2022 SEASON NOTEBOOK

FROST SET FOR FIFTH SEASON

Scott Frost is set for his fifth season at Nebraska in 2022. The consensus 2017 national coach of the year, Frost is 34-36 in six seasons as a head coach.

- Nineteen of Frost's 29 losses at Nebraska (66 percent) have been by a touchdown or less, including 11 by five or fewer points.
- NU was 3-9 in 2021, but the Huskers outscored their opponents by 63 points on the season. Despite the 3-9 record, the average score of a Husker game in 2021 was 28-23 in Nebraska's favor.
- All nine Nebraska losses in 2021 were by single digits, including eight by a touchdown or less. The Huskers played a school-record six games against ranked opponents during the 2021 regular season. Nebraska lost to those six ranked foes - all ranked in the top 20 - by an average of just 6.0 points per game.
- In 15 seasons as a full-time assistant or head coach, Frost's teams have posted a 137-54 record. He has coached in two national championship games, won seven conference titles and coached 10 teams who earned a final top-15 ranking.

FIVE NEW ADDITIONS TO HUSKER STAFF

Nebraska's coaching staff features five new faces this fall. New to the staff are offensive coordinator **Mark Whipple**, running backs coach **Bryan Applewhite**, special teams coordinator **Bill Busch**, wide receivers coach **Mickey Joseph** and offensive line coach **Donovan Raiola**.

- Whipple is a 40-year coaching veteran who has won 137 games as a collegiate head coach, including the 1998 Division I-AA (now FCS) national championship. The offensive coordinator at Pittsburgh the past three seasons, Whipple helped the Panthers to the 2021 ACC title, and Pitt had the Johnny Unitas Golden Arm Award winner (Kenny Pickett) and the Biletnikoff Award winner (Jordan Addison).
- Applewhite came to Nebraska after two seasons as the running backs coach at TCU. He helped the Horned Frogs rank in the top 30 nationally in rushing in both 2020 and 2021. In Applewhite's final season, two TCU running backs posted yards-per-carry averages that ranked among the top five marks in school history.
- Busch owns more than 30 seasons of collegiate experience, and he is in his third coaching stint at Nebraska after serving as a Husker graduate assistant in the 1990s and as the special teams coordinator from 2004 to 2007. Before serving as a defensive analyst for Nebraska in 2021, Busch coached the safeties for three seasons at LSU from 2018 to 2020, helping the Tigers to the 2019 national title.
- Joseph, a former Husker quarterback, joined the Nebraska staff after spending five seasons at LSU. With the Tigers, Joseph coached 2019 Biletnikoff Award winner Ja'Marr Chase and developed four wide receivers who were selected in the first or second round of the NFL Draft. Joseph also served as LSU's assistant head coach in 2020 and 2021, and he is Nebraska's associate head coach in 2022.
- Raiola is the younger brother of former Husker All-America center Dominic Raiola. Donovan came to Nebraska after spending the past three seasons as the assistant offensive line coach for the Chicago Bears, helping the Bears to a pair of playoff appearances. Raiola, who boasts previous collegiate coaching experience at Notre Dame, was a three-time All-Big Ten offensive lineman at Wisconsin.
- Of the five returning assistants on Frost's staff, four have been with Frost in each of his seven seasons as a collegiate head coach (**Erik Chinander**, **Sean Beckett**, **Travis Fisher** and **Barrett Ruud**). **Mike Dawson** has served on Frost's staff for a total of six seasons.

Nebraska will play a 12-game regular season in 2021, which begins with only the second international game in program history.

- Nebraska's season begins Aug. 27 against Northwestern in the Aer Lingus College Football Classic in Dublin, Ireland. The Huskers' only other game outside of the United States was a 38-24 win over Kansas State on Dec. 5, 1992, in Tokyo, Japan.

- NU will play each of the other six teams in the Big Ten West Division, while taking on Indiana, Rutgers and Michigan from the East Division.
- Nebraska will play seven games against 2021 bowl teams. NU also faces three teams who were ranked in the final 2021 AP poll (No. 3 Michigan, No. 10 Oklahoma and No. 23 Iowa), while playing three more teams (Wisconsin, Minnesota and Purdue) who were among the top four teams receiving votes in the final poll.

WHAT NEBRASKA RETURNS ON OFFENSE

CATEGORY	RETURNING	% RET.	RET. LEADER
Rushing Yards	1,180	54%	Johnson (495)
Passing Yards	334	10%	Smothers (317)
Receiving Yards	1,161	36%	Manning (380)

A LOOK AT THE HUSKER OFFENSE

Nebraska returns four regular starters on offense and 13 other players who made at least one start last season. The Huskers must replace three starting offensive linemen from the 2021 season, four of their five leading receivers and their four-year starting quarterback.

- Nebraska averaged 447.6 yards of offense per game last season, ranking 20th nationally in that category. The No. 20 total offense ranking was the program's highest since the 2008 season (12th).
- Up front, **Turner Corcoran** (11) and **Bryce Benhart** (10) return after combining for 21 starts last season. **Ethan Piper** and **Trent Hixson** are also back with 24 career starts between them. **Teddy Prochazka** returns after starting two of the first seven games at left tackle as a true freshman last season before a season-ending injury. **Brant Banks** started at Illinois last year. **Nouredin Nouili** made seven starts last year but will miss the 2022 season.
- Nebraska added a pair of transfers to bolster the offensive line in **Kevin Williams Jr.** and **Hunter Anthony**. Williams appeared in 22 career games with 19 starts at FCS Northern Colorado while Anthony played in 23 games with five starts at Oklahoma State.
- In the backfield, **Rahmir Johnson** started seven games last fall and was the leading rusher among running backs with 495 yards. Overall, Nebraska brings back three of its four most productive running backs from 2021, as Johnson, **Jaquez Yant** and **Gabe Ervin Jr.** combined for 913 rushing yards last season.
- Junior college transfer **Anthony Grant** will also figure into the mix. Grant, who began his career at Florida State, ran for 2,549 yards in junior college and was the 2021 National Offensive Player of the Year.
- At wideout, NU returns three receivers who started multiple games last year including **Omar Manning** (7 starts), **Wyatt Liewer** (4) and **Oliver Martin** (3). That trio combined for 574 receiving yards in 2021. **Brody Belt** and **Alante Brown** have each started one game in their careers.
- A trio of transfers bolster the receivers. **Isaiah Garcia-Castaneda** played in 12 games with seven starts in two seasons at New Mexico State, catching 42 passes for 639 yards and four touchdowns. **Trey Palmer** transferred to Nebraska from LSU, where he played in 28 games with five starts and caught 41 passes for 458 yards and three touchdowns. **Marcus Washington** played in 31 games with eight starts at Texas and caught 25 passes for 366 yards and three touchdowns.
- Veteran tight end **Travis Vokolek**, who has played in 36 career games, is back after catching 11 passes for 127 yards last season behind Big Ten Tight End of the Year Austin Allen. **Chancellor Brewington** and **Chris Hickman** also return at the tight end spot. Brewington played in 10 games and caught three passes in his first season at Nebraska in 2021, and he has appeared in 31 games with 19 starts in his collegiate career. Hickman has played in 15 games with Nebraska, and he caught three passes for 90 yards last season.
- At quarterback, Nebraska must replace Adrian Martinez, the program's all-time leader in total offense. **Logan Smothers** started Nebraska's final game last season against No. 17 Iowa and completed 16-of-22 passes for 198 yards while rushing for 64 yards and two touchdowns in his first career start. Smothers is one of three quarterbacks on the roster that have started a game for a Power Five program.
- Texas transfer **Casey Thompson** played in 19 games with 10 starts as a Longhorn. He completed nearly 64 percent of his passes at Texas, throwing for 2,422 yards and 30 touchdowns. Thompson was named to the Johnny Unitas Golden Arm Award watch list in 2021, when he threw for 2,113 yards and 24 touchdowns.
- Chubba Purdy** transferred to Nebraska from Florida State. Purdy played in three games with one start for the Seminoles as a true freshman in 2020 before redshirting in 2021. He has thrown for 219 yards and two touchdowns in his career with 19 carries for 57 yards.
- At place-kicker, **Timmy Bleekrode** joined the roster as an FCS transfer from Furman, where he was 15-of-18 on field goals last season.

WHAT NEBRASKA RETURNS ON DEFENSE

CATEGORY	RETURNING	% RET.	RET. LEADER
Tackles	490	57%	Reimer (108)
Tackles For Loss	36.0	55%	Nelson (11.5)
Sacks	11.5	58%	Nelson (5.0)

A LOOK AT THE HUSKER DEFENSE

On defense, Nebraska returns five players who started every game last season and two other defenders who started four contests for a unit that allowed Nebraska's fewest points per game (22.7) since 2010. The Huskers must replace six starters lost from last season, all of whom earned at least honorable-mention All-Big Ten accolades in 2021.

- On the defensive line, **Ty Robinson** is the veteran of a group bolstered by transfers. The only defensive lineman to start a game for the Huskers, Robinson has appeared in 20 career games with 11 starts, totaling 44 tackles, 6.0 tackles for loss and 2.0 sacks.
- Behind Robinson, **Nash Hutmacher** (12 games) and **Colton Feist** (8) are the only other defensive linemen who have played in more than two games at Nebraska.
- Boosting the defensive line are a trio of Power Five transfers in **Devin Drew**, **Ochaun Mathis** and **Stephon Wynn Jr.** Drew played in 23 games and started 12 contests at Texas Tech, finishing with 55 tackles. Mathis was a two-time All-Big 12 performer at TCU, where he totaled 135 tackles, 30.5 tackles for loss and 15.5 sacks over four seasons, 38 games and 34 starts. Wynn spent four seasons at Alabama and made 16 tackles over 21 games.
- At outside linebacker, NU returns **Garrett Nelson** and **Caleb Tannor**, the two players on the roster with the most experience in a Husker uniform. Nelson has played in 31 career games with 20 starts, and he led Nebraska with 11.5 tackles for loss and 5.0 sacks last season. Tannor, who has played in 44 games with 22 starts as a Husker, also had a productive 2021 season, finishing with career highs of 33 tackles and 5.5 TFLs while adding 2.0 sacks and three breakups.
- Blaise Gunnerson** emerged late last season as an option at outside linebacker, earning significant playing time in the final two games and totaling two tackles and a half TFL.
- At inside linebacker, Nebraska returns one of the top duos in the nation in **Luke Reimer** and **Nick Henrich**. Both Reimer and Henrich ranked in the top 50 nationally last season in tackles, as Nebraska was one of only five FBS programs - and two Power Five teams - to have two players rank in the top 50 in tackles. Reimer (109) and Henrich (99) combined for 208 tackles last season.
- Chris Kolarevic** also figures into the mix at inside linebacker. He has played in 28 games in his career with 15 starts, playing in all 12 games and recording 27 tackles in his first season at Nebraska last year.
- At cornerback, **Quinton Newsome** and **Braxton Clark** are the most experienced returners. Newsome has played in 30 games with 13 starts as a Husker. He started all 12 games last season and recorded 57 tackles with four pass breakups. Clark also played in all 12 games last season, and he has appeared in 28 games with one start in his Nebraska career. **Marques Buford Jr.** will also compete for a spot at cornerback after he was a special teams standout in 2021, appearing in all 12 games of his freshman season.
- Myles Farmer** is the only player on the roster who has started a game at safety for Nebraska. Farmer has played in 21 games with five starts the past three seasons. He is Nebraska's active leader with three career interceptions. Other safeties on the Husker roster with game experience are **Noa Pola-Gates** and **Isaac Gifford**, who could also play the nickel spot. Both special teams standouts, Pola-Gates has appeared in 18 games while Gifford has seen action in 20 contests.
- A pair of transfers could also figure into the secondary. **Omar Brown** started 29 games at Northern Iowa, totaling 140 tackles with 13 pass breakups and eight interceptions in his Panther career. He was the FCS Defensive Freshman of the Year and an All-American in the 2019 season. **Tommi Hill** played in 11 games as a freshman at Arizona State in 2021, finishing with nine tackles.
- At punter, **Brian Buschini** is a first-year FCS transfer from Montana. Buschini was the 2021 FCS Punter of the Year. He ranked third nationally with an average of 46.0 yards per punt last season, and Buschini placed 30 of his 69 punts inside the opponent's 20-yard line.

