 3 TFL) and Ty Robinson (17 tackles, 2 TFL) both excelled in their first extensive action as Huskers.

In 2018, Cal ranked in the top 10 nationally in passing defense, interceptions, takeaways and defensive touchdowns, while ranking in the top 20 in total defense, pass efficiency defense and first downs allowed. with six breakups and Tevin Paul totaled a team-high 11.0 TFLs. In his first season at Cal in 2017, Tuioti's outside linebackers played a key role on a Bears' defense that improved by an average of 40 spots in the 15 primary team defensive statistical categories ranked by the NCAA. His group combined for 11.0 sacks and two of his four starters registered at least 4.5 sacks. Alex Funches also led the team with 10.5 tackles for loss.

**MICHIGAN:** Prior to Cal, Tuioti spent the 2016 season in the Big Ten Conference as Michigan's director of player personnel. The Wolverines posted a 10-3 record and earned a final No. 10 ranking in Tuioti's lone season at the school. Tuioti's efforts helped Michigan land the No. 3 recruiting class in the country, and he also played a critical role in developing the relationships for a satellite camp tour in the summer of 2016 that included American Samoa, Australia and Hawaii among nearly 40 locations.

**CLEVELAND BROWNS:** Before joining the Wolverines, Tuioti was an assistant with the Cleveland Browns in 2014 and 2015, serving as the Browns' assistant defensive line and quality control coach. In his first season, Cleveland led the NFL in opponent completion percentage, opposing quarterback passer rating and passes defended, while ranking second in interceptions. In his final year with the Browns, Tuioti helped rookie defensive tackle Danny Shelton finish with 36 tackles and four TFLs.

**HAWAII:** Tuioti's first experience as a full-time member of a collegiate staff came at his alma mater. He spent six seasons at Hawaii from 2008 to 2013, first serving as the Rainbow Warriors' director of player personnel for two seasons, before coaching the defensive line for the next two years and tutoring the linebackers in his final two seasons.

In his first season as the defensive line coach, Hawaii won a share of the 2010 Western Athletic Conference championship. Hawaii led the nation in takeaways that season, Tuioti's defensive line produced 22.5 of the team's 30 sacks. The pressure from the defensive line was a big reason why the Rainbow Warriors tied for 15th in sacks per game the next season. Tuioti worked with the linebackers the next season, when Hawaii ranked 11th nationally in pass defense. In his final season, Tuioti's linebackers led the squad in tackles, TFLs and sacks, and the Rainbow Warriors ranked third nationally in tackles for loss and eighth in fumble recoveries.

KALAHEO & SILVERADO HIĞH SCHOOLS: Tuioti's first full-time coaching job came in the high school ranks. He served as the head coach of Kalaheo High School in Honolulu in 2003 and 2004. Tuioti inherited a winless Kalaheo team and led the Mustangs to the playoffs for the first time in his inaugural season as the youngest varsity head coach in the state.

After two years at Kalaheo, Tuioti moved to Las Vegas to pursue a second master's degree and in 2017, he returned to coaching as the defensive coordinator for a Silverado High School team that finished 10-1 and was undefeated in the regular season while winning a division title.

**HAWAII:** Tuioti got his start in the coaching profession at Hawaii as a defensive graduate assistant in 2000 and 2001. He transitioned to the sideline after a four-year career as a standout defensive lineman for the Rainbow Warriors from 1996 to 1999.

# PLAYING CAREER (HAWAII)

Tuioti was an honorable-mention All-WAC defensive lineman as a junior and as a senior, Tuioti was a key leader for a team that tied for the largest one-year turnaround in NCAA history, going from 0-12 the previous season to a 9-4 mark that included a share of the 1999 WAC title. He was one of two Rainbow Warriors to win a WAC championship both as a player (1999) and coach (2010). Tuioti also played in the 2000 Hula Bowl following his senior season.

# **PERSONAL**

Tuioti earned his bachelor's degree in sociology from Hawaii in 2000 before adding a master's degree in education administration in 2002. Tuioti also completed work on a second master's degree in special education from UNLV in 2007. He and his wife, Keala, have three daughters, Teisa, Teiyana and Teinia and four sons, Teivis, Teilor, Teitum and Teimana. Mario Verduzco is the veteran of Nebraska's coaching staff. He is in his sixth season serving as Scott Frost's quarterbacks coach, and he has coached with Frost for a total of eight seasons.

Verduzco brings a wealth of knowledge to the staff. He has coached at the high school, junior college, FCS and FBS levels and boasts 16 years of experience as a collegiate offensive coordinator in addition to a career devoted to developing quarterbacks.

A Broyles Award nominee, Verduzco helped Nebraska true freshman Adrian Martinez rank 12th nationally in total offense in 2018, one season after UCF sophomore McKenzie Milton was fourth nationally in total offense. Martinez enters his senior season in 2021 on track to break numerous Nebraska school records.

