#### Huskers, Mizzou Square Off in Key North Division Battle

Nebraska will hit the road for the second consecutive week, traveling to Columbia, Mo., to take on the Tigers in a crucial Big 12 North Division matchup. The Huskers and Missouri enter Saturday's game tied for the Big 12 North lead with Colorado at 2-1 in conference play. The NU-Mizzou game will be televised on a regional basis by FSN with kickoff set for 11:40 a.m. at MU's Faurot Field.

Both Nebraska and Missouri come into the game after key conference wins last Saturday. The Huskers improved to 5-1 overall by picking up a 23-14 win at Baylor in their first road game of the season. Meanwhile, Missouri snared its second straight Big 12 victory by knocking off lowa State, 27-24, in overtime in Columbia.

Nebraska will enter Saturday's game hoping a victory will catapult the Huskers into the national rankings for the first time since the close of the 2003 season. The Huskers were just outside the AP poll this week, picking up the 26th-most points in the poll, just five points behind No. 25 Cal. The Huskers also ranked among the leaders in others receiving votes in the coaches poll and are ranked 24th in this week's Harris Poll. Nebraska gathered enough points to also rank 26th in the AP poll before its loss to Texas Tech.

The Huskers have a decided edge in the series between the two schools, including victories in 25 of the past 26 meetings. However, Missouri knocked off 10th-ranked NU, 41-24, in the Huskers' last visit to Columbia in 2003.

#### **Huskers Victorious in First Road Test of 2005**

Nebraska used a balanced offense and strong play by the defense and special teams to improve to 5-1 with a 23-14 win at Baylor on Saturday. In its first road game of the season in front of 40,857 fans at Floyd Casey Stadium, including an estimated 8,000 red-clad Husker fans, the Huskers knocked off a Baylor squad that entered the game with a 4-1 record.

Quarterback **Zac Taylor** led NU to scores on four of its first five drives to produce 20 unanswered points after the Bears took an early 7-0 lead. Taylor finished the night 18-of-32 with two touchdowns and no interceptions through the air, while adding a career-best 30 rushing yards on five carries. Taylor connected with **Terrence Nunn** and **Todd**

#### **Huskers Successful in Road Opener**

The win at Baylor marked Nebraska's third straight victory in a road opener, including a 24-17 victory at Pitt last season after a 38-14 win at Southern Miss in 2003. Overall, Nebraska has won 11 of its last 13 road openers dating back to 1993.

The Huskers' 23-14 win ended a three-game slide in Big 12 road openers. The Huskers had lost consecutive conference road openers at Iowa State (2002), at Missouri (2003) and at Texas Tech (2004). The win in Waco also ended a four-game road losing streak for the Huskers.

**Peterson** on touchdown passes to power the Husker victory. Nunn's four-yard grab was his third touchdown catch in the last two games, while Peterson's 21-yard scoring strike on NU's opening drive of the second half marked his first career catch.

Baylor opened the scoring with a long march to open the game, but the 7:21 scoring drive would be the Bears' only sustained drive of the night, as Nebraska controlled the line of scrimmage and the clock the rest of the night. Nebraska sliced Baylor's lead to 7-3 near the end of the first period on a career-long 41-yard field goal by **Jordan Congdon**, the first of three field goals for the true freshman.

Nebraska took the lead for good with 5:09 to play in the second quarter on Taylor's four-yard scoring pass to Nunn, putting the Huskers ahead 10-7. The score was set up by a career-long 48-yard punt return by **Cortney Grixby** that positioned NU at the Baylor 9-yard line. Nebraska extended its lead to 13-7 at the half on Congdon's 29-yard field goal with 22 seconds remaining before intermission.

The Huskers continued to pound the Baylor defense after halftime. Nebraska ran the ball on its first eight plays after halftime, before Taylor connected with Peterson on a 21-yard touchdown to push the lead to 20-7. The reception was the first of Peterson's Nebraska career. Baylor got back into the game with a 52-yard scoring play with 6:19 remaining in the third quarter. Shawn Bell connected with Trent Shelton on a 51-yard pass, before Shelton fumbled at the NU 1, however Dominique Zeigler fell on the ball in the end zone for a touchdown.

Baylor was unable to scare the Huskers the rest of the way. After Congdon closed the scoring with his third field goal with 9:21 to play, the NU defense and power running game took over. Nebraska took the ball away from Baylor on its final three possessions, including a fumble recovery and 33-yard return by Grixby, and interceptions by **Zack Bowman** and **Daniel Bullocks**. The Nebraska offense took care of killing the clock, controlling the ball for 22:22 in the second half and 37:12 on the night.

NU produced 350 yards of total offense, including a season-high 182 rushing yards. **Cory Ross** led NU's ground game with 26 carries for 93 yards. Nebraska held Baylor to 253 yards, including 51 on the ground. The Huskers had four sacks on the night, two each from senior nose tackle **Le Kevin Smith** and freshman defensive end **Barry Turner**.

#### Nebraska-Missouri Notes

- ▶ The Victory Bell will be on the line Saturday. The two teams have played for the bell every year since 1927, with Nebraska leading 48-28-2. Nebraska's Innocents Society started the exchange of the bell and the bell is kept by either Nebraska's Innocents Society or the QEBH Society at the University of Missouri. The victory bell is mounted on a wooden stand with scores engraved on plates.
- ▶ The Huskers have two players from the state of Missouri, including senior offensive lineman Jared Helming (Springfield, Kickapoo HS) and freshman wide receiver Chris Brooks (St. Louis, Hazelwood East HS).
- ▶ Nebraska has won 13 of the last 14 matchups in Columbia. Before 2003, NU's last loss in Columbia was a 13-12 setback in 1973, when the Huskers were ranked No. 2 and the Tigers came into the contest ranked No. 12.
- ▶ The Huskers' 45-38 win in Columbia on Matt Davison's miracle catch was the first overtime contest in Nebraska
- ▶ In 2001, quarterback Eric Crouch recorded the longest run from scrimmage and longest scoring run in Nebraska history with a 95-yard scamper. It was his signature play in his bid to become Nebraska's third Heisman Trophy winner.

#### **Scouting the Missouri Tigers**

Nebraska hits the road for the second straight Saturday when it takes on the Missouri Tigers in a key Big 12 North matchup in Columbia, Mo., this weekend. The Huskers enter the contest tied with MU in the North Division standings with a 2-1 league mark. NU and MU are joined atop the leader board with Colorado, which plays host to Kansas on Saturday.

The Huskers will face their second potent offense in three weeks when they take on the Tigers. MU enters the weekend ranked among the national leaders

in several offensive categories, including rushing offense (235.8 ypg, 11th), total offense (476.3 ypg, 14th) and scoring offense (36.0 ppg, 19th). The Tigers also rank first in the league and fourth nationally in punt returns.

Leading the Mizzou offense this season is senior quarterback Brad Smith. A multiple-threat quarterback, Smith ranks 18th nationally and first in the Big 12 with 103.2 rushing yards per game and is seventh in the league with 194.5 passing yards per game and a pass efficiency of 122.0.

Smith, who is third in the Big 12 Conference in total offense at nearly 300 yards per game, suffered a concussion in last week's overtime victory against lowa State. Following the injury midway through the fourth quarter, he was replaced by freshman Chase Daniel, who led Missouri on two scoring drives in the final five minutes to tie the game. The Tiger defense shut out ISU in the overtime and MU kicked a field goal to win 27-24.

Daniel has played in five games and has completed 25-of-41 pass attempts for 246 yards and one touchdown, a 4-yard pass to Sean Coffey with 20 seconds remaining in regulation against the Cyclones. Coffey is one of five Tigers with at least 20 receptions this year, including Chase Coffman who has a team-high 24 catches for 266 yards.

Defensively, the Tigers have allowed 31.5 points per game this season to rank last in the Big 12 Conference and 100th nationally. MU is giving up 391.7 yards per game, including 171.8 yards on the ground. The Tigers have recorded 11 turnovers, but have turned the ball over 13 times, including losing 8-of-10 fumbles this year. Opponents have fumbled 18 times but have lost the ball only seven times.

Missouri's safeties have led the defense as strong safety David Overstreet has a team-high 56 tackles while free safety Jason Simpson is second in tackles (50) and leads the team with eight pass breakups. Up front, defensive end Brian Smith has applied the most pressure on opposing offenses with 39 tackles, including 11 for a loss and his 5.5 sacks rank third in the conference.

The Tigers will try to set up a short field with their punt return unit, which ranks fourth nationally at 21.2 yards per return. Four Tigers have returned at least one punt this year with Earl Goldsmith and Marcus Woods each bringing back four returns. Woods leads the way with 176 punt return yards for an average of 44.0 yards per return. He has taken one back for a 76-yard touchdown, which is more return yardage than the rest of the Tigers combined.

Place-kicker Adam Crossett has hit 9-of-12 field-goal attempts and connected on 21-of-23 extra point tries. Crossett has connected on 3-of-4 attempts of 40 or more yards, including a season-best 45 yarder.

#### Missouri Coach Gary Pinkel

Gary Pinkel is in his fifth year guiding the Tiger program and 15th as a collegiate head coach. Pinkel owns a 26-27 record at Missouri, including a 1-3 record vs. Nebraska, and is looking for his 100th career win this weekend as he holds a 99-64-3 career mark.

Pinkel spent 10 seasons guiding Toledo to 73 victories, including five conference or division titles. His teams have won at least eight games in a season five times, including once at Missouri (2003, 8-5). Pinkel spent seven years as an offensive coordinator at Washington before taking over the head job at Toledo in 1991. He also served eight seasons as an assistant coach at Washington and two years at Bowling Green.

#### Nebraska-Missouri Series...99th All-Time Meeting...Nebraska Leads 62-33-3

The Huskers and Tigers are meeting for the 99th time in the Huskers' third-longest running series. Only the Kansas (112th game this year) and lowa State (100th) series are longer.

Nebraska recorded a 1-0 forfeit victory in the first scheduled meeting in 1892, but lost the first two times the teams met on the field over the next two years. NU then won 12 of the next 13 and has cruised to a 62-33-3 series advantage. Nebraska has won 25 of the last 26 matchups, including 24 straight until a Missouri victory in 2003.

#### **Callahan Continuing NU Walk-on Tradition**

Nebraska Head Coach **Bill Callahan** has embraced a number of Husker traditions in his two years at the helm of the program. At the top of that list is continuing Nebraska's storied walk-on program, and rewarding the players who come to Lincoln without a scholarship.

The week of the season opener Callahan announced that four Huskers—junior wide receiver **Grant Mulkey**, senior wide receiver **Matt Schroeder**, senior defensive back **Joey Robison** and junior long snapper **Lane Kelly**—had been placed on scholarship.