RETIRED JERSEYS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on and then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts celebrated their 50th season in 2013. As a former Husker with former Blackshirts on his coaching staff, Head Coach Scott Frost is very familiar with the long-standing tradition.

DEFENSIVE DOMINANCE

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.

STUDENT-ATHLETE EXPERIENCE

Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

UNMATCHED SUPPORT

Nebraska has a history of providing unmatched benefits and support to student-athletes. A few examples of these enhanced benefits for Husker student-athletes include:

- All scholarship student-athletes have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered a free Apple MacBook Air laptop computer to enhance their learning opportunities.
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Sports Analytics.
- The N-Vest Nebraska program begins in the fall of 2022. N-Vest Nebraska will reward Husker scholarship student-athletes for academic performance, success toward graduation and retention. NU student-athletes who meet the established academic benchmarks will receive \$5,980 per year for their academic achievement.
- As part of Nebraska's innovative Post-Eligibility Opportunity (PEO) program, every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school within the University of Nebraska system.

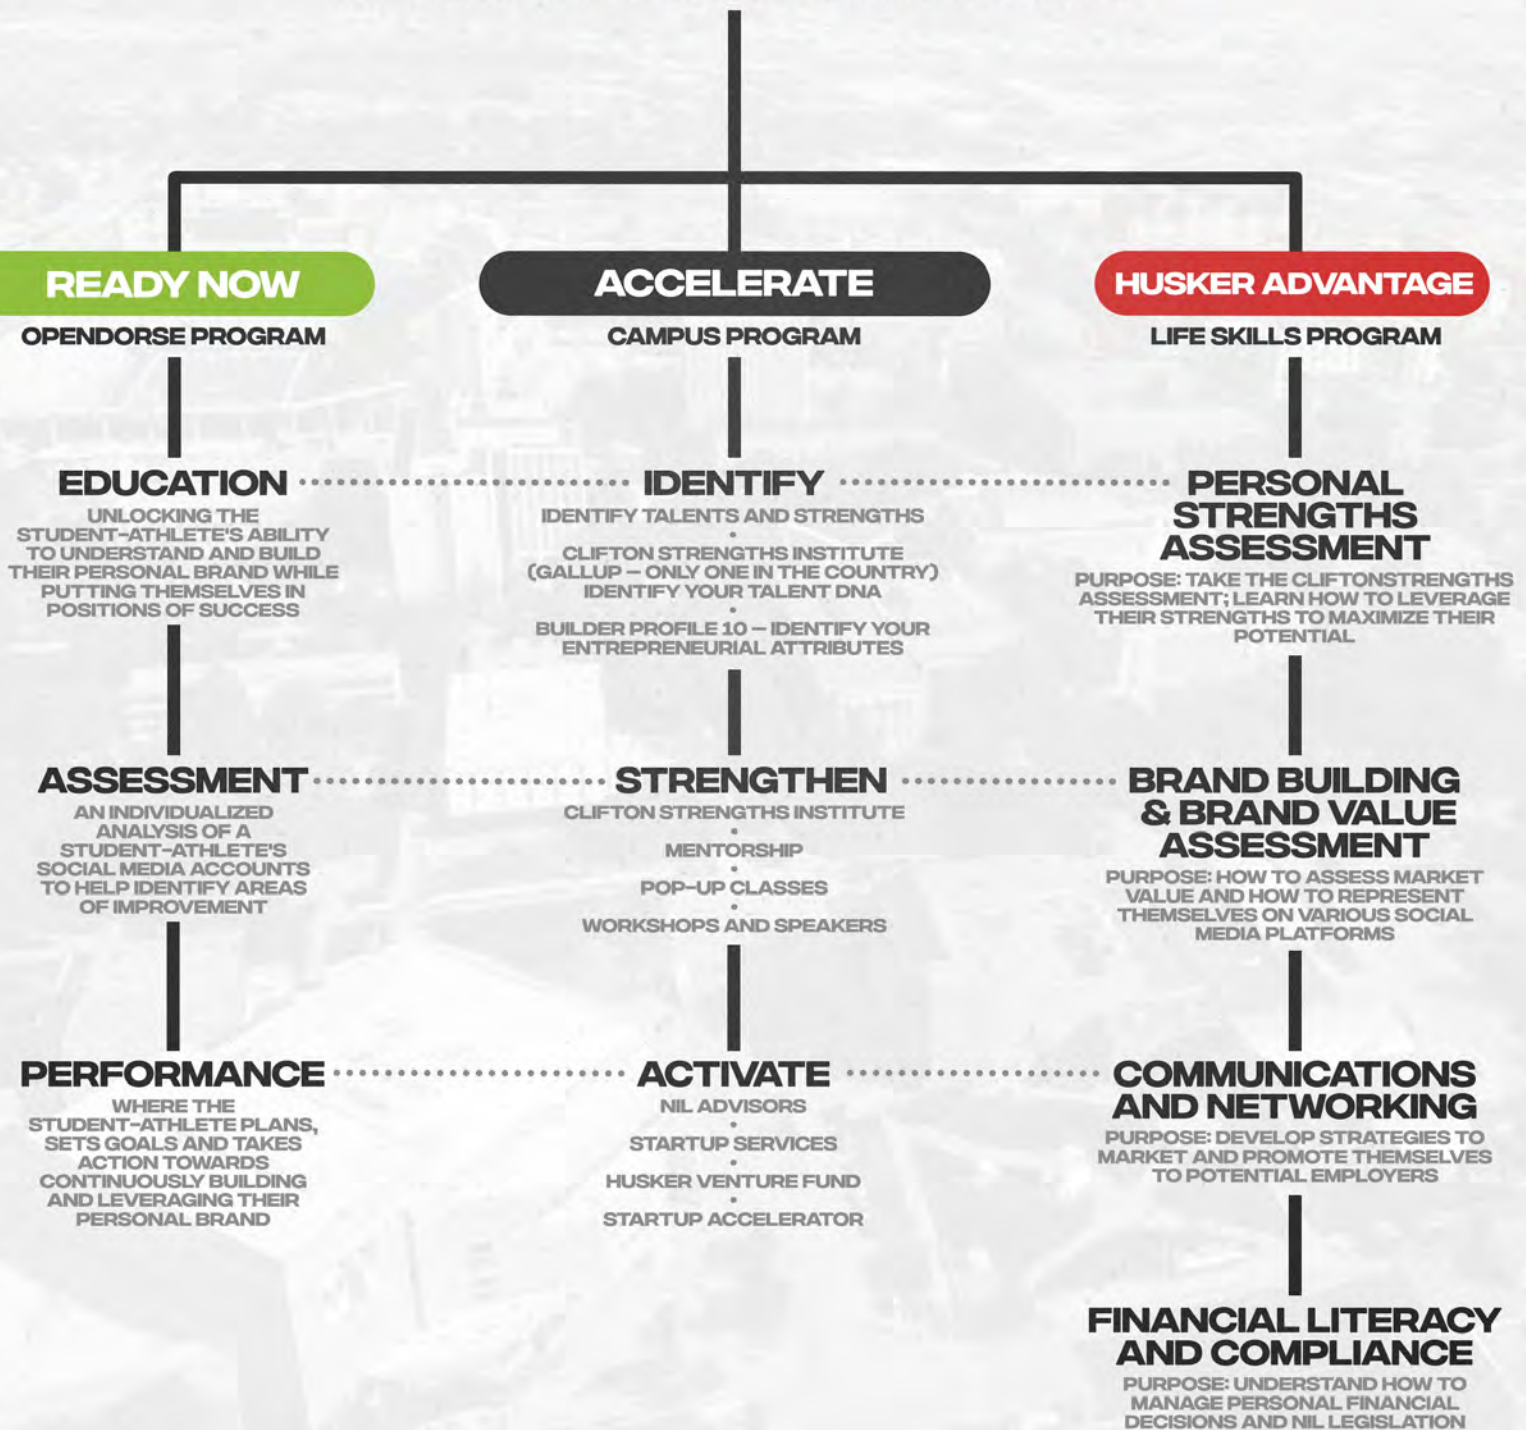

#NILBRASKA

In the summer of 2021, Nebraska Athletics introduced #NILbraska, an initiative to educate student-athletes on branding, marketing and financial literacy, among other aspects. #NILbraska prepares student-athletes to take advantage of Name, Image and Likeness legislation.

The #NILbraska program focuses on a three-pronged approach to providing education for student-athletes to maximize their potential in the NIL category: Ready Now, Accelerate and the Husker Advantage.

ACADEMIC COUNSELING

Eight academic counselors, three learning specialists, two assistant academic counselors and one administrative assistant are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. Tutorial support is provided both in-person and virtually. Nebraska's tutorial program is certified by the College Reading and Learning Association.

STUDY HALL

Student-athletes attend a supervised, flex-time study hall within the Herman Student Life Complex that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

All student-athletes are provided the opportunity to have a laptop for use during their academic career at Nebraska. The Herman Student Life Complex has printers and desktop computers available for student-athletes to use in the facility. A full-time computer specialist is on-site and available to assist with technology needs.

STUDENT-ATHLETE CAREER FAIR

PROACTIVE EDUCATION

The Life Skills staff provides proactive education to all incoming and returning student-athletes designed to promote responsible decision-making, enhance one's personal brand and prepare student-athletes for life after sports. Interactive presentations are delivered during summer bridge sessions, orientations and year-by-year tiered development workshops.