# **NEBRASKA (2018-20)**

Verduzco helped Adrian Martinez put together one of the top statistical seasons by a freshman quarterback in NCAA history in 2018, earning a nomination for the Broyles Award in the process.

Under Verduzco's tutelage, Martinez completed nearly 65 percent of his passes, throwing for 2,617 yards and 17 touchdowns, while rushing for 629 yards and eight scores. Martinez set Nebraska season records for total

offensive yards per game (295.1), 400-yard total offense games (3) and 300-yard total offense games (7), in addition to setting a Husker game record with an 86.2 completion percentage against Minnesota. Martinez was just the third true freshman to ever start at quarterback for Nebraska.

Martinez ranked 12th nationally in total offense in 2018 and first among freshmen. His average of 295.1 yards per game was the ninth-highest mark by a freshman in NCAA history and the third-highest mark by a true freshman. Martinez became the first true freshman at a Power Five program to average 290 yards of total offense per game. Martinez also became just the sixth freshman in NCAA history to average 200 passing yards per game and 50 rushing yards per game, and he was just the second true freshman in NCAA history - and first at a Power Five school - to hit both marks.

Led by Martinez, a freshman All-American, Nebraska's quarterbacks completed 63.6 percent of their passes and threw for 2,966 yards in 2018.

Verduzco dealt with injuries to his quarterback room in 2019. Martinez missed two games but accounted for more than 2,500 yards of total offense, ranking third in the Big Ten with an average of 258.2 yards of total offense per game. Despite Martinez missing time, Verduzco's reserve quarterbacks completed better than 72 percent of their passes for 500 yards and rushed for better than 200 yards. Verduzco had a role in another record in 2019, as NU set a school record by completing 87 percent of its passes against Indiana (20-of-23).

The Nebraska passing game was efficient in 2020, completing 68.1 percent of its passes to rank ninth nationally. The completion percentage was just shy of a school record. Individually, Martinez completed 71.5 percent of his passes to shatter the single-season completion percentage mark. Martinez also led Nebraska with 521 rushing yards and seven touchdowns, while averaging 5.7 yards per carry. The junior ranked fifth in the Big Ten in total offense per game.

# **CAREER HIGHLIGHTS**

**UCF:** Verduzco helped Frost increase the Knights' win total by 13 games in only two seasons. UCF was the nation's most improved team in 2016, and the Knights won a conference title and put together the first perfect season in program history in 2017, which also marked the first perfect season in American Athletic Conference history. UCF improved from ranking 125th nationally in scoring offense and 127th in total offense in 2015 to first and fifth in those respective categories in 2017. The Knights' 2015 to first and fifth in those respective categories in 2017. The Knights' quarterback play was a big reason for the turnaround.

Quarterback play was a big reason for the turnaround.

Under Verduzco's direction, McKenzie Milton developed into one of the nation's top quarterbacks. Milton completed better than 64 percent of his passes and threw for 6,020 yards and 47 touchdowns in his two seasons with Verduzco, while adding 771 rushing yards. In Verduzco's two seasons, the UCF quarterbacks posted a nearly 3-to-1 touchdown-to-interception ratio, throwing 52 touchdown passes against only 18 interceptions.

Milton made great strides under Verduzco in 2017, posting one of the nation's best individual seasons. Milton completed more than 67 percent of

nation's best individual seasons. Milton completed more than 67 percent of his passes and threw for 4,037 yards with a school-record 37 touchdowns. Milton's backup was Noah Vedral, who completed 22-of-29 passes for 276 yards and one touchdown as a true freshman in 2017 before transferring to Nebraska in January of 2018.

In 2016, Verduzco dealt with injuries to his quarterbacking corps but helped develop Milton into the starter as a true freshman. Milton set a UCF freshman record with 194 completions and threw for 1,983 yards while completing 57.7 percent of his passes.

# ATHLETIC ADMINISTRATION

# GARRETT **KLASSY**

SENIOR DEPUTY ATHLETIC DIRECTOR 1

Garrett Klassy joined the Nebraska Athletic Department in July of 2019. Nebraska's Senior Deputy Athletic Director, Klassy served as Interim Athletic Director in July of 2021.

Klassy oversees Nebraska's nationally-prominent football program and provides oversight over the athletic department's external operations, which include development, creative and emerging media, marketing, HuskerVision, Husker Athletic Partners, ticketing, communications and licensing. He also oversees the medical and sports performance areas which include strength and conditioning, performance nutrition, sport psychology, sports analytics, athletic medicine and the Nebraska Athletic Performance Lab.

Over the past year, Klassy has played a prominent role in several major Nebraska Athletics initiatives. He took the lead in developing #NILbraska, a University of Nebraska-Lincoln initiative to educate student-athletes on branding, marketing and financial literacy, among other aspects. #NILbraska will prepare student-athletes to take advantage of Name, Image and Likeness legislation.