The four walk-ons added to scholarship pushed the total of former walk-ons Callahan has put on scholarship to 11 since his arrival in January of 2004. Of that group, eight were native Nebraskans, two hailed from lowa and Mulkey came to Nebraska from Texas.

Earlier this summer, Callahan placed senior safety **Blake Tiedtke** and junior offensive lineman **Newton Lingenfelter**on scholarship. Tiedtke has since earned a Blackshirt and a starting spot on the defense.

#### Nebraska Head Coach Bill Callahan

Coach **Bill Callahan** (Illinois Benedictine, 1978) is in his second season as the head coach of the Nebraska football program and owns a 10-7 record at Nebraska. Callahan is the 27th head coach in Husker history, taking the reins of the program in January of 2004.

Callahan came to Nebraska after two seasons as the head coach of the Oakland Raiders. He guided Oakland to the AFC Championship and Super Bowl XXXVII in his rookie season as a head coach in 2002, and compiled a 17-18 overall record as the Raiders' head man.

Callahan is one of five coaches to take a collegiate head coaching job after previously guiding a team to a Super Bowl appearance. Army Head Coach Bobby

Ross is also active in the college ranks, while George Allen, Forrest Gregg and Bill Walsh previously led teams to the Super Bowl and returned to the college game.

The 49-year-old Callahan spent nine years in the National Football League, beginning his pro coaching career with the Philadelphia Eagles from 1995 to 1997. He served as an assistant with the Raiders for four seasons from 1998 to 2001, before taking over the top job in Oakland in 2002.

Callahan had extensive experience at the collegiate level before taking the job at Nebraska. Before moving into the professional ranks, Callahan served as the offensive line coach at Wisconsin for five seasons and also had assistant coaching stints at Illinois, Northern Arizona and Southern Illinois. Overall, Callahan is in his 28th year in the coaching profession. In addition to his nine years in the National Football League and 15 previous seasons as a collegiate assistant, Callahan was an assistant coach for two seasons in the Illinois prep ranks in 1978 and 1979.

Callahan has Midwest roots, as he is a native of Chicago. He earned his bachelor's degree from Illinois Benedictine in 1978. He was an NAIA honorable-mention All-America selection as a quarterback in each of his final two seasons.

#### Nebraska Staff Features Minor Adjustments for 2005 Season

The coaching staff Bill Callahan has assembled at Nebraska has a championship background, both on the collegiate and professional level. There is only one change on the 2005 staff as **Ted Gilmore** is serving as Nebraska's receivers coach after spending the previous two seasons on the Colorado coaching staff. Gilmore has also coached wideouts at Purdue, Houston, Kansas and his alma mater, Wyoming. In addition to adding Gilmore to the staff, Callahan also made a minor adjustment to the defensive staff prior to spring football. Bill Busch moved from coaching the outside linebackers to tutoring Nebraska's safeties, while secondary coach Phil Elmassian now focuses on the cornerbacks. Defensive coordinator Kevin Cosgrove now coaches all three Husker linebacker positions.

Gilmore's strong coaching background adds to an impressive staff that has had success at all levels, both on the field and on the recruiting trail.

- ▶ Callahan's coaching staff features four coaches who have either played or coached in the Super Bowl. Callahan and Norvell coached in Super Bowl XXXVII with Oakland, and running backs coach Randy Jordan was a player on that team. John Blake was part of the Dallas Cowboys Super Bowl championship teams in both 1993 and 1995.
- ▶ In addition to the NFL success of the coaches, Callahan's staff has a history of winning championships at the collegiate level. Members of the Nebraska coaching staff have been part of teams that have captured league titles in each of the following conferences—Atlantic Coast, Big Ten, Mid-American, Mountain West, Pac-10 and Western Athletic.
- ▶ The staff has recruiting ties in nearly every part of the United States. Recruiting analyst Tom Lemming compiled a list of the 10 best recruiters in college history in 2001. Callahan was included on the list although he had been out of the college ranks for six years at that time. Defensive line coach John Blake was recognized by Rivals.com as one of the nation's top recruiters in 2005.

#### Callahan Has Busy Summer of Charity Events

In addition to spending his summer readying for the 2005 campaign, Head Coach Bill Callahan also took time to take part in numerous public events, including two charity events.

The second Football 101 for Women took place on June 6 in Lincoln, with more than 1,100 participants learning more about the game of football. Attendees opened the day with tours of Memorial Stadium. The evening included demonstrations on officiating, football uniforms, as well as nutrition and strength training for Husker players. Football 101 concluded with participants breaking into beginning, intermediate and advanced groups to learn more about the X's and O's of the game from members of the Husker staff. The second annual Football 101 for Women raised nearly \$50,000 to benefit the National Breast Cancer Foundation.

Callahan and his wife, Valerie, also spearheaded Coach Callahan's Fun Run/Walk for Resources on Saturday, Aug. 20. Coach Callahan was the starter for the race and also weclomed the winners to the finish line on Stadium Drive. The event raised funds for Juvenile Diabetes and the University Libraries.

In addition to the charity events, Callahan also took part in the Husker Nation Tour, Nebraska's annual Fan Day and was the featured speaker at the Make-a-Wish Foundation's Red Tie Dinner in Lincoln in late July.

#### NU-Baylor Notes Continued from page 2

- ▶ Nebraska sophomore **Cortney Grixby** had a 48-yard punt return in the second quarter to the Baylor 9 to set up a touchdown that gave Nebraska a 10-7 lead. The return was a career-long for Grixby, bettering his 23-yard return against Texas Tech in the previous game. Grixby also had a 33-yard fumble return in the fourth quarter, broke up a pair of passes and had his first career interception nullified by a roughing the passer penalty.
- ▶ Nebraska freshman place-kicker **Jordan Congdon** was 3-of-3 on field goals, including a career-long 41-yarder in the first quarter. Congdon is now 11-of-14 on the season, just three field goals from the NU frosh record.
- ▶ Baylor took the opening drive for an 81-yard touchdown, gaining 76 yards of total offense on that drive. After that, the Nebraska defense stiffened, as Baylor gained just 35 yards the remainder of the first half.
- ▶ Nebraska senior punter **Sam Koch** had four punts for a 45.2-yard average. Koch did not punt in the first half, punted only once last week against Texas Tech, and did not have a punt in the fourth quarter of the lowa State game, giving NU a span of seven quarters with just one punt which ended with Koch's 55-yard punt midway through the third quarter.
- ▶ Nebraska senior **Daniel Bullocks** nabbed his eighth career interception and first of 2005 in the fourth quarter, moving him within two interceptions of the top 10 on the NU career list.
- ▶ Nebraska junior cornerback Zack Bowman snared his first career interception in the fourth quarter.
- ▶ Nebraska freshman **Barry Turner** registered career highs with two sacks (15 yards) and three tackles-for-loss, while senior **Le Kevin Smith** racked up a pair of sacks for the second time in 2005. Smith also had two sacks in the opener against Maine.

#### Big Plays Help NU Against Tigers

Nebraska's 24-3 victory over Missouri last year in Lincoln was sealed on Cory Ross' 86-yard fourth-quarter touchdown run that gave Nebraska a three-touchdown advantage.

That long play continued Nebraska's recent trend of producing big players against the Tigers.

The Huskers have had at least one scrimmage play or return of 50 yards or more in each of the last nine meetings with Missouri, including plays of 86 yards or more in four of the last five meetings. Overall, Nebraska has had six runs, two pass plays and four returns that have covered more than 50 yards against the Tigers since 1996, including:

- ▶ Ahman Green runs of 56 and 70 yards in a 51-7 win in 1996
- ▶ A 51-yard Joe Walker kickoff return in a 45-38 overtime win in Columbia in 1997
- ▶ Shevin Wiggins' 53-yard punt return in NU's 20-13 victory in 1998
- ▶ A 53-yard TD pass from Eric Crouch to Bobby Newcombe and a 57-yard run by Correll Buckhalter in 1999
- ▶ Newcombe's 94-yard punt return touchdown and Buckhalter's 58-yard run in a 42-24 win in Lincoln in 2000
- ▶ Crouch's record-setting 95-yard touchdown run in NU's 36-3 win in Columbia in 2001
- ▶ An 89-yard punt return touchdown by DeJuan Groce in a 24-13 Husker victory in 2002
- ▶ Mark LeFlore's 55-yard TD catch from Jammal Lord vs. Mizzou in 2003
- ▶ Ross' 86-yard touchdown run last season in Lincoln

#### Grixby Providing NU Defense, Special Teams with Big Plays

Nebraska sophomore **Cortney Grixby** has stepped into a leading role in 2005, both on the Husker defense and as a punt returner. Grixby is coming off possibly his finest game at Baylor when he supplied the Huskers with big plays on both defense and special teams.

Grixby finished the night at Baylor with two tackles and a pair of pass breakups. He also picked up a fourth-quarter fumble caused by linebacker Adam lckes and returned the ball 33 yards into Baylor territory, helping secure the 23-14 win. In addition, Grixby had what would have been his first career interception in the first quarter nullified by a roughing the passer penalty.

Earlier in the game, Grixby helped Nebraska take the lead with a career-long 48-yard punt return to the Baylor 9 in the second quarter. Nebraska scored a touchdown three plays later to take a 10-7 lead that the Huskers would not relinquish. Grixby finished the game with four punt returns for 60 yards.

After playing a key reserve role as a true freshman in 2004, the Omaha native has quietly put together a strong 2005 season. One of three new starters in the NU secondary, Grixby has 17 tackles, five pass breakups, a fumble forced and fumble recovered this fall, helping Nebraska rank 12th nationally in total defense.

Grixby and fellow sophomore Terrence Nunn emerged as NU's top punt returners during fall camp. Grixby has averaged 10.7 yards on 21 punt returns this season, helping the Huskers rank 13th nationally in punt returns. Grixby has three punt returns of 20 yards or longer in the past two games.

#### Cortney Grixby's 2005 Highlights

- ▶ Helps Nebraska to a No. 13 national ranking in punt returns by averaging 10.7 yards per return
- ▶ 33-yard fumble return, two pass breakups and career-long 48-yard punt return at Baylor
- ▶ Two punt returns of 20-plus yards against No. 10 Texas Tech

#### **Blackshirt Sack Attack**

Nebraska has recorded 34 sacks in the season's first six games to lead the nation. The Huskers are on pace to shatter the school record for sacks, set with 53 quarterback sacks in 1999. Nebraska also leads the nation in tackles for loss.