HUSKER ADVANTAGE/NAME, IMAGE, LIKENESS (NIL) PERSONAL BRANDING

All Nebraska student-athletes will benefit from specialized personal branding content within the innovative Husker Advantage program. Designed to enhance overall marketability while in college and beyond, engaging and interactive content in the areas of Strength Assessment, Building Personal Brand, Communication, and Finance/Compliance will position student-athletes for potential NIL opportunities while sharpening fundamental life skills beyond athletic eligibility.

INDIVIDUAL MEETINGS

Every Nebraska student-athlete is assigned a Life Skills staff member who will assist with personal and career development. The meetings help each student-athlete identify a career focus and implement a plan to increase career marketability.

CAREER COMMITMENT & NETWORKING

Nebraska Life Skills organizes an annual Student-Athlete Career Fair Networking Night and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and UNL's Handshake Link provide opportunities to explore career opportunities across the country.

COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 1,500 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies, Make-A-Wish, School is Cool and Husker Heroes. During the 2021-22 academic year, 243 Husker student-athletes completed at least six service projects earning spots on the coveted Tom Osborne Citizenship Team.

LEADERSHIP

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Minority Student Athlete Collective (MSAC), Nebraska Football Road Race, Inner Circle, N-Vest or N-VOLVED. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals.

RECOGNITION

In 2021-22, 25 Husker Football student-athletes were named to both the Tom Osborne and Brook Berringer Citizenship teams for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available. Annually, Nebraska Football coordinates a Road Race to enhance Pediatric Brain Cancer awareness, conducts multiple hospital visits, coordinates a Day of Service and volunteers at local elementary and middle schools.

ATHLETIC MEDICINE

ALTER-G TREADMILLS

ATHLETIC MEDICINE

Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber (pictured, bottom) and Football Head Athletic Trainer Mark Mayer, the Nebraska athletic medicine staff consists of five physicians, 14 full-time athletic trainers and eight graduate assistant athletic trainers.

Nebraska's medical facilities have long been among the nation's best, and Husker Athletic Medicine will have a new home in 2023 with the completion of the Go B1G Project. Currently, NU's athletic medicine center is housed in the Tom and Nancy Osborne Athletic Complex. In addition to Nebraska's North Stadium facility, Hawks Field, Bowlin Stadium, Pinnacle Bank Arena, the Bob Devaney Sports Center and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas.

Nebraska uses advanced equipment, including two anti-gravity treadmills (pictured, top) to help athletes recondition after injuries. Nebraska's Athletic Medicine Center also features a hydrotherapy area that includes a three-level laned pool, as well as hot and cold plunge tanks (pictured, middle). The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

SPORTS PSYCHOLOGY

Continuing its commitment to complete care for all student-athletes, Nebraska has a staff of five in-house mental health providers specializing in performance psychology who work directly with student-athletes, teams and coaches. Under the leadership of Director of Sports Psychology Dr. Brett Haskell, the Huskers' sports psychology staff provides counseling, psychological services, mental skills training, teambuilding and leadership development services for each of Nebraska's 24 sports and more than 600 Husker student-athletes. The staff works directly with student-athletes to help them develop skills to enhance personal well-being, address mental health and train psychological skills to optimize performance.

PERFORMANCE NUTRITION

There is no place like Nebraska when it comes to the high-performance fueling of hard-working athletes. Nebraska Performance Nutrition has a long-standing tradition of setting the highest standard for the 'food first' approach to fueling. The Nebraska Performance Nutrition program is setting the standard for student-athlete welfare across collegiate athletics and beyond.

Nebraska has its own Executive Chef, Mike Steele, who innovates the menus under the guidance of Director of Performance Nutrition, Dave Ellis, who is widely considered to be a thought leader in the high-performance fueling field. Nebraska has its own kitchen and culinary staff and has the ability to source a food supply that is second to none when it comes to fresh, natural and organic sources. Athletes are taught to follow a three-step approach that was conceived right here at Nebraska over three decades ago. It's a simple system, where food is merchandised in three steps, each delivering a health and performance benefit for hard-working athletes.

Husker athletes have the chance to learn how to cook their own food in the Life Skills Kitchen. The staff also provides ready-to-eat food supply and to-go meals that offer fueling solutions when a student-athlete has class conflicts.

Nebraska has four, full-time registered dietitians on staff who help athletes navigate the managed food supply that is served at each meal. The registered dietitians also orchestrate meals on the road for teams and offer fueling solutions before and after workouts or competition. This attention to detail helps get those critically timed sources of fuel and fluids that hard-working muscles require in just the right amounts. To make fueling convenient when training, there are two locations adjacent to the weight rooms where grab-and-go nutrition support is available to all student-athletes.

With over six decades of collective experience, the performance nutrition staff is very knowledgeable on topics including how to help drug-tested athletes avoid inadvertent adverse analytical findings (AAFs/positive drug test) that can result from adulterated dietary supplements.

Other areas that the registered dietitians can help personalize programs:

- Lean Mass Testing
- Frame Testing
- Off-Season Body Composition Change Planning
- Hydration / Sweat Rate Analysis
- Saliva/Urine/Blood Analysis
- Cooking / Grocery Shopping Classes
- Dietary Supplement Review

THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie “R1: Doctoral Universities – Highest Research Activity” category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 14 Big Ten Institutions and partners with the University of Chicago. The Big Ten Academic Alliance and the institutions together have annual research expenditures topping \$11.5 billion — more than the Ivy League and the University of California System combined — and they educate a total of nearly 600,000 students with approximately 50,000 faculty members.

a head coach - Frost was the consensus national coach of the year in 2017 - Frost was successful at every stop along his journey to becoming a head coach. His teams posted a 103-18 record in his nine seasons as an assistant coach, with Frost coordinating both a top-10 defense and multiple top-10 offenses. Frost served as defensive coordinator for an FCS semifinalist, was Oregon's offensive coordinator in the inaugural College Football Playoff Championship Game and called the plays for Heisman Trophy winner Marcus Mariota.

The 47-year old Frost is a proven winner familiar with the Nebraska culture and tradition. He was a part of two national championship teams as a Husker player, coached in two national championship games as an assistant at Oregon and led UCF to a 13-0 record in 2017, when the Knights were the nation's only undefeated team.

Frost has been a winner throughout his coaching career, winning seven conference championships in his 15 seasons as a full-time coach. His teams have won 137 games in that span, averaging more than nine wins per season.

In addition to coaching in two national championship games, Frost has coached in five other New Year's Six bowl games in the last decade. His winning reputation dates back to his playing days, when he helped Nebraska to a 36-2 record in his three-year career, including a 24-2 record in two seasons as the Huskers' starting quarterback.

NEBRASKA (2018-21)

Frost has laid the foundation for rebuilding Nebraska's program in his first four seasons in Lincoln. Nebraska won four of its final six games in his first year in 2018, and improved by nearly 28 points per game in the second half of the season. The Huskers finished with a 4-8 record, but Nebraska faced eight opponents who were ranked during the 2018 season. Five of Nebraska's losses were by five or fewer points, with the Huskers' final three losses coming in a three-point overtime loss at Northwestern, which finished with a No. 21 ranking, a five-point setback at No. 3 Ohio State and a three-point loss at No. 25 Iowa as time expired.

Frost also lived up to his reputation as one of the best offensive play-callers in the country in 2018. Frost inherited an offensive unit that ranked 87th nationally in total offense in 2017. Nebraska ranked 25th nationally in total offense, the program's first top-25 finish in the category since 2008.

In his second season in 2019, Nebraska improved its win total with one of the youngest teams in the country, as the Huskers had more freshmen on their roster than any team in the country. Nebraska went 5-7, with five of those losses coming to ranked teams, including four losses to teams that finished in the top 15 of the final Associated Press poll. Four of the Huskers' seven losses were by a combined 17 points, including two last-second losses.

Frost's leadership guided the Huskers through the COVID-19 pandemic and an abbreviated 2020 campaign. Nebraska posted a 3-5 record, with three losses to teams that finished in the top 15 nationally. In the 2021 season, the Huskers were competitive in every game despite posting a 3-9 record. All nine of Nebraska's losses were by single digits - including eight losses by one score or less - while facing eight teams that won at least nine games, and six opponents who were nationally ranked at game time.

Frost has made upgrading Nebraska's talent a priority, with four of his five recruiting classes ranked in the top 25 nationally.

UCF (2016-17)

Frost went 19-7 in two seasons at UCF, helping turn an 0-12 team into a 13-0 squad in just two years. In Frost's first season, he took the Knights to a bowl game and finished with a 6-7 record. The turnaround was historic, as Frost became the only first-year coach in FBS history to make a bowl game with a team that was winless the previous season.

UCF led the nation with a six-win improvement in 2016 and exceeded that mark in 2017 with a win over No. 7 Auburn in the Peach Bowl to complete a 13-0 season as the nation's only undefeated team. The Knights put together the first undefeated regular season in UCF and AAC history in 2017, posted the longest winning streak in school history (13 games), achieved the highest in-season ranking in program history (10th), highest final ranking (6th) and set an AAC record with 16 all-conference selections.

UCF was led by its high-powered offense and improved defense under Frost. The Knights led the nation in scoring at 48.2 points per game and were the only FBS team to score at least 30 points in every game. Defensively, UCF improved its scoring defense by 65 spots in Frost's two seasons.

In addition to being the unanimous choice as the 2017 AAC Coach of the Year, Frost was honored as the national coach of the year by the Associated Press, American Football Coaches Association, the Touchdown Club of Columbus, the Lombardi Award and FCA in addition to winning the Home Depot, Paul "Bear" Bryant and Eddie Robinson coach-of-the-year awards. He was also a semifinalist for the George Munger Coach of the Year Award in each of his two seasons at UCF, making Frost one of three coaches to be a semifinalist for the award in both 2016 and 2017.

ASSISTANT COACHING CAREER

OREGON: Frost spent seven seasons as an offensive assistant at Oregon from 2009 to 2015, including serving as the Ducks' offensive coordinator in his final three seasons. Frost helped Oregon post a 79-14 record in his seven seasons, during which time the Ducks won four conference titles and twice played for the national championship.

Oregon never ranked lower than eighth nationally in scoring offense during Frost's seven seasons on staff, and the Ducks led the nation in scoring in 2010. Frost was promoted to offensive coordinator in 2013, and Oregon ranked in the top five nationally in both scoring and total offense each of his three seasons calling plays. The Ducks scored 681 points in 2014, the second-highest total in NCAA history. Oregon made it to the College Football Playoff Championship Game that year, when Frost was one of five finalists for the Broyles Award, presented annually to the nation's top assistant. Frost's quarterback, Marcus Mariota, won the 2014 Heisman Trophy and was the No. 2 overall pick in the 2015 NFL Draft.