Klassy also directed the creation of Huskers Athletic Partners, an in-house agency which manages Nebraska's multimedia rights and radio network. Nebraska had previously partnered with IMG College on its multimedia rights and radio network for the past 13 years. Nebraska is believed to be the only Power Five school to bring its media rights in-house, which will allow the Athletic Department to retain 100 percent of the revenue generated from broadcasting rights, advertising, sponsorships, signage and more.

Klassy oversaw and managed the fundraising efforts for Nebraska's \$100 million GO BIG capital campaign, which broke ground on a new football facility on April 30, 2021. He also implemented Nebraska's COVID-19 protocols and created the policy for the safe return to athletic facilities for Husker student-athletes, coaches and staff.

In his time at Nebraska, Klassy has been a champion for student-athletes to have their own voice while looking for innovative ways for Nebraska Athletics to contribute to the community. He created Nebraska's "N Our Voice" series, where student-athletes share their personal stories and experiences in their own voice. Klassy was also responsible for bringing Garth Brooks to Memorial Stadium for the first concert in the stadium since 1987. The concert sold out in fewer than two hours and will provide increased revenue for the athletic department with an estimated economic impact of more than \$10 million for the city of Lincoln.

Klassy came to Nebraska from the University of Illinois at Chicago, where he was the school's third Director of Athletics in the Division I era. Klassy led the Flames' athletic department starting in August of 2017. In competition, UIC won eight conference championships, the most in a two-year span in school history. The men's basketball team enjoyed its first 20-win season in 14 years and advanced to the championship game of the CollegeInsider.com Postseason Tournament.

The Flames also set records in the classroom. In spring 2018, UIC's 336 student-athletes achieved a record-high grade-point average of 3.17. Thirteen of 18 teams had at least a 3.0 team GPA and nine were at 3.2 or better. During that semester, 51 Flames earned a 4.0 GPA, while 193 were at 3.0 or higher.

Klassy also introduced several beneficial partnerships with various industry leaders. He brought in Brett Ledbetter and What Drives Winning, teamed with Chicago-based 4FRONT on a groundbreaking partnership, entered into an agreement with The Aspire Group to manage ticket sales and service and struck a new five-year accord with adidas, which serves as the official footwear, apparel and accessory brand of the Flames.

Klassy also oversaw the rebranding and launch of the Flames Athletic Fund, which helps to support five major UIC Athletics initiatives: scholarships, nutrition, weight room, training room and student leadership.

The Flames continued to succeed at a high clip during Klassy's second year in Chicago. UIC led all Horizon League schools in the 2018-19 Division I Learfield IMG College Directors' Cup standings. The Flames accumulated 75 points and outscored the closest competitor in the conference by 28 points to run away with the top spot in the Horizon League.

Outside of the numerous team and individual accomplishments, Klassy secured a \$10 million naming rights agreement for Credit Union Arena that included \$750,000 for student scholarships. He also led the rebranding of UIC's logos and marks to more closely align the university with the city of Chicago's value and history.

Klassy came to UIC after spending four years as Senior Associate AD for External Relations at George Washington University in Washington D.C. At GW, he was heavily involved in several key areas, including: development, corporate sponsorships, sports marketing, ticket sales and communications. Klassy developed a rebranding initiative that resulted in unprecedented local and national exposure for the Colonials.

In addition to his responsibilities within the external areas, Klassy managed day-to-day operations of an athletic department that currently features 27 sports. He expanded the department's resources by nearly 50 percent and saw increases across the board in areas such as: ticketed attendance (52 percent), ticket revenues (63 percent), Buff and Blue Fund membership (62 percent), and both overall (67 percent) and unrestricted giving (120 percent).

In addition to serving as a member of George Washington's campus committee for a \$1 billion capital campaign, Klassy negotiated multiple contracts in several areas of exposure, including: apparel, sponsorship and broadcasting. He led planning meetings for multiple athletic facility projects at GW and also worked closely with the compliance office to organize regular meetings to educate coaches and staff on NCAA rule changes and more.

Prior to working in the nation's capital, Klassy served at the University of Oregon from 2005-13. He began his stint in Eugene as an Assistant AD, Tickets/Regional Director of Development. In those roles, Klassy oversaw all ticket sales and operations, while also maintaining, developing and cultivating relationships in order to grow athletic giving.

In 2007 Klassy was promoted to the role of Assistant AD for Development. As a member of the Duck Leadership Team, he maintained oversight of the Duck Athletic Fund, ticket office and sales departments. He managed the sales of suites at Autzen Stadium for football games and instituted the first-ever outbound sales staff with a focus on ticket sales for men's and women's basketball and baseball.

In Klassy's final three years at Oregon, he fundraised gifts that totaled over \$11 million. Overall, he was an integral part of the team that brought in more than \$140 million for the Oregon Athletics Legacy Fund.

Before making the move to the West Coast, Klassy was the assistant director of ticket operations at the University of Alabama. Among other duties, he was responsible for supervising daily operations in the ticket office for the Crimson Tide. He also served as a liaison to the marketing department in order to develop game-day experiences and promotional events.