#### Opponents Find Third Down Tough vs. Blackshirts

The Nebraska defense has been strong on third downs, allowing opponents to convert on just 23-of-90 third-down attempts this season. NU was at its best on third down against Pitt, holding the Panthers to just one conversion in 14 third-down situations, while limiting Texas Tech to 1-of-10 on third down

On the season, Nebraska ranks third nationally in third-down defensive conversion percentage at 25.6 percent. This week's opponent, Missouri, has done an excellent job on third downs, converting 51.0 percent of its third down attempts on offense to rank sixth nationally in that category.

#### Points Not Coming Easy vs. Blackshirts

Nebraska allowed just 36 points in the first four games of the 2005 season, including only 29 in regulation play. National scoring leader Texas Tech did score 34 points against the Huskers, but only 13 in the game's final 39 minutes. Nebraska ranks first in the Big 12 and seventh nationally allowing 14.0 points per game.

Nebraska has been tough from the outset of games, allowing a total of 14 points in the first quarter in six games this season.

#### Huskers, MU Have History of Tight Tussles

The Nebraska-Missouri series has long been regarded as one of the hardest-hitting, hotly contested matchups in the Big Eight and now Big 12 Conference. Although NU piled up a 24-game win streak in the series prior to a 2003 loss in Columbia, the matchups between the schools have often come down to the final minutes.

In 2003, Missouri came from behind in the fourth quarter for a 17-point victory, while Nebraska pulled away for a three-touchdown (24-3) win last year in Lincoln. However, those margins have not been the norm in the NU-Mizzou series. During Nebraska's 24-game win streak (1979 to 2002), 10 of NU's victories were by 11 points or fewer, including a 45-38 overtime victory in 1997. Tight games in the series go back further than the Huskers' recent run of success. Since 1954, the Husker-Tiger clash has been decided by 11 points or fewer in 28 of 51 seasons, including four one-point decisions.

#### Blackshirts Keying Huskers' 2005 Success

Nebraska's Blackshirt defense has ranked among the nation's best units through mid-season, providing the spark for the Huskers' 5-1 start. Through six games, the Husker defense has made its mark in the record book, while ranking among the nation's statistical leaders in several categories. In week one, the defense tied school records for sacks and tackles for loss, and against Wake Forest, the Blackshirts scored three touchdowns of their own, setting a school record for defensive touchdowns.

The early success of defensive coordinator **Kevin Cosgrove**'s unit has come despite having to replace three players who were selected in the top 40 picks of the 2005 NFL Draft, in addition to a pair of four-year lettermen.

#### Highlights for the 2005 Blackshirts include...

- ▶ Nebraska leads the nation in sacks (34) and tackles for loss (70), and has recorded at least four sacks in each of the first six games. Eleven different defenders have recorded a sack this season.
- ▶ Junior defensive end **Adam Carriker** leads the Blackshirts with six sacks for 61 yards, while sophomore linebacker **Corey McKeon** has five and three other Huskers have recorded four sacks each. Last season, Nebraska finished the year with a total of 25 sacks in 11 games, with team leader Benard Thomas recording four sacks.
- ▶ In the opener against Maine, Nebraska tied school records with 11 sacks and 18 tackles for loss. The Huskers previously had 11 sacks in a 1989 victory over Oregon State, while the previous 18 TFL effort came against lowa State in 1969.
- ▶ The defense has scored four touchdowns, all in a five-quarter stretch spanning the fourth quarter of the Maine game and the Wake Forest contest. The scores came on interception returns by linebackers **Bo Ruud** (27 yards vs. Maine), **Corey McKeon** (38 yards vs. Wake Forest) and **Stewart Bradley** (43 yards vs. Wake Forest), in addition to a 30-yard fumble return for a touchdown by strong safety **Daniel Bullocks** against Wake Forest.
- ▶ Nebraska set a school record with three defensive touchdowns against Wake Forest, and the two defensive scores in the first quarter also marked the first time a Blackshirt defense scored two TDs in a single quarter. The two interception returns for touchdowns tied a school record set on four previous occasions, most recently vs. Texas A&M in 2003.
- ▶ Before the Wake Forest game, the last time Nebraska scored consecutive touchdowns on defense was on Oct. 19, 1963, when the Huskers had consecutive scores on interception returns in a 28-6 victory over Kansas State. In that game, Ron Michka returned an interception 16 yards for a score in the Category Avg. Big 12 National

touchdowns set in 1971 and 1995. Overall, Nebraska has four defensive touchdowns, after not posting a defensive touchdown last season.

- ▶ Nebraska is allowing 14.0 points per game, to rank seventh nationally in scoring defense and first in the Big 12. Nebraska allowed zero first-quarter points and just six first-half points in the season's first four games. NU had a 10-quarter stretch of not allowing a touchdown (Wake Forest, Pitt, first half of ISU game).
- ▶ While Nebraska's six opponents have averaged just 14.0 points per game against the Blackshirts, those same six teams are averaging 29.8 points per game in their other games. While Nebraska did allow 34 points to national scoring leader Texas Tech, the Huskers limited Tech to just 13 points in the game's final 39 minutes. This week's opponent Missouri ranks 19th nationally in scoring offense at 36.0 points per game.
- ▶ On the strength of the school-record 11 sacks, Nebraska held Maine to minus-six yards rushing to mark the second straight year the Husker defense has held its opponent to negative rushing yards in the opener. The Huskers have held four of six opponents, including each of the last three to less than 60 yards rushing and lead the nation in rushing defense at 65.0 yards per game. Missouri will test Nebraska's run defense as the Tigers rank 11th nationally in that category at 235.8 yards per game.

#### **Bullocks Leading Secondary in Senior Season**

Senior strong safety **Daniel Bullocks** may have felt a little lonely in the Husker secondary at the start of the 2005 season. Not only was he the only returning starter in the Nebraska defensive backfield, but it is the first time Bullocks has played without seeing his twin brother, Josh, alongside him in the Blackshirt secondary.

Josh Bullocks gave up his senior season at NU, and was a second-round draft choice of the New Orleans Saints. Josh earned All-America honors in 2003 when he intercepted a Big 12-record 10 passes. A second-team All-Big 12 pick last season, Daniel Bullocks is looking to join his brother on Nebraska's prestigious All-America wall with a strong senior season.

#### **Bullocks Makes Most of Touches**

Nebraska senior strong safety **Daniel Bullocks** played quarterback at Chattanooga's Hixson High School, and it is clear he has not forgotten what to do with the football in his hands. As a prepster, Bullocks capped his high school career by rushing for 1,432 yards and 21 touchdowns as a senior.

At Nebraska, Bullocks has three career fumble recoveries and eight career interceptions. Of those 11 takeaways, Bullocks has returned nine of them at least 10 yards, including a pair of fumble returns for touchdowns.

#### Bullocks' returns include...

11-yard INT return at Kansas, 2003

58-yard INT return vs. Western Illinois, 2004

16-yard INT return vs. So. Mississippi, 2004

38-yard INT return at Texas Tech, 2004

#### Ross, Bullocks Elected as Team Captains

Nebraska seniors **Cory Ross** and **Daniel Bullocks** have been elected team captains for the 2005 campaign. Ross is poised to crack the top 10 on Nebraska's career rushing list, while Bullocks continues to make his mark as one of the finest defensive backs in school history.

This marks the first time since the 1982 season that Nebraska has had just two captains. Ross is the first Husker I-back to serve as a team captain since Dan Alexander in 2000, and just the third Husker captain from that position since 1984.

This marks the second straight season a Bullocks has served as a team captain. Last season, free safety Josh Bullocks was a team captain as a junior, before leaving Nebraska for the NFL after his junior season. Daniel and Josh Bullocks are just the sixth set of brothers to serve as captains at Nebraska. The last set of brothers to serve as captains were the Kelsay brothers (Chad in 1998; Chris in 2002). Other brother combinations in school history to serve as team captains were Mike (1983) and Andy Keeler (1988), Erik (1991) and Zach Wiegert (1994), Christian (1995) and Jason Peter (1997) and Grant (1997) and Tracey Wistrom (2001).

One of two Nebraska co-captains, Bullocks has continued to elevate his play in his senior season. Bullocks ranks second on the team in tackles with 40 stops, including three tackles for loss. He also leads the Huskers in pass breakups with eight, including two PBUs three times this season. Bullocks picked off his first pass of 2005, and the eighth of his career, late in the fourth quarter at Baylor sealing NU's 23-14 victory.

After a solid opener against Maine, Bullocks had a monster game against Wake Forest, recording 13 tackles and forcing and returning a fumble 30 yards for a touchdown to give Nebraska a 14-0 lead. The 13 tackles was the second-best total of Bullocks' career, while the touchdown was the second of Bullocks' career. Last season he returned a botched Kansas State punt snap 10 yards for a touchdown. Bullocks had a second double-figure tackle game when he had 12 stops against Texas Tech.

- ▶ With his 40 tackles this fall, Bullocks continues to climb the Nebraska career tackles chart. One of seven defensive backs in the top 50 on Nebraska's career tackles list, Bullocks is just 17 stops from becoming the third NU defensive back to top 200 career tackles. Bullocks is fifth in tackles among defensive backs and tied for 31st overall in school history. Against Pitt, Bullocks passed his brother on the Nebraska career tackles list.
- ▶ Bullocks returned his interception at Baylor 12 yards and now has 209 yards on eight career interceptions. Last season Bullocks returned his team-high five picks for 187 yards, a school single-season record for interception return yardage. Bullocks is now 44 interception return yards from the Nebraska career record, currently held by Ralph Brown who had 253 interception return yards in his career.
- ▶ Bullocks' eight career interceptions leaves him three picks from the top five on NU's career interceptions list. He is five interceptions behind his brother Josh, who ranks second in school history with 13 interceptions.

#### Defensive Ends Carriker and Moore Pounding Opposing Quarterbacks

Nebraska's improved pass rush has truly been a team effort this season. However, bookend junior defensive ends **Adam Carriker** and **Jay Moore** have constantly applied pressure from the edge. Carriker leads NU with six sacks for 61 yards in losses, while Moore has added 2 1/2 sacks and caused fumbles in three straight games (Pitt, Iowa State, Texas Tech).

Carriker has shown flashes of dominance throughout his Nebraska career. The Kennewick, Wash., native has prototypical size (6-6, 280) and strength for a defensive end. However, Carriker's first two seasons of play for Nebraska were disrupted by ankle injuries. As a redshirt freshman in 2003, Carriker missed three games with an ankle injury, but was a strong pass rusher when healthy. He capped the year with a breakout game at Colorado with three quarterback hurries and a sack. Last fall, Carriker again had injury problems, suffering an ankle injury that

forced him to miss a game and slowed him for most of the first half of the year. Carriker was back to full strength late in the season and had 28 tackles, five tackles for loss and a sack in the season's final five games.