NORTHERN IOWA: Frost's first full-time coaching job came in the FCS ranks at Northern Iowa, where he spent two seasons on the Panthers' defensive staff. He coached the Panther linebackers in 2007 and helped UNI to the No. 1 seed in the FCS playoffs and a quarterfinals appearance. Frost was promoted to co-defensive coordinator the next season, when UNI ranked ninth nationally in scoring defense and advanced to the FCS Semifinals. The Panthers finished with a 24-4 record in Frost's two seasons, winning two Missouri Valley Conference titles and earning a No. 4 final ranking both years.

KANSAS STATE: Frost began his coaching career as a defensive graduate assistant at Kansas State in 2006, helping the Wildcats to a bowl game.

NEBRASKA: Frost's first coaching experience came during a brief stint on Nebraska's staff as a defensive graduate assistant in 2002, coaching the Huskers in the Independence Bowl.

PLAYING CAREER (STANFORD, NEBRASKA & NFL)

Frost spent two seasons at Stanford - where he was a two-way starter at safety and quarterback - before returning home to Nebraska for the Huskers' 1995 national championship season. He took over as NU's starting quarterback the next season and was the 1996 Big 12 Offensive Newcomer of the Year. In 1997, he was a Johnny Unitas Award finalist and an Academic All-American as Nebraska went 13-0 and captured the program's fifth national title. Frost was then selected in the third round of the 1998 NFL Draft and played six seasons as an NFL safety.

PERSONAL

Frost earned his degree in finance from Nebraska in 1997. Scott and his wife Ashley have one son, Ryan James (RJ) and two daughters, Alli and Capri.

HISTORIC TURNAROUND AT UCF

At UCF, Frost produced the greatest two-year turnaround in college football history, inheriting an 0-12 team and leading the Knights to a 13-0 record just two years later.

- In his first season in 2016, Frost made history as the only first-time head coach in FBS history to make a bowl game with a team that was winless the previous season.
- UCF tied for the national lead with a six-win improvement from the 2015 to 2016 season. The Knights then ranked third nationally after improving by seven wins from the 2016 to 2017 season.
- The Knights' seven-win improvement from 2016 to 2017 ranked 11th in NCAA history and marked just the second time ever a bowl team improved by more than six wins the next season.
- UCF was the American Athletic Conference and Peach Bowl champions and was the only FBS team to go undefeated in 2017.
- Frost called UCF's plays, orchestrating the greatest two-year offensive turnaround in NCAA history. The Knights went from last to fifth in total offense, improving their output by more than 260 yards per game. UCF also went from third-to-last to first in scoring offense, improving by nearly 35 points per game.

FROST LED UCF TO 13-0 SEASON

In his second year as a head coach, Scott Frost guided UCF to a 13-0 record in 2017, when the Knights were the nation's only undefeated team.

- Frost was the fourth coach in FBS history to post a 13-0 record or better in either his first or second season as a head coach. Among that quartet, Frost is the only coach who inherited a team that won fewer than five games, as UCF went 0-12 the year before Frost's arrival.
- Frost is one of only five active FBS head coaches who has posted a 13-0 season or better, joining Jimbo Fisher, Nick Saban, Dabo Swinney and Kyle Whittingham.
- Frost also led Nebraska to a 13-0 record and a national title as the Huskers' starting quarterback in 1997. Frost was the first person in NCAA history to be part of a 13-0 season as both a player and a head coach.

NATIONAL COACH OF THE YEAR

Frost was the consensus choice as the 2017 national coach of the year, earning the honor from at least eight different organizations.

- Frost won the 2017 Paul "Bear" Bryant Award as the national coach of the year. Frost, Chris Petersen (2006 & 2009, Boise State) and Luke Fickell (2021, Cincinnati) are the only coaches in the 36-year history of the award to win the honor while coaching a team outside of a Power Five Conference.
- Frost was also the AP Coach of the Year, becoming the sixth coach to win the award in his first or second season as a head coach.

FROST A TOP OFFENSIVE COACH

For each of the last 13 years, Scott Frost has either been an offensive assistant, offensive coordinator or head coach who calls the offensive plays. During that time, he has consistently proven to be one of the nation's finest offensive coaches.

- In 13 seasons coaching offense, Frost has worked with eight units that finished in the top 10 nationally in scoring, including seven that ranked in the top five.
- Frost has also been a part of seven teams that ranked in the top 10 nationally in total offense the past 13 seasons.

FROST A PROVEN WINNER

Frost is a proven winner. In his 15-year full-time coaching career, Frost's teams have combined for a 137-54 record.

- Frost has averaged more than nine wins per year and been a part of seven 12-win teams.
- He has won seven conference titles in 15 years.
- Frost has coached in two national title games and his teams have finished with a top-10 ranking eight times in the past 15 years.
- In two seasons as UCF's head coach, the Knights were the nation's most improved team in 2016 and were the only FBS team to go undefeated in 2017.
- As a Husker quarterback, Frost was a two-time national champion who helped Nebraska to a 36-2 record, including a 24-2 mark as a starter.
- Frost is one of four active head coaches who won a national title as a player and is the only coach who won multiple national titles.

Erik Chinander is in his fifth season as Nebraska's defensive coordinator and his 20th year of coaching. He is in his seventh season serving as Scott Frost's defensive coordinator. Chinander has coached with Frost at Nebraska, UCF, Oregon and Northern Iowa for a total of 13 years.

Recognized as one of the nation's top assistant coaches with a nomination for the Broyles Award in 2016 and 2021, Chinander has been on the staff of one FCS (UNI) and two FBS (Oregon) teams that have played in the national championship game. He also coached in the NFL Playoffs. Chinander has played a key role in Nebraska's recruiting success and was named one of Rivals' Top 25 Recruiters of the Year in 2021.

Chinander's units have ranked in the top 20 nationally in takeaways three times in the past eight seasons, including a pair of top-five rankings. Individually, 26 Blackshirts have earned All-Big Ten accolades under Chinander. Before his arrival, only 12 Blackshirts were All-Big Ten honorees in the previous four seasons.

NEBRASKA (2018-21)

Chinander has implemented an aggressive defense at Nebraska, one that has resulted in more sacks, takeaways and defensive touchdowns. In his first season, Chinander oversaw a Husker defense that showed significant improvement. Nebraska allowed two fewer touchdowns per game over the final six games of 2018 compared to the first six games. The Huskers held two of their final five opponents to single digits, including a 9-6 victory over Michigan State, where the defense led Nebraska to its first victory without scoring a touchdown since 1937.

The Blackshirts improved by 26 spots in the national scoring defense rankings from the unit Chinander inherited, and NU saw dramatic improvements in its pass defense, sack totals and takeaways. The Huskers improved their pass efficiency defense by 61 spots in 2018, ranking 34th nationally in the category. Nebraska broke up 58 passes, the ninth-highest total in program history and the most by a Husker squad in nearly a decade. The Blackshirts also totaled 25 sacks in 2018, 11 more than they had in 2017. Nebraska also forced 20 turnovers, the program's highest total in four seasons.

In 2019, six Huskers earned All-Big Ten accolades, Nebraska's highest total since 2011. The Huskers allowed nearly 50 fewer yards per game and more than three fewer points per game than they did in 2018, moving up 30 spots in the total defense rankings and 22 spots in scoring defense. Nebraska also improved by 52 spots in first down defense, ranking 32nd nationally in that category in 2019.

Chinander's aggressive approach also resulted in the Huskers forcing their most turnovers (21) in five seasons, ranking in the top 35 nationally in takeaways and in the top 15 with three defensive touchdowns in 2019. Nebraska was one of only 25 teams nationally with double-digit interceptions and fumble recoveries in 2019.

The defensive improvement continued in 2020. The Blackshirt defense limited its eight opponents to 4.2 yards per rush, better than a half-yard improvement over the 2019 season. The Huskers also moved up 14 spots nationally in total defense and ranked sixth in the Big Ten in that category. Seven of Chinander's defensive players earned All-Big Ten accolades.

The 2021 Husker defense was Chinander's best Blackshirt unit. The Huskers finished 36th nationally in scoring defense, allowing 22.7 points per game against a schedule that featured eight teams that won nine games. The opponents points per game average was the lowest for a Nebraska defense since 2010.

The Blackshirts allowed 366.0 yards per game, Nebraska's lowest total since 2016. During the 2021 campaign, Nebraska had several standout

BEFORE NEBRASKA

UCF: Chinander led a dramatic defensive turnaround in his two seasons at UCF in 2016 and 2017. He inherited a Knight defense that had allowed 37.7 points per game in 2015 and two years later, UCF lowered that average to 25.3 points per game.

Chinander also spent the 2010 season in Eugene as an intern. In Chinander's five seasons at Oregon, the Ducks posted a 58-10 record, won three conference titles and twice played for the national championship.

ELLSWORTH CC: Chinander's first job was as the offensive and defensive line coach for Ellsworth Community College in Iowa, where he also coordinated the strength and conditioning programs for football and men's and women's basketball. The Panthers finished second in the region and three of his players garnered first-team all-region accolades.

A veteran coach in his 24th season, Applewhite is coaching running backs for the 20th consecutive season in 2022. He previously coached running backs at TCU, Colorado State, Louisiana-Monroe, Montana State and Wyoming.

Applewhite has a strong reputation for player development and recruiting. He coached two of the four all-time leading rushers in Wyoming history and two of the top eight rushers in Colorado State history. He also served as a recruiting coordinator at both Colorado State and Louisiana-Monroe, spending eight total seasons in that role.

As a player, Applewhite was a two-time NCAA Division II

national champion for Northern Colorado, which is where he also began his coaching career in 1999.

BEFORE NEBRASKA

TCU: In two seasons with the Horned Frogs (2020 and 2021) before joining Nebraska, Applewhite helped TCU rank in the top 30 nationally in rushing both seasons. TCU was the Big 12 rushing champion in 2020, averaging 214.7 rushing yards per game to rank 20th nationally in rushing. The Horned Frogs then finished 30th in the country in 2021 at 196.3 rushing yards per game. COLORADO STATE: Before coaching at TCU, Applewhite spent five seasons as running backs coach at Colorado State from 2015 to 2019. He also took on the added responsibility as the Rams' recruiting coordinator in 2018 and 2019. In his time at CSU, the Rams posted two of their top five season marks in total offense and points per game. Colorado State reached three bowl games in five seasons while Applewhite was on staff. Applewhite's Colorado State running backs posted 24 individual 100-yard rushing games. Ram running backs Izzy Matthews and Dalyn Dawkins each finished in the top eight on the CSU career rushing list under Applewhite's guidance.

Veteran coach Sean Beckton is in his fifth season as Nebraska's tight ends coach in 2022. He is in his 27th season overall as a college coach, having spent the first 22 years of his career coaching in the high school, collegiate and professional ranks in Florida.

Beckton came to Lincoln after spending 19 seasons at UCF, his alma mater, including serving as the Knights' tight ends coach and recruiting coordinator under Scott Frost in 2016 and 2017. Beckton was one of the most important figures in the history of UCF football before deciding to follow Frost to Lincoln.