From 2000-01, Klassy was the Director of Ticket Operations at Tulane University in New Orleans, La. There he managed an upgrade and conversion of the department's ticketing system, while also working closely with the business office on revenue projections, controls and budgets. Klassy also spent one year as the Assistant Box Office Manager for the Louisiana Superdome and New Orleans Arena from 1999-2000. He hired, trained and supervised all box office employees and created a manifest for the New Orleans Arena that opened in 1999.

# **CAREER CAPSULE**

Center Cam Jurgens is set for his third season as the anchor of the Husker offensive line in 2021. Jurgens has started 19 of 20 games at center the past two years, helping Nebraska rank in the top three in the Big Ten in rushing both seasons.

A native of Beatrice, Neb., Jurgens was a highly regarded recruit and originally joined the Huskers as a tight end, before moving to the offensive line. He has earned Academic All-Big Ten accolades in both 2019 and 2020.

# 2020 (SOPHOMORE)

Jurgens started seven of eight games at center as a sophomore. He earned his 13th consecutive start at center in the Huskers' season opener at No. 5 Ohio State, before an injury kept him out of the Northwestern game. He returned to start the final six games, including the season finale at Rutgers, when Nebraska had 620 yards of total offense. Jurgens helped the Huskers rank second in the Big Ten in rushing.

# **2019 (REDSHIRT FRESHMAN)**

Jurgens started every game at center in 2019. He made history in the season opener against South Alabama, becoming the first Husker freshman (true or redshirt) to start a game at center since the NCAA restored freshmen eligibility in 1972. Jurgens helped Nebraska rank third in the Big Ten in rushing offense and fifth in total offense.

Jurgens played a key role in Nebraska producing its most total yards in a Big Ten Conference game (690 yards at Illinois), while tying its most points in a Big Ten game (54 at Maryland). Against Illinois, the Huskers totaled 300 yards rushing and 300 yards passing for just the second time in school history en route to gaining the most yards in any conference game since 2007. Nebraska also set a school record for team completion percentage against Indiana (87.0 percent).

Defensively, Jurgens recorded 57 tackles and had one interception from his linebacker spot before suffering a season-ending injury in the final game of the regular season. Jurgens was named to the Omaha World-Herald All-Nebraska and Lincoln Journal Star Super-State first team in addition to being a first-team all-state selection by both papers.

Jurgens was also an All-Nebraska and Super-State selection at linebacker as a junior, when he led Beatrice with 98 tackles. He added 23 catches for 286 yards as a tight end. Jurgens also punted for the Orangemen, averaging 35.8 yards per punt. Jurgens was a second-team Super-State selection as a sophomore, when he was one of only two underclassmen to make either the Super-State first or second team.

Jurgens also excelled on the basketball court and in the discus and shot put, which helped him earn the honor as the 2017 Lincoln Journal Star Boys Athlete of the Year in the state of Nebraska. Jurgens averaged 12.5 points per game and 3.5 rebounds per game as a junior, when he was an honorable-mention Class B all-state selection. In track and field, Jurgens was a four-time Class B state champion in the discus and three-time champion in the shot put. He won the all-class gold medal in both the shot put and discus in each of his final three seasons. His two titles as a senior helped Beatrice to the Class B team title.

Quarterback Adrian Martinez enters his fourth season in the Husker program as the holder of numerous school records and on the verge of several others. The 6-2, 212-pound Martinez has 27 career starts with the Huskers and has amassed more than 7,400 yards of career total offense. One of 13 two-time captains in school history, the Fresno, Calif., native has 13 career games with 300 or more yards of total offense, including a school-record four games over the 400-yard mark.

As a junior, Martinez once again showed his dual-threat ability, leading the Huskers in both passing and rushing yards, while ranking as the only Power Five quarterback to average 70 rushing yards per game. Martinez worked through injuries in 2019 to rank third in the Big Ten in total offense. He first took the reins of the Husker offense as a true freshman in 2018, becoming just the third true freshman in school history to start at quarterback for Nebraska. He went on to earn Freshman All-America honors while averaging a school-record 295.1 yards of total offense per game, the third-highest mark by a true freshman in NCAA history.

Martinez has also distinguished himself in the classroom, graduating with a degree in business administration in May of 2021, completing his undergraduate work in 3 1/2 years. He is a two-time Academic All-Big Ten choice and a 2020 CoSIDA Academic All-District selection.