The strong finish to 2004 has carried over to 2005. From his base end position, Carriker has nine tackles for loss, including six sacks for 61 yards. Carriker's six sacks are tied for 11th in the nation and his 61 yards in losses on sacks is fifth-best nationally. Carriker produced his best game at Nebraska against Pittsburgh, finishing with seven tackles, four tackles for loss (26 yards), a pair of sacks (21 yards), a quarterback hurry and a pass breakup.

Moore has totaled 18 tackles this season, including eight tackles for loss and 2.5 sacks for 21 yards. The 6-4, 270-pounder has been dominant in recent weeks. Against lowa State, Moore had three tackles, including a pair of tackles for loss and a six-yard sack. He also forced a Cyclone fumble and picked off a pass ending a third-quarter ISU scoring threat. The Elkhorn, Neb., native was

#### McKeon Making Most of First Season as a Starter

Nebraska sophomore linebacker **Corey McKeon** faced one of the most difficult jobs entering the season. Not only is he charged with getting the Husker Blackshirt defense aligned correctly, he was also asked to fill the shoes of Nebraska's all-time leading tackler **Barrett Ruud**. A second-round draft pick of the Tampa Bay Buccaneers, Ruud was Nebraska's starter at MIKE linebacker for the past three seasons and piled up 432 career tackles.

The 6-1, 225-pound McKeon entered the season having played in only one game last season as a redshirt freshman. However, the boisterous native of suburban Chicago has performed like a veteran since the start of the season, helping an energized Blackshirt unit key a 5-1 start.

#### Among McKeon's accomplishments this season are...

- ▶ McKeon leads the Huskers with 50 total tackles, including three 10-tackle efforts (Maine, Wake Forest, Iowa State). McKeon also leads the team with 11 tackles for loss, resulting in 41 yards.
- ▶ McKeon got Nebraska on the scoreboard against Wake Forest, returning a first-quarter interception 38 yards for a touchdown, one of three defensive touchdowns in the 31-3 victory.

#### **Congdon Continuing NU Frosh Kicking Success**

True freshman place-kicker **Jordan Congdon** is adding to the recent success of Nebraska freshman place-kickers. Congdon connected on three field goals, including a career-long 41-yarder, and both of his PAT attempts in Nebraska's win over Baylor. Congdon is now 11-of-14 on field goals this season, and has made each of his last five field goals. He connected on all four of his FG attempts in his debut against Maine. Congdon missed his first career extra-point attempt, but has connected on his past 15 PAT attempts.

Congdon's backup at place-kicker, **David Dyches**, had a similar start to his Nebraska career in 2003. Dyches did not begin the season as the starter, but took over the place-kicking duties in game two against Utah State and made four field goals. He then connected on his first three field goal attempts the following week against Penn State, giving him seven straight made field goals to open his Nebraska career. Dyches also made all 32 of his PAT attempts as a rookie.

Before Congdon and Dyches, current NFL place-kickers Kris Brown and Josh Brown both had successful rookie seasons at Nebraska. In his redshirt freshman season in 1999, Josh Brown made 14-of-20 field goals and 46-of-47 PAT attempts. The 14 field goals by Dyches and Josh Brown are an NU record for field goals by a freshman. In 1995, Kris Brown made 13-of-16 field-goal attempts as a true freshman, including the first four field goals of his Nebraska career. Like Congdon, Kris Brown misfired on the first PAT attempt of his career, but rebounded to make 58-of-61 during the 1995 season.

Congdon's 11 field goals puts him just one field goal from the top 10 on NU's single-season FG list, three from the freshman single-season record and seven from the overall NU season record.

#### Nebraska Win Over Iowa State Continues Long History of Success In League Openers

Nebraska's 27-20 victory over lowa State continued its history of starting conference play on a winning note. NU has now won 30 of its last 31 conference openers since 1975, with the lone loss a 36-14 setback at lowa State in 2002.

Additionally, Nebraska has won its last 28 conference home openers since a 24-21 setback against lowa State to begin the 1977 home Big Eight slate. Nebraska is 90-18-2 all-time in conference openers, including a 40-6-1 mark in Lincoln. Since the inception of the Big 12 Conference, Nebraska is 9-1 in league openers.

- ▶ McKeon is second on the team in sacks with five, a total that is tied for 22nd nationally. McKeon had two sacks each against Wake Forest and Iowa State.
- ▶ McKeon set a Nebraska linebacker record with five tackles for loss against lowa State. The Nebraska season record for sacks and tackles for loss by a linebacker were both set by Demorrio Williams in 2003, with 11 sacks and 21 tackles for loss. Prior to Williams' record-setting season the position records were 13 tackles for loss by Clete Pillen in 1975 and 6.5 sacks by Carlos Polk in 1999. Barrett Ruud recorded 18 tackles for loss in 2004, the second-most ever by an NU linebacker in a single season.

#### Senior Punter Koch a Constant for Husker Special Teams

Senior punter **Sam Koch** was the special teams standout for Nebraska in 2004, and is putting together an even better 2005 campaign. A strong candidate for the Ray Guy Award and All-America honors, Koch is averaging 43.79 yards per punt, a figure that places him 18th nationally. Koch's punting effort helps Nebraska rank 12th nationally in net punting at 38.79 yards per punt.

Koch had a game-changing performance against Pitt, when he punted eight times and averaged 46.0 yards per boot. Koch drilled a career-long 84-yard punt in the third quarter of the game, marking the third straight week he bettered his previous career long. The 84-yard punt was the second-longest punt in Nebraska history and the longest in Big 12 history (since 1996). Koch also pinned Pitt inside its 20-yard line five times on eight punts, with second-half punts downed on the Panther 1 and 4 yard lines. Koch's performance against Pitt earned him SBC Big 12 Special Teams Player of the Week.

#### Koch has racked up several other accomplishments early in 2005, including...

- ▶ Koch has had 15 of his 29 punts (52 percent) this fall downed inside the opponent's 20-yard line, including five vs. Pitt. A year ago, Koch had 27 of his 63 punts (43 percent) downed inside the opponent's 20. In 17 games as Nebraska's starting punter, Koch has had 42 of 92 punts (46 percent) downed inside the 20-yard line. In the past 10 games dating back to last year, Koch has placed 30-of-57 punts inside the 20 (53 percent).
  - ▶ Koch has allowed only nine returns for 65 yards in six games this season.
- ▶ Koch has three punts of 70 yards or longer. Koch is one of only two punters in school history, joining his predecessor, Kyle Larson, to have three punts of 70 yards or more in school history. Larson is now the starting punter for the Cincinnati Bengals. A fourth punt of 70 yards or more this season would make Koch the only punter in Division I-A in the past 10 seasons to have four 70-plus yard punts in the same season.
- ▶ Koch owns two of the longest four punts in school history with his 84-yard punt against Pitt (second) and his 76-yarder vs. Wake Forest (fourth). Koch's 84-yard punt against Pitt is one of only 26 80-plus-yard punts in Division I-A in the past 10 seasons (1996 to 2005).
- ▶ Of Koch's 29 punts, 13 have come from inside Nebraska's own 40-yard line. On those punts, Koch is averaging 50.5 yards per boot.
- ▶ Sixteen of Koch's 25 punts have come from past Nebraska's 40-yard line or in opponent territory. On those punts, Koch has downed 13 of the 16 inside the opponent's 20-yard line.

#### Koch Just Part of Nebraska Special Teams Story

The performance of Sam Koch has been the highlight of Nebraska's vastly improved special teams, however the Huskers have shown marked improvement in several other special teams categories.

#### The highlights from special teams in 2005 include...

- ▶ Nebraska used a pair of blocked field goals to help secure a 7-6 victory over Pitt. After freshman **Zach Potter** blocked a field goal in the first quarter of the contest, senior linebacker **Adam Ickes** blocked another Panther attempt on the game's final play to allow NU to escape with victory. The Pitt contest marked the first time since a 2000 victory over Colorado that Nebraska had blocked two field goals in a game. Ickes added his second blocked field goal of the year in the first quarter against Texas Tech.
- ▶ Nebraska's return game made a big impact in the season opener, as the Huskers threatened the school record for punt return yardage with 198 yards. Last season, Nebraska finished the season with just 181 punt return yards.
- ▶ Sophomore **Terrence Nunn** had a 62-yard return on the first punt return attempt of his career vs. Maine, the longest punt return for a Husker since DeJuan Groce had an 89-yard return for a touchdown in a 24-13 win over Missouri in 2002. Nunn added a 45-yard punt return on his second career punt return and his 135 return yards vs. Maine nearly doubled Nebraska's team leader from 2004, Santino Panico, who finished the season with 68 punt return yards. Nunn matched his career-best with a 62-yard return against Pitt and ranks second nationally in punt return average at 27.6 yards per return,
- ▶ Sophomore **Cortney Grixby** has had three returns of 20 yards or more in the past two weeks, including a 48-yarder at Baylor to set up a second-quarter touchdown. Grixby is averaging 10.7 yards on 21 punt returns and he and Nunn have pushed Nebraska to a No. 13 national ranking in punt returns.
- ▶ Sophomore **Tierre Green** had a career-long 45-yard return on his only attempt against lowa State, bettering a 43-yard return against Maine in the season opener. Green is averaging 27.5 yards per return.
  - ▶ In 2004, Nebraska had three punt or kickoff returns of 40 yards or more. NU has six such returns in 2005.
- ▶ Nebraska has also been strong in coverage, allowing just 65 yards on nine opponent punt returns, while the opposition is averaging just 16.3 yards per kickoff return to rank 12th nationally.
- ▶ When including Nebraska's defensive returns, the Huskers hold a distinct edge in return yardage. NU's combined punt (474 yards, 0 TD), interception (168 yards, 3 TD) and fumble (109 yards, 1 TD) returns have totaled 751 yards and four touchdowns, an average of 125.2 yards per game. Opponents on the other hand have totaled just 131 yards (65 punt return yards, 51 interception return yards, 5 fumble return yards) and no scores on the season in those three categories.

#### Senior I-Back Ross Building Another Impressive Season

Nebraska senior I-back **Cory Ross** showed he was an ideal fit in the West Coast Offense in 2004. The 5-6, 195pound Ross was a workhorse as a runner, and was also adept at catching the ball out of the Nebraska backfield.

This fall, Ross has provided more evidence that he is a natural for Head Coach Bill Callahan's offense.

Ross is averaging 126.2 all-purpose yards per game and leads the the team in rushing at 91.5 yards per game, while ranking second on the team in receptions with 21. Ross has continually exhibited the versatility he provides the Nebraska offense throughout the 2005 campaign.