As a coach, Beckton helped the Knights win four of the six

conference championships in UCF history and claim the program's only two New Year's Six bowl wins. Beckton also played a large role in the only unbeaten season in UCF history in 2017, when the Knights went 13-0 to complete the greatest two-year turnaround in NCAA history. As a player, Beckton concluded his career as UCF's all-time leader in receptions and receiving yards. He was one of the first two football players inducted into the UCF Athletics Hall of Fame.

NEBRASKA (2018-21)

In 2018, Beckton inherited a tight end unit that featured only freshmen and sophomores. Nebraska's tight ends combined for 28 catches, 374 receiving yards and three touchdowns. Jack Stoll led the way with 21 catches for 245 yards and three touchdowns, setting career highs in all three categories, while redshirt freshman Austin Allen led Nebraska with an average of 27.0 yards per reception. In addition to contributing to a passing attack that averaged nearly 250 passing yards per game, the tight ends also added perimeter blocking for a Husker rushing attack that was the nation's third-most improved rushing unit.

In 2019, Beckton's tight ends contributed to a balanced offense that averaged more than 200 passing and rushing yards per game. Stoll set a career high with 25 receptions and led the tight ends with 234 receiving yards. Allen also posted career highs in both receptions and receiving yards.

Beckton's veteran tight end unit was a key part of the Husker offense in 2020. Austin Allen caught 18 passes for 236 yards, including five catches of at least 20 yards. The tight ends also provided blocking for the Big Ten's No. 2 rushing offense.

Allen had a record-setting season under Beckton's guidance in 2021. Allen set Nebraska season tight end records with 38 receptions and 602 yards. He also set a school single-game record with 143 receiving yards at Wisconsin. Allen earned first-team all-conference honors and was the Kwalick-Clark Big Ten Tight End of the Year.

BEFORE NEBRASKA

UCF: Beckton spent a total of 19 seasons at his alma mater, where he was a member of the coaching staff for four of the Knights' first five conference titles in program history, including three American Athletic Conference championships in his final five seasons. In his last season at UCF in 2017, Beckton helped the Knights post the first perfect season in program history and the first undefeated season in AAC history. UCF was the only FBS team to go undefeated in 2017, and the Knights finished with a No. 6 ranking after defeating No. 7 Auburn in the Peach Bowl.

Beckton's tight ends helped UCF post the nation's most improved offense in 2017, when the Knights led the nation in scoring and ranked fifth nationally in total offense. As UCF's recruiting coordinator, he helped Frost land several of the Knights' standout players. Quarterback McKenzie Milton was the 2017 American Athletic Conference Offensive Player of the Year and each of the Knights' three leading rushers and four of the top six receivers were either freshmen or sophomores.

In 2017, the unit totaled 49 receptions for 818 yards and caught five touchdown passes while averaging 16.7 yards per reception. In 2016, UCF's tight ends combined for 38 catches, 527 receiving yards and a pair of touchdown catches.

Individually, Jordan Akins posted his best two seasons under Beckton's coaching. Akins set career highs with 32 receptions for 515 yards and four touchdowns as a senior in 2017, when he was a first-team all-conference selection. In 2016, Akins caught 23 passes for 347 yards. Following his senior season, Akins was selected in the third round of the 2018 NFL Draft.

Before Frost's arrival, Beckton coached the UCF wide receivers from 2012 to 2015, his second stint in that role. Working with a young unit in 2015, Tre'Quan Smith finished with 52 catches for 724 yards, both of which set UCF freshman records. The 2015 American Athletic Conference Rookie of the Year, Smith went on to be a first-team All-AAC selection and Biletnikoff Award nominee in 2017. In 2014, four Knights totaled 500 receiving yards for the first time in program history, led by Breshad Perriman's 1,044 yards. Perriman went on to be a first-round pick in the 2015 NFL Draft. In 2013, three wideouts had at least 500 receiving yards to help UCF to a 12-1 record, an AAC title and a Fiesta Bowl win over Baylor. In Beckton's first year coaching the wide receivers in 2012, the Knights totaled more than 3,100 receiving yards and 28 receiving touchdowns.

Beckton coached defensive backs from 2009 to 2011. The Knights ranked in the top 25 nationally in passing defense in 2011 when cornerback Josh Robinson was a first-team all-conference selection before being selected in the third round of the 2011 NFL Draft. In 2010, UCF won 11 games, a Conference USA title and produced the program's first bowl win and the school's first national ranking. In 2009, he guided Robinson to freshman All-America honors.

Beckton also coached the wide receivers for eight seasons from 1996 to 2003. During that time he coached a slew of top wideouts, including three who went on to NFL careers. His most high-profile pupil was Brandon Marshall, who caught 74 passes for 1,195 yards in 2005 before being selected in the fourth round of the 2006 NFL Draft. Marshall played 13 seasons in the NFL and was a six-time Pro Bowler. Beckton also received his start in the coaching profession as an offensive graduate assistant at UCF in 1992 and 1993.

ORLANDO PREDATORS (AFL): Beckton coached the wide receivers for the Orlando Predators of the American Football League in 2008, helping the team to a 9-7 record and a playoff berth.

MAINLAND (FLA.) HIGH SCHOOL: Beckton was an assistant coach for Mainland (Fla.) High School from 1993 to 1996, where he also taught history. He helped Mainland to a pair of state championships and also worked with the basketball team, where he coached future NBA star Vince Carter.

PLAYING CAREER (UCF)

Originally from Daytona Beach, Fla., Beckton was a star wide receiver at UCF from 1987 to 1990. He ended his career as the program's all-time leader with 196 receptions and 2,493 receiving yards and was one of the first two football players to be enshrined in the UCF Athletics Hall of Fame. Against Texas Southern as a senior, Beckton was responsible for a touchdown four different ways (passing, rushing, receiving and punt return).

PERSONAL

Beckton earned his degree from UCF in liberal studies in 1993. He and his wife, Zorana, have one son, Sean Jr., and one daughter, Zaria. Sean Beckton Jr. is a member of the UCF football performance staff, and Zaria earned her degree from Nebraska in May of 2022.

has coached five different defenders to all-conference accolades in his last four collegiate seasons.

NEBRASKA (2018 & 2020-21)

In Dawson's first year at Nebraska in 2018, his defensive line featured a pair of All-Big Ten performers and helped key a Blackshirts unit that moved up 27 spots in the national scoring defense rankings from the 2017 season. The line helped Nebraska total 25 sacks, 11 more than the Huskers recorded the previous season.

In addition to the pressure created by the defensive line, the unit also helped the Huskers post the ninth-most pass breakups in school history (58). Carlos Davis led the line with five breakups, the most by a Husker defensive lineman since Ndamukong Suh had nine in 2009. Carlos and his twin brother, Khalil, were both all-conference performers in 2018, as Khalil led the defensive line with 41 tackles, eight tackles for loss and 3.0 sacks.

In 2020, Dawson's outside linebackers played a key role for a Blackshirt unit that ranked sixth in the Big Ten in total defense, and lowered opponent rushing yards per attempt by more than a half-yard over 2019. Outside linebacker JoJo Domann led the team with 58 tackles and 6.5 tackles for loss en route to All-Big Ten honors.

Dawson played a key role in the continued improvement of the Nebraska defense in 2021. Nebraska allowed 22.7 points per game, the fewest points allowed per game by a Husker defense in 11 seasons. The Huskers also allowed their fewest yards per game in five seasons at 366.0 per game.

Individually, Dawson oversaw the continued development of outside linebackers Caleb Tannor and Garrett Nelson. Tannor finished the season with a career-high 5.5 tackles for loss, while Nelson led Nebraska in TFL (10.5) and sacks (5) ranking among the Big Ten leaders in both categories.

Mike Dawson is in his third straight season and his fourth season overall on Scott Frost's Nebraska coaching staff. In 2022, Dawson will coach the Husker defensive linemen and edge rushers.

Dawson coached Nebraska's defensive line on Frost's first staff in 2018, before spending the 2019 season as the outside linebackers coach for the New York Giants. He returned to Lincoln in the winter of 2020.

A coaching veteran in his 24th season, Dawson has coached at the FCS, FBS and professional levels. He has spent 19 seasons in the collegiate ranks, including 13 years at the FBS level and eight seasons at a Power Five school. Dawson also boasts four years of coaching experience in the National Football League. He has coached both defensive linemen and outside linebackers in college and the NFL.

Dawson has helped build impressive defenses throughout his career, including working with a UCF squad that ranked second nationally in takeaways in 2017 and a Philadelphia Eagles team that ranked second in the NFL in sacks in 2014. Individually, Dawson has tutored three All-Big Ten performers at Nebraska, and

Golden also had 10.0 sacks – the second-highest total of his career – and scored the first defensive touchdown of his career. Dawson also helped Oshane Ximines record 4.5 sacks in his rookie season.

BEFORE NEBRASKA

UCF: Dawson spent two seasons on Frost's staff at UCF in 2016 and 2017. UCF improved by more than 12 points per game in scoring defense during Dawson's tenure, and the defense helped out the offense by forcing 58 turnovers and scoring nine defensive touchdowns in his two seasons. UCF ranked third nationally in takeaways over the 2016 and 2017 seasons.

In 2017, Dawson's defensive line helped UCF post the first perfect season in program and AAC history when UCF finished 13-0 as the nation's only undefeated team. The Knights ranked third in the league in scoring defense and fourth in rushing defense. Two of his three starting defensive linemen earned all-conference accolades.

In 2016, the Knights ranked in the top 10 nationally in four defensive categories and in the top 25 in nine categories. UCF ranked second nationally in red zone defense, sixth in third-down defense and ninth in tackles for loss. The defense was the key to UCF leading the nation with a six-win improvement from the 2015 to 2016 season.

Dawson also coached punter Ryan Quigley, who went on to play six seasons in the NFL.

AKRON: Dawson coached the Akron linebackers for three seasons from 2006 to 2008. He tutored all-conference linebacker Brion Stokes, who ended his career with 38.5 tackles for loss, the second-most in school history.

NEW HAMPSHIRE: Dawson had a six-year stint at New Hampshire from 2000 to 2005. He held three different positions with the Wildcats, coaching the linebackers in 2000 and 2002-03, the offensive line in 2001 and serving as defensive coordinator in 2004 and 2005. In his two seasons leading the defense, New Hampshire posted a 21-5 record and reached the 2005 FCS quarterfinals, when the Wildcats led the country with 45 takeaways.

PITTSBURGH, MAINE AND UMMASS-LOWELL: Dawson's first coaching stint in the FBS ranks came as a graduate assistant at Pittsburgh in 1998. Dawson began his coaching career as the defensive line coach in the spring of 1998 for UMass-Lowell before he joined Maine as a defensive assistant for the 1998 season.

Travis Fisher is in his fifth season as Nebraska's defensive backs coach in 2022. Fisher entered the coaching ranks following a nine-year NFL career, and he is in the 10th season of his coaching career, the last seven of which have been as a member of Scott Frost's staffs at UCF and Nebraska.