Martinez became the third player in program history to lead Nebraska in both rushing and passing in the same season and was the fourth Husker quarterback to lead NU in rushing. In addition to ranking fourth nationally in completion percentage, Martinez was second nationally in rushing yards per game among all FBS quarterbacks (74.4). Martinez averaged 237.9 passing yards per game and 57.2 rushing yards per game in 2018, becoming just the second true freshman in FBS history to average 200 passing yards and 50 rushing yards per game and the first to hit those averages at a Power Five program. # **TOM OSBORNE**

HEAD COACH, 1973-97 RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial Stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

# **BOB DEVANEY**

HEAD COACH, 1962-72 RECORD: 101-20-2 (.829, 13TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 13th on the all-time list, seven spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

# NEBRASKA'S NATION-LEADING 18 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities. Nebraska earned its NCAA-leading 18th Top 10 Award in January of 2020 when men's gymnast standout Anton Stephenson was recognized at the NCAA bonors dinner

The Husker football program has nine of Nebraska's 18 Top 10 Award winners, the most of any single sport in NCAA history. The most recent football player to earn a Top 10 Award was All-America rush end Grant Wistrom, who was a 1998 honoree. Wistrom's selection gave Nebraska nine overall Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, marking the first two times that a school had more than one student-athlete honored.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), three men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991, Stephenson-2020), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Mary Weatherholt-2014) have also claimed the honor.

# VARSITY LETTERMAN LIST

**NOTE:** The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

# 131 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the  $\bar{\mbox{first}}$  polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

Ernest E. Bearg won Nebraska's first Big Six title in 1928 when his team went 7-1-1. Despite fielding powerful teams during his four years, fans criticized him for not using strategy and deception, which eventually led to his resignation. # **NEBRASKA IN THE POLLS**

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regularseason poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 7 in the All-Time AP Poll and has appeared in more than 60 percent of all AP polls since 1936.

# **COACH TOM OSBORNE** (Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-toback national championships in 1994

and 1995, and a third national title in 1997. During his 25 season Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He reached 200 (21 seasons) and 250 wins faster than any coach in college football history. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

# **COACH FRANK SOLICH**

(Nebraska, 1966) 58-19 (.753), 1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003,

Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

# **COACH SCOTT FROST**

# (Nebraska, 1997) 12-20 (.375), 2018-20

Scott Frost returned to his alma mater in 2018 as the fifth former Husker player to return as Nebraska's head coach. Frost came to Lincoln with two years of head coaching experience at Central Florida, where he posted the greatest two-year turnaround in college football history. Frost inherited an 0-12

UCF team and took the Knights to a perfect 13-0 season in his second and final year, when he was the national coach of the year. Previously, Frost spent seven seasons at Oregon - including three as the Ducks' offensive coordinator and two years at Northern lowa.

Note: The 2020 season was shortened due to the COVID-19 global pandemic. Nebraska's original 12-game schedule was changed to a 10-game conference-only schedule on Aug. 5 before the season was postponed on Aug. 11. On Sept. 16, Nebraska received its final nine-game schedule, and the Huskers played eight games, as the Wisconsin game was canceled by the Badgers due to COVID-19.

The Big Ten prohibited ticket sales for the entirety of the 2020 season, with attendance limited to players' and coaches' families. As a result of that decision, Nebraska did not keep attendance figures for the season and paused its 375-game home sellout streak.

He received bachelor's and master's degrees in animal science from Virginia Tech and Colorado State University, respectively. His doctoral program was completed jointly at the University of Nebraska-Lincoln and the USDA-ARS U.S. Meat Animal Research Center in animal breeding and genetics.

Green has served on the animal science faculties of Texas Tech University and Colorado State University, and as the national program leader for animal production research for the USDA's Agricultural Research Service and executive secretary of the White House's interagency working group on animal genomics within the National Science and Technology Council. Prior to returning to NU, Green served

as a global executive for Pfizer Animal Health's animal genomics business. Green has published 130 refereed publications and abstracts, nine book chapters and 56 invited symposia papers; and has delivered invited presentations in 43 U.S. states and 21 countries around the world. He is a past-president of both the American Society of Animal Science (ASAS) and the National Block and Bridle Club and has served in a number of leadership positions for the U.S. Beef Improvement Federation, National Cattlemen's Beef Association, National Pork Board, the National Research Council of the National Academy of Sciences, the Association of Public and Land-Grant Universities, and Alpha Gamma Rho national fraternity. He was named a fellow of ASAS in 2014 and a fellow of the American Association for the Advancement of Science in 2015. In 2017 Dr. Green was honored with the American Society of Animal Science's Morrison Award, the highest international academic recognition for an animal scientist.

Ronnie and his wife Jane, a double UNL alumna, are the proud parents of four children – Justin, Nate, Kelli and Regan Green – all UNL graduates – and one granddaughter, Charlotte.

Scott M. Fuess Jr. was named the University of Nebraska-Lincoln faculty athletics representative on Feb. 21, 2020.

As faculty athletics representative, Fuess serves as a liaison between the Office of the Chancellor and Athletic Department. Areas of focus in the role include the welfare of student-athletes, maintaining the positive relationship between athletics and faculty, NCAA compliance, developing and responding to NCAA legislative proposals and representing the university at related NCAA and Big Ten Conference meetings.

The half-time position - which was restructured to an expected term of five years - reports directly to Chancellor Ronnie Green and consults with the Athletic Director. The representative splits academic year time equally between academic responsibilities and faculty representative duties.