Against Pitt, Ross was a workhorse in the running game, toting the ball 32 times for 153 yards, while also catching three passes for 23 yards. In the double-overtime win against lowa State, Ross flashed his receiving skills as Nebraska amassed a school-record 431 yards passing. Ross caught eight passes out of the backfield for a Nebraska running back record 131 yards. He provided all three of the Huskers' touchdowns, scoring on a 70-yard screen pass in the third quarter, a one-yard TD run in the first overtime and an eight-yard reception in the second extra period.

In Nebraska's game against Texas Tech, Ross flashed both his rushing and receiving skills in the same contest. He rushed for 68 yards on 15 carries, while catching four passes for 51 yards out of the backfield. Ross ranks among the Big 12 leaders in both rushing (91.5 ypg) and all-purpose yardage (126.2 ypg). His four touchdowns are a team-high and his 21 receptions rank second on the team.

#### Among the growing accomplishments for the All-America and Doak Walker Award candidate are...

- ▶ Ross continues to climb Nebraska's career rushing chart. Against Wake Forest Ross had a 57-yard run, the second-longest of his career and surpassed 2,000 career yards on the play. Ross now has 2,410 career rushing yards to rank 16th on the NU career chart, just 163 yards from reaching the top 10 on NU's career rushing list. If Ross was to match his 1,100-yard season from 2004, he would finish sixth on the Husker career charts.
  - ▶ Ross has a pair of 100-yard outings in 2005 (Wake Forest, Pitt) and has 11 career 100-yard rushing games.
- ▶ Ross caught 21 passes for 262 yards and two TDs last fall. His 74-yard touchdown reception against Baylor in 2004 was the longest by an NU running back since 1978 and his 21 catches were the most in a decade by a Husker back. Ross has matched his 2004 pass reception total in the season's first six games with 21 catches for 208 yards and two touchdowns. Against Baylor, Ross moved into the top 25 on Nebraska's career receptions list and he ranks third in school history in catches for a running back.
- ▶ The 70-yard touchdown reception against lowa State marked the third reception of 60 yards or longer in Ross' career. Last fall, he had the 74-yard TD catch against Baylor and a 63-yard reception at Kansas State.
- ▶ Ross posted the first 1,000-yard rushing season by a Nebraska I-back since the 2001 campaign, finishing the 11-game 2004 slate with 1,102 yards.
- ▶ Ross rushed for a career-high 194 yards and two touchdowns in last year's 24-3 win over Missouri, including a career-long 86-yard touchdown run. He topped the century mark six times last season and was the only back in 2004 to rush for 100 yards against Oklahoma.

#### 2005 Offense Featuring Flexibility, Ball Security

Nebraska featured the offensive balance Bill Callahan promised from the West Coast Offense in 2004. The Huskers rushed the ball on 412 of 734 (56.1 percent) offensive attempts in 2004, and picked up 48.5 percent of their offense on the ground, against 51.5 percent through the air. The offense was Nebraska's most balanced attack since 1972. The balanced attack in 2004 showed some of the elements that Bill Callahan's West Coast attack displayed during his coaching tenure with the Oakland Raiders.

Nebraska's offensive play-calling is also very balanced in 2005. Nebraska has rushed the ball 231 times while attempting 211 passes. Against Texas Tech, Nebraska ran 35 times, while also throwing 35 passes. Against Pitt and Iowa State Nebraska showed the versatility of its offense.

The Huskers featured the rushing attack against Pitt, churning out 174 yards on 48 rushing attempts, while throwing just 20 passes in a 7-6 victory. In their next game, the Huskers used an aerial assault to upend No. 23 lowa State, throwing for a school-record 431 yards on a record-tying 55 pass attempts. In the game, NU rushed just 25 times to tie for the second-lowest team rushing attempt total in school history.

In Oakland, Callahan's offenses exhibited the same characteristics—outstanding balance, efficiency and flexibility, including...

- ▶ In 2000 with Callahan as offensive coordinator, Oakland led the NFL in rushing by averaging 154.4 yards per game. Two seasons later, the flexibility of the West Coast Offense allowed the Raiders to lead the NFL in passing at 279.7 yards per game in Callahan's first season as head coach.
- ▶ In 2002, Oakland became the first team to win games in the same season while rushing at least 60 times and passing at least 60 times.
- ▶ Callahan's 2002 Raiders completed better than 67 percent of their passes en route to an AFC Championship.
- ▶ While leading the NFL in passing in 2002, the Raiders averaged nearly 4.5 yards per rush in 2002, and scored 21 rushing touchdowns, while ranking second in the NFL in scoring at more than 28 points per game.

While the 2004 Husker offense did feature balance, it was held back primarily by one factor-turnovers. Nebraska threw 23 interceptions and lost 10 fumbles in 2004. As a result, Nebraska was a a minus-12 in turnover margin, and ranked 110th nationally in that category.

#### Husker Passing Attack Looks to Stay Red-Hot Against Tigers

The Nebraska passing game has been strong in the past three games. Nebraska had an efficient attack at Baylor, connecting on 18-of-32 passes for 168 yards and two passing TDs, a week after NU had 229 passing yards and two touchdowns against Texas Tech, while completing 21-of-35 passes. That performance came one week after a record-shattering passing display in a 27-20 double-overtime win over lowa State.

Against the Cyclones, Nebraska quarterback **Zac Taylor** passed for a school-record 431 yards and two touchdowns, while connecting with 10 different receivers. Nebraska has improved its season passing percentage from 42 percent to 54.0 percent in the past three games.

#### **NU Features Hardy Passing Attack in Opener**

First-year wide receiver **Frantz Hardy** made his debut a memorable one against Maine. The Miami native hauled in seven passes for 152 yards, including a 73-yard connection with quarterback Zac Taylor in the second quarter. The 6-0, 175-pound sophomore is a transfer from Butler County Community College and was a teammate of Taylor's last fall at the school.

Hardy's receiving effort ranks among the top pass catching days in school history...

- ▶ The 152 receiving yards rank as the fourth-highest single-game total in Nebraska history, just 15 yards shy of the school single-game record
- ▶ Hardy's 152 yards were the most by a Husker since Matt Davison's school-record 167 receiving yards against Texas A&M on Oct. 10. 1998
- ➤ The 152 yards are the most ever by a Nebraska player in a season opener, bettering the previous opening-day record of 127 yards held by Irving Fryar (vs. Iowa, 1982)
- ► Hardy's receiving total is the most ever by a Nebraska player in a first game.

Hardy continued his strong play in game two, tying for the team lead with four receptions, while nabbing his first career TD at Nebraska on a four-yard reception from Taylor in the third quarter. Through six games, Hardy has 19 receptions for a teamhigh 264 yards.

Hardy and Taylor formed a solid combination at Butler County CC last season, as Taylor passed for nearly 3,000 yards and threw for 29 touchdowns. Hardy was a big part of that success, with 34 receptions for 820 yards and five touchdowns.

9-248 yards-27.6 yards per return (2nd nationally) Long-62 yards, twice, vs. Maine, Pittsburgh Callahan made better ball security a primary focus for Nebraska throughout spring and fall camp and the results have been mixed. The Huskers struggled in that department in game one, committing four offensive turnovers. Nebraska protected the ball well in wins over Wake Forest, Pitt and Iowa State, committing just two turnovers and playing seven quarters of turnover-free football in one stretch.

The Huskers were again plagued by miscues in a 34-31 loss to Texas Tech, turning the ball over four times on offense, but rebounded to commit just one turnover at Baylor. The Huskers have had one or fewer turnovers in seven of their last 10 games dating back to last season, including four of six games in 2005.

#### Record-Setting Performance vs. Iowa State Jump Starts Quarterback Taylor

Nebraska junior quarterback **Zac Taylor** executed the Nebraska offense in record-breaking fashion in the Huskers' 27-20 double-overtime victory over lowa State on Oct. 1. Taylor completed 36-of-55 passes for a school-record 431 yards and two touchdowns and no interceptions against the Cyclones. Taylor's performance against lowa State earned him SBC Big 12 Offensive Player-of-the-Week honors and also made him one of four nominees for the Cingular/ABC Sports College All-America Player of the Week.

Taylor continued to be strong in the passing game against Texas Tech. Despite starting the game by connecting on just 3-of-10 passes, Taylor finished the game by hitting on 21-of-35 passes for 229 yards and a pair of touchdown passes to Terrence Nunn. After completing just 43 percent of his passes through three games, Taylor has hit on 75-of-122 (61.5 percent) in the past three weeks, raising his season passing percentage to 54.0 percent.

Taylor and the Huskers threw for a total of 399 yards in the first three games, but eclipsed that total against lowa State with the school-record 431 yards. In addition to breaking the single-game passing record by 89 yards, Taylor also set the school record for total offense (433 yards), pass completions (36) and total offense attempts (62), while tying the record for most pass attempts (55).

Taylor opened the season with a solid performance against Maine, throwing for 192 yards for his previous single-game high. The Norman, Okla., native surpassed that total before halftime against ISU, throwing for 198 yards in the first half, including connecting on his first seven passes of the game. Head Coach Bill Callahan showed his confidence in Taylor by calling pass plays on 17 straight plays spanning the first and second quarter. Taylor continued his accuracy after halftime, hitting on 17-of-23 passes, including 4-of-6 and a touchdown in overtime.

Taylor has thrown for 1,227 yards this season and is more than halfway to Nebraska's season passing record of 2,074 yards by Dave Humm in 1972. Nebraska has had just four quarterbacks eclipse 2,000 passing yards in a season in school history.

#### Taylor Spreading the Wealth in Nebraska Passing Attack

Husker coaches have regularly talked about the poise and command quarterback Zac Taylor possesses in the pocket. That poise has led to Taylor spreading the football to several different receivers in the passing game. Twelve different receivers have caught passes for Nebraska this season, including 10 in the school-record 431-yard passing effort against lowa State. In the win over ISU, four receivers—Cory Ross, Terrence Nunn, Grant Mulkey, Nate Swift— had five or more catches, with each of the four setting career highs for receptions. Swift's five receptions for 81 yards were the first catches of his Nebraska career. Taylor followed that effort by connecting with eight different receivers against Texas Tech. Against Baylor, Taylor threw to seven different receivers, including a 21-yard touchdown pass to Todd Peterson, marking the first career reception for Peterson.

#### Breakdown of Taylor's pass distribution....

#### Nunn Becoming Go-to-Receiver for Taylor

Nebraska sophomore wideout **Terrence Nunn** has been a dual threat for Nebraska this season, in the passing game and as a punt returner. Nunn has been at his best in the past three games, hauling in 16 passes and three touchdowns in games against lowa State, Texas Tech and Baylor. Nunn leads the Huskers in receptions with 22 and is second on the team with 229 receiving yards.