Fisher has been able to transfer his success and experience as a player into coaching. Fisher's defensive backs have consistently

held opposing passing attacks in check while showing a knack for interceptions. After inheriting a Husker secondary that allowed more than 275 passing yards per game in 2017, Fisher helped Nebraska hold five opponents to fewer than 200 passing yards in 2018.

NU held six opponents to fewer than 165 passing yards in 2019, when the Huskers ranked No. 33 nationally in pass efficiency defense. On the strength of a veteran secondary, the 2020 Blackshirts continued to improve and finished sixth in the Big Ten in total defense. The 2021 Husker defense allowed its fewest points per game in 11 seasons, and posted its best total defense mark in five years. Fisher led UCF to a No. 12 ranking in pass efficiency defense in 2016, and the Knights ranked second nationally with 20 interceptions in 2017.

Fisher has excelled developing individual talent. Nine of his defensive backs have signed NFL contracts in the last four years. In just one year, Fisher turned junior college transfer Mike Hughes into an All-American and first-round NFL Draft pick. Hughes was selected with the 30th overall pick in the 2018 NFL Draft, surpassing Fisher as the highest-drafted defensive player in UCF history. Fisher was selected in the second round of the 2002 NFL Draft following three seasons as a Knight.

In addition to developing players, Fisher has impressed in his role of bringing talent to Lincoln as one of Nebraska's top recruiters.

NEBRASKA (2018-21)

Fisher made an instant impact on the Husker secondary in his first season in 2018, when Nebraska produced impressive results as a team and individually. NU ranked 34th nationally in pass efficiency defense in 2018, a 61-spot improvement from 2017. Dicaprio Bootle shined under Fisher's guidance in 2018, earning All-Big Ten accolades. Bootle set career highs in every category and led the Big Ten and ranked ninth nationally with 15 pass breakups, the second-highest total in school history. At the opposite corner spot, Lamar Jackson posted his best season as a Husker, intercepting the first two passes of his career, breaking up a career-high seven passes and recording the first tackle for loss and forced fumble of his career.

Each of Nebraska's four primary safeties had at least one interception and one fumble forced or recovered in 2018. All told, Fisher's secondary recorded eight interceptions, forced 10 fumbles and had four fumble recoveries, helping Nebraska post its highest turnover total in four seasons. The secondary also combined for 41 pass breakups, helping Nebraska rank ninth in school history with 58 total pass breakups.

In 2019, Nebraska held six of its 12 opponents to fewer than 165 yards passing, including four opponents under 100 yards. Nebraska again ranked in the top 35 nationally in pass efficiency defense, and the Huskers were 11th nationally with two interception returns for touchdowns. Individually, Lamar Jackson ranked in the top 15 nationally in pass breakups and passes defended, while Cam Taylor-Britt - in just his second season playing defense - ranked fifth in the country with four forced fumbles, the most by a Husker since 1999. Jackson and Taylor-Britt also tied for the team lead with three interceptions.

Under Fisher's guidance, three of Nebraska's four secondary starters were All-Big Ten selections. Bootle earned All-Big Ten accolades for the second straight season, with Jackson and Taylor-Britt earning all-conference recognition for the first time.

Fisher's veteran secondary again shined in 2020. Each of the four starters in the secondary earned all-conference recognition. Bootle completed his Husker career as a three-time All-Big Ten honoree, finishing in ninth place in Nebraska history in career breakups. Taylor-Britt earned second-team

BEFORE NEBRASKA

UCF: At his alma mater, Fisher helped turn the UCF defense into one of the top units in the American Athletic Conference. Fisher's defensive backs were a big reason why the Knights were able to record 58 takeaways and score nine defensive touchdowns in 2016 and 2017. UCF ranked third nationally in takeaways over the 2016 and 2017 seasons combined, and the Knights ranked fifth with 35 interceptions, including 26 from Fisher's defensive backs. In 2017, UCF led the AAC and was second nationally in interceptions.

Fisher's unit helped UCF go 13-0 as the nation's only undefeated team in 2017 while posting the first perfect season in school and conference history. The Knights led the league in interceptions and defensive touchdowns and ranked third in scoring defense and pass efficiency defense. UCF's 20 interceptions ranked fifth nationally, with 15 of the interceptions by Fisher's defensive backs, two of which were returned for touchdowns.

Cornerback Mike Hughes and safety Kyle Gibson were both first-team all-conference selections and each ranked in the top 25 nationally in interceptions. Hughes went on to earn second-team All-America honors in his only season at UCF before being a first-round selection in the 2018 NFL Draft, eclipsing Fisher as the highest-drafted defensive back in UCF history.

A year earlier, five defensive backs from the 2016 roster signed NFL contracts following the season, including third-round draft pick Shaquill Griffin. In 2016, Griffin helped UCF post the 12th-best pass efficiency defense nationally, while the defensive backs totaled 12 of the Knights' 15 interceptions. The group also returned four interceptions for touchdowns, helping UCF rank third nationally with five defensive touchdowns. Individually, Griffin led the AAC and was fifth nationally with 1.5 passes defended per game, and his 15 pass breakups in 2017 and 36 career breakups were both the second-most in UCF history. Drico Johnson also set a school record by becoming the first UCF player to score two defensive touchdowns in one game, accomplishing the feat against Tulane.

A former Knight cornerback, Fisher also spent the 2015 season at UCF, where he coached the cornerbacks in his first season as an FBS assistant. He began his coaching career as a defensive quality assistant with UCF in 2013, when the Knights went 12-1 and finished with a No. 10 ranking.

SOUTHEAST MISSOURI STATE: Fisher's first full-time coaching role came as the cornerbacks coach at Southeast Missouri State in 2014.

PLAYING CAREER (UCF & NFL)

As a player, Fisher totaled 130 tackles with the Knights from 1999 to 2001. He was selected in the second round of the 2002 NFL Draft with the 64th overall pick by the St. Louis Rams. Fisher had been the highest drafted defensive back in UCF history before his pupil Hughes was selected in the first round of the 2018 NFL Draft. Fisher went on to spend nine seasons in the NFL and led the NFL with two interception returns for touchdowns and 205 interception return yards in 2003.

Barrett Ruud, Nebraska's all-time leading tackler, is in his fifth season as the Huskers' linebackers coach in 2022. Ruud entered the coaching ranks shortly after an eight-year NFL career, and he has been a member of Scott Frost's staff each of the last seven years.

Ruud spent his first four years in the profession in an off-field coaching role, but he was elevated to inside linebackers coach in January of 2018.

Ruud has made a big impact with the Husker linebackers. In 2021 sophomore linebackers Luke Reimer and Nick Henrich combined for 207 tackles and both ranked among Big Ten leaders in tackles per game.

It should come as no surprise that Ruud has produced prolific tacklers while coaching Nebraska's inside linebackers. As a Husker linebacker himself, he recorded 432 tackles, 90 more than any other player in program history. Ruud then went on to make more than 650 tackles during his eight-year NFL career.

NEBRASKA (2014; 2018-21)

In his first season as a full-time assistant coach in 2018, Ruud's inside linebackers helped Nebraska improve by 27 spots in the national scoring defense rankings from the 2017 season and by 61 spots in pass efficiency defense. Both of Ruud's starting inside linebackers put together impressive seasons in 2018, with Mohamed Barry leading the team with 112 tackles, the best by a Husker linebacker since All-American Lavonte David had 133 tackles in 2011. Barry ranked second in the Big Ten in tackles per game and earned all-conference accolades.

Dedrick Young II also had a career high in tackles in his lone season with Ruud as his position coach. Young totaled a career-high 83 tackles in 2018 to end his career with 284 tackles, the fifth-highest total in Nebraska history. In addition to his career high in tackles, Young also broke up a career-high five passes and intercepted the first pass of his career.

In Ruud's second season, Nebraska's top three tacklers were inside linebackers. Barry led the Huskers in tackles for the second straight season with 89 stops, while Will Honas was second with 73 tackles, and Collin Miller was third on the team with 67 tackles. Barry earned All-Big Ten honors for the second straight season.

Ruud adeptly rotated inside linebackers in 2020 as the Huskers battled injuries. Honas led the group with 57 tackles, 6.5 tackles for loss and three sacks on his way to all-conference honors. Miller made 27 tackles in four games before a neck injury ended his playing career. The development of a pair of underclassmen highlighted Ruud's coaching. Sophomore Luke Reimer made 40 tackles and five tackles for loss, while redshirt freshman Nick Henrich moved inside late in the season and finished the year with 27 tackles. The play of the linebackers helped Nebraska rank sixth in the Big Ten in total defense.

Reimer and Henrich flourished under Ruud's coaching in 2021, helping Nebraska allow just 22.7 points per game, the best by a Husker defense in 11 seasons. Nebraska's 366.0 yards per game allowed also marked its best total in five years.

Reimer led Nebraska with 109 tackles, including five double-figure tackle games with 16 tackles against Buffalo and 19 against Purdue. Reimer also recorded six tackles for loss, broke up six passes and forced three fumbles and was an honorable-mention All-Big Ten selection. Henrich nearly joined Reimer in reaching 100 tackles, registering 98 tackles in his first full season as a starter. Henrich had three games with double-figure tackles, including a career-high 15 stops against Big Ten champion Michigan.

Ruud also served as a defensive intern at Nebraska in 2014. That marked his first venture into the coaching profession and came two years after his NFL playing career ended.

He was one of the first to emphasize the need to score weight carrying capacity of athletes by measuring and scoring frame measurements. An advocate for athletes at all levels, Ellis is also adept at implementing effective budgets that ensure athletes are being adequately fueled and that an athlete's body composition goals are realistic relative to the ability of an athlete's frame to carry the weight.

Ellis' impact on the field of sports nutrition has been immense and not only for the athletes who benefit from his expertise. Ellis served as the first president of the Collegiate and Professional Sports Dietitians Association (CPSDA), where he was a catalyst for the growth of performance nutrition across the United States. Ellis helped raise awareness to the importance of teams having trained nutritionists on staff, which in turned created more opportunities for Sports Registered Dietitians.

In his first stop at Nebraska, Ellis created the Husker nutrition department in 1994. Nebraska was one of the first colleges or universities to have an organized performance nutrition program and is often credited with providing a performance nutrition model utilized by countless other programs. The creation of the nutrition department paid big dividends, as the Husker football program won national titles in 1994, 1995 and 1997 under Hall of Fame Head Coach Tom Osborne. Looking for an edge over his peers, Osborne was the catalyst behind Nebraska creating a nutrition program, and he tabbed Ellis to create and lead the nutrition efforts.

He continues to innovate at Nebraska, where the Huskers are opening a brand new training table and performance nutrition space in 2023. DEVANEY. OSBORNE

TOM OSBORNE

HEAD COACH, 1973-97

RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial Stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

BOB DEVANEY

HEAD COACH, 1962-72

RECORD: 101-20-2 (.829, 13TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 13th on the all-time list, seven spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

NEBRASKA'S NATION-LEADING 18 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities. Nebraska earned its NCAA-leading 18th Top 10 Award in January of 2020 when men's gymnast standout Anton Stephenson was recognized at the NCAA honors dinner.