Fuess, the Steinhart Distinguished Professor of Business and former chair of the College of Business' economics department, has worked at the University of Nebraska-Lincoln since 1986. He serves on the Faculty Senate's Intercollegiate Athletics Committee, having chaired the committee for 2018-19 and a sub-committee in 2017-18.

In August 2018, Fuess was named director of the university's crossdisciplinary master's degree program that offers a specialization in intercollegiate athletics administration. The program - which has been completed by 48 Huskers - is built on MBA coursework, allowing students to earn hands-on experiences through Nebraska Athletics, industry professionals, other universities and alumni.

Fuess earned a bachelor's degree from the University of Delaware, as well as master's and doctoral degrees from Purdue University. His research interests revolve around issues of economics, primarily in labor, collegiate athletics and Japan.

\* Interim President

As president, Carter leads a four-campus university system that enrolls nearly 52,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a \$2.8 billion annual budget and includes a flagship Big Ten institution,

a world-renowned academic health sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

Carter brought with him a distinguished record in education, partnerships and military service, having come to Nebraska from the U.S. Naval Academy, his alma mater, where he served as superintendent. Under his leadership, the Naval Academy achieved a No. 1 national ranking and new records in student success and diversity. Carter previously was president of the U.S. Naval War College in Newport, R.I. A retired Vice Admiral with 38 years of service, Carter has logged more than 6,300 flying hours and holds the American record for carrier-arrested landings.

In his first year at the University of Nebraska – faced with the unexpected and unprecedented challenges presented by COVID-19 – Carter has led with a focus on the land-grant priorities of access and opportunity for students and families. He launched the Nebraska Promise, a financial aid program guaranteeing free tuition for low- and middle-income Nebraskans, and implemented a multi-year budget plan that included a two-year, across-the-board tuition freeze. The result was system-wide growth in enrollment, including record gains among underrepresented students.

Carter oversaw the awarding of a \$92 million federal contract for the university's National Strategic Research Institute, one of only 14 University-Affiliated Research Centers in the country conducting exclusive research for the Department of Defense. During Carter's tenure, the NU system has been ranked among the world's top 100 institutions for earning research patents, the Omaha campus was selected as the home for a new federal counterterrorism research center, the Institute of Agriculture and Natural Resources launched a new effort focused on rural vitality, and the medical center opened an education, training and preparedness facility that positions Nebraska as the world leader in the fight against infectious disease.

Carter serves as the chair of the Daugherty Water for Food Global Institute's Board of Directors. He is a board member for the Greater Omaha Chamber of Commerce, the Nebraska State Chamber of Commerce and Industry, the Naval Historical Foundation and the Naval Aviation Museum Foundation. Carter is also a member of the Aspen Institute's Higher Education Working Group and the Association of Public and Land-Grant Universities' Council of Presidents. He is an ex-officio member on the board of the University of Nebraska Foundation, the philanthropic partner of the university system that has a \$1.7 billion endowment.

Carter earned his bachelor's degree in physics and oceanography from the U.S. Naval Academy, where he played hockey and served as team captain. He is a graduate of the Navy Fighter Weapons School (Top Gun) and holds educational credentials from the Navy Nuclear Power School, the U.S. Air Force Air War College, the Naval War College and the Armed Forces Staff College. Carter's military career includes service for the Carrier Strike Group Twelve, in which he commanded 20 ships, two nuclear-powered aircraft carriers, and two carrier wings that were deployed to Afghanistan and the Arabian Gulf.

The son of an English teacher, Carter was raised in the rural, one-high school town of Burrillville, R.I. He and his wife, Lynda, live in Lincoln and have two adult children, Brittany and Christopher.

# **UNIVERSITY BOARD OF REGENTS**

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages

all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

*Interim Co-Direct	ctors

A veteran administrator and college football legend, Trev Alberts was named Athletic Director at the University of Nebraska on July 14, 2021.

Alberts returns to his alma mater after spending the last 12 years at Nebraska-Omaha, guiding the program through a successful transition to the Division I level.

Alberts' tenure leading UNO athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO

athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular-season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegeInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011 and Omaha will begin a men's swimming and diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in Nebraska-Omaha student-athletes posting consistent collective semester

grade point averages above 3.3 for 18 consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also serve as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was one of the most decorated Cornhuskers in Nebraska history. Alberts became the Huskers' first Butkus Award winner in 1993, after helping the Husker football team to an undefeated regular season and an Orange Bowl appearance against Florida State. That year, he was tabbed the Big Eight Defensive Player of the Year, a first-team All-American by every major publication and was named the Football News National Defensive Player of the Year and Big Eight Male Athlete of the Year for all sports. His No. 34 jersey was retired at the 1994 Spring Game, and in 2015, he was elected to the College Football Hall of Fame.

Off the field, Alberts was equally honored, earning the NCAA's highest honor, The Today's Top Six Award, in 1993. A three-time academic All-Big Eight honoree, Alberts was a CoSIDA Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he has served as an analyst on college and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network, prior to becoming the Athletic Director at Omaha.