Nunn had a career-high eight catches against lowa State, then caught three passes for 39 yards and his first two career touchdowns versus Texas Tech. Nunn had second-half TD grabs of 15 and 4 yards to help NU take a fourth-quarter lead in the game. Against Baylor, Nunn continued his strong play catching a team-high five passes

#### **Huskers Come From Near and Far**

Nebraska has a great history of attracting the top in-state high school talent to Lincoln. However, with a population base of just 1.7 million people, Nebraska has traditionally looked across the United States and beyond for recruits. The 2005 roster is no exception.

Of the 123 players on the roster, 51 hail from the Cornhusker state. Omaha leads the way with 10 players on this year's roster, while eight players from Lincoln stayed within the city limits to play for Nebraska. Omaha Creighton Prep and Lincoln Southeast lead the way with four players on the roster.

Nebraska is just one of 31 states represented on the 2004 roster. California is home to 11 Huskers, while 10 players come to Nebraska from the state of Texas. Florida and Colorado each have five players on the NU roster. From the international ranks, receiver Isaiah Fluellen hails from Germany. In addition, senior offensive lineman Seppo Evwaraye is a native of Finland who was an exchange student in Laurel, Neb.

#### **Getting to the Points**

The Huskers have a long history of ranking among the nation's leaders in scoring offense and have posted some amazing offensive numbers.

- $\blacktriangleright$  NU has averaged more than 35 points a game 15 times in the last 18 years.
- ▶ NU has averaged 40-or-more points eight times since 1982, including four of the last nine seasons.
- ▶ Entering 2005, the Huskers have ranked among the nation's top 10 in scoring average 22 of the last 27 years (since 1978) and finished first on four occasions (1982, 1983, 1994 and 1997).
- ▶ Nebraska is 307-2 all time when scoring 35-or-more points, losing only to Oklahoma, 49-35, in 1950 and at Colorado, 62-36, in 2001. Before the loss at Colorado in 2001, NU had won 237 consecutive games when scoring 35-or-more points.
- ▶ The last time the Huskers were shut out was a 19-0 loss at Arizona State in 1996. Nebraska has since scored in 119 straight games.
- ▶ Nebraska has not been shut out at home since Kansas State shut out the Huskers, 12-0, on Homecoming in 1968 (239 games).
- ▶ The Huskers have been shut out just five times since 1962, including once at home during that span. The Huskers have not been shut out by a conference opponent since a 27-0 loss at Oklahoma in 1973. NU was shut out by Miami in the 1992 Orange Bowl (22-0), the only time the Huskers have been shut out in a bowl game.
- ▶ The Huskers have scored 30-or-more points in six of their last nine bowl games, including a school and NCAA bowl-record 66 vs. Northwestern in the 2000 Alamo Bowl.
- $\blacktriangleright$  Nebraska posted two shutouts in 2003, and has 102 shutouts in school history.

#### **NU Completes Perfect Non-Conference Slate**

Nebraska went through its 2005 non-conference schedule with an unbeaten 3-0 record. A perfect non-league slate was nothing new for the Nebraska football program...

- ▶ Nebraska has gone unbeaten through its non-conference schedule in 10 of the past 13 seasons.
- ▶ The Huskers have been perfect in the non-conference portion of their schedule in 25 of 44 seasons since 1962. In two other seasons in that time period (1970, 1976) NU's only non-conference blemish was a tie.

#### **NU Shines Under Memorial Stadium Lights**

The Huskers have a stellar record in night games on their home field, posting a 22-2 all-time record in home night contests at Memorial Stadium, including season-opening victories in 2005 over Maine and Wake Forest.

Nebraska has regularly dominated the opposition under the Memorial Stadium lights, posting 17 of its 22 home night victories by 17 points or more. In 24 home night games, Nebraska has outscored the opposition by an average score of 37.5-13.5, with the only two losses to No. 4 Washington in 1991 and seventh-ranked Texas in 2002.

for 49 yards. He also put Nebraska ahead to stay in the second quarter with a four-yard TD reception from Taylor to give the Huskers a 10-7 lead.

The impact of the 6-0, 185-pounder has not been limited to receiving. Nunn shares Nebraska's punt return duties with fellow sophomore Cortney Grixby. Nunn has made the most of his opportunities by returning nine punts for 248 yards, an average of 27.6 yards per return, a figure that ranks second in the nation. Nunn has a pair of 62-yard returns this season (Maine, Pitt) and also had a 45-yard return against Maine.

Nunn and Grixby have Nebraska ranked 13th nationally in team punt return average at 15.3 yards per return. A year ago, the Huskers finished the season with a total of 181 punt return yards, and through six games, Nebraska has more than doubled that total with 474 return yards.

#### It Doesn't Get Much Closer Than This

Nebraska fans got their money's worth in a recent three-game home stretch against Pitt, lowa State and Texas Tech. All three games were decided in the game's final seconds or in overtime.

#### Nebraska 7, Pitt 6

▶ The Huskers' 7-6 win over Pitt was decided as time expired. After Nebraska missed a field goal with 1:28 remaining, Pitt drove to the Nebraska 29-yard line and lined up for a potential game-winning field goal. A bizarre finish ensued. The Panthers botched the snap on their field-goal attempt on second down and kicker Josh Cummings threw an incomplete pass with one second remaining. Pitt lined up for a second 46-yard FG attempt that was blocked by Adam Ickes to preserve the NU victory.

#### Nebraska 27, Iowa State 20 (20T)

▶ A turnover inside the ISU 20-yard line late in a 13-13 tie, forced Nebraska and the Cyclones into overtime. After lowa State scored a touchdown to open the overtime, Nebraska matched the score to force a second overtime. The Huskers scored on an eight-yard Zac Taylor to Cory Ross pass, then held ISU on downs to complete a 27-20 victory in the first overtime game in Memorial Stadium history.

#### Texas Tech 34, Nebraska 31

▶ After trailing 21-0 in the second quarter, Nebraska rallied for a 31-27 edge with 5:10 remaining. Tech mounted a scoring threat, but Cody Hodges was picked off by defensive tackle Le Kevin Smith with just more than one minute remaining. However, Tech forced Smith to fumble and recovered at the NU 18. Four plays later on fourth-and-2, Hodges connected with Joel Filani for a 10-yard touchdown pass with 12 seconds left to give the Red Raiders a 34-31 victory.

#### Eleven True Freshmen Among Huskers Seeing 2005 Action

Nebraska had an influx of young talent in its 2005 recruiting class and that has been evident by looking at the field in the first half of the 2005 season. Among the numerous newcomers who have hit the field are 11 true freshmen, including nine who made their Husker debuts against Maine. The nine true frosh are the most ever to play in a season opener for the Huskers.

The true freshmen seeing action in the opener included PK Jordan Congdon, DE Barry Turner, LB Phillip Dillard, DE Zach Potter, S Jeff Souder, OT Matt Slauson, IB Marlon Lucky, WR Chris Brooks and DT Ndamukong Suh. Against Pitt, I-back Cody Glenn and safety Leon Jackson joined the group of freshmen, with Glenn having an impressive performance with four carries for 20 yards.

Of the freshman group, Congdon had the biggest impact in game one, connecting on four field goals to tie a Nebraska freshman record. Congdon was 4-for-4 on field goals, hitting from 23, 33, 38 and 23 yards and supplied 13 points in his NU debut. Through six games, he has connected on 11-of-14 field goals. Both Glenn and Lucky have been key factors in the NU running game in the past two games. Glenn has 100 yards and two touchdowns on 28 carries this season, while Lucky has 84 yards on 26 carries.

#### **NU Schedule Features Five 2004 Bowl Teams**

Nebraska's schedule featured a stretch of three consecutive games against teams that played in bowl games in 2004. The Huskers posted a 7-6 victory over Pittsburgh, the 2004 Big East champ that played in the Fiesta Bowl. NU knocked off lowa State 27-20 in double overtime, defeating a Cyclone team that played in the 2004 Independence Bowl. On Oct. 8 2004 Holiday Bowl champion Texas Tech handed Nebraska its first loss, 34-31, in Lincoln.

The Huskers' final two games against 2004 bowl teams are against last year's Big 12 title game participants Oklahoma (Oct. 29) and Colorado (Nov. 25). The Sooners captured the Big 12 title en route to a trip to the Orange Bowl, while Colorado earned a berth in the Houston Bowl.

#### **NCAA Record Sellout Streak Continues**

Nebraska boasts an incredible NCAA-record 273 consecutive sellouts at Memorial Stadium. The sellout streak dates back to Hall of Fame Coach Bob Devaney's first year in 1962 (vs. Missouri on Nov. 3). Notre Dame is second in all-time consecutive sellouts with 180, 93 fewer than Nebraska.

The Huskers are 241-32 during the 273 sellouts. The mark includes a 39-21 record against ranked teams. Nebraska is 5-0 in the five milestone sellouts during that period (50th, 100th, 150th, 200th and 250th sellouts), including a 24-7 win over No. 2 Colorado on Oct. 29, 1994 (No. 200) and a 44-13 victory over Utah State on Sept. 7, 2002 (No. 250).

The fan support at Memorial Stadium has led to a dominant home advantage for the Huskers. Nebraska has won at least six home games in 17 of the past 18 seasons and is a remarkable 153-16 at home since 1981. Eight of the losses in the span have come against teams that finished in the top eight of the final AP poll. With two remaining home games in 2005, Nebraska's record sellout streak is set to reach 275 by the end of the season.

#### **LeFlore Named to Good Works Team**

Nebraska senior wide receiver Mark LeFlore was one of 11 Division I-A players named to the 2005 American Football Coaches Association Good Works Team. LeFlore is the 10th Husker selected to the Good Works Team since its inception in 1992, a total that leads the nation. The Good Works Team is comprised of two 11-player teams, a Division I-A team and a combined team from Divisions I-AA, II, III and the NAIA, and honors players for their dedication and commitment to community service. LeFlore is one of four Big 12 players on the Good Works Team, the most honorees of any conference.

LeFlore is an active member in the Lincoln and Nebraska community, who was named to Nebraska's 2005 Brook Berringer Citizenship Team for his efforts. LeFlore has volunteered his time at numerous activities, including the Village Manor Retirement Center, Children's Discovery Center, the Malone Community Center for Youth, the Omaha Children's Hospital, Lincoln's St. Elizabeth's Hospital and local Special Olympics. LeFlore is the Community Outreach Officer for the Nebraska Student-Athlete Advisory Committee, a member of the Student-Athlete Minority group committed to degree completion and also speaks at numerous elementary schools.

#### Kurt Mann Presented with Jake Young Memorial Scholarship

Nebraska junior center **Kurt Mann** was presented with the Jake Young Memorial Scholarship earlier this season. Young, a Husker two-time All-American and academic All-American at center, was tragically killed in October, 2002, in a terrorist bomb attack in Bali.