The Husker football program has nine of Nebraska's 18 Top 10 Award winners, the most of any single sport in NCAA history. The most recent football player to earn a Top 10 Award was All-America rush end Grant Wistrom, who was a 1998 honoree. Wistrom's selection gave Nebraska nine overall Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, marking the first two times that a school had more than one student-athlete honored.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimmington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), three men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991, Stephenson-2020), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Mary Weatherholt-2014) have also claimed the honor.

VARSITY LETTERMAN LIST

NOTE: The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

132 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

COACH EWALD O. "JUMBO" STIEHM

(Wisconsin, 1909) 35-2-3 (.913), 1911-15

Under Ewald O. "Jumbo" Stiehm's direction, Nebraska won or tied for the Missouri Valley Conference championship every season. His winning percentage of .913 ranks as the highest in school history. His teams recorded a 34-game unbeaten streak, the longest in school history. Also Nebraska's basketball coach, he was the only coach in Big Eight history to win football and basketball titles in the same academic year. He was the first year-round coach in school history, but he went to Indiana University after NU refused to increase his salary to \$4,250.

COACH ERNEST E. BEARG

(Illinois) 23-7-3 (.742), 1925-28

Ernest E. Bearg won Nebraska's first Big Six title in 1928 when his team went 7-1-1. Despite fielding powerful teams during his four years, fans criticized him for not using strategy and deception, which eventually led to his resignation. Bearg also spent one year as men's basketball coach (1926) and posted an 8-10 record.

NEBRASKA IN THE POLLS

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 7 in the All-Time AP Poll and has appeared in more than 60 percent of all AP polls since 1936.

COACH TOM OSBORNE

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He reached 200 (21 seasons) and 250 wins faster than any coach in college football history. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

COACH FRANK SOLICH

(Nebraska, 1966) 58-19 (.753),
1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

COACH BILL CALLAHAN

(Illinois Benedictine, 1978)

72-22 (.551), 2004-07

Bill Callahan came to Nebraska less than one year after leading the Oakland Raiders to Super Bowl XXXVII. The 27th head coach in Nebraska football history, Callahan became one of just five coaches in history to return to college football after leading an NFL team to the Super Bowl. During Callahan's tenure, Nebraska shattered numerous school passing records. He led Nebraska to two bowl games and a Big 12 North title during his tenure.

COACH SCOTT FROST

(Nebraska, 1997)

15-29 (.341), 2018-21

Scott Frost returned to his alma mater in 2018 as the fifth former Husker player to return as Nebraska's head coach. Frost came to Lincoln with two years of head coaching experience at Central Florida, where he posted the greatest two-year turnaround in college football history. Frost inherited an 0-12 UCF team and took the Knights to a perfect 13-0 season in his second and final year, when he was the national coach of the year. Previously, Frost spent seven seasons at Oregon - including three as the Ducks' offensive coordinator - and two years at Northern Iowa.

Note: The 2020 season was shortened due to the COVID-19 pandemic. The original 12-game schedule was changed to a 10-game conference-only schedule on Aug. 5 before the season was postponed on Aug. 11. On Sept. 16, a final nine-game schedule was released, and the Huskers played eight games, as the Wisconsin game was canceled by the Badgers due to COVID-19.

The Big Ten prohibited ticket sales for the entirety of the 2020 season, with attendance limited to players' and coaches' families. As a result of that decision, Nebraska did not keep attendance figures for the season and paused its then-375-game home sellout streak.

2020-pres.	Walter "Ted" Carter

* Interim President

As president, Carter leads a four-campus university system that enrolls nearly 52,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a \$2.8 billion annual budget and includes a flagship Big Ten institution, a world-renowned academic

health sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

Carter brought with him a distinguished record in education, partnerships and military service, having come to Nebraska from the U.S. Naval Academy, his alma mater, where he served as superintendent. Under his leadership, the Naval Academy achieved a No. 1 national ranking and new records in student success and diversity. Carter previously was president of the U.S. Naval War College in Newport, R.I. A retired Vice Admiral with 38 years of service, Carter has logged more than 6,300 flying hours and holds the American record for carrier-arrested landings.

In his first year at the University of Nebraska – faced with the unexpected and unprecedented challenges presented by COVID-19 – Carter led with a focus on the land-grant priorities of access and opportunity for students and families. He launched the Nebraska Promise, a financial aid program guaranteeing free tuition for low- and middle-income Nebraskans, and implemented a multi-year budget plan that included a two-year, across-the-board tuition freeze. The result was system-wide growth in enrollment, including record gains among underrepresented students.

Carter oversaw the awarding of a \$92 million federal contract for the university's National Strategic Research Institute, one of only 14 University-Affiliated Research Centers in the country conducting exclusive research for the Department of Defense. During Carter's tenure, the NU system has been ranked among the world's top 100 institutions for earning research patents, the Omaha campus was selected as the home for a new federal counterterrorism research center, the Institute of Agriculture and Natural Resources launched a new effort focused on rural vitality, and the medical center opened an education, training and preparedness facility that positions Nebraska as the world leader in the fight against infectious disease.

Carter holds a courtesy faculty appointment in aviation in the College of Public Affairs and Community Service at the University of Nebraska at Omaha. He serves as the chair of the Daugherty Water for Food Global Institute's Board of Directors and is a board member for the Greater Omaha Chamber of Commerce, the Nebraska Chamber of Commerce and Industry, the Naval Historical Foundation and the Naval Aviation Museum Foundation. Carter is also a member of the Aspen Institute's Higher Education Working Group and the Association of Public and Land-Grant Universities' Council of Presidents. He is an ex-officio member on the board of the University of Nebraska Foundation, the philanthropic partner of the university system that has a \$1.7 billion endowment.

Carter earned his bachelor's degree in physics and oceanography from the U.S. Naval Academy, where he played hockey and served as team captain. He is a graduate of the Navy Fighter Weapons School (Top Gun) and holds educational credentials from the Navy Nuclear Power School, the U.S. Air Force Air War College, the Naval War College and the Armed Forces Staff College. Carter's military career includes service for the Carrier Strike Group Twelve, in which he commanded 20 ships, two nuclear-powered aircraft carriers, and two carrier wings that were deployed to Afghanistan and the Arabian Gulf.

The son of an English teacher, Carter was raised in the rural, one-high school town of Burrillville, R.I. He and his wife, Lynda, live in Lincoln and have two adult children, Brittany and Christopher.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

*Interim Co-Directors

A veteran administrator and College Football Hall of Famer, Trev Alberts is entering his second year as Vice Chancellor, Director of Athletics at the University of Nebraska in 2022-23. Alberts, who was hired on July 14, 2021, returned to his alma mater after spending 12 years at Nebraska-Omaha, guiding the program through a successful transition to the Division I level.

In his first season at Nebraska in 2021-22, Alberts helped the Huskers navigate the ever-changing landscape of Name, Image and Likeness guidelines for the benefit

of Nebraska student-athletes. He led the development of the N-Vest Nebraska program to award \$5,980 per year to student-athletes who meet academic benchmarks.

Alberts also spearheaded the charge to complete the fundraising for Nebraska's Go Big Project, which will provide Nebraska football with a new facility scheduled to open in the summer of 2023. The project will also house academic, life skills, nutrition and support services for all Nebraska student-athletes.

A tireless worker who puts both the interests of student-athletes and fans first, Alberts helped orchestrate a qualitative survey of Nebraska's fan base to help shape the future of Memorial Stadium's game-day atmosphere.

Alberts has also focused much of his time on developing the first strategic plan for Nebraska Athletics in 15 years. He has also committed himself to providing intense support and a unifying vision for Nebraska's coaches across all sports.

Nebraska's athletic achievements in 2021-22 included top-five NCAA finishes from Husker volleyball, wrestling and men's gymnastics programs, while the NU women's basketball and softball teams enjoyed breakout seasons that concluded with trips to the 2022 NCAA Tournament. The women's track and field team added a 14th-place finish at the NCAA Outdoor Championships - its best showing since 2006.

Academically, Nebraska student-athletes continued to shine with a school-record 95 percent graduation rate across all sports.

Alberts' tenure leading UNO athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular-season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegiateInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011, and Omaha began a men's swimming and diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in Nebraska-Omaha student-athletes posting consistent collective semester grade point averages above 3.3 for 18 consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also serve as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was an All-American on and off the football field as a Husker Blackshirt. He was Nebraska's first Butkus Award winner in 1993, helping Coach Tom Osborne's Huskers to an undefeated regular season and an Orange Bowl appearance against Florida State. A first-team All-American by every major publication in 1993, he was also the Football News National Defensive Player of the Year, the Big Eight Male Athlete of the Year, and the Big Eight Defensive Player of the Year. His No. 34 jersey was retired at the 1994 Red-White Spring Game. In 2015, he was elected to the College Football Hall of Fame.

Off the field, Alberts earned the NCAA's highest honor, The Today's Top Six Award. A three-time Academic All-Big Eight honoree, he was a CoSIDA Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he served as an analyst on college and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network.

Alberts and his wife Angela have three children – Chase (and his wife, Cassie), Ashtynne and Breanna.

NEBRASKA MEDIA SERVICES

COMMUNICATIONS OFFICE

The Nebraska Communications Office is available to assist the media with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics and other media inquiries, please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Director Keith Mann (kmann@huskers.com), Senior Associate Director Shamus McKnight (smcknight@huskers.com) or Associate Director Matt Smith (msmith@huskers.com). Below are guidelines for covering Nebraska in-season. Additions or changes to these policies can be found at Huskers.com/media.

MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-7769 or vcapazo@huskers.com for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers from news outlets covering for same or next day publication; (2) radio personnel for broadcast originations; (3) press and TV working photographers; (4) sports editors/reporters of Nebraska daily newspapers; (5) official school student daily newspaper, one seat and/or sideline only; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

MEDIA ACCESS

The game-day entrance to Memorial Stadium for the media is at the Media Gate 7 entrance on street level on the west side of the stadium (main lobby of West Stadium). The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff. Those picking up credentials must show a photo I.D., and all credential holders (season or single game) must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium. Bag check will also occur in the West Stadium lobby.

MEDIA PARKING

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to Lot 4 (South Stadium lot) later than 90 minutes before kickoff.

WEEKLY PRESS CONFERENCE

Each Monday during game weeks, Nebraska will hold a press conference, including Head Coach Scott Frost and selected players. The press conference will be held in the press box on Level 6 of West Memorial Stadium.

Media may not provide live coverage of any press conference on any digital platform or website. The only live coverage that is permitted is live television coverage. A free, live video stream will be available on Huskers.com and streamed on other social media platforms. Shortly following the press conference, a press conference video will be made available to media members followed by a written transcript.