Alberts and his wife Angela have three children – Chase, Ashtynne and Breanna.

# **COMMUNICATIONS OFFICE**

The Nebraska Communications Office is available to assist the media with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics and other media inquiries, please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Director Keith Mann (kmann@huskers.com), Senior Associate Director Shamus McKnight (smcknight@huskers.com) or Associate Director Matt Smith (msmith@huskers.com). Below are guidelines for covering Nebraska in-season. Additions or changes to these policies can be found at Huskers.com/media.

# **MEDIA CREDENTIALS**

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-7769 or vcapazo@huskers.com for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers from news outlets covering for same or next day publication; (2) radio personnel for broadcast originations; (3) press and TV working photographers; (4) sports editors/reporters of Nebraska daily newspapers; (5) official school student daily newspaper, one seat and/or sideline only; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

# **MEDIA ACCESS**

The game-day entrance to Memorial Stadium for the media is at the Media Gate 7 entrance on street level on the west side of the stadium (main lobby of West Stadium). The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff. Those picking up credentials must show a photo I.D., and all credential holders (season or single game) must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium. Bag check will also occur in the West Stadium lobby.

# **MEDIA PARKING**

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. # SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo credential, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo credential who will be shooting still photos or video during the

game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The photographers work area is available on field level, just off the southeast corner of the playing field.

Additional sideline policies include: (1) Only those photographers on assignment from a newspaper, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo credential. (2) Media outlets with same or next day publication will be given preference for sideline credentials (Special requests must be submitted to the Communications Director for review). (3) Assistants, equipment carriers, etc. will not be allowed on the sideline. (4) Photographers must display their credentials and vest at all times. (5) University personnel will be present on the sideline to ensure that all credentials are properly displayed. Those possessing bench credentials must remain inside the team bench area (between the 15-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers should not congregate in the writers' section of the media facility during halftime, during or after the game.

# **FACILITY USE RESTRICTIONS**

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Athletic Director or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

# BIG TEN CREDENTIAL POLICY & RESTRICTIONS

A working credential is subject in all respects to the Media Credential Criteria and Policies set forth by the Big Ten Conference as in effect from time to time. The working credential is issued for the sole purpose of providing facility access to an accredited agency's employee who has a legitimate working function (media or game service) in conjunction with the credentialed event. Credential is non-transferable and non-assignable and any duplication or alteration of this document is prohibited. Any unauthorized

use of the credential subjects the bearer to ejection from the facility and prosecution for criminal trespass. Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom the credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big Ten Conference. Nothing in these terms and conditions authorizes or allows bearer to violate any of the trademarks, copyright and other proprietary rights of the Big Ten Conference. A maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the 96 hours following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, including such television programming simulcast on the internet, wireless or other forms of media, but otherwise may not be distributed on the internet, wireless or other forms of media. Any agency wishing to use film or video in any other manner must obtain written permission from the Big Ten Conference.

No pregame coverage shall be permitted for two hours before the game without the express permission of the University of Nebraska, the Big Ten Conference and the broadcast rights holder. Local television stations may not originate a pre- or post-game show from inside Memorial Stadium. Live postgame interviews may not be aired while the television rights holder is still on the air.

Non-originating radio stations or other outlets may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour.

Media are also prohibited from live coverage of any Nebraska press conference on any digital media platform or website, with the exception of live television coverage.

# **INTERNET/WIRELESS**

Media will have use of the Internet in the Memorial Stadium press box. A limited number of Ethernet ports are available in the press seating area and the photographers work area. Contact the Communications Office before the start of the season for information regarding cost of Ethernet ports at a specific seat.

Media members using wireless frequencies at Memorial Stadium will be asked to register that equipment in advance. Media will be prompted to complete a frequency coordination form when they fill out their on-line credential application. (Note: This does not apply to those registering for wireless internet access).

Any media sources that want to install a telephone in the media facility should contact Nebraska Telecommunications (402) 472-2000 at least two weeks before the game.

Information such as statistics, postgame quotes, play-by-play, etc., will be available online at Huskers.com. If arrangements are made in advance, postgame notes, quotes and game statistics may be e-mailed.

# HUSKERS RADIO NETWORK

The Huskers Radio Network football broadcast team (from left): Matt Davison, Jessica Coody, Greg Sharpe and Jeremiah Sirles.

The newly-formed Huskers Radio Network launched on July 1, 2021, from the production studio on the East side of Memorial Stadium. This new department within Husker Athletics will lead the broadcast efforts for Husker Football, Volleyball, Men's and Women's Basketball, Baseball and Softball. In addition, the Huskers Radio Network team will produce Sports Nightly and Huskers Radio Network podcasts. Sports Nightly airs Monday-Friday evenings from 6-8 p.m. (central) year-round across the network. During the football season, Sports Nightly features a weekly football radio show on Thursday evenings with Coach Frost and Husker assistant coaches.