The Jake Young Memorial Scholarship was made possible by generous donations from friends and family, Husker fans across the nation and by a generous donation from Lynn and Dana Roper. The Roper's were Young's Lincoln parents.

Mann has been a key part of Nebraska's offensive line each of the past two years, starting all 11 games last season at center in 2004, as well each of this year's first four games. Mann has also distinguished himself as one of Nebraska's top scholar-athletes. A native of Grand Island, Neb., Mann majors in mechanized systems management and owns a 3.97 cumulative grade-point average. He was a CoSIDA Academic All-District pick last season and is a strong contender for Academic All-America accolades as a junior. Mann is also a regular contributor in the community, and was named to the 2005 Brook Berringer Citizenship Team.

#### Todd is 2005 Recipient of Berringer Scholarship

Nebraska junior fullback **Dane Todd** was the 2005 recipient of the Brook Berringer Memorial Endowed Scholarship. The scholarship was endowed in the memory of former Nebraska quarterback Brook Berringer, who died in a plane crash on April 18, 1996.

Criteria for the Brook Berringer Memorial Scholarship includes the following: Must be a football student-athlete; must be involved in community service along with high ideals, excellent character and integrity.

Todd is arguably Nebraska's top scholar-athlete. The Lincoln Southeast graduate carries a perfect 4.0 grade-point average and was a 2004 CoSIDA Academic All-District VII honoree and a first-team Academic All-Big 12 pick. Todd is also a leader in the community, being named to the Brook Berringer Citizenship Team each of his first three seasons at Nebraska. The citizenship team recognizes Huskers who take a leading role in the Huskers' community outreach activities.

#### **Memorial Stadium Magic**

Nebraska's record home sellout streak is testament to the Huskers playing in front of the nation's best college football fans. On the field, Nebraska has rewarded the loyalty of the Husker Nation with incredible success at Memorial Stadium through the years.

Nebraska saw a 26-game home winning streak come to an end in November of 2002 against Texas, ending the third-longest home winning streak in school history. The streak was Nebraska's third home win streak of 20 games or more since 1980, including a school-record 47-game home winning streak from 1991 to 1998.

The Huskers are 4-1 at home in 2005, and have won at least six home games in 17 of the past 18 seasons. Nebraska is 109-9 at home the last 17 years, including a pair of losses to teams that went on to win shares of the national championship—Colorado in 1990 and Washington in 1991.

The Huskers are 476-128-20 (.779, 624 games, 116 years) in Lincoln, 351-105-13 (.762, 469 games, 83 years) in Memorial Stadium (since 1923).

Since 1986, only seven different schools have escaped Memorial Stadium with a victory. Nebraska has not been shut out at home since a 12-0 loss to Kansas State in 1968 (239 games). NU has posted 40 unbeaten and untied home seasons.

#### **Construction Continuing at Memorial Stadium**

While a packed house is nothing new at Memorial Stadium, the 82-year-old facility continues to take on a different look. Construction continues on the Memorial Stadium Expansion Project, the Tom and Nancy Osborne Athletic Complex and the Championship Indoor Center.

- ▶ The expansion project includes more than 6,400 new seats in the North Stadium, which will raise Memorial Stadium's capacity to more than 80,000 for the 2006 season. There will also be 13 new sky suites high above the North Stadium, including a 48-seat Super Suite.
- ▶ The Osborne Complex will provide the Husker football program with state-of-the-art locker room, strength and conditioning and athletic medicine facilities. The building will also house new offices for the Nebraska coaching staff. The football team will move into its new home before the start of the 2006 season.
- ▶ Nebraska will be able to utilize the Championship Indoor Center during the 2005 season. The building gives Nebraska two full-sized indoor facilities. When completed the Championship Indoor Center and the Osborne Complex will be connected by a sky bridge.
- ▶ The Nebraska Sideline Club made its debut for the 2005 season. The field-level seating area provides 42 premium seats just off the Southeast corner of the playing field. Fans in the Sideline Club will be seated outdoors, but will have access to an indoor area. The Sideline Club is the first seating area of its kind in college football.
- ▶ A new FieldTurf playing surface was installed in Memorial Stadium in the summer of 2005. The two-tone green playing surface sits on a new sub-surface, and the crown of the field was cut in half, from its previous 18 inches to nine inches for the 2005 season.

#### Callahan's Huskers Continuing Academic Excellence

Nebraska continued its long-standing tradition of academic excellence and honors during the 2004-05 academic year and appears set to do so again this fall.

In 2004, Nebraska seniors **Chad Sievers** and **Kellen Huston** were the latest Huskers to earn CoSIDA Academic All-America honors. Sievers completed his undergraduate work with a perfect 4.0 grade-point average, was selected as a first-team academic All-American and received a prestigious NCAA Postgraduate Scholarship. Huston was chosen as a second-team academic All-American. The selection of the two Nebraska defenders gave the Husker football program 83 all-time academic All-Americans, including 60 first-team selections, both nation-leading totals. The Husker athletic program as a whole also leads the nation with 222 academic All-America selections across all teams and all sports.

The selection of Sievers and Huston is far from the total story of academic success for the Husker football program under Callahan's leadership in the past year.

#### ▶ Four Huskers Earn Academic All-District VII Honors

In addition to Sievers and Huston, 2004 sophomores **Dane Todd** and **Kurt Mann** earned first team CoSIDA Academic All-District VII honors last fall. Todd maintains a perfect 4.0 cumulative grade-point average heading into his junior year, while Mann carries better than a 3.97 grade-point average. Both Todd and Mann will be favorites to earn academic All-America honors in 2005.

In addition to pacing all schools in academic All-Americans, the Husker football program also leads the nation with nine NCAA Today's Top Eight Award winners, 32 NCAA Postgraduate Scholarship winners, including Sievers last fall and 20 National Football Foundation and College Hall of Fame Scholar-Athletes.

#### ▶ Huskers Enter Fall With Outstanding Academic Record

Nebraska's football team finished the spring semester with a strong academic standing. The Huskers cumulative grade-point average as a team was just below 3.0, the highest ever for a Nebraska football team entering the summer session

- ▶ Of Nebraska's 93 returning players, 36 student-athletes (39 percent) carried a 3.0 cumulative grade-point average or higher after the 2005 spring semester. Of that group, 13 players had a 3.5 grade-point average or higher, led by junior **Dane Todd** who has completed six semesters at Nebraska with a perfect 4.0 grade-point average.
- ▶ During the 2005 spring semester, 44 of Nebraska's 93 players (47 percent) posted a 3.0 or better semester grade-point average. Sixteen of those players were at the 3.5 mark or higher, paced by Todd and freshman linebacker **Tyler Wortman** who both had 4.0 spring semesters.

#### 1995 National Title Team to Celebrate 10-Year Anniversary

For the second consecutive year, the Nebraska football program will hold a reunion of a national championship team. Last season, Nebraska's 1994 national championship team had a reunion the weekend of the Huskers' game against Missouri. This fall, many of the same former players will be on hand when the Huskers paytribute to the 1995 national championship team the weekend of Oct. 28-29. The Huskers will host long-time rival Oklahoma on Saturday to culminate the weekend of activities that will include a pre-game social event.

The 1995 Nebraska football team is widely regarded as one of the best in the history of college football. Nebraska posted a 12-0 record capped by a 62-24 win over Florida in the 1996 Fiesta Bowl. Nebraska capped the regular season with a 37-0 shutout of Oklahoma in the final Big Eight Conference game. During the season, Nebraska defeated all 12 of its opponents by at least 14 points with nine of the victories by 37 points or more.

#### Maine is Latest Season-Opening Victim

The Huskers extended their season-opening win streak to 20 games with their 25-7 victory over Maine. Nebraska has not lost a season opener since a 17-13 setback at the hands of Florida State to open the 1985 season.

Nebraska's 20-game win streak in season openers leads the nation, bettering 16 straight wins by both Kansas State and Florida. The Huskers have won each of those 20 games by 10 points or more, and owns an 85-26-5 all-time record in season openers. Since 1973, the Huskers are 28-4-1 in season openers, including 23-2 at Memorial Stadium, with losses to only Florida State in 1985 and Washington State in 1977. In all-time home openers, Nebraska is 94-17-5, including 66-14-3 at Memorial Stadium. The Huskers are 30-2 in their last 32 home openers.

#### Huskers Notch Four Wins in Five-Game Opening Homestand

Nebraska opened the season with five straight home games, winning the first four before a last-second 34-31 loss to Texas Tech. The Huskers collected wins over Maine, Wake Forest, Pitt and Iowa State before the loss to the Red Raiders.

NU's long season-opening homestand was a rarity.

- ▶ The 2005 campaign marked the first time Nebraska has had five straight home games to open the season since 1975, when NU won its first five games at home en route to a 10-0 start. The only other times in school history Nebraska has opened with five straight home games were in 1906 and 1918.
- ▶ NU has opened the season with four straight home games 10 times in school history, most recently in 2001.
- ▶ The last time Nebraska played five consecutive home games at any point in the season was in 1995. After opening the year with two straight road games, Nebraska played games three through seven at Memorial Stadium, winning all five on its way to a second straight national championship.

#### ▶ Helming and Ickes Playing 2005 as Graduate Students

Two members of Nebraska's 23-player senior class will compete in their senior seasons as graduate students. Defensive tackle **Jared Helming** completed his undergraduate work in business administration last May, while linebacker **Adam Ickes** (business administration) picked up his degree at the close of summer school in August. The two graduates will be in good company by the end of 2005.

- ▶ An additional 11 Husker football student-athletes are expected to graduate this December, giving Nebraska 13 of 23 seniors as graduates by the close of the season. Among that group, senior wide receiver **Mark LeFlore** is scheduled to complete his undergraduate work in communication studies in just 3 1/2 years.
- ▶ By May of 2006, 21 of the 23 members of the Huskers' senior class are scheduled to graduate.
- ▶ The graduation rate of this year's senior class comes on the heels of a similar showing by Nebraska's 2004 senior class. At the conclusion of NU's 2005 spring semester, 18 of 20 members of Nebraska's 2005 senior class had picked up their degrees.

#### ▶ Nebraska Honored by AFCA for Football Graduation Rate

Nebraska was one of 25 schools from across the nation to have its football program honored with the 2005 Academic Achievement Award by the American Football Coaches Association.

The Huskers, who posted a strong graduation rate of 88 percent for their 1999-2000 freshman class, were one of just 25 schools nationally to be honored for graduating 70 percent or more of their football student-athletes. Only six schools in the country achieved a rate of 90 percent or better. Duke and Northwestern led the nation with 100 percent graduation rates for their freshman classes of 1999-2000, while Boston College, Miami (Ohio), Notre Dame and Vanderbilt all managed graduation rates of 90 percent or better.