INTERVIEW POLICY

During the season, Coach Scott Frost is available in person at a Monday press conference and briefly after practice on Thursdays of game week. Any other interviews with Coach Frost must be arranged through the Communications Office at least one day in advance.

Nebraska players are available for interviews in person at the Monday press conference and Tuesday after practice. Player interviews can occasionally be set up for other times with at least one day advance notice. Assistant coach interviews will be Tuesdays after practice. All requests for player and coach interviews must go through the Communications Office.

Post-practice interviews with players and coaches should not be streamed live online.

No interviews are to be conducted in the locker room, training room, weight room or Nebraska Student Life Complex.

DAILY PRACTICES

During the season, practices are normally conducted either in Memorial Stadium, in the Hawks Championship Center or on the Ed and Joyanne Gass Practice Fields northeast of the stadium. Practices are generally closed to the media and public. Media arriving to conduct interviews with Nebraska players and coaches should arrive to the designated post-practice interview area shortly before the end of practice.

Opportunities for media members to shoot photos and video of practice will be communicated to the media. As a general rule, these opportunities will only be during fall camp and not during the season. During open practice times, media are prohibited from streaming practice live and no interviews should be conducted during this time period. Media are also asked to refrain from live practice reports until after the conclusion of the open period. This includes social media, radio reports, video reports, etc.

For home games, only coaches, players and staff members will be admitted to the tunnel and locker room after the game, but Coach Frost and requested personnel will be brought to the interview room (Ndamukong Suh Strength

SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo credential, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued

to media members with a photo credential who will be shooting still photos or video during the game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The photographers work area is available on field level, just off the southeast corner of the playing field.

Additional sideline policies include: (1) Only those photographers on assignment from a newspaper, website, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo credential. (2) Media outlets with same or next day publication will be given preference for sideline credentials (Special requests must be submitted to the Communications Director for review). (3) Assistants, equipment carriers, etc. will not be allowed on the sideline. (4) Photographers must display their credentials and vest at all times. (5) University personnel will be present on the sideline to ensure that all credentials are properly displayed. Those possessing bench credentials must remain inside the team bench area (between the 20-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers should not congregate in the writers' section of the media facility during halftime, during or after the game.

FACILITY USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Athletic Director or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

BIG TEN CREDENTIAL POLICY & RESTRICTIONS

This working credential is subject in all respects to the Media Credential Criteria and Policies set forth by the Big Ten Conference as in effect from time to time. It is non-transferable and non-assignable and

any duplication or alteration of this document is prohibited. Any unauthorized use of this credential subjects the bearer to ejection from the facility and prosecution for criminal trespass. Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom this credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big Ten Conference. Photographing this credential is strictly prohibited. Nothing in these terms and conditions authorizes or allows bearer to violate any of the trademarks, copyright and other proprietary rights of the Big Ten Conference. A maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the seven days following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, including such television programming simulcast on the internet, wireless or other forms of media, but otherwise may not be distributed on the internet, wireless or other forms of media.

Local television stations may not originate a pre- or post-game show from inside Memorial Stadium. Live postgame interviews may not be aired while the television rights holder is still on the air.

Non-originating radio stations or other outlets may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour.

HUSKERS RADIO NETWORK

The Huskers Radio Network football broadcast team (from left): Matt Davison, Jessica Coody and Greg Sharpe.

The Huskers Radio Network launched on July 1, 2021, from the production studio on the East side of Memorial Stadium. This department within Husker Athletics leads the broadcast efforts for Husker Football, Volleyball, Men's and Women's Basketball, Baseball and Softball. In addition, the Huskers Radio Network team will produce Sports Nightly and Huskers Radio Network podcasts. Sports Nightly airs Monday-Friday evenings from 6-8 p.m. (central) year-round across the network. During the football season, Sports Nightly features a weekly football radio show on Thursday evenings with Coach Frost and Husker assistant coaches.

In the state of Nebraska, KXSP AM 590 ESPN (590 AM) and KEZO Z-92 (92.3 FM) serve as Omaha affiliates. KXSP-AM's strong signal reaches a good portion of the Midwest day and night, including parts of Iowa, Minnesota, Missouri and Kansas. KLIN (1400 AM) serves as the Lincoln affiliate with KFGE Froggy 98 (98.1 FM) also carrying the football broadcast. KRVN (880 AM) is a powerful central Nebraska affiliate that reaches around the state. In addition, the network has several dozen locally based affiliates across Nebraska. All broadcasts are streamed live for free on Huskers.com and the Huskers mobile app.

Sponsorships and advertising on the Husker Radio Network is marketed and sold by Huskers Athletic Partners, which took over Nebraska's multimedia rights on July 1, 2021. Huskers Athletic Partners is led by General Manager Jason Rathe who oversees all sales and sponsorship fulfillment for the Huskers.

Greg Sharpe (Play-by-Play), Matt Davison (Analyst), Jeremiah Sirles (Sideline) and Jessica Coody (pregame and postgame) will anchor the radio coverage of Nebraska football. Sharpe returns for his 15th full season as the "Voice of the Huskers." He will host the Scott Frost pregame and postgame radio shows. Sharpe also serves as the "Voice of Husker Baseball", host of Sports Nightly and as the host of the Nebraska Football TV Show.

Davison, a former Husker and current Senior Associate Athletic Director for External Engagement, joins Sharpe in the broadcast booth for his 16th season as a color analyst. A member of the 1997 national championship team, Davison also assists with fundraising efforts for the Huskers

Athletic Fund. Davison was instrumental in the fundraising efforts surrounding the Go Big facility currently under construction on the Northeast side of Memorial Stadium.

Coody will serve as the Huskers' sideline reporter and players and coaches interviews. Coody, who co-hosts Sports Nightly, is in her second year with Nebraska after spending the last nine years with the University of Oklahoma in a similar role. Previously, Coody worked Big 12 Championship Broadcasts for Fox Sports, and served as the sideline reporter for the Oklahoma Team Stream 2016 Final Four Broadcast on TNT.

Ben McLaughlin, Jay Foreman, Brenden Stai and Matt Coatney are also part of the pregame and postgame football broadcast team. Director of Broadcast Operations, Mike Elliott oversees studio operations and logistics for the radio network. Elliott has nearly four decades of experience in the radio industry and has previously worked at the Broadcast House, Pinnacle Sports and the Husker Sports Network.

The Husker Spanish broadcast team of Enrique Morales and Oscar Monterroso.

For the second straight season, Husker football broadcasts will also be available in Spanish in both Omaha (KBBX, 97.7 FM) and Grand Island (KLIQ, 94.5 FM) and also on the Huskers app.

Enrique "Kike" Morales, handles the play-by-play duties, as the Juarez, Chihuahua, native also serves as the Spanish play-by-play voice for the Kansas City Chiefs and had previously provided broadcast duties for the Kansas City Wizards.

Oscar "El Tico" Monterroso joins Morales as the color commentator. Monterroso is a mass media journalist and owns a multi-media production company which broadcasts Spanish-language broadcasts for several NFL teams and college programs.

THE BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of six men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, and current commissioner Kevin Warren in 2020.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,800 events across all platforms each year. BTN is in almost 60 million homes in the U.S. and Canada via the nation's major video providers and more than 300 additional video providers across the country. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the BTN+ platform streams hundreds of events each season.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011. The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum — the Big Ten Experience — which brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast.

Warren and his staff work to meet the educational needs of student-athletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

During his first year, Warren has helped spark a number of groundbreaking conference initiatives. On March 7, 2020, in advance of the rising tide of the COVID-19 pandemic, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. This group was formed to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. It includes representatives from a diverse set of disciplines across campus healthcare systems and schools of public health and their input serves as a resource for the conference in making important decisions based on information received from local, state and federal health departments, along with the NCAA.

Less than two months later on May 4, 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

Following the death of Minneapolis resident George Floyd, Warren penned an open letter on June 1, 2020, announcing the formation of what became known as the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. The United States Library of Congress selected Warren's open letter for inclusion in its historic collection.

A product of the conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming and outreach tools, and to collaborate with other established civic platforms.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

BIG TEN CHAMPIONSHIP GAME

The 12th annual Big Ten Football Championship Game is scheduled for Dec. 3, 2022, at Lucas Oil Stadium in Indianapolis. The game will be televised to a national audience on FOX with kickoff set for 7 p.m. Central. The game will match the winners of the East and West divisions, and the winner of the contest will be presented the Stagg Championship Trophy.

In 2011, the Big Ten Conference announced that Lucas Oil Stadium would host the first five football championship games through the 2015 season. The contract has been extended several times since and Lucas Oil Stadium will host until the 2024 season. During the first 11 seasons, Wisconsin (2011, 2012), Michigan (2020), Michigan State (2013, 2015), Ohio State (2014, 2017, 2018, 2019, 2020) and Penn State (2016) have captured titles. Nebraska made its first title game appearance in 2012 and lost to Wisconsin.

While a member of the Big 12 Conference, Nebraska participated in the league title game six times. Nebraska captured Big 12 crowns in 1997 and 1999, and was also the North Division representative in the game in 1996, 2006, 2009 and 2010.

COMPLIANCE GUIDELINES

The Huskers' annual Fan Day event allows fans an opportunity to meet their favorite Husker football players.

COMMITMENT TO COMPLIANCE

On behalf of the University of Nebraska student-athletes, coaches, and Athletic Department staff, I would like to express my appreciation for your continued support of our entire athletic program. The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska donor, alumni, or fan, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletic Department staff members are knowledgeable about NCAA regulations because they receive ongoing education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations and the link to new information about policies pertaining to the NCAA's new Name, Image, and Likeness (NIL) rules. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or compliance@huskers.com.

Thank you and Go Big Red!

Jamie Vaughn, Executive Associate Athletic Director - Compliance

NCAA PROBATION NOTIFICATION

Adapted from May 2, 2022 Press Release by Meghan Durham (NCAA Staff)

Nebraska Football Violated Countable Coaches Rules

The Nebraska football program violated NCAA rules for countable coaches and the football head coach violated head coach responsibility rules, according to an agreement released by the Division I Committee on Infractions.

The university, football head coach and NCAA enforcement staff agreed that a former football special teams analyst provided technical or tactical instruction to student-athletes during practices and film sessions. He also assisted in tactical decisions during games. Because he was a noncoaching staff member, his instruction of student-athletes caused the program to exceed the number of permissible coaches in violation of NCAA rules.

According to the agreement, while the head coach did address concerns about the analyst's instruction of student-athletes with the analyst directly, he did not appropriately monitor the analyst or notify compliance staff that violations had occurred. As a result, the football head coach violated head coach responsibility rules.

The university and the enforcement staff used ranges identified by the Division I membership-approved infractions penalty guidelines to agree upon Level II-mitigated penalties for the university and the football head coach.

As a result of the violation, the university will be on probation for one year.