In the state of Nebraska, KXSP AM 590 ESPN (590 AM) and KEZO Z-92 (92.3 FM) serve as Omaha affiliates. KXSP-AM's strong signal reaches a good portion of the Midwest day and night, including parts of Iowa, Minnesota, Missouri and Kansas. KLIN (1400 AM) serves as the Lincoln affiliate with KFGE Froggy 98 (98.1 FM) also carrying the football broadcast. KRVN (880 AM) is a powerful central Nebraska affiliate that reaches around the state. In addition, the network has several dozen locally based affiliates across Nebraska. All broadcasts are streamed live for free on Huskers. com and the Huskers mobile app.

Sponsorships and advertising on the Husker Radio Network is marketed and sold by Huskers Athletic Partners, which took over Nebraska's multimedia rights on July 1, 2021. Huskers Athletic Partners is led by General Manager Jason Rathe who oversees all sales and sponsorship fulfillment for the Huskers.

Greg Sharpe (Play-by-Play), Matt Davison (Analyst), Jeremiah Sirles (Sideline) and Jessica Coody (pregame and postgame) will anchor the radio coverage of Nebraska football. Sharpe returns for his 14th full season as the "Voice of the Huskers." He will host the Scott Frost pregame and postgame radio shows. Sharpe also serves

as the "Voice of Husker Baseball", host of Sports Nightly and as the host of the Nebraska Football TV Show.

Davison, a former Husker and current Associate Athletic Director for Football, joins Sharpe in the broadcast booth for his 15th season as a color analyst. A member of the 1997 national championship team, Davison also assists with fundraising efforts for the Huskers Athletic Fund. Davison was instrumental in the fund raising efforts surrounding the Go Big facility currently under construction on the Northeast side of Memorial

Sirles has been a Husker radio contributor in the past and will take over the sideline responsibilities for the first time this season. Sirles played at Nebraska from 2010 to 2013, earning All-Big Ten honors in 2012 and 2013. He played in 53 games as a Huskers and holds the school record for starts by an offensive lineman with 41. He spent five years in the NFL and started on the offensive line for three NFL franchises before retiring in 2020.

Coody serves as co-host of Sports Nightly and will handle the players and coaches interviews. Coody is in her first year with Nebraska after spending the last nine years with the University of Oklahoma in a similar role. Previously, Coody worked Big 12 Championship Broadcasts for Fox Sports, and served as the sideline reporter for the Oklahoma Team Stream 2016 Final Four Broadcast on TNT.

Ben McLaughlin, Brenden Stai and Matt Coatney will also be part of the pregame and postgame football broadcast team. Director of Broadcast Operations, Mike Elliott oversees studio operations and logistics for the radio network. Elliott has nearly four decades of experience in the radio industry and has previously worked at the Broadcast House, Pinnacle Sports and the Husker Sports Network.

# THE BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation where the pursuit of academic excellence prevailed as the definitive goal

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting a blueprint for the administration of college athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics. On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905. Indiana University and the State University of lowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for At that meeting, a blueprint for the administration of college athletics

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago.

Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the

100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For

more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of six men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, and current commissioner Kevin Warren in 2020.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenuesharing model, dividing media rights, bowl payouts and other profits

among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primary of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992. In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences

the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,800 events across all platforms each year. BTN is in almost 60 million homes in the U.S. and Canada via the nation's major video providers and more than 300 additional video providers across the country. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the BTN+ platform streams hundreds of events each season.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors

(COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially

joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics

conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams. Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum — the Big Ten Experience — which brings the conference's storied academic and athletic history to life.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big

featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast.

Warren and his staff work to meet the educational needs of studentathletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and

administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

During his first year, Warren helped spark a number of groundbreaking conference initiatives. On March 7, 2020, in advance of the rising tide of the COVID-19 pandemic, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. This group was formed to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. It includes representatives from a diverse set of disciplines across campus healthcare systems and schools of public health and their input serves as a resource for the conference in making important decisions based on information received from local, state and federal health departments, along with the NCAA.

Less than two months later on May 4, 2020, the conference announced

the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office. Following the death of Minneapolis resident George Floyd, Warren penned an open letter on June 1, 2020, announcing the formation of what became known as the Big Ten Equality Coalition. This group which features

became known as the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. The United States Library of Congress selected Warren's open letter for inclusion in its historic cóllection.

A product of the conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Lawto develop educational programming

and outreach tools, and to collaborate with other established civic platforms.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

# **COMPLIANCE GUIDELINES**

# **COMMITMENT TO COMPLIANCE**

On behalf of the University of Nebraska student-athletes, coaches and Athletic Department staff, I would like to express my appreciation for your continued support of our entire athletic program.

The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska booster, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletic Department staff members are knowledgeable about NCAA regulations because they receive on-going education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations for boosters. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or Compliance@ Huskers.com.

Thank you and Go Huskers!

Jamie Vaughn, Senior Associate Athletic Director for Compliance