Along with Nebraska, Big 12 Conference schools Colorado and Texas Tech were both honored for having graduation rates of 70 percent or higher. Of the record number of 103 schools that responded to the AFCA's graduation rate survey, the median graduation rate for the 1999-2000 freshman class was 57 percent. This marked the fifth straight year Nebraska had received the honor.

Nebraska leads the Big 12 Conference in exhausted eligibility graduation rate for all athletes at better than 91 percent

#### ▶ Huskers Pace Big 12 in Academic Honors

Nebraska placed 60 players on the Big 12 Commissioner's Spring Academic Honor Roll, after having 54 players earn the same recognition during the fall semester. The honor roll recognizes all student-athletes who earned a 3.0 grade-point average or better in the previous semester. Nine members of the football team produced 4.0 grade-point averages last fall, while two players managed the feat during the spring semester.

▶ Nebraska led the Big 12 Conference in academic all-conference picks in 2004, as 24 Huskers were honored by the league office. Eighteen Huskers were named to the first-team, while another six players earned second-team honors.

#### ▶ Football Program Earns Life Skills Team Award

Under Head Coach Bill Callahan, the Husker football team has learned the concept of total player development. That is evident by the football program picking up the Athletic Department's Life Skills Team Award for 2004-05.

The award honors the Nebraska team that accumulates the most points in the Life Skills competition, which encompasses community outreach and character education among other factors. Among Nebraska's community involvement activities were hospital visits by the entire team in both the Lincoln and Omaha communities. On the day before Thanksgiving last fall, Nebraska football players divided into four groups and visited four hospitals in the Lincoln community. The team conducted a similar venture to Omaha before the start of spring practice, visiting Children's and Veteran's hospitals in Omaha in early March.

#### **Nebraska Boasts Tradition of Winning**

Nebraska ranks as the nation's fourth-winningest program, both in terms of victories and winning percentage. The Husker football program owns a 791-318-40 all-time record in 1,149 games (.706) in 116 years of football. In the last 36-plus years, Nebraska's record is an impressive 357-77-5 for an .818 winning percentage in 438 games, an average of 9.8 wins per season.

- NU has won 10-or-more games 24 times since 1962, has gone undefeated and untied through the regular season seven times, played in 13 national title games (for at least one of the teams) and won the championship five times.

  All-Time Victories
- ▶ Since the first Nebraska season in 1890, Husker teams have won 11 or more games 12 times, including seven of the last 12 years.
- ▶ NU has won 12 or more games seven times, and 13 games three times (1971, 1994 and 1997).
- ▶ Nebraska (702), Michigan (705), Alabama (728) and Notre Dame (736) were the only four programs to win 700 games in the 1900s. NU became the first Division I team to win 100 or more games in consecutive decades, ranking first in the 1980s (103-20-0, .837) and second in the 1990s (108-16-1, .890) and posted a nation's best 309-56-5 record in the 1970s, 1980s and 1990s combined.

#### 2005 Huskers Look for Return to Bowl Season

Nebraska's NCAA record for consecutive bowl appearances ended at 35 years in 2004, but the Huskers are intent on starting a new streak this fall. Nebraska will become bowl-eligible with its next victory. The Huskers' NCAA-record 35-bowl streak is five bowl games longer than the streak of 30 consecutive bowl trips by Michigan, that spans 1975 to the present.

1.	Alabama	52
2.	Tennessee	45
3.	Texas	44
4.	USC	43
5.	Nebraska	42

**All-Time Bowl Appearances** 

Nebraska's 42 overall bowl appearances is fifth best, one behind USC's 43 and also trailing Alabama's 52, Tennessee's 45, and Texas' 44.

Nebraska played the first of its 42 bowls in the Rose Bowl, when No. 7 Nebraska lost to No. 2 Stanford, 21-13, following the 1940 season. NU's 35 consecutive bowl streak began with a 45-6 win over Georgia in the 1969 Sun Bowl, and ended with a 17-3 victory over Michigan State in the 2003 Alamo Bowl. The Huskers are 21-21 all-time in bowl games.

#### **All-Americans Call Nebraska Home**

In addition to pacing all Division I schools in academic All-Americans, Nebraska owns a long tradition of being among the nation's leaders in All-Americans on the field. In 2003, punter Kyle Larson and free safety Josh Bullocks were each picked as first-team All-America selections adding to Nebraska's long list of All-Americans, beginning with tackle Vic Halligan in 1914.

The Huskers have had at least one first-team All-American in all but three (1991, 1998, 2004) of the past 35 years. Overall, Nebraska has seen 92 different players earn first-team All-America honors from at least one recognized source with 14 winning double honors for a total of 106 first-team awards. Nebraska had its most All-Americans in one season when six Huskers earned first-team honors in the 1971 national championship campaign. The offensive line is Nebraska's most honored position, with 26 players earning 31 first-team All-America certificates.

Last season, senior linebacker Barrett Ruud was a third-team All-America selection by the Associated Press.

#### **Huskers Among Leaders in AP National Titles**

Notre Dame leads the nation by winning eight Associated Press national titles since 1936, with Oklahoma (7), Alabama (6), Miami (5), USC (5), Nebraska (4) and Minnesota (4) next in line. While the Huskers were awarded the national title by the coaches in 1997, NU finished second to Michigan in the AP poll. In 1970, NU was awarded the AP national title, but not the coaches (Texas was first, Ohio State second and NU third) as the final poll was released before the bowl games were played. In the coaches poll (since 1950), Nebraska is tied for fourth with Miami with four titles, behind Alabama and Oklahoma with six apiece, and USC with five.

#### **NU Leads Conference in Football Crowns**

Nebraska is one of only two teams to capture two or more Big 12 titles in the first nine seasons of the conference. Oklahoma captured its third Big 12 crown in 2004, while the Huskers won Big 12 titles in 1997 and 1999 and appeared in the game in 1996. Nebraska, Texas, Colorado and Kansas State have also made three Big 12 title game appearances, while Oklahoma has made four appearances.

Nebraska has won 43 football conference championships overall, including eight under Coach Bob Devaney and 13 under Coach Tom Osborne. Oklahoma has won 35 conference championships to rank second behind NU among conference schools.

#### Nebraska A Regular Supplier to NFL

Nebraska had three players selected in the 2005 NFL Draft, all in the first 40 picks of the draft. Cornerback Fabian Washington was taken as the 23rd pick in the first round by the Oakland Raiders, giving Nebraska its first selection in the opening round since 1998. In addition to Washington, linebacker Barrett Ruud was taken with the 36th overall pick by Tampa Bay, while safety Josh Bullocks was selected 40th overall by New Orleans.

Nebraska is one of the most well-represented schools in the National Football League. The Huskers had a total of 37 former players on NFL rosters at the start of the 2004 regular season. In all, 21 teams had at least one former Husker on their 2004 opening day roster. Kansas City Chiefs All-Pro offensive guard Will Shields is Nebraska's most experienced NFL veterans, entering his 13th season in the league in 2005. Shields and Green Bay Packer running back Ahman Green represented the Huskers in the 2005 Pro Bowl in Honolulu.

Following final NFL cuts (Sept. 5), 28 former Huskers were listed on active NFL rosters, with two others on the injured reserve and a pair of Huskers on NFL practice squads.

#### **Starting Field Position**

Nebraska has enjoyed a solid field position advantage this season with a 8.7 yard-per-drive edge against the opponent. Nebraska produced an average start at its own 49.3 in game one, while limiting Maine to an average start at its own 24.5. In a matchup of two of the nation's best special teams units, NU enjoyed an 11-yard field position advantage at Baylor.

NU has started nine drives inside its own 20 this season, while opponents have started 32 drives inside their 20, thanks in a large part to the punting of Sam Koch.

## **All-America Candidate**

#### #37-Sam Koch

- ▶ Punter, Sr., 6-1, 225
- ▶ Seward, Neb.
- ▶ Big 12 Special Teams Player of Week (9/19)
- ➤ Ranks 18th Nationally in Punting Average (43.79)

Senior punter Sam Koch has been a catalyst behind Nebraska's improved special teams in 2005. His current punting average of 43.8 would

rank fifth in single-season school history, while he owns three kicks of more than 70 yards this season. Koch's career average of 42.1 yards currently ranks third in school history.

Koch started his season with a bang in NU's 25-7 win over Maine, averaging a personal-best 46.8 yards (minimum two attempts) on four punts. Included among the kicks were a then-career-long 70-yard punt and two others that stuck inside the Maine 20-yard line. Koch did not allow a return attempt on any of his four kicks.

Koch recorded a personal-best kick for the second game in a row during the Huskers' 31-3 win over Wake Forest. He struck a 76-yard punt midway through the fourth quarter to pin the Demon Deacons at their own eight-yard line.

The Seward, Neb., native followed up his big game against the Deacons with an even greater performance during NU's 7-6 win over Pittsburgh. Koch stuck five of his eight punts inside the Panthers' 20-yard line, and booted a career-long 84-yard kick, the second-longest punt in school history, during the third quarter. He also kicked two others over 50 yards. The 84-yard punt is the longest in Big 12 history (since 1996), and Koch became only the second punter in school history with three career kicks over 70 yards, joining current Cincinnati Bengals punter Kyle Larson.

Despite only seeing the field once during a seven-quarter strech between the lowa State and Baylor games, Koch rose to the occasion with a strong second-half effort against the Bears. He sailed two of his four punts over 50 yards, while adding another that pinned Baylor at its own five-yard line late in the fourth quarter of NU's 23-14 road victory.

#### Koch Game-by-Game in 2005

**Maine**—Koch punted four times for a personal-best 46.8-yard average. He registered a career-long 70-yard punt and two others that rested inside Maine's 20-yard line.

**Wake Forest**—Koch averaged 42.5 yards on eight punts. He landed four of his kicks inside the Wake Forest 20-yard line, while he also recorded the then-third-longest punt in NU history with a 76-yard kick.

**Pitt**—Koch earned Big 12 Special Teams Player of the Week honors after landing a career-best-tying five punts inside the Panther 20-yard line. He also boomed three attempts over 50 yards, including one that traveled a career-best 84 yards.

**lowa State**—Koch extended his streak of placing at least half of his punts inside the opponents' 20-yard line to four games after adding two more to his season total.

**Texas Tech**—Koch landed his only punt inside the Red Raiders' 20-yard line.

**Baylor**—Koch sailed two of his four punts over 50 yards, with another that pinned the Bears at their own five-yard line in the fourth quarter.
